Did you know?

- Students can **earn up to \$40,000** when they complete key college planning steps through the College Board Opportunity Scholarships.
- AP classes help students **prepare for college-level work**.
- Students who earn a score of 3 or higher on an AP Exam are more likely to **graduate college in four years**.
- Historically, students who take the PSAT/NMSQT **score higher** on the SAT, on average, than those who don't.
- Studying for the SAT on Official SAT Practice for 20 hours is associated with an average **score gain of 115 points** from the PSAT/NMSQT to the SAT.
- The SAT is **accepted by every college** in the United States.
- Most students **raise their scores** when they take the SAT again.
