# ABOUT US

The Asian American Association (AAA) welcomes all, 0-100% Asian, to celebrate the Asian-American heritage. With over 400 members, we are one of the largest organizations on campus and serve as an umbrella club for 10 organizations, including the Korean Student Association, Hawai'i Club, Vietnamese Student Association, and more! From our annual culture show to casino night to weekly service trips, our many events throughout the year seek to promote connection among members and the ND community as a whole. Through fellowship and service, we hope to positively reflect the essence of being Asian-American.

Be sure to look out for us at Activities Fair and follow us on social media to get connected!
