The Purpose-Driven Life

Synopsis

A Groundbreaking Manifesto on the Meaning of Life. The Purpose Driven Life will help you understand why you are alive and God's amazing plan for you---both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. This recording offers a blueprint for Christian living in the 21st century---a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, discipleship, ministry, and evangelism. In the tradition of Oswald Chambers, Rick Warren offers distilled wisdom on the essence of what life is all about. Full of hope and challenge, The Purpose Driven Life will be a classic treasured by generations to come.

Customer Reviews

It has been 10 years since the publication of The Purpose-Driven Life, the book that topped best-seller lists for months and sold more than 32 million copies. Rick Warren's simple formula linking each person's purpose to five classic functions of the church--worship, fellowship, discipleship, ministry, and mission--has helped countless people re-examine their lives and deepen their faith. When the book originally released in 2002, I was editorial director at a Christian publishing house and had previously served as a pastor for several years. As a "professional Christian," I was

skeptical that Warren's seemingly simplistic approach had much to offer. But when the church I attended did a Purpose-Driven campaign, I dutifully agreed to read a chapter a day. I was immediately hooked by Warren's unassuming voice and clear, biblical message. I read the entire book in two days and was highly motivated to re-engage in the practice of spiritual disciplines and ministry. Since then I've used the book as the basis of a small-group study on two occasions. This material continues to connect with basic questions people have about how to live a meaningful life. Now Zondervan has released an anniversary edition in an attempt to reach a new generation of readers. The expanded edition includes two additional chapters, plus online supplemental resources: a one-minute video introduction of each chapter, and a roughly 60-minute audio recording of a Sunday sermon by Warren to accompany each of the 42 chapters. The bonus materials don't add much value to the book, however. The chapters really don't need an introduction, and I can't imagine anyone listening to 42 hour-long sermons in addition to doing a six-week group study of the book.
