HOW TO CALCULATE DIMENSIONAL WEIGHT

Dimensional weight applies when a FedEx Express® package is relatively light compared with its volume. To calculate it:

- Multiply length by width by height in inches.
- Divide by 194 (for U.S. and Puerto Rico shipments) or 166 (for international shipments).
- Compare the dimensional weight and actual weight; your rate is based on whichever is greater.

Dimensional weight may also apply to your FedEx Ground® packages. [See p. 122](#) for more information.

Length is the longest side of a package or object.
Girth is (2 x width) + (2 x height).

**FEDEX EXPRESS
MULTIWEIGHT® PRICING**

With FedEx Express Multiweight pricing your qualifying multiple-piece shipments within the U.S. are rated on both a per-package and total-shipment-weight basis, and you're billed the lower rate. It's automatically applied to FedEx Express® shipments that weigh 100 lbs. or more. A 10-lb. average minimum package weight for the shipment applies (effective Jan. 19, 2008). FedEx Express Multiweight pricing is available with most FedEx Express U.S. package shipments, except FedEx SameDay® and FedEx® Envelope shipments. Rates are on [p. 80](#). For multiple-piece shipment information, [see p. 126](#).

- **Call us.** To speak with a dangerous goods shipping professional, call 1.800.GoFedEx 1.800.463.3339 and say “dangerous goods.”

Plus, see the Dangerous Goods section in the FedEx Express Terms and Conditions at the back of this book.

Overview

Many common items are considered dangerous goods, including aerosol sprays, car batteries, fireworks, lighters, matches, paint and perfume. If you’re not sure whether your commodity meets the criteria for dangerous goods, or which identification and classification apply, call the U.S. Department of Transportation (DOT) at 1.800.467.4922. If you have questions about shipping dangerous goods with FedEx, contact the FedEx Dangerous Goods/Hazardous Materials Hotline — call 1.800.GoFedEx 1.800.463.3339 and say “dangerous goods.”

You must tender dangerous goods to us according to current International Air Transport Association (IATA) regulations for air transport and the FedEx Express Terms and Conditions at the back of this book. This is required regardless of how your shipment is routed and whether it’s moved by air or ground transportation, or any combination thereof. The only exceptions allowed are:

- Magnetized material.
- Toxics in exemption packaging.
- ORM-D (a Shipper’s Declaration for Dangerous Goods is required).
- Small quantities under section 49 of the Code of Federal Regulations (CFR), part 173.4.
- Some DOT exemptions approved for air transportation.

These dangerous goods shipments may be offered for transit within the U.S. and Puerto Rico in accordance with Title 49 of the CFR, which applies to air transportation.

You must identify, classify, package, mark, label and complete documentation for dangerous goods according to all national and international governmental regulations. Failing to do so could create dangerous conditions on the aircraft and result in the shipper being subject to governmental fines and penalties under applicable laws. In addition, the Shipper's Declaration for Dangerous Goods must be typed or computer-generated, not handwritten. A few exceptions apply; see FedEx Express variation FX-12 in the 2008 International Air Transport Association (IATA) Dangerous Goods Manual for details.

Note: The information on pp. 22–25 does not meet the training requirements in DOT 49 CFR, part 172.700.

Delivery Options

Your delivery-service options depend on whether the dangerous goods you're shipping must be accessible during transit.

Accessible Dangerous Goods

Accessible dangerous goods include explosives, flammable gas, flammable liquid and corrosive material that must be accessible during transit. Their DOT classification numbers are:

Class 1.4	Explosives
Class 2.1	Flammable Gas
Class 2.2	Non-flammable Gas With a "Cargo Aircraft Only" Label
Class 3	Flammable Liquid
Class 4.1	Flammable Solid
Class 4.2	Spontaneously Combustible Material
Class 4.3	Dangerous When Wet Material
Class 5.1	Oxidizer
Class 5.2	Organic Peroxide
Class 8	Corrosive Material

FedEx delivery services available:

U.S. shipments: FedEx Priority Overnight and FedEx 1Day Freight.

International shipments: FedEx International Priority, FedEx International Priority Freight, FedEx International Premium and FedEx International Express Freight (IXF).

Inaccessible Dangerous Goods

Inaccessible dangerous goods include toxic and infectious substances, radioactive materials, and ORM-D. Their DOT classification numbers are:

Class 2.2	Non-flammable Gas Without a "Cargo Aircraft Only" Label
Class 6.1	Toxic
Class 6.2	Infectious Substances
Class 7	Radioactive Material
Class 9	ORM-D and All Class 9 (includes ORM-D shipments within the U.S. and to Puerto Rico)

FedEx delivery services available:

U.S. shipments: All FedEx Express package and freight delivery services except FedEx SameDay (FedEx First Overnight accepts dry ice only).

International shipments: FedEx International First (dry ice only), FedEx International Priority, FedEx International Economy (to Canada and Puerto Rico only), FedEx International Priority DirectDistribution, FedEx International Priority Freight, FedEx International Premium, FedEx International Priority DirectDistribution Freight, FedEx International Airport-to-Airport and FedEx International Express Freight (IXF).

Additional shipping fees apply for dangerous goods service; [see p. 121](#) for details. However, we do not assess fees for certain types of dangerous goods, including:

- Dry ice or carbon dioxide solid (UN 1845) when it's the only dangerous good in the shipment.
- Dangerous goods in excepted quantities (IATA 2.7).
- Excepted package radioactive materials (IATA 10.5.9).
- Small quantities under 49 CFR, part 173.4 (U.S. and Puerto Rico shipments only).
- Biological Substance, Category B (UN 3373).
- Shipments containing primary (non-rechargeable) lithium batteries and cells that are prepared under IATA special provision A45 and that require the FedEx Express A45 label (UN 3090).

ANGEROUS GOODS SHIPPING FORMS

To complete a Shipper's Declaration for Dangerous Goods, go to fedex.com/us/services/options/dangerousgoods and select Declaration Forms.

DANGEROUS GOODS

If you have questions about shipping dangerous goods, call 1.800.GoFedEx 1.800.463.3339 and say “dangerous goods” for the FedEx Dangerous Goods/Hazardous Materials Hotline.

GO For the dates and locations of our dangerous goods training seminars, go to fedex.com/us/services/options/dangerousgoods and select Seminars.

OUR SOLUTION

1 **Packaging**
FedEx packaging options cannot be used to ship dangerous goods, except Biological Substance, Category B (UN 3373), which can be shipped in the new FedEx UN 3373 Pak ([see p. 33](#)). If you have questions about packaging dangerous goods, call 1.800.GoFedEx 1.800.463.3339 and say “dangerous goods” for the FedEx Dangerous Goods/Hazardous Materials Hotline.

2
3
4 **Processing**
When you process a shipment, you must indicate on your documentation that it contains dangerous goods. If you complete paper air waybills, use the FedEx® Expanded Service International Air Waybill, not our standard air waybill, for international shipments.

Effective Jan. 19, 2008, FedEx® electronic shipping solutions can accept different designations of dangerous goods for individual packages within a multiple-package shipment in the U.S. You must label each package appropriately and provide dangerous goods documentation for the entire shipment.

Most shipments to, from or transiting through the U.S. that require a Shipper’s Declaration for Dangerous Goods also require a 24-hour emergency-response telephone number. For exceptions to this rule, refer to current IATA regulations.

[See pp. 35–44](#) for more information on processing shipments. For help completing key forms, go to fedex.com/us/services/options/dangerousgoods.

Drop-off

You can drop off dangerous goods at some, but not all, staffed FedEx locations. To find one in your area, select Find Locations from the Ship tab at fedex.com, enter a ZIP code, address or phone number, then select “Dangerous goods.” You cannot deposit dangerous goods shipments in FedEx Express® Drop Boxes.

C.O.D.

You can ship dangerous goods C.O.D., but you must complete shipping documentation using a FedEx electronic shipping solution such as FedEx Ship Manager at fedex.com. [See p. 35](#) for information on FedEx Ship Manager at fedex.com.

Alaska

Dangerous goods service is available for many Alaskan cities.¹ Select FedEx Priority Overnight or FedEx 1Day Freight to ship accessible dangerous goods. Select FedEx Standard Overnight (where available), FedEx 2Day, FedEx 1Day Freight or FedEx 2Day Freight to ship inaccessible dangerous goods.

Hawaii

You can ship dangerous goods to and from Hawaii with some restrictions. Select FedEx Priority Overnight or FedEx 1Day Freight to ship accessible dangerous goods, and FedEx 2Day (all islands), FedEx 1Day Freight (island of Oahu only) or FedEx 2Day Freight (island of Oahu only) to ship inaccessible dangerous goods. You cannot ship dangerous goods, including dry ice, to Kalaupapa on Molokai (ZIP code 96742).

International

Internationally, we accept Class 7 radioactives only between certain locations in the U.S., the United Kingdom, Canada, the Caribbean and France (preapproval required). Class 1.4 explosives can be shipped to Canada, Germany, France, Japan, United Arab Emirates² and the United Kingdom. We add one day to the delivery commitment for dangerous goods shipments picked up on Saturday and destined for any European city. Hold at FedEx Location service is available at only certain FedEx locations in Europe, Canada and Japan.

Call 1.800.GoFedEx 1.800.463.3339 and say “dangerous goods” for details on shipping dangerous goods to international locations. To confirm whether a commodity is acceptable, call 1.800.GoFedEx 1.800.463.3339 and say “international services.”

¹ Anchorage, Anchor Point, Big Lake, Birchwood, Chugiak, Clam Gulch, Cooper Landing, Eagle River, Eielson, Elmendorf, Ester, Fairbanks, Ft. Richardson, Ft. Wainwright, Girdwood, Homer, Houston, Indian, Kasilof, Kenai, Kodiak, Moose Pass, Ninilchik, North Pole, Palmer, Peters Creek, Seward, Soldotna, Sterling, Talkeetna, Trapper Creek, Wasilla and Willow.

² The FedEx Express facility in Dubai accepts shipments of Class 1.4 explosives only via hold-for-pickup.

Special Requirements

Shipments originally tendered to ground carriers. Some items — such as dry ice (carbon dioxide solid, UN 1845) — may not be regulated as dangerous goods if they travel by ground but are regulated by the International Civil Aviation Organization (ICAO) and IATA when shipped via FedEx Express.

If you receive a package marked “ORM-D” with no dangerous goods paperwork, it may have been shipped via a ground carrier. If you then tender that ORM-D shipment to FedEx Express, you must prepare it according to air regulations by: 1) completing dangerous goods paperwork, including the Shipper’s Declaration for Dangerous Goods; 2) changing the marking to “ORM-D-AIR” (within a rectangle); and 3) meeting all other air packaging and marking requirements.

Dry ice. If you have a dry-ice shipment prepared according to ICAO/IATA regulations, you do not need to complete a Shipper’s Declaration for Dangerous Goods. However, you must select “Dry Ice” on your documentation and complete the dry-ice information. When you use dry ice as a refrigerant with dangerous goods that require a Shipper’s Declaration, select both “Dangerous Goods” and “Dry Ice” and complete the dry-ice information. All dry-ice shipments require appropriate package marking and labeling. FedEx is not required to add dry ice to shipments.

DANGEROUS GOODS LABELS

For faster, more accurate shipment preparation, use our FedEx® dangerous goods package labels. Simply apply the labels — which are specially designed for the type of dangerous goods you’re shipping — to your packages rather than marking and labeling them by hand. We have specialized labels for undeveloped film and dry ice. To order them, call 1.800.GoFedEx 1.800.463.3339.

Expedited shipments. FedEx Express prohibits the expediting of dangerous goods, except when dry ice is the only dangerous good in the shipment.

Infectious substances. Items defined as infectious substances under ICAO/IATA regulations cannot be shipped in the FedEx Clinical Pak. Noninfectious blood, urine and clinical samples must be packed to FedEx standards. [See p. 31](#) for more information, then download our online How to Pack brochure (go to fedex.com/us/services/options/dangerousgoods and select Resources). You also must comply with all applicable local, state and federal laws governing packing, marking and labeling of shipments containing blood and blood products, regardless of whether they’re infectious.

Clinical samples and Biological Substance, Category B (UN 3373), cannot be deposited in FedEx Express Drop Boxes. Use the FedEx UN 3373 Pak or your own packaging, not the FedEx Clinical Pak, when you ship specimens classified as Biological Substance, Category B.

Dry shippers and dry dewars. Dry shippers and dry dewars regulated under ICAO/IATA Packing Instruction 202 must have an indication on the outer package that the shipment is not restricted or is not hazardous.

Radioactive materials. For shipments moving within the U.S., we will not accept Highway Route Controlled Quantity or Fissile Class III radioactive materials without advance arrangements. Call the FedEx Dangerous Goods/Hazardous Materials Hotline for details — 1.800.GoFedEx 1.800.463.3339 and say “dangerous goods.”

Class 1.2	Explosives (Explosive 1.2)
Class 1.3	Explosives (Explosive 1.3)

HAZARDOUS MATERIALS

If you have questions about shipping hazardous materials, call 1.800.GoFedEx 1.800.463.3339 and say “hazardous materials” for the FedEx Dangerous Goods/Hazardous Materials Hotline.

GO For package pickup, select Schedule a Pickup from the Ship tab at fedex.com or call 1.800.GoFedEx 1.800.463.3339 and say “schedule a pickup.” Hazardous materials cannot be dropped off at FedEx Office locations, FedEx Express stations, FedEx Authorized ShipCenter® locations or the other FedEx locations described on [pp. 45–46](#).

OUR SOLUTION

1 **Packaging**
Hazardous materials shipments must comply with parts 173.24 and 173.24a of 49 CFR and — with the exception of ORM-D — must be packaged and shipped in United Nations Performance Oriented Packaging (UN POP). If you have questions about purchasing or testing UN POP, call 1.800.GoFedEx 1.800.463.3339 and say “hazardous materials” for the FedEx Dangerous Goods/Hazardous Materials Hotline.

2
3
4 Requirements apply for how much you can package in the inner container of hazardous materials shipments. For this and other packaging-related information, see the FedEx Ground Hazardous Materials Shipping Guide (go to fedex.com/us/services/options/hazmat) and the Hazardous Materials section in the FedEx Ground Tariff at the back of this book.

Glass, plastic or metal inner containers. Hazardous materials in glass, plastic or metal inner containers of 1 gallon or less and packaged in fiberboard boxes must be packed in UN POP, unless other packaging is mandated by the DOT. This includes limited quantities that may have packaging exceptions permitted by the DOT. Paint shipped in metal cans must have paint clips or a retaining ring around the lid.

Drums and pails. Hazardous liquids packaged in inner containers greater than 1 gallon or in single containers must be packed in UN POP. Maximum volume is 8 gallons, and the maximum weight is 70 lbs. Drums and pails that are UN POP-approved do not require outer packaging.

APPROVAL REQUIRED

If you haven't shipped hazardous materials via FedEx Ground® before, contact your FedEx account executive first. We need to establish that you've met government training requirements and you can generate the documentation your hazardous materials shipments require.

More Packaging Requirements

- Pack all highly reactive chemicals separately. Review the DOT Segregation and Separation chart (49 CFR, part 177.848) for more information.
- For packages weighing up to 20 lbs., use at least 32-edge crush test or 200-lb. bursting test corrugated containers.
- For packages weighing 21–50 lbs., use at least 44-edge crush test or 250-lb. bursting test corrugated containers.
- For packages weighing 51–70 lbs., use at least 55-edge crush test or 275-lb. bursting test corrugated containers.
- Hazardous materials must be shipped in new or like-new packaging.
- Do not tie, strap or shrinkwrap hazardous materials packages into a bundle.

Dry Ice

If your shipment contains dry ice, process it like you would any other FedEx Ground shipment — no special regulations apply. Note, however, that FedEx Ground does not accept dry-ice shipments to or from Alaska, Hawaii and Puerto Rico. Please tender these shipments to FedEx Express instead ([see p. 25](#)). You can ship dry ice to Canada if your shipment meets the following three conditions:

1. The dry ice is used as a refrigerant in a small container with a capacity of 450 liters or less.
2. You indicate “Dry ice as refrigerant” on the documentation accompanying the container.
3. The container is designed and constructed to permit the release of carbon dioxide, to prevent a build-up of pressure that could rupture the container.

ONLINE TRAINING

Federal law requires that you receive training before shipping hazardous materials.

Meet that requirement — and get hazardous materials

shipping tips — by

registering for online training

at www.shipsafeshipsmart.com or by

calling 1.800.762.3744, ext. 6753.

Labeling

Label and mark all hazardous materials according to DOT rules and regulations. Every package must include these elements:

- Address label.
- FedEx Ground hazardous materials shipping paper OP-900. This six-part form provides a description of the contents. Attach it to the top of the package near the address label.
- FedEx Ground bar-code label.
- DOT diamond hazard label (unless it's a DOT-exempted package).
- DOT shipping name and identification number of the hazardous material. These must be printed legibly on the side of the package.
- U.N. specification markings (when required).
- Orientation arrows on opposite vertical sides (for packages containing liquids).

Processing

Complete the FedEx Ground hazardous materials certification form OP-950 and give one copy to the driver at the time of pickup. Also, complete the FedEx Ground hazardous materials shipping form OP-900 and place one on each hazardous materials package in the shipment. Your FedEx account executive can provide the documentation you need. For sample OP-950 and OP-900 forms, and instructions on completing them, go to fedex.com/us/services/options/hazmat and select Documentation. Effective Jan. 19, 2008, FedEx electronic shipping solutions can accept different designations of hazardous materials for individual packages within a multiple-package shipment in the contiguous U.S. You must label each package appropriately.

FEDEX CUSTOM CRITICAL® HAZARDOUS MATERIALS SERVICES

FedEx Custom Critical provides shipping services for many hazardous materials classifications, including:

- Explosives (all classes)
- Poisonous gas (class 2.3)
- Spontaneous combustibles (class 4.2)
- Dangerous-when-wet materials (class 4.3)
- Poisonous materials (class 6.1)
- Infectious substances (class 6.2)

For more information, go to customcritical.fedex.com or call FedEx Custom Critical White Glove Services® at 1.800.255.2421.

Drop-off

You cannot tender shipments containing hazardous materials at FedEx Office locations, FedEx Express stations, FedEx Authorized ShipCenter locations or the other FedEx locations described on [pp. 45–46](#). Instead, go to fedex.com (select Schedule a Pickup from the Ship tab) or call 1.800.GoFedEx 1.800.463.3339 and say “schedule a pickup” if you don’t have regular scheduled pickup at your location.

Returns

We may return the undamaged portion of a damaged hazardous materials shipment to you for recycling, reprocessing or disposal. All returns will be properly repackaged, marked and labeled in accordance with DOT regulations.

Alaska and Hawaii

You cannot ship hazardous materials, including dry ice and ORM-D, via FedEx Ground to Alaska or Hawaii.

International

You cannot ship hazardous materials, including dry ice and ORM-D, via FedEx International Ground to Puerto Rico. Dry ice and consumer-commodity ORM-D are the only hazardous materials you can ship to Canada ([see p. 28](#) for dry-ice requirements). Commonly shipped items that may be classified as consumer-commodity ORM-D include aerosol spray cans, perfume and household cleaners. Call 1.800.GoFedEx 1.800.463.3339 and say “hazardous materials” to confirm in advance whether we can accept your shipment to Canada.

Packaging Tips and Resources

Packaging

- Use sturdy, undamaged boxes with all flaps intact. Use double-wall boxes for heavier items.
- Place small packages inside an outer container. For express shipments smaller than 7 x 4 x 2 (in inches), use a FedEx Express packaging option ([see pp. 32–33](#)).
- Put 3 inches of cushioning, such as bubble padding, loosefill peanuts, corrugated fiberboard, foam pads or molded plastic, on all sides of the container.
- Double-box fragile items and put 3 inches of cushioning in and around the smaller box.
- Position bottles that contain liquids upright. Use an inner seal and perforated breakaway cap. The inner packaging must be able to contain leaks.

Sealing

- Use tape that's at least 2 inches wide to seal seams and flaps.
- Use pressure-sensitive plastic tape, water-activated paper tape (minimum 60-lb. grade) or water-activated reinforced tape. (Do not use cellophane tape, duct tape, masking tape, string or rope.)
- Ship items that have an easily damaged or soiled finish, or items wrapped in paper, in a protective outer container.
- Two identical-sized packages, each labeled with shipper and recipient information, may be securely taped or bundled together for shipment if their combined weight is less than 75 lbs. and the packages comply with size and weight requirements for the service. An additional handling surcharge may apply.

Addressing and Labeling

- Place delivery information inside and outside the package. Include an address for yourself and the recipient.
- Do not list a P.O. box address for U.S. recipients. FedEx Express can ship to a P.O. box in certain international locations, including Puerto Rico, but you must provide a valid telephone, fax or telex number.
- Place shipping labels on the package's largest surface. While we cannot ensure compliance with markings such as "Up" arrows or "This End Up," properly placing the shipping label increases your chance for the preferred orientation. Do not place labels over seams or sealing tape.
- Use tie-on tags for transit cases (including trade show display cases), golf bags, skis and luggage. You can order them at [fedex.com](https://www.fedex.com) by selecting Order Supplies from the Ship tab (a FedEx account number is required). Or call 1.800.GoFedEx 1.800.463.3339 and say "order shipping supplies."
- Remove or mark through any old address labels.

Double-box fragile items and place cushioning in and around smaller items.

H taping method.

Packaging Tips for Specialty Items¹

Artwork

- Apply masking tape in a crisscross pattern on the glass surface of framed artwork to prevent glass from splintering.
- Call the FedEx packaging hotline at 1.800.633.7019 for a list of artwork-packaging manufacturers.

Automotive and Mechanical Parts

- Pad all sharp edges and corners, and pad or cover precision-machined areas such as threads and fittings.
- Place labels on flat surfaces, not on curved surfaces or seams. For tires, place a tire/crate label on the tread of the tire first, then apply the FedEx shipping label on top of the tire/crate label. To order tire/crate labels, call 1.800.GoFedEx 1.800.463.3339.
- Ship metal parts in double-wall corrugated boxes.

Blood, Urine and Clinical-Sample Shipments (FedEx Express Only)

- Blood, urine and other noninfectious clinical samples must be packaged and marked to meet International Air Transport Association (IATA) requirements.
- These types of shipments cannot be left in a FedEx Express Drop Box or other unstaffed FedEx location.
- Do not use polystyrene, plastic bags or paper envelopes for outer packaging, or any FedEx packaging other than the FedEx Clinical Pak, or the new FedEx UN 3373 Pak for Biological Substance, Category B (UN 3373) shipments.
- See pp. 22–25 for details on shipping dangerous goods.

Computers and Small Electronic Devices

- Use the manufacturer's original packaging if available. Place it inside a larger outer container, then surround the smaller box with 3 inches of cushioning material.
- You can purchase special packaging for laptop computers and small electronic devices at FedEx Office and other participating staffed FedEx shipping locations.
- Hard drives and other components containing sensitive data should be encrypted and placed in a securely closed package.

Engines and Transmissions

- Drain the fluids from all mechanical equipment.
- Secure removable parts such as the dipstick. Temporarily plug the fill-tube and dipstick opening to prevent fluid seepage.

Magnetic Storage Devices

- Place 3 to 6 inches of protective material around the device to reduce the intensity of magnetic fields that come into contact with it.
- Label the package "Keep away from magnetic material."

- Items containing sensitive data should be encrypted and placed in a securely closed package.

Monitors

- Remove the base and any attachments and position the monitor face-down.
- Follow the same box-in-box packing methods we recommend for computers (see "Computers").

Perishables and Undeveloped Film

- Prominently mark packages containing edible materials or undeveloped film. *Note:* Special labels are available for certain items — ask your FedEx courier or call 1.800.GoFedEx 1.800.463.3339 and say "order shipping supplies."
- Since FedEx Express and FedEx Ground do not offer refrigeration services, use insulation to protect perishables (or select FedEx Custom Critical White Glove Services[®]).
- Go to fedex.com/us/services/package shipment and select Preparing Your Package for Shipment to read our How to Pack brochure, which has information on packaging perishable shipments.

Photos and Posterboards

- Tape flat items onto a rigid material like plywood, plastic or layers of fiberboard pad.
- Place flat printed material between pieces of corrugated pad (preferably double-wall). Tape both pads together on all seams.

We have custom packaging solutions designed for shipping laptop computers and small electronic devices. YOUR SHIPPING NEED

Documentation for FedEx Ground shipments

There are separate bar-code labels for FedEx Ground, FedEx International Ground and FedEx Home Delivery shipments. For printing specifications, contact your FedEx account executive.

OUR SOLUTION

Bar-Code Labels and Other FedEx Ground Shipping Documentation

FedEx Ground Bar-Code Labels

Apply a combined bar-code and address label you generate using FedEx Ship Manager at fedex.com or another electronic shipping solution ([see p. 35](#)), or you can apply a preprinted FedEx Ground bar-code label plus an address label you create yourself. To order FedEx Ground bar-code labels, call 1.800.GoFedEx 1.800.463.3339 and say "order shipping supplies." Preprinted bar-code labels are not available for FedEx Home Delivery shipments.

FedEx Ground Pick-Up Record (U.S. and International)

Complete a page from the FedEx Ground Pick-Up Record and give it to your FedEx Ground driver with each day's shipments. If you process labels electronically, give the driver your system-generated pickup manifest. To order copies of the FedEx Ground Pick-Up Record, call 1.800.GoFedEx 1.800.463.3339 and say "order shipping supplies."

Additional Steps for FedEx International Ground Shipments

1. A Commercial Invoice is required for each international ground shipment: one signed original and four copies for shipments to Canada, and one signed original and two copies for shipments to Puerto Rico. For multiple-piece shipments, only one complete set is needed. Place the original and copies in the Customs Documents pouch and attach it to the lead package.
For shipments to Canada, include your broker's name and contact information on the Commercial Invoice if you prefer to select your own broker rather than our brokerage-inclusive service. If a customs broker is not identified on the Commercial Invoice, we may assign FedEx Trade Networks to clear the shipment. If you are the importer of record, be sure to also include a Government Agency Agreement (GAA). [See p. 40](#) for more information on the Commercial Invoice.
2. Put other export documents that you've prepared into the Customs Documents pouch and attach it to your shipment.
3. Attach a blue FedEx Ground international shipment label to each package in your shipment, and number each to indicate how many packages are in your shipment (for example, "1 of 5").
4. Keep all international packages together for pickup, or drop them off at a FedEx shipping location.

U.S. EXPORT DOCUMENTATION

In addition to completing FedEx shipping documentation when you ship internationally, you may have to file the government-required information on [pp. 41–44](#).

GO FedEx® Global Trade Manager at fedex.com provides advisory information, shipping checklists, a duty-and-tax estimator, and other resources for international shippers. Get there by selecting the Ship tab, then Go to FedEx Global Trade Manager.

Shipper's Export Declaration/Electronic Export Information (SED/EEI)

The SED/EEI is used for compiling official U.S. export statistics and to enforce U.S. export laws. Keep copies of all relevant documents related to your SED/EEI filing for at least five years from the date of export.

More Details

You can self-file SED/EEI information or authorize us to file on your behalf via FedEx Export AgentFile, either electronically or by fax.

Self-filing option. If you prefer to file SED/EEI information yourself, register with the U.S. Census Bureau's Automated Export System (AES) at www.aesdirect.gov.

Based on shipment information you enter, FedEx Ship Manager solutions will automatically notify you if an SED/EEI may be required. If it is, you can connect to the AESDirect site to submit the required information. You will receive an Internal Transaction Number (ITN) via e-mail to enter in the appropriate proof-of-filing citation field on your FedEx Ship Manager processing screen.

Agent-filing options. If you want us to file an SED/EEI for a FedEx Express shipment on your behalf:

- Submit your shipment information via the FedEx Export AgentFile site at fedex.com. Select Go to FedEx Global Trade Manager from the Ship tab, then select File an SED/EEI.

Once the AES has issued an ITN, it will download directly to your FedEx Ship Manager solution to use in processing your shipment.

- Call 1.800.GoFedEx 1.800.463.3339, say "international services" and ask for the SED/EEI Agent Filing packet if you prefer to fax SED/EEI information.

1. Find the zone for your destination. For U.S. shipments, find your destination ZIP code in a FedEx Zone Locator, then see which zone the ZIP code corresponds to. There are two ways to request FedEx zone location information:
 - Go to fedex.com/us/rates/ratetools.html and select “Get zone locator.”
 - Call 1.800.GoFedEx 1.800.463.3339.International zone tables begin on [p. 82](#).
2. Turn to the appropriate rate table and find your package weight. For FedEx Express® international shipments, find the total shipment weight. Round up to the next-higher pound.
For FedEx Express multiple-piece shipments, per-pound pricing may apply if the total shipment weight qualifies. [See p. 80](#) (U.S. shipments) or [p. 104](#) (international shipments) for details.
Information about dimensional weight is on [p. 122](#). If dimensional weight applies, turn to the appropriate rate table and find your chargeable weight.
3. See your rate under the service you choose.^{1,2}
A \$1.95 residential surcharge per package will be added to the FedEx Ground standard list rate for FedEx Home Delivery® shipments. FedEx Home Delivery is for packages up to 70 lbs.
4. [See pp. 117–128](#) for fees and other nontransportation charges that may apply. For FedEx Express U.S. import shipments, call 1.800.GoFedEx 1.800.463.3339 and say “international services” for service fees applicable from your origin country.

2. Determine your total shipment weight (round up to the next-higher pound). Individual skids typically weigh 151 lbs. or more. Skids exceeding 2,200 lbs. require prior approval. For international shipments, determine your service option (door-to-door, drop-off, hold-at-location, or drop-off and hold-at-location).

U.S. PACKAGE RATES: FEDEX EXPRESS MULTIWEIGHT

FedEx Express multiple-piece shipments may receive a rate on a total-shipment-weight basis if the total shipment weighs 100 lbs. or more. A 10-lb. average minimum package weight for the shipment applies (effective Jan. 19, 2008). Single-piece shipments weighing more than 100 lbs. may also be subject to multiweight pricing. Multiply the per-pound rate by total shipment weight. You are billed the lower of the FedEx Express Multiweight® shipment rate or the sum of the individual price per package.

Hundredweight/ Per-Pound Rates

FedEx Express multiple-piece shipments may receive a rate on a total-shipment-weight basis if the total shipment weighs 100 lbs. or more. A 10-lb. average minimum package weight for the shipment applies (effective Jan. 19, 2008). Single-piece shipments weighing more than 100 lbs. may also be subject to per-pound rates. Multiply the per-pound rate by total shipment weight. You are billed the lower of the hundredweight shipment rate or the sum of the individual price per package.

Multiply by total shipment weight.

¹These per-pound rates may apply if the total shipment weighs 100 lbs. or more. Multiply the rate by total shipment weight. When hundredweight rates apply, fees may be assessed one time per shipment. Any fraction of a pound takes the next-higher rate. Ancillary clearance service fees may apply for special brokerage services, depending on commodity and country; see p. 120 for details.

A surcharge applies to any package that: 1) measures greater than 60 inches in length but equal to or less than 108 inches in length; 2) is not fully encased in an outer shipping container; 3) is encased in an outer shipping container made of metal, wood, hard plastic or foam material, such as polystyrene packaging materials; 4) is cylindrical, including (without limitation) cans, buckets, barrels, drums or pails that are not fully encased in a shipping container made of corrugated cardboard; 5) is cylindrical, whether or not encased in corrugated cardboard, and exceeds 18 inches in length or 3 inches in diameter or has a diameter greater than its height; 6) is bound with metal, plastic or cloth banding (including packages where the outer surface area is loosely wrapped, creased or where the contents protrude outside the surface area); or 7) would become entangled in or cause damage to other packages in the FedEx conveyance system. This surcharge applies on a per-piece basis even if multiple pieces are bundled in a shipment. We reserve the right to assess additional handling charges for packages that require special handling or that require FedEx to apply additional packaging during transit.

A surcharge applies to any package that: 1) measures greater than 60 inches in length but equal to or less than 108 inches in length; 2) has an actual weight of greater than 70 lbs.; 3) is not fully encased in an outer shipping container; or 4) is encased in an outer shipping container made of metal or wood. The surcharge also applies to any drum or pail (less than 5 gallons) that is not fully encased in an outer shipping container made of corrugated cardboard. Address Correction

Express. If a recipient's address on an airbill, air waybill or shipping label is incomplete or incorrect, we may attempt to find the correct address and complete delivery. We will assess a shipping fee. For shipments receiving FedEx Express Multiweight® pricing, the fee is \$10 per package up to a maximum of \$70 per shipment. Address correction is also required if the recipient phone number is omitted for a Rural Delivery (RD) address or a Star Route Assignment (SRA) address in Alaska. If we are unable to complete delivery, we are not liable for failing to meet our delivery commitment.

Within the U.S., we also will assess this fee if the address is a P.O. box number or P.O. box ZIP code. For international shipments destined to a P.O. box address, we may assess the fee if a valid telephone, fax or telex number is not provided for the recipient.

For FedEx International Broker Select®, the address correction fee will apply if the broker's address is incomplete or incorrect on the air waybill or other shipping documentation. If we cannot determine the correct address or cannot reach the broker, we may attempt to contact the sender for address clarification or instructions to return the shipment. If we are unable to complete delivery under these circumstances, we will not be liable for failing to meet our delivery commitment.

Ground. If we are unable to deliver a shipment because the shipper-provided address is incorrect or is a P.O. box, we will attempt to determine the correct address, complete delivery and notify the shipper of the address correction. We assess an additional charge for delivery or attempted delivery to the corrected address. For shipments receiving FedEx Ground Multiweight® pricing, the fee is \$6 per package up to a maximum of \$35 per shipment. The money-back guarantee does not apply to these shipments, and we are not liable for failing to complete delivery or meet our scheduled delivery time.

DEFINITION	APPLICABLE SERVICES	CHARGES
<p>Delivery Reattempt Charge If we cannot complete delivery of a U.S. express freight or international express freight shipment on the initial delivery attempt, the freight will be returned to the nearest FedEx Express® Freight ramp location. We will not reattempt delivery unless the shipper or recipient requests it. For U.S. express freight shipments, each shipper- or recipient-arranged reattempt will be subject to a delivery reattempt charge in addition to all other applicable charges. After three attempts to notify the recipient or shipper, or five business days after the initial delivery attempt, whichever comes first, the shipment may be considered undeliverable.</p>	<p>U.S. Express Freight Services</p>	<p>\$0.0375 per lb. (\$35 minimum)</p>
<p>Delivery Reattempts Express and Ground U.S. Nonresidential Shipments. FedEx Express and FedEx Ground will reattempt delivery of U.S. nonresidential shipments if: 1) no one at the recipient address or a neighboring address is available to sign for the package and there is no signature release on file; or 2) the shipper has selected a FedEx Delivery Signature Option and no eligible recipient is available to sign for the package. Express and Ground U.S. Residential Shipments. FedEx Express, FedEx Ground and FedEx Home Delivery will reattempt delivery of U.S. residential shipments if: 1) the shipper has selected a FedEx Delivery Signature Option and no eligible recipient is available to sign for the package; or 2) we, at our sole discretion, determine the package may not be released. Some exceptions apply. See the FedEx Express Terms and Conditions and FedEx Ground Tariff at the back of this book for details. Express Packages (International). For FedEx Express international packages, we provide redelivery service upon request at no additional charge. However, if delivery of a shipment to a residential address in an international location (including a residence used as an office) cannot be completed on the initial attempt, we may, at our sole discretion, either reattempt delivery, hold the shipment at our facility until we contact the recipient for further delivery instructions, or both. After three attempts to deliver and/or three attempts to notify the recipient, or five business days from the date of shipment, whichever occurs first, the shipment may be considered undeliverable. For FedEx International First shipments, we may provide three delivery attempts. For shipments that cannot be delivered on the first attempt, we may reattempt delivery by 10:30 a.m. on the day of the first attempted delivery. If necessary, a second reattempt may occur by 10:30 a.m. the following business day. Express Freight. For more information on FedEx Express® Freight delivery reattempts, see Delivery Reattempt Charge above.</p>	<p>Express Services, Ground Services</p>	<p>See the definition at left and the Pickup and Delivery section in the FedEx Express Terms and Conditions and FedEx Ground Tariff at the back of this book for details.</p>
<p>Dimensional Weight Express. FedEx Express may assess shipping charges based on the International Air Transport Association (IATA) volumetric standard. Dimensional weight is calculated by multiplying the length by width by height of each package in inches and dividing the total by 194 (for shipments within the U.S. and shipments between the U.S. and Puerto Rico) or 166 (for international shipments). If the dimensional weight exceeds the actual weight, charges may be assessed based on the dimensional weight. Dimensions of one-half inch or greater are rounded up to the next whole number; dimensions less than one-half inch are rounded down. The final calculation is rounded up to the next whole pound. Dimensional weight applies on a per-package or per-shipment basis to all FedEx Express U.S. shipments in customer packaging, and on a per-shipment basis to all international shipments and U.S. to Puerto Rico shipments in customer packaging. Shipments in FedEx packaging may also be subject to dimensional-weight pricing. Ground. Dimensional weight may apply to FedEx Ground packages that are 3 cubic feet (5,184 cubic inches) or larger. Multiply the length by width by height of each package in inches. If the total is 5,184 or greater, calculate dimensional weight by dividing by 194 (for shipments within the U.S. and shipments to Puerto Rico) or 166 (for shipments to Canada). If the dimensional weight exceeds the actual weight, charges may be assessed based on the dimensional weight. Dimensions of one-half inch or greater are rounded up to the next whole number; dimensions less than one-half inch are rounded down. The final calculation is rounded up to the next whole pound. If the package measures less than 5,184 cubic inches, dimensional weight does not apply and charges will be assessed based on actual weight.</p>	<p>Express Services, Ground Services</p>	<p>If the dimensional weight exceeds the actual weight, charges may be assessed based on the dimensional weight. See the definition at left for details.</p>
<p>Duties and Taxes Duties and taxes, including goods and services tax (GST) and value-added tax (VAT), may be assessed on the contents of the shipment. Any such charges will be billed to the recipient, unless you instruct us otherwise. In the event we advance duties and taxes on any given shipment, the payer will be assessed a surcharge based on a flat rate or on a percentage of the total amount advanced.</p>	<p>International Express Package Services, International Express Freight Services</p>	<p>See the definition at left and the Duties and Taxes section in the FedEx Express International Terms and Conditions at the back of this book for details.</p>

Individual packages in a multiple-piece shipment may have different weights, dimensions and declared value. Effective Jan. 19, 2008, within the U.S. only, individual packages in a multiple-piece shipment processed through FedEx electronic shipping solutions may contain different designations of dangerous goods (for FedEx Express) or hazardous materials (for FedEx Ground). All labeling requirements, guidelines and restrictions apply. See pp. 22–29 for more information on shipping dangerous goods and hazardous materials. Each individual piece or single handling unit must have an address label showing complete sender and recipient addresses.</p> <p>Multiple-piece shipments tendered as express freight must be palletized, stackable, forkliftable, banded and shrinkwrapped to form single handling units.</p> <p>Once a multiple-piece shipment tendered via a U.S. package service reaches a total shipment weight of 100 lbs. for FedEx Express or 200 lbs. for FedEx Ground (with contract-only FedEx Ground Multiweight rates), it is rated on a price-per-package and a price-per-total-shipment-weight basis. You are billed the lower of the two rates. For FedEx Express, a 10-lb. average minimum package weight for the shipment applies (effective Jan. 19, 2008). For FedEx Ground, an average minimum package weight for the shipment applies and varies by contract. FEDEX EXPRESS TERMS AND CONDITIONS

U.S. Shipments

These FedEx Express Terms and Conditions, contained in the FedEx Service Guide, supersede all previous terms and conditions, amendments, supplements, and other prior statements concerning the rates and conditions of FedEx Express service to which these terms and conditions apply. These FedEx Express Terms and Conditions also apply to the online FedEx Retail Counter Rates Book. FedEx reserves the right to unilaterally modify, amend, change or supplement the FedEx Service Guide, including, but not limited to, the rates, services, features of service, and these terms and conditions without notice. These terms and conditions are published in printed form and electronically at fedex.com. The downloadable version (PDF) of the FedEx Service Guide at fedex.com is controlling. Only an officer in the Legal Department of FedEx Corporation may authorize a supplement to, or modification, change or amendment of, the FedEx Service Guide. No other agent or employee of FedEx, its affiliates or subsidiaries, nor any other person or party, is authorized to do so. To the extent a conflict exists between a FedEx Sales or FedEx Customer Automation agreement and the FedEx Service Guide, the FedEx Sales or FedEx Customer Automation agreement controls.

U.S. Shipments

The following pages contain the FedEx Express Terms and Conditions applicable to the transportation of any package, document, envelope, skid, container or other item by FedEx Express U.S. Services (including FedEx SameDay, FedEx First Overnight, FedEx Priority Overnight, FedEx Standard Overnight, FedEx 2Day, FedEx Express Saver, FedEx SameDay Freight, FedEx 1Day Freight, FedEx 2Day Freight and FedEx 3Day Freight), including, but not limited to, any such items tendered by customers utilizing FedEx electronic shipping systems, manifests, airbills, labels, shipping software and stamps when shipping between points within the U.S., including Hawaii and Alaska. See the International Shipments section when shipping to or from international points, including points between Puerto Rico and the U.S. See the FedEx Ground Tariff when shipping by FedEx Ground.

If there is a conflict between these terms and conditions and the terms and conditions on any FedEx airbill, manifest, stamp, shipping label or other transit documentation, the terms and conditions in the FedEx Service Guide, as amended, modified, changed or supplemented, will control.

Rates and service quotations by our employees and agents are based upon information you provide, but final rates and service may vary based upon the shipment actually tendered and the application of these terms and conditions. Rates quoted will vary depending on whether (1) the shipper is a FedEx account holder, (2) the shipper has discounts applied to his or her account and (3) the shipment is being dropped off at a staffed FedEx location.

- Shippers will be quoted FedEx Standard List Rates if:
 - They are FedEx account holders and they do not have discounts applied to their account and they have a shipment picked up at their location or they drop off a shipment at a non-staffed FedEx drop-off location; or
 - They are non-FedEx account holders and they have a shipment picked up at their location or they drop off a shipment at a non-staffed FedEx drop-off location.
- Shippers will be quoted FedEx Retail Counter Rates if they ship at the counter in staffed FedEx locations in the U.S. and pay with cash, check, debit or credit card instead of shipping on their FedEx account.
- Shippers will be quoted Account-Specific Rates if they have a FedEx account, have discounts applied to their account and if they charge their shipping to their FedEx account.

For the most current information regarding areas served and delivery commitments, contact FedEx Customer Service at 1.800.GoFedEx 1.800.463.3339.

“In good credit standing” means: (1) that payment on the FedEx account is current; (2) the account is not in “cash-only” status; and, (3) for commercial or business accounts, the balance does not exceed the credit limit established by FedEx.

“Overcharge” means a charge based on an incorrect rate; an incorrect special handling fee; billing a service other than the service selected for the package; billing based on incorrect package or shipment weight; billing to the wrong account number; or any other billing, unrelated to a service failure, that results in an incorrect charge.

“Package” means any single parcel or piece with a chargeable weight of 150 lbs. or less. Any fraction of a pound takes the next-higher rate.

“Proof of delivery” means electronically captured delivery information, which may include date, time, location and signature information.

“Residential delivery” means a delivery to a home or private residence, including locations where a business is operated from the home.

“Residential pickup” means a pickup from a home or private residence, including locations where a business is operated from the home.

“Retail Counter Rates” are the rates paid by shippers who ship at the counter in staffed FedEx locations in the U.S. and pay for their shipping with cash, check, debit or credit card instead of charging their shipping to a FedEx account.

“Return option” means FedEx Print Return Label, FedEx E-Mail Return Label and FedEx ExpressTag.

Non-Waiver

Any failure by us to enforce or apply a term, condition or provision of the FedEx Service Guide does not constitute a waiver of that term, condition or provision and does not otherwise impair our right to enforce such term, condition or provision.

Account Numbers

For transactions other than “Bill Sender,” “Bill Recipient” or “Bill Third Party,” you must pay by cash (not accepted at all FedEx locations), check, money order or credit card. Payment is required when you give us your package. For “Bill Sender” and “Bill Third Party” transactions, packages will not be accepted unless you provide a valid FedEx account number. For “Bill Recipient” transactions, packages can be tendered without payment, but in order for the package to be delivered, the recipient must provide a valid FedEx account number or pay with cash, check, money order or credit card at time of delivery. If the recipient refuses to pay, the package will be treated as undeliverable and the sender will be responsible for all transportation charges and other fees, including all special handling fees.

For customers utilizing our electronic systems, a valid FedEx account number is required for “Bill Sender,” “Bill Recipient” or “Bill Third Party” transactions.

FedEx account holders who ship at the counter in staffed FedEx locations in the U.S. and pay for their shipping with cash, check, debit or credit card instead of charging their shipping to their FedEx account will pay FedEx Retail Counter Rates instead of FedEx Standard List Rates or Account-Specific Rates.

Account numbers are issued by FedEx according to shipping location and are non-transferable. Account numbers are issued and used solely at the discretion of FedEx. FedEx may discontinue the use of accounts, in whole or in part, and terminate all or particular accounts and account numbers at any time, for any reason, at its sole discretion. Improper, illegal or any other misuse of your FedEx account may also, at the sole discretion of FedEx, result in loss of discounts or termination of the account. Improper, illegal or other misuse includes, but is not limited to, ordering supplies for any purpose other than shipping with FedEx, unauthorized consolidation of shipments owned by different parties, or violations of the terms and conditions in this FedEx Service Guide. If your account has been compromised or stolen, the account may be closed and you may be issued a new account. However, you will be responsible for all valid charges on the closed account. Any supplies, materials, rights or privileges that you acquire by holding a FedEx account number may not be used for any purpose other than shipping with FedEx, and FedEx may seek damages against you for any improper, illegal or other misuse of your account. If your account is terminated, we reserve the right, at our sole discretion, to deny your application for new or additional FedEx account numbers at any time in the future. Except for Canada- and Puerto Rico-based accounts, international account numbers may not be used for shipments between two points within the U.S. All charges will be billed and must be remitted in U.S. funds.

All requests for account numbers are subject to credit investigation and verification by our Credit Department and Customer Account Confirmation Department. FedEx utilizes business credit reporting agencies, audited financial statements, Standard & Poor’s and Moody’s bond ratings, and other sources as necessary, to determine eligibility for open credit terms. FedEx does not offer consumer credit privileges. Any individual shipping for personal use must prepay the shipment charges or establish a FedEx account for billing directly to a major credit card. Stored-value cards or gift cards cannot be used to open an account; however, such cards may be used for payment when tendering a package at staffed FedEx shipping locations, and in conjunction with our credit card acceptance policy.

The party to whom a FedEx account number is issued is liable for all charges to the account, including those resulting from unauthorized use. The account holder is responsible for the safekeeping of the account number. The account number should be released only to those authorized to ship on the account.

Failure to keep your FedEx account current may result in your account being placed on a cash-only status. Use of an account on cash-only status may result in your package

being delayed, rejected or returned until arrangements for payment are completed. If the account number to be billed is not valid, the shipment may be delayed until an alternative form of payment is secured. If a package is held or delivery is otherwise delayed because the account is not in good credit standing, you will not be entitled to a refund or credit of your transportation charges under the Service Failure Money-Back Guarantee Policy.

You must use your FedEx account number to obtain any discount applicable to your account. Use of your account number constitutes your agreement that all packages shipped by us shall be subject to these terms and conditions, as modified, amended or supplemented.

FedEx may provide trade credit information on its account holders to credit bureaus.

Alcoholic Beverages

Only licensed entities may ship alcohol of any type with FedEx. For more information, go to fedex.com/us/wine. Consumers may not ship alcohol.

A. Licensee to Licensee. FedEx will accept alcohol shipments (beer, wine and spirits) when both the shipper and recipient are either licensed wholesalers, licensed dealers, licensed distributors, licensed manufacturers or licensed importers, subject to additional requirements and all applicable laws and regulations. Contact your FedEx account executive for complete details.

B. Licensee to Consumer. FedEx will accept wine shipments from licensed entities directly to consumers, subject to additional requirements and all applicable laws and regulations. Contact your FedEx account executive for complete details. Shipments of beer or spirits to consumers are prohibited.

Billing

A. “Bill Sender” means charges will be billed to the sender. The sender’s FedEx account number must appear on the airbill, and the account must be in good credit standing. The sender may request an initial rebilling to another party, but all subsequent rebills will be only to the sender. (See section G, Billing and Special Handling Fees.)

B. “Bill Recipient” means charges will be billed to the recipient. (This is not C.O.D. service.) The recipient’s FedEx account number must be provided on the airbill at the time of shipment, or by the recipient at the time of delivery, and must be in good credit standing. If an account number in good credit standing is not provided, the recipient must pay for the shipment at the time of delivery.

C. “Bill Third Party” means charges will be billed to someone other than the sender or recipient. Charges for shipments within the U.S. may be billed only to a third party in the U.S. In order to choose this billing option, the FedEx account number of the third party must appear on the airbill at the time it is tendered and the account must be in good credit standing.

D. We reserve the right to verify the method of payment for any shipment and to refuse any shipment for which the method of payment cannot be verified.

E. For packages tendered for transportation with a FedEx Express Prepaid Stamp, FedEx reserves the right to bill the customer for packages that are overweight or require special handling. FedEx Express Prepaid Stamps are nonrefundable and nontransferable.

F. NOTWITHSTANDING ANY PAYMENT INSTRUCTIONS THAT ARE GIVEN TO FEDEX, THE SENDER IS ULTIMATELY LIABLE FOR, WILL BE BILLED FOR AND AGREES TO PAY ALL CHARGES AND FEES, INCLUDING ANY SPECIAL HANDLING FEES, IF THE RECIPIENT OR THIRD PARTY FAILS OR REFUSES TO PAY.

G. Billing and Special Handling Fees:

1. A special handling fee will be charged when no account number appears on the airbill or when an incomplete, inaccurate or invalid account number appears on the airbill in “Bill Sender,” “Bill Recipient” or “Bill Third Party” transactions. If a “Bill Sender,” “Bill Recipient” or “Bill Third Party” package is received without a FedEx account number, we will attempt to determine the correct account from our records and bill the account for all charges and fees, plus the special handling fee. Any applicable discount will apply. If, however, we cannot determine the correct account, the transportation charges plus the special handling fee will be billed directly to the sender, and no discount will be allowed. See Rates in the FedEx Service Guide or online FedEx Retail Counter Rates Book for details.
2. Payer Rebilling. A \$10 special handling fee will be charged to the sender for each request for a change to billing instructions for a package. We will accept requests for change to billing instructions up to 90 days from the invoice date. Such requests will be accepted only for unpaid shipments.
3. A \$20 special handling fee will be charged to you for any check or electronic funds transfer that is dishonored for any reason.

L. Invoice Adjustments/Overcharges:

1. We reserve the right to audit airbills and shipments made via any means, including, but not limited to, an electronic shipping device to verify service selection and shipment weight. If the service selected or weight entered is incorrect, we may make appropriate adjustments to the shipment charges at any time.
2. Default Billing. Senders are solely responsible for accurately completing all sections of the airbill and for the entry of accurate shipment information into any electronic shipping device. If you fail to provide or correctly enter this information, you will be billed and agree to pay based on our estimate of the number of packages transported and either the dimensional weight at the time of billing or a standard default weight-per-package estimate, both of which will be determined

by us at our sole discretion. If no service is marked, we will send your shipment via FedEx Priority Overnight or FedEx 1Day Freight, whichever is applicable.

3. Our money-back guarantee policy governs and is the exclusive remedy for requests for refunds or credits related to service failures. (See the Money-Back Guarantee Policy section for applicable notice provisions and other conditions.) If the money-back guarantee is suspended or revoked, there is no remedy.
4. Requests for invoice adjustments due to an overcharge must be received within 60 days after the original invoice date (or ship date if prepaid by cash, check, money order or credit card).
5. FedEx is not obligated to refund any overcharge or pay any other obligation owed when your FedEx account is, or has been in the past, more than 60 days past due.
6. If your account is more than 60 days past due, FedEx may, at its sole discretion, apply any overcharge amounts or other overpayments it agrees are owed to you against the oldest invoices.
7. You may request an invoice adjustment for reasons not related to a service failure in the following ways:
 - a. Use our Internet application FedEx Billing Online at fedex.com if you are a registered user; or
 - b. Submit your request through the invoice adjustment feature at fedex.com; or
 - c. Submit the request in writing using the invoice adjustment form on the back of your invoice. If your request exceeds the space available on the form, you may submit your request via e-mail using the formatted spreadsheet and e-mail address provided at fedex.com/us/account/invhome/other/eremit.html; or
 - d. Submit the request via our telephone invoice adjustment system at 1.800.GoFedEx 1.800.463.3339 (say "billing"). If you choose to submit your request via the telephone invoice adjustment system, the request must state the reason you believe an adjustment or refund is warranted and must provide the following: the FedEx account number (if any); the FedEx tracking number; and the date of shipment.

A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request.

8. If you choose to send your request for an invoice adjustment for non-service-related failure via FedEx or the U.S. Postal Service, please send it to:

FedEx
Revenue Services
3965 Airways Boulevard
Module G
Memphis, TN 38116

You may also send your request via fax to the FedEx toll-free fax service: 1.800.548.3020.

9. We will not be liable for any invoice adjustment unless you comply with the notice requirements described above. The filing of a lawsuit against us does not constitute compliance with these notice provisions.

For additional information or assistance regarding billing issues, contact Revenue Services at 1.800.GoFedEx 1.800.463.3339 (say "billing"), 7 a.m. to 6 p.m. (CST), Monday through Friday.

M. Additional Taxes. If a federal value-added, consumption or similar tax is applicable to your shipment, we reserve the right to add that amount to your shipping charges without notice. We pay any applicable federal excise tax on the air transportation portion of our service.

N. The shipper and any other party who is liable for payment are responsible for all reasonable costs incurred by FedEx in obtaining or attempting to obtain payment for services rendered by us. Such costs include, but are not limited to, attorneys' fees, collection agency fees, interest and court costs.

O. At our sole discretion, FedEx may transfer and assign ownership of, and any rights to collect, any and all charges due and payable to us.

Cartage Agents

We provide pickup and delivery service to points within our primary service areas. Service outside our primary service areas may be provided through cartage agents. For more information, please call Customer Service at 1.800.GoFedEx 1.800.463.3339 or Express Freight Services at 1.800.332.0807.

A. Our delivery commitment time and money-back guarantee policy apply only to the portion of the transportation handled directly by us (See the Money-Back Guarantee Policy section). The delivery commitment time begins when the cartage agent tenders the shipment to us and ends when a shipment is available for pickup by you or a cartage agent. Our tender of a shipment to a cartage agent constitutes delivery of the shipment by us for all purposes. Except as stated below for FedEx Express Freight shipments, we

are not responsible for service failures as a result of cartage agent pickups or deliveries.

B. For FedEx Express Freight shipments destined to extended service areas (H4, H5, H6) and when FedEx arranges delivery by a cartage agent, our delivery commitment time and money-back guarantee policy apply to both the portion of the transportation handled directly by us and to the portion of the transportation handled by the cartage agent. (See the Money-Back Guarantee Policy section.) For FedEx Express Freight shipments originating in extended service areas (H4, H5, H6, H7) the delivery commitment time begins when the cartage agent tenders the shipment to FedEx.

C. For FedEx Express Freight shipments destined to H7 extended service areas, our delivery commitment time and money-back guarantee policy apply only to the portion of the transportation handled directly by us. The delivery commitment time ends when a shipment is available at the FedEx location for pickup by you or a cartage agent. We are not responsible for service failures as a result of cartage agent pickups from, or deliveries to, H7 extended service areas.

D. If you elect to make arrangements for pickup or delivery directly with a cartage agent, you are responsible for all charges and fees assessed by the cartage agent. The invoice you receive from us will reflect only our charges and fees.

E. A special handling fee applies; see Rates in the FedEx Service Guide or online FedEx Retail Counter Rates Book.

F. Cartage agents are independent contractors. They are neither employees nor agents of FedEx Express, and we are not responsible for any of their acts or omissions.

Claims

A. We must receive notice of a claim due to damage (visible or concealed), delay (including spoilage claims), shortage, or failure to properly collect or deliver a C.O.D. payment within 21 calendar days after delivery of the shipment. (See the Money-Back Guarantee Policy section for the time period to request a refund or credit of transportation charges due to a service failure.) We must receive notice of all other claims, including, but not limited to, claims for nondelivery or misdelivery, within nine months after the package was tendered to FedEx Express for shipment.

B. Notice of claims for which you are seeking more than US\$100 must be in writing. All claims must be made within the time limits set forth previously.

C. Your notice of claim must include complete shipper and recipient information, as well as the FedEx tracking number, date of shipment, number of pieces, and shipment weight. Failure to provide us with notice in the manner and within the time limits set forth in paragraphs (A) through (B) will result in denial of your claim, and we will have no liability or obligation to pay your claim. The filing of a lawsuit does not constitute compliance with these notice provisions.

D. Written documentation supporting the amount of your claim must be delivered to us within nine months after the package was tendered to FedEx Express for shipment. Such documentation may include original purchase invoices, estimates or invoices for repair, expense statements, appraisals, final confirmation screen if online order with proof of payment, or other records. These documents must be verifiable to our satisfaction.

E. We are not obligated to act on any claim until all transportation charges have been paid. The claim amount may not be deducted from these charges or from any outstanding balance owed to us.

F. FedEx reserves the right to inspect a damaged shipment on the recipient's premises as well as the right to retrieve the damaged package for inspection at a FedEx facility. The terms and conditions applicable to the original shipment (including any declared value) will govern the disposition of all claims in connection with the shipment, including any claim relative to the retrieval, inspection or return of the package. When a package is picked up for inspection, a receipt for the damaged package will be provided if requested by the recipient. All of the original shipping cartons, packing and contents must be made available for our inspection and retained until the claim is concluded.

G. Except in the case of concealed damage, receipt of the shipment by the recipient without written notice of damage on the airbill is *prima facie* evidence that the shipment was delivered in good condition.

H. We do not accept claims from customers whose packages were tendered to FedEx through a package consolidator. (See the Package Consolidators [Including FedEx Authorized ShipCenters] section.)

I. Only one claim can be filed in connection with a shipment. Acceptance of payment of a claim shall extinguish any right to recover in connection with that shipment.

J. When we resolve a claim by paying full value for a shipment, we reserve the right to pick up the package for salvage, and all rights, title to, and interest in the package shall vest with us.

K. You can file a claim in the following ways:

1. Submit claims online at fedex.com/us/claimsonline.
2. Send written claims, including the completed claim form and supporting documentation, via the U.S. Postal Service or fax to:
FedEx Cargo Claims Department
P.O. Box 256
Pittsburgh, PA 15230
Fax: 1.877.229.4766

If you fax your completed claim form and supporting documentation, FedEx will send you a confirmation letter by return fax.

3. Call customer service at 1.800.GoFedEx 1.800.463.3339 (say "claims") to obtain a case number for your claim, then complete a print copy of the claim form. You may have to submit supporting documentation using FedEx Claims Online or the mailing address or fax number listed above.

L. FAILURE TO COMPLY WITH ANY OF THE ABOVE CONDITIONS WILL RESULT IN THE DENIAL OF YOUR CLAIM.

Collect on Delivery (C.O.D.) Service

A. We offer a collect-on-delivery service consisting of transportation of packages, collection of a payment instrument issued by or on behalf of the recipient and delivery of a payment instrument to the shipper. The shipper is responsible for specifying on the C.O.D. airbill, or in the appropriate field of the FedEx electronic shipping system or third-party electronic shipping system, the amount (the C.O.D. amount) and the form of payment to be collected. We do not offer a cash-on-delivery service.

B. If the shipper marks SECURED PAYMENT on the C.O.D. airbill, we will collect a cashier's check, official check or money order. If the shipper marks UNSECURED PAYMENT, we will collect a personal check, certified check, cashier's check, official check, money order or company check. CASH, TRAVELER'S CHECKS, "COM" CHECKS, CREDIT CARDS AND COUNTER CHECKS WILL NOT BE ACCEPTED IN PAYMENT OF ANY C.O.D. AMOUNT. If no payment type is selected, an unsecured payment type will be collected at the time of delivery.

C. Performance of the C.O.D. service does not make us the agent of the shipper for any purpose whatsoever, including, but not limited to, completion of the sale of the goods by the shipper to the recipient. If the recipient cannot be located or fails or refuses to pay the C.O.D. amount via the requested instrument, the shipment will be returned to the shipper, and no refund or credit of either the transportation charges or the C.O.D. charge will be given.

D. Checks (including cashier's, official, certified, business and personal checks) and money orders for the C.O.D. amount will be collected at the shipper's sole risk, including, but not limited to, all risk of nonpayment, fraud and forgery. FedEx has no liability with respect to any such instrument.

E. The maximum C.O.D. amount is US\$9,999,999.99 per shipment. THE C.O.D. AMOUNT IS NOT THE SAME AS, AND SHOULD NOT BE CONFUSED WITH, DECLARED VALUE. (See the Declared Value and Limits of Liability section.)

F. The original transportation of packages, collection of the payment instrument and delivery of the payment instrument are considered a single shipment. The terms and conditions in the Declared Value and Limits of Liability section are applicable to all C.O.D. shipments. If no value is declared, our maximum liability will be the lesser of the C.O.D. amount or US\$100. With respect to the C.O.D. shipment sent by a FedEx Express Freight service, if no value is declared, our maximum liability is the greater of US\$100 or US\$1 per pound.

G. Our liability for loss, damage, delay, misdelivery, misinformation, nondelivery, failure to collect the C.O.D. amount, failure to collect the specified form of payment, collection of an instrument in the wrong amount, or failure or delay in delivering the payment instrument is limited to the declared value, subject in every event to the maximum declared-value limits and other limitations referenced above and in the Declared Value and Limits of Liability section.

H. If the shipper sends more than one package on a single C.O.D. airbill, the total declared value for all of the packages must be written in the appropriate airbill section. Our maximum liability will be limited to the total value declared subject in every event to the maximum declared-value limits and other limitations referenced above and in the Declared Value and Limits of Liability section.

I. The payment instrument will be forwarded to the shipper via FedEx Standard Overnight where available, and otherwise via FedEx 2Day, and will be directed to the shipper's address for the account number on which the C.O.D. shipment was shipped. Return C.O.D. service from Hawaii may be delayed one day due to transit time.

See the Money-Back Guarantee Policy section for complete conditions and limitations. When the money-back guarantee is suspended or revoked, there is no remedy.
- K. If 20 percent or more of a sender's C.O.D. shipments are refused, or a sender requests changes to the C.O.D. amount for 10 percent or more of its C.O.D. shipments, FedEx has the option to revoke any discounts applicable to the sender's account without notice (including discounts for non-C.O.D. shipments) and to impose a special handling fee of US\$30 per shipment.

The shipper is responsible for complying with all packing requirements and appropriate marking and labeling of the package, documentation, as well as compliance with applicable local, state, and federal laws, regulations, ordinances and rules. The shipper is also responsible for ensuring the recipient complies with all applicable local, state and federal laws, regulations, ordinances and rules for applicable hazard classes.
- B. Shippers must comply with all applicable local, state and federal laws governing packing, marking and labeling of shipments of blood and blood products, regardless of whether they are infectious.

- H. Lithium batteries (UN 3090) that are Primary Non-Rechargeable require pre-approval to ship. This applies both to those that are fully regulated and those that fall under IATA special provision A45. For details, go to fedex.com and enter keyword "lithium batteries." (Special requirements also apply for shipping lithium batteries [UN 3090] that are rechargeable; see fedex.com for details.)
- I. If the recipient refuses a package containing dangerous goods, or the package leaks or is damaged, it will be returned to the shipper, if possible. If the shipper refuses to accept the returned shipment, or it cannot be returned because of leakage or damage due to faulty packaging, the shipper is responsible for and agrees to reimburse and otherwise indemnify FedEx for all costs, fees and expenses it incurs in connection with the cleanup and disposal of the package. The shipper agrees to indemnify FedEx for any and all costs, fees and expenses FedEx incurs as a result of the shipper's failure to comply with FedEx Dangerous Goods shipping requirements.
- J. We have the right to refuse any package with an odor or any package that is wet or leaking. If a dangerous goods shipment damages or contaminates any property, the shipper is solely responsible for and will reimburse and indemnify FedEx for any and all costs, fees, and expenses it incurs in connection with the cleanup of such damage or contamination.
- K. Not all FedEx locations accept dangerous goods, and we reserve the right to refuse dangerous goods at any location where they cannot be accepted in accordance with applicable law. Dangerous goods shipments, including dry ice and Biological Substance, Category B (UN 3373) shipments, are not accepted at FedEx Express Drop Box locations, FedEx Office Print & Ship Center locations, FedEx Authorized ShipCenter locations, and unstaffed FedEx locations.
- L. The shipper must provide all required information and complete all boxes pertaining to dangerous goods on the FedEx airbill.
- M. *Note:* We are required by law to report improperly declared or undeclared shipments of dangerous goods to the U.S. Department of Transportation (DOT). The shipper may be subject to fines and penalties under applicable law. The DOT/Federal Aviation Administration (FAA) requires every shipper to have job-specific dangerous goods training prior to tendering a dangerous goods shipment to FedEx or another air carrier. When individuals tender a shipment containing dangerous goods it must be properly classified, packaged, marked, labeled and identified as dangerous goods, and include the correct dangerous goods documentation.
- N. Dangerous goods may not be rerouted to an address other than the original intended-recipient's address provided by the shipper. (*Note:* Shipments may be made available as hold for pickup or be returned to the sender.)
- O. We are required to maintain proper segregation of incompatible dangerous goods on all vehicles and aircraft. This necessity may cause the shipment to move on the next available truck route or flight on which proper segregation can be maintained.
- P. If you have questions regarding shipments of dangerous goods, you may call 1.800.GoFedEx 1.800.463.3339 and say "dangerous goods" to connect to our Dangerous Goods/Hazardous Materials Hotline for assistance.

Declared Value and Limits of Liability (Not Insurance Coverage)

- A. The declared value of any package represents our maximum liability in connection with a shipment of that package, including, but not limited to, any loss, damage, delay, misdelivery, nondelivery, misinformation, any failure to provide information, or misdelivery of information relating to the shipment. It is the shipper's responsibility to prove actual damages. Exposure to and risk of any loss in excess of the declared value is assumed by the shipper. You may transfer this risk to an insurance carrier of your choice through the purchase of an insurance policy. Contact an insurance agent or broker if you desire insurance coverage. WE DO NOT PROVIDE INSURANCE COVERAGE OF ANY KIND.
- B. With respect to U.S. express package services, unless a higher value is declared and paid for, our liability for each package is limited to US\$100. For each package exceeding US\$100 in declared value, an additional amount will be charged. See Rates in the FedEx Service Guide for details.
- C. With respect to FedEx Express Freight services, unless a higher value is declared and paid for, our liability for each piece (single handling unit) is limited to US\$100 or US\$1 per pound, whichever is greater. When the declared value exceeds the greater of US\$100 or US\$1 per pound per shipment, an additional amount will be charged for each US\$100 (or fraction thereof) of additional declared value. See Rates in the FedEx Service Guide for details.
- D. Except as limited below, the maximum declared value per package in any FedEx First Overnight, FedEx Priority Overnight, FedEx Standard Overnight, FedEx 2Day or FedEx

Express Saver shipment is US\$50,000. The maximum declared value per shipment for FedEx SameDay is US\$2,000.

E. Except as limited below, the maximum declared value per piece (single handling unit) in any FedEx 1Day Freight, FedEx 2Day Freight or FedEx 3Day Freight shipment is US\$50,000.

F. Shipments (packages or freight) containing all or part of the following items are limited to a maximum declared value of US\$500:

1. Artwork, including any work created or developed by the application of skill, taste or creative talent for sale, display or collection. This includes, but is not limited to, items (and their parts) such as paintings, drawings, vases, tapestries, limited-edition prints, fine art, statuary, sculpture and collector's items.
2. Film, photographic images (including photographic negatives), photographic chromes and photographic slides.
3. Any commodity that by its inherent nature is particularly susceptible to damage or the market value of which is particularly variable or difficult to ascertain.
4. Antiques, or any commodity that exhibits the style or fashion of a past era and whose history, age or rarity contributes to its value. These items include, but are not limited to, furniture, tableware and glassware.
5. Glassware, including, but not limited to, signs, mirrors, ceramics, porcelains, china, crystal, glass, framed glass, and any other commodity with similarly fragile qualities.
6. Plasma screens.
7. Jewelry, including, but not limited to, costume jewelry, watches and their parts, mount gems or stones (precious or semiprecious), industrial diamonds, and jewelry made of precious metal.
8. Furs, including, but not limited to, fur clothing, fur-trimmed clothing and fur pelts.
9. Precious metals, including, but not limited to, gold and silver bullion or dust, precipitates, or platinum (except as an integral part of electronic machinery).
10. Stocks, bonds, cash letters or cash equivalents, including, but not limited to, food stamps, postage stamps (not collectible), traveler's checks, lottery tickets, money orders, gift cards and gift certificates, prepaid calling cards (excluding those that require a code for activation), bond coupons, and bearer bonds.
11. Ostrich and emu eggs.
12. Collector's items such as sports cards, souvenirs and memorabilia. (Collector's coins and stamps may not be shipped. See the Prohibited Items section.)
13. Guitars and other musical instruments that are more than 20 years old, and customized or personalized musical instruments.

G. The maximum declared value for the contents of any FedEx Envelope or FedEx Pak is US\$500. Goods with a value (actual or declared) exceeding US\$500 should *not* be shipped in a FedEx Envelope or FedEx Pak. (This limitation does not apply to items shipped in the FedEx Clinical Pak or new FedEx UN 3373 Pak.)

H. When the shipper sends more than one package on an airbill, the total declared value for all the packages moving on the airbill must be written in the appropriate section of the airbill. Our liability will be limited to the total declared value (not to exceed the per-package limit of US\$500 or US\$50,000 or the per-shipment limit of US\$2,000, as described in this section). The declared value for each package will be determined by dividing the total declared value by the number of packages on the airbill unless you provide verifiable evidence supporting a different allocation.

I. If a multiple-piece shipment is tendered to FedEx skidded and shrinkwrapped as one single handling unit, the maximum declared value for that single unit is US\$50,000 and not US\$50,000 per package contained within that multiple-piece shipment.

J. The maximum declared value we offer for shipments tendered to FedEx using FedEx Stamps purchased from anyone other than FedEx is US\$100.

K. The maximum declared value for FedEx Print Return Label and FedEx E-Mail Return Label shipments is US\$1,000 for FedEx First Overnight, FedEx Priority Overnight, FedEx Standard Overnight and FedEx 2Day, and US\$50,000 for FedEx 2Day Freight and FedEx 3Day Freight. The maximum declared value for FedEx ExpressTag shipments is US\$50,000. We are not liable for any damage to a shipment or any claim arising out of the use of a return option unless the shipment was lost during delivery or there was visible damage noted by the FedEx courier at the time of delivery. We are not liable for any concealed damage to items returned using FedEx Print Return Label, FedEx E-Mail Return Label, FedEx ExpressTag or FedEx Stamps. Receipt of the shipment by the recipient without notice of damage on delivery is *prima facie* evidence that the shipment was delivered in good condition. Our liability for any loss or damage will not exceed the actual amount of the damage or the declared-value amount, whichever is lower. All other terms and conditions related to FedEx Express claims regulations apply for shipments sent via a FedEx return option.

L. ANY EFFORT TO DECLARE A VALUE IN EXCESS OF THE MAXIMUMS ALLOWED IN THE FEDEX SERVICE GUIDE IS NULL AND VOID. OUR ACCEPTANCE FOR CARRIAGE OF ANY SHIPMENT BEARING A DECLARED VALUE IN EXCESS OF THE ALLOWED MAXIMUMS DOES NOT CONSTITUTE A WAIVER OF ANY PROVISION OF THE FEDEX SERVICE GUIDE AS TO SUCH SHIPMENT.

M. REGARDLESS OF THE DECLARED VALUE OF A PACKAGE, OUR LIABILITY FOR LOSS, DAMAGE, DELAY, MISDELIVERY, NONDELIVERY, MISINFORMATION, ANY FAILURE TO PROVIDE INFORMATION, OR MISDELIVERY OF INFORMATION, WILL NOT EXCEED A SHIPMENT'S REPAIR COST, ITS DEPRECIATED VALUE OR ITS REPLACEMENT COST, WHICHEVER IS LESS.

N. The shipper is responsible for accurately completing the airbill or other shipping documents, including completion of the declared-value section. We cannot honor requests to change the declared-value information on the airbill.

O. See the Liabilities Not Assumed section for other limitations and exclusions on our liability.

P. Additional restrictions may apply to a shipment if sent pursuant to an airline interline agreement.

Delivery Signature Options

FedEx offers three Delivery Signature Options for shippers:

A. **Indirect Signature Required.** FedEx will obtain a signature in one of three ways:

1. From any person at the delivery address; or
2. From a neighbor, building manager or other person at a neighboring address; or
3. The recipient can sign a FedEx door tag authorizing release of the package without anyone present.

B. **Direct Signature Required.** FedEx will obtain a signature from any person at the delivery address. If no one is at the address, FedEx will reattempt delivery.

C. **Adult Signature Required.** FedEx will obtain a signature from any person at least 21 years old (government-issued photo identification required) at the delivery address. If there is no eligible recipient at the delivery address, FedEx will reattempt delivery.

D. Special handling fees will apply. See Rates in the FedEx Service Guide or online FedEx Retail Counter Rates Book for details.

E. Shipments to residential addresses may be released without obtaining a signature. If you require a signature for a residential shipment, select one of the Delivery Signature Options.

F. Indirect Signature Required is not available for shipments to nonresidential addresses.

G. Shippers can choose the Deliver Without Signature option for shipments to nonresidential addresses.

H. Choosing a delivery signature option overrides a signature release. (See the Signature Release section.)

I. Also see the Liabilities Not Assumed, Pickup and Delivery, and Routing and Rerouting sections.

Dimensional Weight (Volumetric Weight)

Transportation charges may be assessed based on dimensional weight, which is a volumetric standard. Dimensional-weight pricing is applicable on a per-package or per-shipment basis to all shipments in customer packaging. FedEx packaging may also be subject to dimensional-weight pricing. Dimensional weight is calculated by multiplying length by width by height of each package (all in inches) and dividing by 194. See the Dimensional Weight description in the Rates section of this Service Guide for additional details. If the dimensional weight exceeds the actual weight, charges based on the dimensional weight will be assessed.

Customers who fail to apply the dimensional-weight calculation to a package may be assessed dimensional-weight charges from FedEx.

Extra-Large Packages

Pieces weighing less than 151 lbs. that exceed 165 inches in length and girth combined ("extra-large" packages) may be accepted as FedEx 1Day Freight or FedEx 2Day Freight shipments. These pieces do not have to be palletized (skidded), stackable or forkliftable. Minimum billable weight is 151 lbs. regardless of actual weight.

The length and girth of a package is length plus (2 times the height) plus (2 times the width). If the dimension includes a fraction, a fraction of one-half or greater will be rounded up to the next whole number; less than one-half will be rounded down to the next whole number.

FEDEX EXPRESS TERMS AND CONDITIONS

U.S. Shipments

Firearms

A. FedEx Express will transport and deliver firearms as defined by the United States Gun Control Act of 1968, between areas served in the U.S., but only between:

1. Licensed importers; licensed manufacturers; licensed dealers; licensed collectors; law enforcement agencies of the U.S. or any department or agency thereof; and law enforcement agencies of any state or any department, agency or political subdivisions thereof; or
2. Where not prohibited by local, state and federal law, from individuals to licensed importers, licensed manufacturers or licensed dealers (and return of same).

B. If your shipment contains firearms, select the Direct Signature Required or Adult Signature Required Delivery Signature Option, depending on the requirements of your shipment. See the Delivery Signature Options section for details. Firearms shipments are not eligible for signature release or indirect delivery.

C. Firearms must be shipped via FedEx Priority Overnight service. FedEx Express cannot ship or deliver firearms C.O.D. Firearms shipments cannot be placed in a FedEx Express Drop Box.

D. Upon presenting the package for shipment, the person tendering the shipment to FedEx Express is required to notify FedEx Express that the package contains a firearm. The outside of the package must not be marked, labeled or otherwise identify that the package contains a firearm.

E. The shipper and recipient must be of legal age as identified by applicable law.

F. The shipper and recipient are required to comply with all applicable government regulations and laws, including those pertaining to labeling. The Bureau of Alcohol, Tobacco, Firearms and Explosives can provide assistance.

G. FedEx Express will transport ammunition when packed and labeled in compliance with local, state and federal law, and the Dangerous Goods section of this Service Guide. Ammunition is an explosive and must be shipped separately as dangerous goods. You agree not to ship loaded firearms or firearms with ammunition in the same package.

Fuel Surcharge

We reserve the right to assess fuel and other surcharges on shipments without notice. The duration and amount of any surcharge will be determined at our sole discretion. By tendering your shipment to FedEx, you agree to pay the surcharges, as determined by FedEx. The fuel surcharge rate, if applicable, is available on fedex.com.

Inspection of Shipments

We may, at our sole discretion, open and inspect any shipment without notice.

Liabilities Not Assumed

WE WILL NOT BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL, IN EXCESS OF THE DECLARED VALUE OF A SHIPMENT, WHETHER OR NOT WE KNEW OR SHOULD HAVE KNOWN THAT SUCH DAMAGES MIGHT BE INCURRED, INCLUDING, BUT NOT LIMITED TO, LOSS OF INCOME OR PROFITS.

We will not be liable for, nor will any adjustment, refund or credit of any kind be given as a result of, any loss, damage, delay, misdelivery, nondelivery, misinformation or any failure to provide information, except such as may result from our sole negligence. We will not be liable for, nor will any adjustment, refund or credit of any kind be given as a result of, any loss, damage, delay, misdelivery, nondelivery, misinformation or failure to provide information caused by or resulting in whole or in part from:

A. The act, default or omission of any person or entity, other than FedEx, including those of any local, state or federal government agencies.

B. The nature of the shipment, including any defect, characteristic or inherent vice of the shipment.

C. Your violation of any of the terms and conditions contained in the FedEx Express Terms and Conditions, as amended or supplemented, or on an airbill, including, but not limited to, the improper or insufficient packing, securing, marking and addressing of shipments, or use of an account number not in good credit standing, or failure to give notices in the manner and time prescribed.

D. Perils of the air, public enemies, criminal acts of any person(s) or entities, including, but not limited to, acts of terrorism, public authorities acting with actual or apparent authority, authority of law, local disputes, civil commotion, hazards incident to a state of war, local or national weather conditions, national or local disruptions in air or ground transportation networks (as determined solely by us), strikes or anticipated strikes (of any entity, including, but not limited to, other carriers, vendors or suppliers), natural disasters (earthquakes, floods and hurricanes are examples of natural disasters), conditions that

present a danger to our personnel, and disruption or failure of communication and information systems (including, but not limited to, our systems).

E. Our compliance with verbal or written delivery instructions from the sender, recipient or persons claiming to represent the shipper or recipient.

F. Damage or loss of articles packaged and sealed by the sender or by person(s) acting at the sender's direction, provided the seal is unbroken at the time of delivery, the package retains its basic integrity, and the recipient accepts the shipment without noting the damage on the delivery record.

G. Erasure of data from or the loss or irretrievability of data stored on magnetic tapes, files or other storage media, or erasure or damage of photographic images or soundtracks from exposed film.

H. The loss of any personal or financial information including, but not limited to, social security numbers, dates of birth, driver's license numbers, credit card numbers and financial account information.

I. Our inability to provide a copy of the delivery record or a copy of the signature obtained at delivery.

J. Our failure to honor package-orientation graphics (e.g., "up" arrows, "this end up" markings), "fragile" labels or other special directions concerning packages.

K. Your failure to ship goods in packaging approved by us prior to shipment where such prior approval is recommended or required.

L. The shipment of fluorescent tubes, neon lighting, neon signs, X-ray tubes, laser tubes, light bulbs, quartz crystal, quartz lamps, glass tubes such as those used for specimens, and glass containers such as those used in laboratory test environments.

M. The shipment of scale models (including, but not limited to, architectural models and dollhouses) and prototypes.

N. Your use of an incomplete, inaccurate or invalid FedEx account number or your failure to provide a valid FedEx account number in good credit standing in the billing instructions on shipping documentation.

O. Our failure to notify you of any delay, loss or damage in connection with your shipment or any inaccuracy in such notice.

P. Damage to briefcases, luggage, garment bags, aluminum cases, plastic cases or other items when not enclosed in outer packaging, or other general shipping containers whose outer finish might be damaged by adhesive labels, soiling or marking incidental to ordinary care in handling in an express transportation environment.

Q. The shipment of perishables, unless shipped in accordance with the Perishables section of these terms and conditions.

R. The shipper's failure to provide accurate delivery address information.

S. The shipment of any alcoholic beverages, tobacco products, plants and plant materials, ostrich or emu eggs, or live fish if you fail to comply with the terms and conditions applicable to these items.

T. Damage to computers, or any components thereof, or any electronic equipment when shipped in any packaging other than:

1. The manufacturer's original packaging, which is undamaged and has retained a good, rigid condition.
2. Packaging that is in accordance with the FedEx packaging guidelines available online at fedex.com/us/services/package/shipment/preparing.
3. FedEx laptop packaging, for shipments of laptop computers.
4. FedEx small electronic device packaging, for shipments of cell phones, handheld computers, MP3 players and similar items.

U. Any shipment containing a prohibited item. (See the Prohibited Items section.)

V. Our provision of packaging, advice, assistance or guidance on the appropriate packaging of shipments unless such advice, assistance or guidance has been approved in writing by FedEx Packaging Design and Development and the writing expressly accepts liability in the event of a damaged shipment.

W. Failing to meet our delivery commitment for any shipments with an incomplete or incorrect address. (See the Undeliverable Shipments section.)

X. Failing to obtain the signature option requested for shipments using FedEx Delivery Signature Options.

Y. The shipper's failure to delete all shipments entered into a FedEx self-invoicing system, Internet shipping device or any other electronic shipping method used to ship a package, when the shipment is not tendered to FedEx. If you fail to do so and seek a refund, credit or invoice adjustment, you must comply with the notice provisions in Invoice Adjustments/Overcharges in the Billing section. FedEx is not liable for any refund, credit or adjustment unless you comply with those notice provisions.

Z. Damages indicated by any shockwatch, tiltmeter or temperature instruments.

AA. Shipments released without obtaining a signature at residential addresses, and at nonresidential addresses that have a signature release on file.

- BB. Loss or damage to any package for which we have no record of receipt.
- CC. Loss or damage to alcohol shipments unless FedEx Packaging Design and Development has preapproved your packaging prior to shipment.
- DD. Dangerous-goods shipments that the shipper did not properly declare, including proper documentation, markings, labels and packaging. FedEx Express will not pay a claim on undeclared or hidden dangerous goods and the FedEx Money-Back Guarantee does not apply.

Limitations on Legal Actions

Any right you might have to damages, refunds, credits, recovery of reliance interests, disgorgement, restitution, injunctive relief, declaratory relief or any other legal or equitable relief whatsoever against us under any cause of action arising from the transportation of any package pursuant to the FedEx Service Guide shall be extinguished unless you file an action within one year from the date of delivery of the shipment or from the date on which the shipment should have been delivered.

Any right that you might have to damages, refunds, credits, recovery of reliance interests, disgorgement, restitution, injunctive relief, declaratory relief or any other legal or equitable relief whatsoever against us under any cause of action arising from the transportation of any package pursuant to the FedEx Service Guide shall be extinguished unless you first comply with all applicable notice periods and requirements in these terms and conditions including, but not limited to, the periods and requirements for providing notice under the Billing, Claims and Money-Back Guarantee Policy sections. You and we understand that timely and complete compliance with such notice periods and requirements is a contractual condition precedent to your right to any relief whatsoever, and you must plead compliance with those conditions precedent on the face of any complaint that you file against us. You and we agree that FedEx cannot be considered to have breached any obligation to you unless or until we wrongfully deny a claim submitted to us pursuant to the notice periods and requirements contained in these terms and conditions. Finally, you and we agree that you will comply with applicable notice periods and requirements even if you believe that such compliance will not result in relief from us or if you lack knowledge regarding whether such compliance will result in relief from us.

You agree that you will not sue us as a class plaintiff or class representative, join as a class member, or participate as an adverse party in any way in a class-action lawsuit against us. Nothing in this paragraph, however, limits your rights to bring a lawsuit as an individual plaintiff.

To the extent that any court finds that state rather than federal law applies to any provision of this contract, the controlling law is the substantive law of the state in which you tendered your shipment to us.

The performance of any services does not make us an agent of the shipper or any third party for any purpose.

Live Animals and Ornamental Marine Life (Including Live Fish)

FedEx Express does not accept live-animal shipments as part of its regular-scheduled service and does not transport household pets such as dogs, cats, birds and hamsters. FedEx Express may accept certain shipments of live animals such as horses, livestock and zoo animals (to and from zoo locations only) on an exception basis if approved and coordinated by the FedEx Live Animal Desk (call 1.800.405.9052).

If approved by FedEx, we may accept non-venomous reptiles, amphibians, live/tropical fish and beneficial insects on an exception basis under the following conditions:

1. Shipments must be from a business to a business (from a breeder to a pet store, for example).
2. The shipper must have its packaging tested and pre-approved by FedEx Packaging Design and Development for the type of animal being shipped. Call 1.800.633.7019 for assistance. It is the responsibility of the shipper to adequately package shipments for all temperature extremes and handling conditions.

Contact your FedEx account executive for details and additional requirements.

Money-Back Guarantee Policy

We offer a money-back guarantee for our services. This guarantee can be suspended, modified or revoked at our sole discretion without prior notice to you.

A. Money-Back Guarantee. At our option, we will, upon request, either refund or credit your transportation charges in the event of a service failure (which means delivery of your package 60 seconds or more after the published delivery commitment time for the selected service and destination, except as otherwise described in these terms and conditions). This money-back guarantee is your exclusive remedy in the event of a service failure for the

recovery of all or any portion of the FedEx charges for a shipment. If the money-back guarantee is suspended, there is no remedy or recovery of charges for a service failure. There are no delivery commitments for shipments on which the money-back guarantee is suspended.

B. Limitations. The following limitations apply:

1. Credits for transportation charges will be applied to the payer's account only, and refunds will be made payable to the payer only.
2. Only one refund or credit is permitted per package. In the case of multiple-piece shipments, the money-back guarantee applies to each package in the shipment. If a service failure occurs for any package within the shipment, a refund or credit will be given only for the portion of the transportation charges applicable to that package.
3. The money-back guarantee for package services destined for areas outside our primary service areas applies only to the portion of the transportation provided directly by us. The money-back guarantee for FedEx Express Freight services destined for areas outside our primary service areas applies to the portion of the transportation provided directly by us and may also apply to the portion of the transportation provided by the cartage agent (see the Cartage Agent section for details).
4. Shipments scheduled for delivery on a holiday will be delivered the next business day. Observance of local holidays (e.g., Mardi Gras, St. Patrick's Day) may cause delivery delays. In both circumstances, the delivery commitment for application of the money-back guarantee policy will be extended for a period equal to the length of the holiday.

C. Exceptions. FedEx will not be obligated to refund or credit your transportation charges if:

1. We provide you with proof of timely delivery, consisting of the date and time of delivery and, if applicable, the name of the person who signed for the shipment, or service-exception information reflecting that the failure to deliver timely resulted from circumstances described under the Liabilities Not Assumed section.
2. The service failure resulted, in whole or in part, from any of the circumstances described under the Liabilities Not Assumed section.
3. The payer's FedEx account number was not in good credit standing, or payment instructions were invalid, and delivery was delayed until payment arrangements were secured.
4. The shipment was scheduled for delivery on the Wednesday immediately prior to Thanksgiving or during the seven calendar days before Christmas Day via any FedEx Express U.S. or FedEx Express Freight U.S. service, and was delivered within 90 minutes of the published delivery commitment time for the selected service and destination.
5. The shipment was undeliverable or returned.
6. The shipment contained dangerous goods or dry ice.
7. The shipment was delayed due to an incorrect address or ZIP code or the unavailability or refusal of an appropriate or eligible person to accept delivery or sign for the package, including signatures obtained via FedEx Delivery Signature Options.
8. The shipment was delayed due to security or other regulatory delays.

D. Refund or Credit Requests. To qualify for a refund or credit due to a service failure, you must notify us of the service failure and request a refund or credit of your transportation charges in compliance with the conditions listed below. If you do not comply with these conditions, you are not entitled to receive a refund or credit and cannot recover compensation for a service failure in any lawsuit.

1. You may request a refund or credit of transportation charges due to a service failure in the following ways:
 - a. Use our Internet application FedEx Billing Online at fedex.com if you are a registered user; or
 - b. Submit your request through the invoice adjustment feature at fedex.com; or
 - c. Submit the request via our telephone invoice adjustment system at 1.800.GoFedEx 1.800.463.3339 (say "billing").
2. Your notification of a service failure must include your FedEx account number, if any; the FedEx tracking number; and the date of the shipment.
3. All requests for refund or credit of transportation charges must be received via one of the approved channels within 15 calendar days of the invoice date or within 15 calendar days from the ship date if you are paying by credit card or in advance by cash, check or money order.
4. A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request. A notification of the reason for an unpaid charge with your payment is not considered a request for an invoice adjustment or notice of a refund request if the reason relates to a service failure.

FEDEX EXPRESS TERMS AND CONDITIONS

U.S. Shipments

Oversize Packages

The maximum limits for FedEx Express U.S. packages are 150 lbs. and 119 inches in length and 165 inches in length and girth. Packages that weigh 150 lbs. or less and exceed 108 inches in length or 130 inches in length and girth will be considered "oversize" packages. Oversize packages will be rated based on the greater of the package's actual rounded weight or dimensional weight. In addition, an oversize charge will apply; see Rates in the FedEx Service Guide.

Packages that exceed 119 inches in length and 165 inches in length and girth may be refused or, if found in the express package network, may be considered for transportation at our sole discretion. These packages also will be rated based on the greater of the package's actual rounded weight or dimensional weight, and an oversize charge will apply.

The length and girth of a package is length plus (two times the height) plus (two times the width). If the dimension includes a fraction, a fraction of one-half or greater will be rounded up to the next whole number; less than one-half will be rounded down to the next whole number.

Overweight Packages

If a package weighing more than 150 lbs. is incorrectly marked on the airbill or entered into any electronic shipping device as either FedEx First Overnight, FedEx Priority Overnight, FedEx Standard Overnight, FedEx 2Day or FedEx Express Saver, then we may audit and correct the service to an available FedEx Express Freight service. Terms and conditions of the applicable FedEx Express Freight service will apply. If a package weighing more than 150 lbs. is inadvertently tendered for FedEx First Overnight, FedEx Priority Overnight, FedEx Standard Overnight, FedEx 2Day or FedEx Express Saver, an additional charge of US\$2 per pound will be assessed for each pound in excess of 150 lbs. If a package weighing more than 150 lbs. is inadvertently tendered for FedEx Priority Overnight or FedEx 2Day to or from Puerto Rico, an additional charge of US\$2.25 per pound will be assessed for each pound in excess of 150 lbs.

Package Consolidators (Including FedEx Authorized ShipCenters)

Consolidators are responsible for complying with all applicable requirements including, but not limited to, requirements for shipping dangerous goods and complying with customs and other legal requirements applicable to packages tendered for international transportation.

If you tender packages to a consolidator instead of to us directly, the following limitations apply:

- A. Consolidators are not agents of FedEx, and we are not responsible for any errors or omissions made by them.
- B. Inquiries or claims regarding shipments tendered to a consolidator must be directed to the consolidator. We cannot assist the shipper, recipient or third party in these situations, nor do we have any liability for lost, damaged or delayed shipments. The consolidator is the shipper in such cases.
- C. Consolidators may submit claims for refunds or credits for shipping charges under the money-back guarantee policy. Neither the customer who tendered the package to the consolidator nor the recipient is eligible for refunds or credits under the money-back guarantee policy.
- D. In order for a consolidator to receive packaging from FedEx, the consolidator must first enter into a Packaging and Pricing Agreement or a FedEx Authorized ShipCenter Agreement with FedEx.
- E. Consolidators set their own rates for FedEx shipping. They may charge FedEx Retail Counter Rates for FedEx shipping services.
- F. Inquiries regarding shipments paid for at a FedEx Authorized ShipCenter (FASC) must be directed to the FASC.
- G. FedEx assumes no liability, other than to the FASC, for lost, damaged or delayed shipments paid for at an FASC, as the FASC is the shipper of these packages. FASCs are independently owned and operated businesses. See the FASC representative for information regarding rates and services and the terms and conditions of carriage. FASCs are not agents of FedEx.

Packaging and Marking

- A. You must comply with all applicable local, state and federal laws, including those governing packing, marking and labeling for all shipments.

- B. All packages must be prepared and packed by the shipper for safe transportation with ordinary care in handling in an express-transportation environment. Any articles susceptible to damage as a result of conditions that may be encountered in transportation, such as changes in temperature or atmospheric pressure, must be adequately protected by proper packaging. Each shipment must be legibly and durably marked with the name, address and ZIP code of both the shipper and the recipient. Packages cannot be wrapped in kraft paper. The FedEx Sleeve and FedEx Bag are overwraps only, and contents must also be packed in protective outer packaging and cushioning material as described in this section.

- C. You must use FedEx packaging or new corrugated boxes in good, rigid condition of adequate size to allow a minimum of 2 to 3 inches of cushioning of contents on the top, bottom and sides. Items that cannot be packed into cartons (such as auto tail pipes, mufflers, tires and rims) must have all sharp edges and protrusions wrapped, and the address label must be secured using the tie-on tag or the tire/crate label provided by FedEx (or you may secure it by wrapping pressure-sensitive tape completely around the object). Briefcases, luggage, garment bags, aluminum cases, plastic cases, computer cartons or similar types of items whose outer finish might be damaged by adhesive labels, soiling, marking or other types of surface damage that is normal with ordinary care in handling should be placed in a protective container for shipment. Casters, wheels and rollers must be removed or packaged.

- D. Expanded polystyrene foam coolers must be shipped inside a sturdy outer container unless tested and approved for acceptance by FedEx Packaging Design and Development, 1.800.633.7019.

- E. If a shipment is refused by the recipient, leaks or is damaged due to inadequate packaging, the shipment will be returned to the shipper, if possible. If the shipper refuses to accept the returned shipment or it cannot be returned because of leakage or damage due to faulty packaging, the shipper is responsible for and will reimburse FedEx for all costs and fees of any type incurred in connection with the storage or disposal of the shipment or the cleanup of any spill or leakage from the shipment.

- F. FedEx does not recommend the use of wet ice (frozen water) as a refrigerant. If you believe wet ice is necessary, please call FedEx Packaging Design and Development at 1.800.633.7019 for specific packaging requirements. Use of wet ice without preauthorization is prohibited.

- G. For information on how to submit your packaging for testing or evaluation, please call 1.800.633.7019. Tips on packaging specific commodities (including automotive and mechanical parts, computers and perishables) are available at fedex.com/us/services/packageshipment/preparing.

- H. For FedEx Express Freight shipments, freight must be on a skid, pallet or other forkliftable base. Boxes should be stacked squarely on the skid without hanging over the edge, and the weight should be distributed evenly on the skid to avoid excess weight being placed on materials inside the cartons. Use 70-gauge stretch wrap and pass a minimum of two bands (tightly secured) through the skid voids and around all cartons.

- I. FedEx account holders may order supplies via fedex.com or by calling 1.800.GoFedEx 1.800.463.3339 (say "order shipping supplies").

Perishables

We are not liable for perishable articles unless packaged for a minimum transit time of at least 12 hours greater than our delivery commitment time for the shipment. Perishables coming from Hawaii to the continental U.S. must be packaged for additional transit time. Shipping perishable articles over a weekend or holiday is discouraged, and packaging such shipments for longer transit times is required. We recommend that you ship perishable items via FedEx First Overnight, FedEx Priority Overnight or FedEx 1Day Freight, and have your proposed packaging evaluated by FedEx Packaging Design and Development. For information on how to submit your packaging for evaluation, call 1.800.633.7019. Your failure to use proper packaging releases us from any liability for spoiled perishables that we would otherwise assume (see the Liabilities Not Assumed section).

Pharmaceuticals

You are responsible for complying with all applicable local, state and federal laws, regulations, ordinances and rules governing the shipment of pharmaceuticals. Packages containing pharmaceuticals must not have labels, markings or other written notice that a pharmaceutical is contained within. Select the Direct Signature Required Delivery Signature Option if you require FedEx to obtain a signature from someone at the delivery address, or the Adult Signature Required Delivery Signature Option if you require an adult signature for delivery. See the Delivery Signature Options section for details.

Pickup and Delivery

A. We do not offer a restricted-delivery service and may deliver to someone other than the person or entity named as the recipient. We also may make an indirect delivery.

Indirect delivery is a completed delivery to an address or location other than the address on the airbill and includes shipments delivered via Indirect Signature Required service. Packages cannot be delivered to P.O. boxes or P.O. box ZIP codes. Package addresses must include the complete street address and ZIP code of the recipient.

B. If our first delivery attempt of a shipment to a non-residential address is unsuccessful, we may make two additional attempts on the following two consecutive business days. If a package still cannot be delivered, we may hold it for two additional business days and may research its status with the sender, recipient, or both, and receive further instruction. After that time, we will return it to the sender as undeliverable.

C. Shipments to hotels, hospitals, government offices or installations, university campuses, or other facilities that utilize a mailroom or other central receiving area will be delivered to the central receiving area, unless otherwise authorized and approved by FedEx.

D. Any person scheduling a pickup other than the sender must provide a FedEx account number in good credit standing; otherwise, the pickup must be scheduled by the sender. We require a minimum of two hours from the time the shipment(s) will be ready to make the pickup. (Contact FedEx Customer Service for the specific lead times required.) Repeated pickup attempts without packages being ready may result in the cancellation of pickup privileges.

E. Proof of pickup is available upon request. You must provide the pickup number or FedEx tracking number (also known as the airbill number). We will not provide proof of pickup unless you provide this information.

F. At our sole discretion, we may refuse to pick up or deliver a shipment (package or freight), or use alternative pickup or delivery arrangements, to maintain the safety of our employees and in cases in which we believe that our services may be used in violation of local, state or federal laws.

G. Additional charges may apply for late-hours, weekend or holiday pickup and delivery.

H. Pickup and delivery may not be available in all areas.

I. An on-call pickup surcharge applies for FedEx Print Return Label and FedEx E-Mail Return Label shipments.

Plants and Plant Materials

You must ship plants and plant materials, including seedlings, plant plugs and cut flowers, in accordance with applicable local, state and federal laws. Packages containing these items may be inspected by government agencies, which may result in a delay in delivery. We are not liable or responsible for damage, refunds or credits resulting from such delays. (See the Liabilities Not Assumed and Money-Back Guarantee Policy sections.) Packaging should be tested for acceptance by FedEx Packaging Design and Development prior to shipping. See guidelines on packaging specific commodities at fedex.com/us/services/packageshipment/preparing.

Prohibited Items

You are prohibited from tendering the following items for shipment, and they will not be accepted:

- a. Cash, currency, collectible stamps and coins.
- b. Live animals, except as provided in the Live Animals and Ornamental Marine Life (Including Live Fish) section. (Edible seafood, such as live lobsters, crabs or other types of fish and shellfish for human consumption, is acceptable, provided the shipper is in compliance with all local, state and federal laws.)
- c. Animal carcasses. (Animal heads and other parts for taxidermy may be accepted but must be properly packaged. This restriction does not apply to properly packaged meat or poultry products intended for human consumption.)
- d. Human corpses, human body parts, human embryos, or cremated or disinterred human remains.
- e. Shipments that require us to obtain a local, state or federal license for their transportation.
- f. Shipments that may cause damage or delay to equipment, personnel or other shipments.
- g. Lottery tickets and gambling devices where prohibited by local, state or federal law.
- h. Hazardous waste, including, but not limited to, used hypodermic needles or syringes, or other medical waste.
- i. Packages that are wet, leaking or emit an odor of any kind.

- j. Live insects.
- k. Shipments or commodities that are prohibited by applicable local, state or federal law.

Notwithstanding any other provision of the FedEx Service Guide, we are not liable for delay of, loss of or damage to a shipment of any prohibited item. The shipper agrees to indemnify FedEx for any and all costs, fees and expenses FedEx incurs as a result of the shipper's violation of any local, state or federal laws or regulations or from tendering any prohibited item for shipment.

Proof of Delivery

A. We will, when available, provide proof-of-delivery information for packages delivered within our primary service areas when requested by the sender, recipient or third-party payer within 18 months of the shipping date. We assume no liability for our inability to provide a record of the proof of delivery. We assume no liability for our inability to provide documentation of the proof-of-delivery phone call for FedEx SameDay service.

B. When available, we may also provide an image of the signature proof of delivery online at fedex.com. We will, when available and when requested by the sender, recipient or third-party payer, provide an image of the recipient's signature along with other delivery information that is available in electronic form. The signature proof of delivery is available online at fedex.com or via FedEx Ship Manager software, FedEx DirectLink or electronic data interchange (EDI). If requested, we will send to the shipper, recipient or third party a copy of the signature proof of delivery via fax, or via FedEx Standard Overnight Envelope for a special handling fee (see Rates in the FedEx Service Guide for details).

C. For FedEx SameDay service, we will, if requested, phone the shipper to provide the time of delivery and name of the person who received the delivery. Two attempts are made to contact the shipper within two hours of delivery. If unsuccessful, FedEx has no further obligation to the customer with respect to proof of performance.

Rate Quotations

Rates and service quotations by our employees and agents are estimates and will be based upon information provided by you, but final rates and service charges may vary from the quotes based upon the characteristics of the shipment actually tendered to us. Any conflict or inconsistency between the FedEx Service Guide or online FedEx Retail Counter Rates Book and other written or oral statements or quotes (except those found in a FedEx Sales or FedEx Express Customer Automation agreement) concerning the rates, features of service, and terms and conditions applicable to FedEx Express service will be controlled by the FedEx Service Guide or online FedEx Retail Counter Rates Book, as modified, amended, changed or supplemented. We are not liable for, nor will any adjustment, refund or credit of any kind be made, as a result of any discrepancy in any rate or service quotation made prior to tender of the shipment and the rates, and other charges that we invoice to you. Rates quoted will vary depending on whether (1) the shipper is a FedEx account holder, (2) the shipper has discounts applied to his or her account and (3) the shipment is being dropped off at a staffed FedEx location.

- Shippers will be quoted FedEx Standard List Rates if:
 - They are FedEx account holders and they do not have discounts applied to their account and they have a shipment picked up at their location or they drop off a shipment at a non-staffed FedEx drop-off location; or
 - They are non-FedEx account holders and they have a shipment picked up at their location or they drop off a shipment at a non-staffed FedEx drop-off location.
- Shippers will be quoted FedEx Retail Counter Rates if they ship at the counter in staffed FedEx locations in the U.S. and pay with cash, check, debit or credit card instead of shipping on their FedEx account.
- Shippers will be quoted Account-Specific Rates if they have a FedEx account, have discounts applied to their account and if they charge their shipping to their FedEx account.

Refusal or Rejection of Shipments

We reserve the right to refuse, hold or return any shipment and may do so at our sole discretion and without liability to us. We will execute that right when (but not limited to cases in which): (1) the shipment may cause damage or delay to other shipments, property or personnel; (2) the shipment is likely to sustain damage or loss in transit because of improper packaging or otherwise; (3) the shipment contains any prohibited items; (4) the account of the person or entity responsible for payment is not in good credit standing; or (5) when acceptance of the shipment may jeopardize our ability to

(Refusal or Rejection of Shipments, cont.)

provide service to other customers. We have no liability whatsoever for refusal or rejection of shipments.

Routing and Rerouting

FedEx may reroute shipments when authorized by the sender subject to the following conditions:

1. A special handling charge will be billed to the account number specified on the FedEx airbill for each rerouted package, and it will appear as an address correction on the invoice. This charge will not be applied when a package is changed to Hold at FedEx Location and the FedEx location is in the same city as the city on the airbill. Otherwise, the special handling charges will apply. See Rates in the FedEx Service Guide or online FedEx Retail Counter Rates Book for details.
2. To reroute a shipment, the sender must call 1.800.GoFedEx 1.800.463.3339 and provide us with a FedEx account number, the FedEx tracking number, the new destination and a valid contact telephone number for the recipient.
3. We may not honor a reroute request from the recipient other than to Hold at FedEx Location within the original destination city.
4. Our money-back guarantee policy does not apply to shipments that are rerouted. We have no liability for any remedy for service failure for these shipments.
5. Only one reroute will be allowed per package.
6. We may require photo identification of the person authorized to pick up the package.
7. FedEx may not reroute shipments when Adult Signature Required has been selected as a delivery signature option.
8. Dangerous goods may not be rerouted to an address other than the original intended-recipient's address provided by the shipper. (*Note:* Shipments may be made available as hold for pickup or be returned to the sender.)
9. Any requested change to an address that is not a reroute or an address correction is a new shipment, and new shipping charges will apply.

We will determine the routing of all shipments, including the mode of transportation used, and may use air transportation, ground transportation or any combination thereof in providing our services. We reserve the right to divert any shipment (including use of other carriers) in order to facilitate its delivery.

Service Areas

Service areas are subject to change without notice. For current service area information on selected ZIP codes, please call 1.800.GoFedEx 1.800.463.3339.

Signature Releases

A. Shipments with a declared value of US\$500 or less may be delivered and released without obtaining a signature when the sender has authorized a release by either signing the Release Signature section of the airbill or by completing the Release Delivery Authorization and Indemnification Agreement for Shippers (obtained through your local FedEx World Service Center or your FedEx account executive), or, at our sole option, upon oral or written instruction from the sender or recipient. A shipment may also be released without a signature if the recipient has provided authorization by signing the Release Delivery Authorization and Indemnification Agreement for Recipients (obtained through your local FedEx World Service Center or your FedEx account executive). We may authorize shipments released without signature to those with accounts in good credit standing and to those who otherwise have established a satisfactory payment history. We also reserve the right to release packages at residential delivery locations without obtaining a signature, provided that none of the restrictions below apply.

B. At our sole discretion, some shipments may not be released without a delivery signature even when release is authorized, including, but not limited to:

1. Bill-recipient shipments when the recipient's FedEx account is not in good credit standing or is not indicated on the airbill.
2. Damaged shipments.
3. Shipments containing dangerous goods.
4. Firearms.
5. C.O.D. shipments.
6. Indirect deliveries.
7. Shipments billed to an invalid or missing credit card number.
8. Alcohol or tobacco shipments.
9. One or more packages in a multiple-piece shipment if all packages cannot be safely released.

10. The delivery location or circumstances are unsuitable for release without signature as determined at our sole discretion.

C. At our sole discretion, shipments having a declared value greater than US\$500 may not be released without a signature even where the release is otherwise authorized.

D. Choosing one of the FedEx Delivery Signature Options will override a signature release.

Tobacco Products

Tobacco products will be accepted only when shipped from a licensed dealer or distributor to another licensed dealer or distributor. The shipper is solely responsible for compliance with any applicable regulations, which may vary from state to state.

Undeliverable Shipments

An undeliverable shipment is one that cannot be delivered for reasons that include, but are not limited to, any of the following:

- The recipient refuses to pay for a bill-recipient shipment.
- The recipient of a Hold at FedEx Location shipment cannot be located.
- The recipient refuses to accept the shipment.
- The recipient's delivery address cannot be located.
- The shipment was addressed to an area not served by FedEx.
- The shipment's contents or packaging are damaged to the point that rewrapping is not possible.
- The shipment would likely cause damage or delay to other shipments or property or injury to personnel.
- The shipment contains prohibited items.
- The recipient's place of business is closed.
- No appropriate person was available to accept the shipment at a delivery location on the initial delivery attempt or reattempts.
- The shipment was improperly packaged.

When practicable, we will contact the sender for instructions on returning or otherwise disposing of the shipment. If the sender requests return, it will travel by FedEx 2Day, FedEx Express Saver or FedEx Priority Overnight (shipping will be charged to the sender).

A. If a package shipment is undeliverable for any reason, we will attempt to notify the shipper to arrange for the shipment's return. The charges associated with the original shipment remain due and payable within 15 days from the invoice date. If a package is marked "Bill Recipient" and is refused or returned to the sender, the billing is automatically changed to "Bill Sender."

B. Package shipments will be returned via FedEx Express Saver service at the shipper's expense unless contrary instructions are received from the shipper after five business days from the initial delivery attempt. However, nonfreight package shipments will be returned via FedEx Priority Overnight service at no additional charge if the shipment is undeliverable because of a service failure or damage to the shipment caused by FedEx. If the shipment is undeliverable for any other reason, all return charges and fees will be assessed to the original shipper, along with the original transportation charges and fees.

C. If a FedEx Express Freight shipment is marked "Bill Recipient" and is refused or returned to the sender, the billing is automatically changed to "Bill Sender."

All FedEx Express Freight shipments will be returned via FedEx 3Day Freight. The freight shipment will be returned at no additional charge if the freight shipment is undeliverable because of a service failure. If the shipper requests return via another service, our regular rates will apply. If the freight shipment is undeliverable because of a non-service-failure reason, all return charges and fees will be assessed to the original shipper, along with the original transportation charges and fees.

Our money-back guarantee policy does not apply to undeliverable or returned shipments.

D. Dangerous goods shipments will only be returned via FedEx Dangerous Goods Service or other appropriate means. A dangerous goods special handling fee applies. The shipper must supply a completed return airbill and all other required documentation.

E. If a shipment cannot be delivered or returned or if the shipper or recipient cannot be contacted, the shipment may be transferred or disposed of by FedEx at its sole discretion, with or without notice, and the shipper, if known, agrees to pay any costs incurred in the disposal.

These terms and conditions are published in printed form and electronically at fedex.com. The downloadable version (PDF) of the FedEx Service Guide at fedex.com is controlling. These FedEx Express Terms and Conditions also apply to the online FedEx Retail Counter Rates Book. For international shipments tendered for FedEx International Premium, FedEx International Express Freight (IXF) or FedEx International Airport-to-Airport (ATA), please see the applicable Service Guide, terms and conditions, and/or tariffs for these services. Refer to fedex.com/us/services/terms/ixf.html. (Note: fedex.com URLs are subject to change.) See the U.S. Shipments section when shipping to and from points within the U.S., including Alaska and Hawaii. Shipments originating outside the U.S. for U.S. or other international destinations are subject to local tariffs and the terms and conditions of the FedEx subsidiary, branch or the independent contractor that accepted the shipment. These terms and conditions include terms regarding the importation and customs clearance of shipments into the U.S. See the FedEx Ground Tariff when shipping by FedEx Ground.

If there is a conflict between these terms and conditions and the terms and conditions on any FedEx air waybill, shipping label or other transit documentation, the terms and conditions in the FedEx Service Guide, as amended, modified, changed or supplemented, will control to the extent they are not in conflict with the rules relating to liability for international carriage established by the Warsaw Convention, other applicable treaties or any applicable tariff.

Rates and service quotations by our employees and agents are based upon information you provide, but final rates and service may vary based upon the shipment actually tendered and the application of these terms and conditions. Rates quoted will vary depending on whether (1) the shipper is a FedEx account holder, (2) the shipper has discounts applied to his or her account and (3) the shipment is being dropped off at a staffed FedEx location.

- Shippers will be quoted FedEx Retail Counter Rates if they ship at the counter in staffed FedEx locations in the U.S. and pay with cash, check, debit or credit card instead of shipping on their FedEx account.
- Shippers will be quoted Account-Specific Rates if they have a FedEx account, have discounts applied to their account and if they charge their shipping to their FedEx account.

Any conflict or inconsistency between the FedEx Service Guide and other written or oral statements concerning the rates, features of service, and terms and conditions applicable to FedEx Express international services from the U.S. to international locations and many terms regarding importation and inbound clearance of shipments into the U.S. will be controlled by the FedEx Service Guide, as modified, amended or supplemented.

FEDEX EXPRESS TERMS AND CONDITIONS

International Shipments (U.S. Edition)

(Definitions, cont.)

"Retail Counter Rates" are the rates paid by shippers who ship at the counter in staffed FedEx locations in the U.S. and pay for their shipping with cash, check, debit or credit card instead of charging their shipping to a FedEx account.

"Service failure" means delivery of your package 60 seconds or more after our published delivery commitment for the FedEx service for that package, except as otherwise described in these terms and conditions.

"Shipment" means one or more pieces, either packages or freight, moving on a single air waybill.

"Standard List Rates" are the FedEx rates paid by shippers if (1) they are FedEx account holders and they do not have discounts applied to their account and they have a shipment picked up at their location or they drop off a shipment at a non-staffed FedEx drop-off location or (2) they are non-FedEx account holders and they have a shipment picked up at their location or they drop off a shipment at a non-staffed FedEx drop-off location.

"Transportation charges" mean amounts assessed for movement of a shipment and do not include any other fees or charges that may be assessed under the FedEx Service Guide or online FedEx Retail Counter Rates Book, such as (but not limited to) declared-value charges, special handling fees, customs duties and taxes, and surcharges.

"Valid" as it relates to account numbers means a FedEx account number that has been issued by FedEx and that is in good credit standing.

"You" or **"your"** means the shipper/sender, recipient and their agents, servants, employees, and any other person or entity having or claiming an interest in a shipment.

Non-Waiver

Any failure by us to enforce or apply a term, condition or provision of the FedEx Service Guide does not constitute a waiver of that term, condition or provision and does not otherwise impair our right to enforce such term, condition or provision.

Account Numbers

For transactions other than "Bill Sender," "Bill Recipient" or "Bill Third Party," you must pay by cash (not accepted at all FedEx locations), check, money order or credit card. Payment is required when you give us your package. For "Bill Sender" and "Bill Third Party" transactions, packages will not be accepted unless you provide a valid FedEx account number.

For "Bill Recipient" transactions, packages can be tendered without payment, but in order for the package to be delivered, the recipient must provide a valid FedEx account number or pay with cash, check, money order or credit card (if accepted as a form of payment in the destination country) at time of delivery. If the recipient or third party refuses to pay any transportation charges and other fees, including, but not limited to, duties and taxes, the package will be treated as undeliverable and the sender will be responsible for all transportation charges and other fees, including all special handling fees and duties and taxes.

For customers utilizing our electronic shipping systems, a valid FedEx account number is required for "Bill Sender," "Bill Recipient" or "Bill Third Party" transactions.

FedEx account holders who ship at the counter in staffed FedEx locations in the U.S. and pay for their shipping with cash, check, debit or credit card instead of charging their shipping to their FedEx account will pay FedEx Retail Counter Rates instead of FedEx Standard List Rates or Account-Specific Rates.

Account numbers are issued by FedEx according to shipping location and are nontransferable. Account numbers are issued and used solely at the discretion of FedEx. FedEx may discontinue the use of accounts, in whole or in part, and terminate all or particular accounts and account numbers at any time, for any reason, at its sole discretion. Improper, illegal or any other misuse of your FedEx account may also, at the sole discretion of FedEx, result in loss of discounts or termination of the account. Improper, illegal or other misuse includes, but is not limited to, ordering supplies for any purpose other than shipping with FedEx, unauthorized consolidation of shipments owned by different parties, or violations of the terms and conditions in this FedEx Service Guide. If your account has been compromised or stolen, the account may be closed and you may be issued a new account. However, you will be responsible for all valid charges on the closed account. Any supplies, materials, rights or privileges that you acquire by holding a FedEx account number may not be used for any purpose other than shipping with FedEx, and FedEx may seek damages against you for any improper, illegal or other misuse of your account. If your account is terminated, we reserve the right, at our sole discretion, to deny your application for new or additional FedEx account numbers at any time in the future. Except for Canada- and Puerto Rico-based accounts, international account numbers may not be used for shipments between

two points within the U.S. All charges will be billed and must be remitted in U.S. funds.

All requests for account numbers are subject to credit investigation and verification by our Credit Department and Customer Account Confirmation Department. FedEx utilizes business credit reporting agencies, audited financial statements, Standard & Poor's and Moody's bond ratings, and other sources as necessary, to determine eligibility for open credit terms. FedEx does not offer consumer credit privileges. Any individual shipping for personal use must prepay the shipment charges or establish a FedEx account for billing directly to a major credit card. Stored-value cards or gift cards cannot be used to open an account; however, such cards may be used for payment when tendering a package at staffed FedEx shipping locations, and in conjunction with our credit card acceptance policy.

The party to whom a FedEx account number is issued is liable for all charges to the account, including those resulting from unauthorized use. The account holder is responsible for the safekeeping of the account number. The account number should be released only to those authorized to ship on the account.

Failure to keep your FedEx account current may result in your account being placed on a cash-only status. Use of an account on cash-only status may result in your package being delayed, rejected or returned until arrangements for payment are completed. If the account number to be billed is not valid, the shipment may be refused, delayed or returned until an alternative form of payment is secured. If a package is held, returned, or delivery is otherwise delayed because the account is not in good credit standing, you will not be entitled to a refund or credit of your transportation charges under the Service Failure Money-Back Guarantee Policy.

You must use your FedEx account number to obtain any discount applicable to your account. Use of your account number constitutes your agreement that all packages and freight shipped via FedEx Express international services shall be subject to these terms and conditions, as modified, amended or supplemented.

FedEx may provide trade credit information on its account holders to credit bureaus.

Alcoholic Beverages

Only licensed entities may ship alcohol of any type with FedEx. For more information, go to fedex.com/us/wine. Consumers may not ship alcohol. An ancillary clearance service fee may apply if your shipment requires special import clearance processing; see fedex.com for more information.

For U.S. Import: FedEx will not accept shipments of alcohol (beer, wine or spirits) to non-licensed parties located in the U.S. from an international location. FedEx will accept shipments of alcohol (beer, wine and spirits) inbound to the U.S. when both the shipper and recipient are licensed entities. For more information, go to fedex.com/us/wine. The shipper must hold a license from the country of origin issued in accordance with that country's law and regulations. The recipient, located in the U.S., is required to hold: (1) a basic permit for importer and/or wholesaler issued from the U.S. Department of Treasury, Alcohol and Tobacco Tax and Trade Bureau (TTB), and (2) if applicable, a wholesaler, dealer, distributor or manufacturer license issued from the state in which the recipient is located.

For U.S. Export: FedEx will accept alcohol shipments for export from the U.S. when both the shipper and recipient are licensed entities, and wine shipments from licensed entities directly to consumers in a limited number of countries, subject to additional requirements and all applicable laws and regulations. Shippers located in the U.S. must hold: (1) a basic permit for importer and/or wholesaler issued from the TTB, and (2) if applicable, a wholesaler, dealer, distributor or manufacturer license issued from the state in which the shipper is located.

Billing

A. "Bill Sender" means the specified charges will be billed to the sender. The sender's FedEx account number must appear in the appropriate section of the air waybill, and the account should be current. FedEx International Next Flight and FedEx International MailService shipments may only be shipped "Bill Sender" and "Bill Third Party," but all charges must be verified (for U.S. accounts only). For duty-and-tax charges, "Bill Sender" means the sender will be invoiced for applicable duties and taxes and additional ancillary clearance fees incurred.

B. "Bill Recipient" means the specified charges will be billed to the recipient. In order to choose this billing option, the recipient's valid FedEx account number must appear on the air waybill before it is delivered and payment on the account must be current, or the recipient must pay for the package at time of delivery. If the recipient is billed initially and refuses to make payment for the shipment, the charges may be rebilled to a third party. If not paid by the third party, any additional rebilling must be to the sender's account. The sender is liable for, and will be billed for, all charges and fees in the event the recipient or any third party does not pay.

C. "Bill Third Party" means the specified charges will be billed to someone other than the sender or recipient. In order to choose this billing option, the third party's valid FedEx account number must be entered in the appropriate section of the air waybill and must be in good credit standing. The sender is liable for, and will be billed for, all charges and fees in the event the recipient or any third party does not pay. If the third party refuses to pay, the transportation charges will automatically be billed to the sender and duties and taxes to the recipient. If the third party does not have credit arrangements with FedEx, the sender will automatically be billed.

D. Invoices for transportation charges are payable within 15 days of the invoice date. Invoices for duties and taxes are payable upon receipt.

E. We reserve the right to verify the method of payment for any shipment and to refuse any shipment for which the method of payment cannot be verified.

F. Billing and Special Handling Fees:

1. A special handling fee will be charged where no account number appears on the air waybill or where an incomplete, inaccurate or invalid account number appears on the air waybill in "Bill Sender," "Bill Recipient" or "Bill Third Party" transactions. If a "Bill Sender," "Bill Recipient" or "Bill Third Party" package is received without a FedEx account number, we will attempt to determine the correct account from our records and bill the account for all charges and fees, plus the special handling fee. Any applicable discount will apply. If, however, we cannot determine the correct account, the transportation charges plus the special handling fee will be billed directly to the sender and no discount will be allowed. See Rates in the FedEx Service Guide or online FedEx Retail Counter Rates Book for details.
2. A US\$20 special handling fee will be charged to you for any check or electronic funds transfer that is dishonored for any reason.

G. Duties and taxes may be assessed on the contents of shipments destined for international locations. If we advance duties and taxes on behalf of the payer, the payer may be assessed a surcharge based on a flat rate or a percentage of the total amount advanced (whichever is greater). See the Duties and Taxes section for details.

H. Electronically captured data will be used for billing purposes in the event a billing copy of the air waybill is not available at the time of billing.

I. Charges in freely convertible currencies other than U.S. dollars are billed to the payer's account. Charges requiring conversion to a currency other than U.S. dollars will be calculated daily using the median bid price obtained from OANDA, an Internet exchange-rate service, except for those currencies where FedEx is required to use local bank rates to convert currency for payers in that country. The median bid price is the average price at which buyers offer to buy currencies from sellers during the given period. These currency conversion rates can be accessed at www.oanda.com.

The currency-conversion rate in effect one day prior to the ship date will be used for conversions to non-hyper-inflationary currencies. However, we reserve the right to use the exchange rate at invoice date, as opposed to shipment date, in countries where the currency is volatile.

There is an additional exchange fee of 1.75 percent for conversion from any non-U.S. currency to U.S. dollars, 2.3 percent for U.S. dollars to any currency, and 2.0 percent between all non-U.S. currency conversions. The currencies of participating European Union countries will have stationary conversion rates to the euro. There is no exchange fee between currencies related to the euro. Charges in currencies other than the U.S. dollars that are not freely convertible will be converted to U.S. dollars and billed to the payer's account either at the free-market rate or at the official rate at which FedEx was permitted to purchase U.S. dollars in the relevant currency, at our sole option.

J. NOTWITHSTANDING ANY PAYMENT INSTRUCTIONS THAT ARE GIVEN TO FEDEX, THE SENDER IS ULTIMATELY LIABLE FOR, WILL BE BILLED FOR, AND AGREES TO PAY, ALL CHARGES AND FEES, INCLUDING ANY SPECIAL HANDLING FEES AND ANY DUTIES OR TAXES WHICH WE HAVE ADVANCED, REGARDLESS OF ANY PAYMENT INSTRUCTIONS TO THE CONTRARY, IF THE RECIPIENT OR THIRD PARTY FAILS OR REFUSES TO PAY.

K. You must furnish with your payment the invoice numbers to which your payment applies. Payment should be sent using your remittance advice to one of the following:

N. Invoice Adjustments/Overcharges:

1. We reserve the right to audit air waybills and shipments made via any means, including, but not limited to, an electronic shipping device, to verify service selection and shipment weight. If the service selected or weight entered is incorrect, we may make appropriate adjustments to the shipment charges at any time.
2. Default Billing. Senders are solely responsible for accurately completing all sections of the air waybill and for the entry of accurate shipment information into any electronic shipping device. If you fail to provide or correctly enter this information, you will be billed and agree to pay based on our estimate of the number of packages transported and either the dimensional weight at the time of billing or a standard default weight-per-package estimate, both of which will be determined by us at our sole discretion. If no service is marked, we will send your shipment via FedEx International Priority, FedEx International Economy, FedEx International Priority Freight or FedEx International Economy Freight service as selected by us at our sole discretion.

For FedEx International Priority and FedEx International Economy services, the recipient's postal code is critical to correct invoicing (to those countries that are in multiple rate scales). Any omission or incorrect entry will result in a billing based on a default postal code.

3. Our money-back guarantee policy governs and is the exclusive remedy for requests for refunds or credits related to service failures. (See the Money-Back Guarantee Policy section for applicable notice provisions and other conditions.)

FEDEX EXPRESS TERMS AND CONDITIONS

International Shipments (U.S. Edition)

(Billing, cont.)

- If the money-back guarantee is suspended or revoked, there is no remedy.
4. Requests for invoice adjustments due to an overcharge must be received within 60 days after the original invoice date (or ship date if prepaid by cash, check, money order or credit card).
 5. FedEx is not obligated to refund any overcharge or pay any other obligation owed when your FedEx account is, or has been in the past, more than 60 days past due.
 6. If your account is more than 60 days past due, FedEx may, at its sole discretion, apply any overcharge amounts or other overpayments it agrees are owed to you against the oldest invoices.
 7. You may request an invoice adjustment for reasons not related to a service failure in the following ways:
 - a. Use our Internet application FedEx Billing Online at fedex.com if you are a registered user; or
 - b. Submit your request through the invoice adjustment feature at fedex.com; or
 - c. Submit the request in writing using the invoice adjustment form on the back of your invoice. If your request exceeds the space available on the form, you may submit your request via e-mail using the formatted spreadsheet and e-mail address provided at fedex.com/us/account/inhome/other/eremit.html; or
 - d. Submit the request via our telephone invoice adjustment system at 1.800.GoFedEx 1.800.463.3339 (say "billing"). If you choose to submit your request via the telephone invoice adjustment system, the request must state the reason you believe an adjustment or refund is warranted and must provide the following: the FedEx account number (if any); the FedEx tracking number; and the date of shipment.

A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request.

8. If you choose to send your request for an invoice adjustment for non-service-related failure via FedEx or U.S. Postal Service, please send it to:

FedEx
Revenue Services
3965 Airways Blvd.

You may also send your request via fax to the FedEx toll-free fax service:

9. We will not be liable for any invoice adjustment unless you comply with the notice requirements described above. The filing of a lawsuit against us does not constitute compliance with these notice provisions.

For additional information or assistance regarding billing issues, contact FedEx Revenue Services at 1.800.GoFedEx 1.800.463.3339 (say "billing"), 7 a.m. to 6 p.m. (CST), Monday through Friday.

- O. **Additional Taxes.** If a value-added, consumption or similar tax is applicable to your shipment, we reserve the right to add that amount to your shipping charges without notice. We pay any applicable excise tax on the air transportation portion of our service.
- P. The shipper and any other party who is liable for payment are responsible for all reasonable costs incurred by FedEx in obtaining or attempting to obtain payment for services rendered by us. Such costs include, but are not limited to, attorneys' fees, collection agency fees, interest and court costs.
- Q. At our sole discretion, FedEx may transfer and assign ownership of, and any rights to collect, any and all charges due and payable to us.

Carriage Under Warsaw Convention

- A. As used in the FedEx Express terms and conditions, "Warsaw Convention" or "Convention" means the Convention for the Unification of Certain Rules relating to International Carriage by Air, signed at Warsaw, Oct. 12, 1929, or that convention as amended, including the Montreal Protocol No. 4 and the Montreal Convention, whichever is applicable to the carriage or "carrier," including the air carrier issuing the air waybill and all air carriers that carry the goods or perform any other services related to the carriage.
- B. When the carriage involves an ultimate destination or stop in a country other than the country of departure, the Warsaw Convention may be applicable. The convention governs and, in most cases, limits our liability for loss of, damage to or delay of cargo.
- C. The Warsaw Convention limits our liability for loss or delay of or damage to your shipment, unless you declare a higher value for carriage and pay the required fee as described below. The interpretation of the Warsaw Convention's liability limits may vary depending on the destination country. If the Warsaw Convention as amended by Montreal Protocol No. 4 or the Montreal Convention applies to your shipment, our liability is limited to 17 Special Drawing Rights (SDRs) per kilo, unless you declare a higher value for carriage and pay the required fee. Otherwise, our

liability is limited to US\$9.07 per pound (US\$20.38 per kilo) unless you declare a higher value for carriage and pay the required fee.

D. To the extent not in conflict with the rules relating to liability for international carriage as established by the Warsaw Convention, carriage and other services performed by us are subject to the provisions of the FedEx Service Guide and applicable tariffs as amended from time to time, which are incorporated in the FedEx Service Guide by reference. The tariffs, if any, may be inspected at our corporate headquarters in Memphis, Tenn.

E. FedEx assumes no obligation to carry the goods by any specified aircraft or over any particular route or to make connections at any point according to any schedules. You agree FedEx may, without notice, substitute alternative carrier or aircraft, deviate from the route or routes, or cause the goods to be transported by motor vehicle.

THERE ARE NO STOPPING PLACES THAT ARE AGREED TO AT THE TIME OF TENDER OF THE SHIPMENT, AND WE RESERVE THE RIGHT TO ROUTE THE SHIPMENT IN ANY WAY WE DEEM APPROPRIATE.

Cartage Agents

We provide pickup and delivery to many international locations.

- A. If you elect to make arrangements for pickup or delivery directly with a cartage agent, you are responsible for all charges and fees assessed by the cartage agent. The invoice you receive from us will reflect only our charges and fees.
- B. Our delivery commitment time and money-back guarantee policy apply only to the portion of the transportation handled directly by us. (See the Money-Back Guarantee Policy section.) The delivery commitment time begins when the cartage agent tenders the shipment to us and ends when a shipment is available for pickup by you or a cartage agent. Our tender of a shipment to a cartage agent constitutes delivery of the shipment by us for all purposes. We are not responsible for service failures as a result of cartage agent pickups or deliveries.
- C. A special handling fee applies; see Rates in the FedEx Service Guide or online FedEx Retail Counter Rates Book.
- D. Cartage agents are independent contractors. They are neither employees nor agents of FedEx Express, and we are not responsible for any of their acts or omissions.

Claims

- A. We must receive notice of a claim due to damage (visible or concealed), delay (including spoilage claims) or shortage within 21 calendar days after delivery of the shipment. (See the Money-Back Guarantee Policy section for the time period to request a refund or credit of transportation charges due to a service failure.) We must receive notice of all other claims, including, but not limited to, claims for nondelivery or misdelivery, within nine months after the package was tendered to FedEx Express for shipment.
- B. Notice of claims for which you are seeking more than US\$100 must be in writing. All claims must be made within the time limits set forth above.
- C. Your notice of claim must include complete shipper and recipient information, as well as the FedEx tracking number, date of shipment, number of pieces, and shipment weight. Failure to provide us with notice in the manner and within the time limits set forth in paragraphs (A) through (B) will result in denial of your claim, and we will have no liability or obligation to pay your claim. The filing of a lawsuit does not constitute compliance with these notice provisions.
- D. Written documentation supporting the amount of your claim must be delivered to us within nine months after the package was tendered to FedEx Express for shipment. Such documentation may include original purchase invoices, estimates or invoices for repair, expense statements, appraisals, final confirmation screen if online order with proof of purchase, or other records. These documents must be verifiable to our satisfaction.
- E. We are not obligated to act on any claim until all transportation charges have been paid. The claim amount may not be deducted from these charges or from any outstanding balance owed to us.
- F. FedEx reserves the right to inspect a damaged shipment on the recipient's premises as well as the right to retrieve the damaged package for inspection at a FedEx facility. The terms and conditions applicable to the original shipment (including any declared value) will govern the disposition of all claims in connection with the shipment, including any claim relative to the retrieval, inspection or return of the package. When a package is picked up for inspection, a receipt for the damaged package will be provided if requested by the recipient. All of the original shipping cartons, packing and contents must be made available for our inspection and retained until the claim is concluded.
- G. Except in the case of concealed damage, receipt of the shipment by the recipient without written notice of damage on the air waybill is *prima facie* evidence that the shipment was delivered in good condition.

- H. We do not accept claims from customers whose packages were sent through a package consolidator. (See the Package Consolidators section.)
- I. Only one claim can be filed in connection with a shipment. Acceptance of payment of a claim shall extinguish any right to recover in connection with that shipment.
- J. When we resolve a claim by paying full value for a shipment, we reserve the right to pick up the package for salvage, and all rights, title to, and interest in the package shall vest with us.
- K. You can file a claim in the following ways:
1. Submit claims online at fedex.com/us/claimsonline for U.S. export shipments to all countries served by FedEx Express and U.S.-inbound shipments from Canada.
 2. Send written claims, including the completed claim form and supporting documentation, via the U.S. Postal Service or fax to:
 FedEx Cargo Claims Department
 P.O. Box 256
 Pittsburgh, PA 15230
 Fax: 1.877.229.4766
- If you fax your completed claim form and supporting documentation, FedEx will send you a confirmation letter by return fax.
3. Call customer service at 1.800.GoFedEx 1.800.463.3339 (say "claims") to obtain a case number for your claim, then complete a print copy of the claim form. You may have to submit supporting documentation using FedEx Claims Online or the mailing address or fax number listed above.
- L. FAILURE TO COMPLY WITH ANY OF THE ABOVE CONDITIONS WILL RESULT IN THE DENIAL OF YOUR CLAIM.

Collect on Delivery (C.O.D.) Service

We do not offer C.O.D. service to international destinations. A shipment marked "C.O.D." will be returned and all related charges will be billed to the sender.

Credit Terms

- A. We do not provide individual consumer credit privileges.
- B. As a condition of extending credit privileges, FedEx reserves the right to require business customers to provide current financial information, agree to bank draft arrangements for payment on account, provide a security deposit or provide a bank letter of credit.
- C. The invoice date begins the credit term cycle, and payment for transportation charges is due within 15 days from the invoice date. Failure to keep your FedEx account current will result in your account being placed on cash-only status. This status may impair your ability to use our services, delay your shipments and may result in the loss of any applicable discounts.
- Duties, taxes and other fees are payable immediately upon receipt of our invoice. If transportation charges and duties and taxes are on the same invoice, all charges are due upon receipt of invoice.
- D. IF THE ACCOUNT NUMBER TO BE BILLED IS NOT IN GOOD CREDIT STANDING, THE PACKAGE MAY BE REFUSED, HELD OR STOPPED IN TRANSIT UNTIL YOU MAKE ALTERNATIVE PAYMENT ARRANGEMENTS. THE MONEY-BACK GUARANTEE POLICY WILL NOT APPLY IN SUCH CIRCUMSTANCES.
- E. The shipper, and any other party who is liable for payment, is responsible for all reasonable costs incurred by FedEx in obtaining or attempting to obtain payment for services rendered by us. Such costs include, but are not limited to, attorneys' fees, collection agency fees, interest and court costs.
- F. Credit privileges will not be restored until you have paid all past-due balances in full and all costs, fees and expenses incurred by FedEx in collecting or attempting to collect such balances. FedEx may require establishment of electronic funds transfer as a prerequisite to credit restoration. FedEx may decline to restore credit privileges even if all costs, fees and expenses are paid.
- G. Customers requesting removal from cash-only status must contact the FedEx Recovery Collections department at 1.800.506.7580.
- H. We may apply payments made on your account to any unpaid invoice issued on your account, at our sole discretion.
- I. Requests for research or refunds of payment must be received within 60 days from the date of payment.

Customs Clearance

- A. All shipments that cross international borders must be cleared through customs in the destination country prior to delivery to the recipient.

- B. Except as provided under the FedEx International Broker Select section in the Services section of this FedEx Service Guide, we (or a broker selected by us) will submit shipments to customs and other regulatory agencies for clearance. Duties and taxes will be advanced on behalf of the sender and recipient provided appropriate credit arrangements have been made in advance. (See the Billing and Duties and Taxes sections.) Where FedEx (or the broker selected by FedEx) incurs additional time or expense clearing an import shipment due to the commodities being imported or special brokerage processing, FedEx reserves the right to impose a fee ("ancillary clearance service fee") in order to recover those costs to FedEx that may be caused by regulatory agency declarations and processing, or by the customs broker chosen to clear the shipment. (See fedex.com/ancillary/go/service for a list of ancillary clearance service fees.) These may include, without limitation, ancillary clearance service fees associated with the filing of entries within destination countries, such as with the U.S. Food and Drug Administration, the U.S. Fish and Wildlife Service, the U.S. Bureau of Alcohol, Tobacco, Firearms and Explosives, live entries and entries pursuant to U.S. Department of Defense contracts (or comparable agencies in the destination country), and for other special brokerage processing.
- C. In some instances, at our option, we accept instructions from recipients to use a designated customs broker other than FedEx (or the broker selected by FedEx) or the broker designated by the shipper. In any event, FedEx (or the broker selected by FedEx) reserves the right to clear the shipment if the broker cannot be determined or will not perform clearance or if complete broker information is not provided (including name, address, phone number and postal code).
- D. When shipments are held by customs or other agencies due to incorrect or missing documentation, we may attempt first to notify the recipient. If local law requires the correct information or documentation to be submitted by the recipient and the recipient fails to do so within a reasonable time as we may determine, the shipment may be considered undeliverable. (See the Undeliverable Shipments section.) If the recipient fails to supply the required information or documentation, and local law allows the sender to provide the same, we may attempt to notify the sender. If the sender also fails to provide the information or documentation within a reasonable time as we may determine, the shipment will be considered undeliverable. We assume no responsibility for our inability to complete a delivery due to incorrect or missing documentation, whether or not we attempt to notify the recipient or sender. (See the Undeliverable Shipments section.)
- E. Shipments requiring documentation in addition to the FedEx International Air Waybill, the FedEx International Next Flight Air Waybill or the FedEx International MailService Air Waybill (e.g., a Commercial Invoice) may require additional transit time. Proper completion of necessary documentation, with complete and accurate shipment information, including the appropriate Harmonized Tariff Schedule Code, is the shipper's responsibility.
- F. Shipments that contain goods or products that are regulated by multiple government agencies within the destination country (such as the Department of Agriculture, the Food and Drug Administration, the Fish and Wildlife Service and the Federal Communications Commission in the U.S. and comparable agencies in the destination country) may require additional time for clearance.
- G. The sender is responsible for making sure goods shipped internationally are acceptable for entry into the destination country. All charges for shipment to and return from countries where entry is not permitted are the sender's responsibility.
- H. We assume no responsibility for shipments abandoned in customs, and such shipments may be considered undeliverable.
- I. If acceptable wildlife products are shipped via the FedEx International Broker Select service option for U.S. import, they must be addressed to a broker at one of the 18 designated U.S. Fish and Wildlife ports.
- J. U.S. import shipments that contain products that originate from wildlife or contain wildlife may require original permits/certificates (CITES) for U.S. Fish and Wildlife Service clearance. U.S. importers of wildlife products must obtain an import license from the U.S. Fish and Wildlife Service for commercial shipments.
- K. The U.S. Food and Drug Administration (FDA) requires completion of FDA Prior Notice for certain shipments containing food or food articles for human or animal consumption prior to their arrival in the U.S. A copy of the FDA Prior Notice confirmation record must be included with the shipping documentation for all foods and food products that require Prior Notice.
- L. For shipments that must be cleared through customs by the recipient, FedEx will deliver the customs paperwork to the recipient, and delivery of paperwork constitutes timely delivery.

FEDEX EXPRESS TERMS AND CONDITIONS

International Shipments (U.S. Edition)

Dangerous Goods

A. We accept most classes of dangerous goods as FedEx Express international shipments to and from dangerous-goods-designated cities in the following countries: the U.S.,¹ Europe, Japan, Canada, Barbados, St. Maarten, Aruba, Trinidad, Tobago, the U.S. Virgin Islands and South Korea. Dangerous goods can also be shipped to many locations via FedEx International Premium, FedEx International Express Freight and FedEx International Airport-to-Airport.

B. All packages containing dangerous goods must comply with the International Civil Aviation Organization (ICAO) Technical Instructions for the Safe Transport of Dangerous Goods by Air, the International Air Transport Association (IATA) Dangerous Goods Regulations and, where applicable, Title 49 of the Code of Federal Regulations. Shippers of dangerous goods, whether prepared under ICAO/IATA or 49CFR, must comply with all FedEx Express variations listed in the current edition of the International Air Transport Association (IATA) tariff. All packages containing dangerous goods must comply with the IATA dangerous-goods regulations. The only exception is for a U.S. territory or commonwealth such as Puerto Rico. Shippers may use 49CFR when prepared by air as limited by the commodities FedEx Express accepts prepared under these regulations. The shipper is responsible for complying with all packing requirements and appropriate marking and labeling of the package, documentation, as well as compliance with all applicable local, state and federal laws, regulations, ordinances and rules. The shipper is also responsible for ensuring the recipient complies with all applicable local, state and federal laws, regulations, ordinances and rules for applicable hazard classes.

Dangerous goods can only be shipped using the FedEx Expanded Service International Air Waybill when using a paper air waybill for express service.

C. Shippers must comply with all applicable local, state and federal laws governing packing, marking and labeling of shipments of blood and blood products, regardless of whether they are infectious.

D. FedEx packaging may not be used to ship dangerous goods (except for Biological Substance, Category B [UN 3373], which may be shipped in the new FedEx UN 3373 Pak).

E. FedEx Express does not accept dangerous goods shipments prepared exclusively for ground shipment.

F. FedEx is not required to add dry ice to packages in its system or to provide re-icing services.

G. Each shipment must be accompanied by the 8-1/2" Shipper's Declaration for Dangerous Goods form when required.

Title 49CFR paperwork cannot be used for international dangerous goods shipments (except for a U.S. territory or commonwealth such as Puerto Rico), and such shipments will be refused or returned to the sender.

H. Lithium batteries (UN 3090) that are Primary Non-Rechargeable require pre-approval to ship. This applies both to those that are fully regulated and those that fall under IATA special provision A45. For details, go to fedex.com and enter keyword "lithium batteries." (Special requirements also apply for shipping lithium batteries [UN 3090] that are rechargeable; see fedex.com for details.)

I. If the recipient refuses a package or freight piece containing dangerous goods, or the package leaks or is damaged, it will be returned to the shipper if possible. If the shipper refuses to accept the returned shipment or it cannot be returned because of leakage or damage due to faulty packaging, the shipper is responsible for and agrees to reimburse and otherwise indemnify FedEx for all costs, fees, and expenses it incurs in connection with the cleanup and disposal of the package or freight piece. The shipper agrees to indemnify FedEx for any and all costs, fees and expenses FedEx incurs as a result of the shipper's failure to comply with FedEx Dangerous Goods shipping requirements.

J. We have the right to refuse any package or freight piece with an odor or any package that is wet or leaking. If a dangerous goods shipment damages or contaminates any property, the shipper is solely responsible for and will reimburse and indemnify FedEx for any and all costs, fees and expenses it incurs in connection with the cleanup of such damage or contamination.

K. Not all FedEx locations accept dangerous goods, and we reserve the right to refuse dangerous goods at any location where they cannot be accepted in accordance with applicable law. Dangerous goods shipments, including dry ice and Biological Substance, Category B (UN 3373) shipments, are not accepted at FedEx Express Drop Box locations, FedEx Office Print & Ship Center locations, FedEx Authorized ShipCenter locations, and unstaffed FedEx locations.

L. *Note:* We are required by law to report improperly declared or undeclared shipments of dangerous goods to the U.S. Department of Transportation (DOT). The shipper may be subject to fines and penalties under applicable law. The DOT/Federal Aviation

Administration (FAA) requires every shipper to have job-specific dangerous goods training prior to tendering a dangerous goods shipment to FedEx or another air carrier. When individuals tender a shipment containing dangerous goods it must be properly classified, packaged, marked, labeled and identified as dangerous goods, and include the correct dangerous goods documentation.

M. Dangerous goods may not be rerouted to an address other than the original intended-recipient's address provided by the shipper. (*Note:* Shipments may be made available as hold for pickup or be returned to the sender.)

N. We are required to maintain proper segregation of incompatible dangerous goods on all vehicles and aircraft. This necessity may cause the shipment to move on the next available truck route or flight on which proper segregation can be maintained.

O. If you have questions regarding shipments of dangerous goods, you may call 1.800.GoFedEx 1.800.463.3339 and say "dangerous goods" to connect to our Dangerous Goods/Hazardous Materials Hotline for assistance.

¹*Certain restrictions apply for Alaska and Hawaii shipments; see Dangerous Goods in the Services section of this Service Guide.*

Declared Value for Carriage and Limits of Liability (Not Insurance Coverage)

The declared value for carriage of any package represents our maximum liability in connection with a shipment of that package, including, but not limited to, any loss, damage, delay, misdelivery, nondelivery, misinformation, any failure to provide information, or misdelivery of information relating to the shipment. It is the shipper's responsibility to prove actual damages. Exposure to and risk of any loss in excess of the declared value is assumed by the shipper. You may transfer this risk to an insurance carrier of your choice through the purchase of an insurance policy. Contact an insurance agent or broker if you desire insurance coverage. WE DO NOT PROVIDE INSURANCE COVERAGE OF ANY KIND.

A. If for any reason the Warsaw Convention (see the Carriage Under Warsaw Convention section) does not govern our liability, our maximum liability for loss, damage or delay, or any claim with regard to any shipment moving to or from the U.S. is limited to US\$100, US\$9.07 per pound or US\$20.38 per kilo, whichever is greater, unless you declare a higher value for carriage and pay a greater charge. The interpretation of the Warsaw Convention's liability limits may vary depending on the destination country. If the Warsaw Convention as amended by Montreal Protocol No. 4 or the Montreal Convention applies to your shipment, our liability is limited to 17 Special Drawing Rights (SDRs) per kilo, unless you declare a higher value for carriage and pay the required fee. Otherwise, our liability is limited to US\$9.07 per pound (US\$20.38 per kilo) unless you declare a higher value for carriage and pay the required fee.

FedEx International Priority Freight and FedEx International Economy Freight have a maximum declared-value limit of US\$100,000 to most destinations. FedEx International Broker Select shipments to many countries are allowed to exceed the country declared-value-for-carriage limit (but not the FedEx International Priority and FedEx International Economy maximum of US\$50,000 per shipment).

Except as limited below, unless a higher value is declared and paid for, our liability for each package shipped between Puerto Rico and the U.S. is limited to US\$100 or US\$9.07 per pound (whichever is greater). A minimum charge will be assessed for each package exceeding US\$100 in declared value. For each package exceeding US\$500 in declared value, an additional amount will be charged for each US\$100 (or fraction thereof) of declared value. See Rates in the FedEx Service Guide for details.

Except as limited below, the declared-value limit for shipments between Puerto Rico and the U.S. is US\$50,000 per shipment, rather than US\$50,000 per package.

For packages shipped between Puerto Rico and the U.S., or sent to any international location, the declared value for carriage cannot be greater than the declared value for customs. A FedEx Envelope and FedEx Pak to and from Puerto Rico is limited to a declared value for customs and carriage of US\$100.

B. If you declare a higher value for carriage, an additional amount will be assessed for each US\$100 (or fraction thereof) by which the declared value for carriage exceeds the US\$100 or US\$9.07 per-pound liability limitation, whichever is applicable. See Rates in the FedEx Service Guide or online FedEx Retail Counter Rates Book for details. **EVEN IF A HIGHER VALUE IS DECLARED, OUR LIABILITY FOR LOSS, DAMAGE OR DELAY OF A SHIPMENT WILL NOT EXCEED ITS REPAIR COSTS, ITS DEPRECIATED VALUE OR ITS REPLACEMENT COST, WHICHEVER IS LESS.**

C. The maximum declared value for customs and carriage for the contents of a FedEx Envelope or a FedEx Pak, regardless of destination, is US\$100 or US\$9.07 per pound, whichever is greater. Goods with a value (actual or declared) exceeding US\$100 should *not* be shipped in a FedEx Envelope or FedEx Pak.

D. The maximum declared value for customs and carriage for a FedEx international shipment, if other than a FedEx Envelope or FedEx Pak, can be found at fedex.com under the individual country listing.

Except as limited below, the maximum declared value per shipment for FedEx International Next Flight is US\$50,000. If a FedEx International Next Flight shipment is tendered to FedEx palletized or shrinkwrapped as one single unit, the maximum declared value is US\$50,000. If more than one FedEx International Next Flight package is shipped on one air waybill, the declared value for carriage of each package will be determined by dividing the total declared value for carriage by the number of packages in the shipment; the liability of FedEx for loss or damage will be limited to the actual value of the package(s) lost or damaged, not to exceed the per-package declared value.

E. Shipments (packages or freight) containing all or part of the following items are limited to a maximum declared value for carriage of US\$500 per shipment or US\$9.07 per pound, whichever is greater. Import of any of the following items may be prohibited by individual countries, and a lower declared-value limitation for a country will control this stated limitation for such items:

1. Artwork, including any work created or developed by the application of skill, taste or creative talent for sale, display or collection. This includes, but is not limited to, items (and their parts) such as paintings, drawings, vases, tapestries, limited-edition prints, fine art, statuary, sculpture and collector's items.
2. Film, photographic images (including photographic negatives), photographic chromes and photographic slides.
3. Any commodity that by its inherent nature is particularly susceptible to damage or the market value of which is particularly variable or difficult to ascertain.
4. Antiques, or any commodity that exhibits the style or fashion of a past era and whose history, age or rarity contributes to its value. These items include, but are not limited to, furniture, tableware and glassware.
5. Glassware, including, but not limited to, signs, mirrors, ceramics, porcelains, china, crystal, glass, framed glass, and any other commodity with similarly fragile qualities.
6. Plasma screens.
7. Jewelry, including, but not limited to, costume jewelry, watches and their parts, mount gems or stones (precious or semiprecious), industrial diamonds, and jewelry made of precious metal.
8. Furs, including, but not limited to, fur clothing, fur-trimmed clothing and fur pelts.
9. Precious metals, including, but not limited to, gold and silver bullion or dust, precipitates, or platinum (except as an integral part of electronic machinery).
10. Stocks, bonds, cash letters or cash equivalents, including, but not limited to, food stamps, postage stamps (not collectible), traveler's checks, lottery tickets, money orders, gift cards and gift certificates, prepaid calling cards (excluding those that require a code for activation), bond coupons, and bearer bonds.
11. Liquor stamps and tax stamps.
12. Collector's items such as sports cards, souvenirs and memorabilia. (Collector's coins and stamps may not be shipped. See the Prohibited Items section.)
13. Guitars and other musical instruments that are more than 20 years old, and customized or personalized musical instruments.

F. The declared value for carriage cannot be greater than the declared value for customs.

G. When the sender has not specified the declared value for carriage of each package on an air waybill, but has specified a total declared value for all packages, the declared value for each package will be determined by dividing the total declared value by the number of packages on the air waybill unless you provide verifiable evidence supporting a different allocation. The declared value of any package in a shipment cannot exceed the declared value of the total shipment.

H. Notwithstanding anything else in the FedEx Service Guide, we are not liable for any loss of, damage to or delay, misdelivery or nondelivery of unacceptable shipments, including, but not limited to, cash or currency, nor misdelivery of information.

I. Notwithstanding anything else in the FedEx Service Guide, we are not liable for any loss, damage or delay to any package that is not adequately packaged by the shipper.

J. ANY EFFORT TO DECLARE A VALUE IN EXCESS OF THE MAXIMUMS ALLOWED IN THE FEDEX SERVICE GUIDE IS NULL AND VOID. OUR ACCEPTANCE FOR CARRIAGE OF ANY SHIPMENT BEARING A DECLARED VALUE IN EXCESS OF THE ALLOWED MAXIMUMS DOES NOT CONSTITUTE A WAIVER OF ANY PROVISION OF THE FEDEX SERVICE GUIDE AS TO SUCH SHIPMENT.

K. REGARDLESS OF THE DECLARED VALUE OF A PACKAGE, OUR LIABILITY FOR LOSS, DAMAGE, DELAY, MISDELIVERY, NONDELIVERY, MISINFORMATION, ANY FAILURE TO

PROVIDE INFORMATION, OR MISDELIVERY OF INFORMATION, WILL NOT EXCEED A SHIPMENT'S REPAIR COST, ITS DEPRECIATED VALUE OR ITS REPLACEMENT COST, WHICHEVER IS LESS.

L. The shipper is responsible for accurately completing the air waybill or other shipping documents, including completion of the declared-value section. We cannot honor requests to change the declared-value information on the air waybill after tender to FedEx.

M. See the Liabilities Not Assumed section for other limitations and exclusions on our liability.

N. Additional restrictions may apply to a shipment if sent pursuant to an airline interline agreement.

Dimensional Weight (Volumetric Weight)

Transportation charges may be assessed based on the International Air Transport Association (IATA) volumetric standard. Dimensional-weight pricing is applicable on a per-shipment basis to all shipments in customer packaging. FedEx packaging may also be subject to dimensional-weight pricing.

Dimensional weight is calculated by multiplying length by width by height of each package (all in inches) and dividing by 166 (divide by 194 for shipments to Puerto Rico). See the Dimensional Weight description in this Service Guide or the online FedEx Retail Counter Rates Book for additional details. If the dimensional weight exceeds the actual weight, charges based on the dimensional weight will be assessed. Customers who fail to apply the dimensional-weight calculation to a package may be assessed dimensional-weight charges by FedEx.

Duties and Taxes

A. In order to complete clearance of certain items through customs, we may be required to advance on your behalf certain duties and taxes as assessed by customs officials. For all shipments we may contact the payer before clearance is complete to confirm the arrangements for reimbursing us. At our sole discretion, we may require confirmation of reimbursement arrangements as a condition to completion of clearance and delivery including, but not limited to, cases of deliveries to recipients that we believe are not creditworthy and of shipments with high declared values.

B. Duties and taxes may generally be billed to the sender, the recipient or a third party. If the sender fails to designate a payer on the air waybill, duties and taxes will automatically be billed to the recipient where allowed. Bill Sender Duties and Taxes and Bill Third Party Duties and Taxes are options available only for deliveries to specified locations (call FedEx Express International Customer Service at 1.800.GoFedEx 1.800.463.3339 and say "international services"). REGARDLESS OF ANY PAYMENT INSTRUCTIONS TO THE CONTRARY, THE SENDER IS ULTIMATELY RESPONSIBLE FOR PAYMENT OF DUTIES AND TAXES IF PAYMENT IS NOT RECEIVED. If transportation charges for a shipment are billed to a credit card, FedEx reserves the right to also settle uncollected duties and taxes charges associated with that shipment to the credit card account.

C. In the event we advance duties, taxes or other fees, including the U.S. Merchandise Processing Fee, on behalf of the payer, the payer will be assessed a surcharge based on a flat rate or a percentage of the total amount advanced. This surcharge will vary depending upon the destination country. For U.S. import shipments, the surcharge is either 2 percent of the total amount advanced or US\$5, whichever is greater.

D. Shipments marked Bill Recipient Duties and Taxes may be delayed if we are not able to reach the recipient to confirm that we will be reimbursed for any amounts advanced, and the money-back guarantee will not apply in these cases. (See the Liabilities Not Assumed and Money-Back Guarantee Policy sections.)

E. If a recipient refuses to pay the duties and taxes, we may contact the sender. If the sender refuses to make satisfactory arrangements to reimburse us, the shipment may be returned to the sender or placed into a general order warehouse or a customs-bonded warehouse. The sender must then pay both the original transportation charges and the return charges. If we advanced any amounts as duties and taxes at either the original destination or upon return, the sender shall also be liable for such amounts.

F. Payment for duties and taxes will be made by one of the following means at the sole discretion of FedEx: cash, check (personal or business, provided valid identification is offered), money order, traveler's check, or debit or deferment account. FedEx does not accept prepayment of duties and taxes at the time of shipment. Payment of duties and taxes may not be made by credit card.

G. In the event that we require confirmation of duties and taxes reimbursement

(Duties and Taxes, cont.)

arrangements from the recipient, we will attempt to contact the recipient no later than 12 p.m. on the day the shipment is available for customs clearance in the destination country and inform the recipient of the estimated duties and taxes amount. If an arrangement satisfactory to us is made, the shipment will then be cleared through customs and delivered. If the shipment clears customs by 5 p.m. on the day arrangements are confirmed, delivery will be scheduled for the next business day by 5 p.m. or the end of the local business day. In the event we have cleared packages on your behalf and you do not have credit arrangements with FedEx, payment may be required prior to the release of your shipment. **H.** In the event the accuracy or propriety of duties and taxes assessed on a shipment is disputed, FedEx or its designated broker may review the shipping documents tendered with the shipment. If FedEx determines that the duties and taxes were properly assessed, the shipper agrees to pay the duties and taxes.

Export Control Laws

You are responsible for and warrant your compliance with all applicable laws, rules and regulations, including, but not limited to, the export laws and government regulations of any country to, from, through or over which your shipment may be carried. You agree to furnish such information and complete and attach to the air waybill such documents as necessary to comply with such laws, rules and regulations.

In addition, you specifically warrant that you will not tender any shipments to us if you are listed on the Denied Persons List maintained by the U.S. Department of Commerce. You also warrant that you will not attempt to ship to persons or entities listed as Specially Designated Nationals or Blocked Persons by the U.S. Treasury Department and that you will ship items requiring a State Department license using our FedEx International Premium, FedEx International Express Freight (IXF) or FedEx International Airport-to-Airport (ATA) services or FedEx International Priority using the FedEx International Controlled Export service option. FedEx will not carry shipments that violate any U.S. export laws. We assume no liability to you or any other person for any loss or expense — including, but not limited to, fines and penalties — if you fail to comply with any export laws, rules or regulations.

Extra-Large Packages

Extra-large packages are pieces weighing less than 151 lbs. (or destination country limit) that exceed 130 inches (or destination country limit) in length and girth combined. These pieces may be refused, or at our sole discretion may be considered as FedEx International Priority Freight or FedEx International Economy Freight shipments once accepted by us, and a minimum chargeable weight of 151 lbs. may be applied regardless of actual weight.

Fuel Surcharge

We reserve the right to assess fuel and other surcharges on shipments without notice. The duration and amount of any surcharge will be determined at our sole discretion. By tendering your shipment to FedEx, you agree to pay the surcharges, as determined by FedEx. The fuel surcharge rate, if applicable, is available on fedex.com.

Inspection of Shipments

We may, at our sole discretion, open and inspect any shipment without notice. Governmental authorities may also open and inspect any shipment at any time.

Liabilities Not Assumed

WE WILL NOT BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL, IN EXCESS OF THE DECLARED VALUE OR US\$100 OR THE AMOUNT SET BY THE WARSAW CONVENTION (AS AMENDED), WHICHEVER IS GREATER, FOR CARRIAGE OF A SHIPMENT ARISING FROM TRANSPORTATION SUBJECT TO THE TERMS AND CONDITIONS CONTAINED IN THE FEDEX SERVICE GUIDE, WHETHER OR NOT WE KNEW OR SHOULD HAVE KNOWN THAT SUCH DAMAGES MIGHT BE INCURRED, INCLUDING, BUT NOT LIMITED TO, LOSS OF INCOME OR PROFITS.

If we inadvertently accept a shipment with a destination city or cities that we do not serve in a country to which FedEx Express international services are provided, we may attempt to complete the delivery. However, we will not be liable and we will not provide any proof of delivery. The delivery commitment listed for such country will not apply, and the applicable rate will be the highest for that country plus the maximum extended service area surcharge. In these cases, the money-back guarantee applies only to the portion of the transportation provided directly by us.

We will not be liable or responsible for loss, damage or delay caused by events we cannot control.

We will not be liable for, nor will any adjustment, refund or credit of any kind be given as a result of any loss, damage, delay, misdelivery, nondelivery, misinformation or any failure to provide information, except such as may result from our sole negligence. We will not be liable for, nor will any adjustment, refund or credit of any kind be given as a result of, any loss, damage, delay, misdelivery, nondelivery, misinformation or failure to provide information caused by or resulting in whole or in part from:

- A.** The act, default or omission of any person or entity, other than FedEx, including those of any local, state or federal government agencies.
- B.** The nature of the shipment, including any defect, characteristic or inherent vice of the shipment.
- C.** Your violation of any of the terms and conditions contained in the FedEx Express Terms and Conditions, as amended or supplemented, or on an air waybill, standard conditions of carriage, tariff or other terms and conditions applicable to your shipment, including, but not limited to, the improper or insufficient packing, securing, marking and addressing of shipments, or use of an account number not in good credit standing, or failure to give notices in the manner and time prescribed.
- D.** Perils of the air, public enemies, criminal acts of any person(s) or entities including, but not limited to, acts of terrorism, public authorities acting with actual or apparent authority, authority of law, local disputes, civil commotion, hazards incident to a state of war, local, national or international weather conditions (as determined solely by us), local, national or international disruptions in air or ground transportation networks (as determined solely by us), strikes or anticipated strikes (of any entity, including, but not limited to, other carriers, vendors or suppliers), natural disasters (earthquakes, floods and hurricanes are examples of natural disasters), conditions that present a danger to our personnel, and disruption or failure of communication and information systems (including, but not limited to, our systems).
- E.** Our compliance with verbal or written delivery instructions from the sender, recipient or persons claiming to represent the shipper or recipient.
- F.** Damage or loss of articles packaged and sealed by the sender or by person(s) acting at the sender's direction, provided the seal is unbroken at the time of delivery, the package retains its basic integrity, and the recipient accepts the shipment without noting the damage on the delivery record.
- G.** Our inability or failure to complete a delivery, or a delay to any delivery, due to acts or omissions of customs or other regulatory agencies.
- H.** Delays in delivery caused by adherence to FedEx policies regarding the payment of duties and taxes or other charges.
- I.** Our inability to provide a copy of the delivery record or a copy of the signature obtained at delivery.
- J.** Erasure of data from or the loss or irretrievability of data stored on magnetic tapes, files or other storage media, or erasure or damage of photographic images or soundtracks from exposed film.
- K.** The loss of any personal or financial information including, but not limited to, social security numbers, dates of birth, driver's license numbers, credit card numbers and financial account information.
- L.** Our failure to honor package-orientation graphics (e.g., "up" arrows, "this end up" markings), "fragile" labels or other special directions concerning packages.
- M.** Your failure to ship goods in packaging approved by us prior to shipment where such prior approval is recommended or required.
- N.** The shipment of fluorescent tubes, neon lighting, neon signs, X-ray tubes, laser tubes, light bulbs, quartz crystal, quartz lamps, glass tubes such as those used for specimens and glass containers such as those used in laboratory test environments.
- O.** Our failure to notify you of any delay, loss or damage in connection with your shipment or any inaccuracy in such notice.
- P.** Shipments released without obtaining a signature if a signature release is on file.
- Q.** Our failure or inability to attempt to contact the sender or recipient concerning an incomplete or inaccurate address; incorrect, incomplete, inaccurate or missing documentation; payment of duties and taxes necessary to release a shipment; or an incomplete or incorrect customs broker's address.
- R.** If a shipment is refused by the recipient, leaks or is damaged, the shipment will be returned to the sender if possible. If the sender refuses to accept the returned shipment or it cannot be returned because of leakage, or damage due to faulty packaging, the shipper is responsible for and will reimburse FedEx for all costs and fees of any type connected with the legal disposal of the shipment, and all costs and fees of any type connected with cleanup of any spill or leakage.
- S.** Loss or damage to any package for which we have no record of tender to FedEx.

T. The shipper's failure to delete all shipments entered into a FedEx self-invoicing system, Internet shipping device or any other electronic shipping method used to ship a package, when the shipment is not tendered to FedEx. If you fail to do so and seek a refund, credit or invoice adjustment, you must comply with the notice provisions in Invoice Adjustments/Overcharges in the Billing section. FedEx is not liable for any refund, credit or adjustment unless you comply with those notice provisions.

U. The shipment of scale models (including, but not limited to, architectural models, dollhouses, etc.) and prototypes.

V. Your use of an incomplete, inaccurate, or invalid FedEx account number or your failure to provide a valid FedEx account number in good credit standing in the billing instructions on shipping documentation.

W. Damage to briefcases, luggage, garment bags, aluminum cases, plastic cases, or other items when not enclosed in outer packaging, or other general shipping containers whose outer finish might be damaged by adhesive labels, soiling or marking incidental to ordinary care in handling in an express transportation environment.

X. The shipment of perishables or commodities that could be damaged by exposure to heat or cold, including, but not limited to, the shipment of any alcoholic beverages, plants and plant materials, tobacco products, ostrich or emu eggs, or live aquaculture.

Y. The shipper's failure to provide accurate delivery address information.

Z. Damage to computers, or any components thereof, or any electronic equipment when shipped in any packaging other than:

1. The manufacturer's original packaging, which is undamaged and has retained a good, rigid condition.
2. Packaging that is in accordance with the FedEx packaging guidelines available online at fedex.com/us/services/package shipment/preparing.
3. FedEx laptop packaging, for shipments of laptop computers.
4. FedEx small electronic device packaging, for shipments of cell phones, handheld computers, MP3 players and similar items.

AA. Any shipment containing a prohibited item. (See the Prohibited Items section.)

BB. Our provision of packaging, advice, assistance or guidance on the appropriate packaging of shipments does not constitute acceptance of liability by FedEx unless such advice, assistance or guidance has been approved in writing by FedEx Packaging Design and Development and the writing expressly accepts liability in the event of a damaged shipment.

CC. Failing to meet our delivery commitment for any shipments with an incomplete or incorrect address. (See the Undeliverable Shipments section.)

DD. Damages indicated by any shockwatch, tiltmeter or temperature instruments.

EE. Loss or damage to alcohol shipments unless FedEx Packaging Design and Development has preapproved your packaging prior to shipment.

FF. Dangerous goods shipments that the shipper did not properly declare, including proper documentation, markings, labels and packaging. FedEx Express will not pay a claim on undeclared or hidden dangerous goods and the FedEx Money-Back Guarantee does not apply.

Limitations on Legal Actions

In the event that the Warsaw Convention, as amended, does not prescribe limitations on legal actions, the following will apply.

Any right you might have to damages, refunds, credits, recovery of reliance interests, disgorgement, restitution, injunctive relief, declaratory relief or any other legal or equitable relief whatsoever against us under any cause of action arising from the transportation of any package pursuant to the FedEx Service Guide shall be extinguished unless you file an action within one year from the date of delivery of the shipment or from the date on which the shipment should have been delivered.

Any right that you might have to damages, refunds, credits, recovery of reliance interests, disgorgement, restitution, injunctive relief, declaratory relief or any other legal or equitable relief whatsoever against us under any cause of action arising from the transportation of any package pursuant to the FedEx Service Guide shall be extinguished unless you first comply with all applicable notice periods and requirements in these terms and conditions including, but not limited to, the periods and requirements for providing notice under the Billing, Claims and Money-Back Guarantee Policy sections. You and we understand that timely and complete compliance with such notice periods and requirements is a contractual condition precedent to your right to any relief whatsoever, and you must plead compliance with those conditions precedent on the face of any complaint that you file against us. You and we agree that FedEx cannot be considered to have breached any obligation to you unless or until we wrongfully deny a claim submitted to us pursuant to the notice periods and requirements contained in these terms

and conditions. Finally, you and we agree that you will comply with applicable notice periods and requirements even if you believe that such compliance will not result in relief from us or if you lack knowledge regarding whether such compliance will result in relief from us.

You agree that you will not sue us as a class plaintiff or class representative, join as a class member, or participate as an adverse party in any way in a class-action lawsuit against us. Nothing in this paragraph, however, limits your rights to bring a lawsuit as an individual plaintiff.

To the extent that any court finds that state rather than federal law applies to any provision of this contract, the controlling law is the substantive law of the state in which you tendered your shipment to us.

The performance of any services does not make us an agent of the shipper or any third party for any purpose.

Live Animals

FedEx Express does not accept live-animal shipments as part of its regular-scheduled service and does not transport household pets such as dogs, cats, birds and hamsters. FedEx Express may accept certain shipments of live animals such as horses, livestock and zoo animals (to and from zoo locations only) on an exception basis if approved and coordinated by the FedEx Live Animal Desk (call 1.800.405.9052).

Money-Back Guarantee Policy¹

We offer a money-back guarantee for our services. This guarantee can be suspended, modified or revoked at our sole discretion without prior notice to you.

A. Money-Back Guarantee. For U.S.-based payers, we will, at our option, and upon request, either refund or credit to the applicable invoice only your transportation charges if we deliver a shipment 60 seconds or more after the applicable delivery commitment time. The money-back guarantee applies to shipments tendered using the following services: FedEx International First, FedEx International Next Flight, FedEx International Priority, FedEx International Priority Freight, FedEx International Economy, FedEx International Economy Freight, FedEx International Priority DirectDistribution, FedEx International Priority DirectDistribution Freight, FedEx International Premium, FedEx International Broker Select, FedEx 10kg Box and FedEx 25kg Box. It does not apply to FedEx International MailService. This money-back guarantee is your exclusive remedy in the event of a service failure for the recovery of all or any portion of the FedEx charges for a shipment. If the money-back guarantee is suspended, there is no remedy or recovery of charges for a service failure. There are no delivery commitments for shipments on which the money-back guarantee is suspended.

B. Limitations. The following limitations apply:

1. Credits for transportation charges will be applied to the payer's account only, and refunds will be made payable to the payer only.
2. Only one refund or credit is permitted per package. In the case of multiple-piece shipments, this money-back guarantee applies to each package in the shipment. If a service failure occurs for any package within the shipment, a refund or credit will be given only for the portion of the transportation charges applicable to that package. For FedEx International Priority DirectDistribution and FedEx International Priority DirectDistribution Freight, the money-back guarantee for shipment delays is prorated based on the number and weight of packages within the shipment where delivery is not completed by the service commitment.
3. A credit or refund under our money-back guarantee policy will be applied only against charges for the shipment giving rise to the credit.
4. An exact delivery commitment time can be obtained only by telephoning International Customer Service and supplying us with all of the following:
 1. Commodity being shipped
 2. Date of the shipment
 3. Exact destination
 4. Weight of the shipment
 5. Value of the shipment

Any transit time published in the FedEx Service Guide or elsewhere, or quoted by Customer Service without the above five required facts, is only an estimate and is not a stated delivery commitment time. You agree that our records regarding quoted delivery times will constitute conclusive proof of any such quotes.

5. This money-back guarantee does not apply to requests for invoice adjustment based on overcharges (see the Billing section) or shipments to P.O. box addresses acceptable for delivery (see the Post Office Box Addresses section).
6. The money-back guarantee for shipments destined for our extended service areas

FEDEX EXPRESS TERMS AND CONDITIONS

International Shipments (U.S. Edition)

(Money-Back Guarantee Policy, cont.)

applies only to the portion of the transportation provided directly by us.

7. This money-back guarantee applies only to transportation charges paid by U.S.-based payers and does not apply to duties, taxes or other charges, including ancillary clearance service fees.
 8. Holidays in international locations will affect our transit times. Contact International Customer Service for information on delivery commitments that may be affected due to the observance of these holidays. Deliveries normally scheduled to be made on the day of holiday observance will be rescheduled for delivery on the next business day. The delivery commitment for application of the money-back guarantee policy will be extended for a period equal to the length of the holiday.
 9. If the sender or recipient specifies a customs broker other than FedEx or the broker selected by FedEx (where this service is available), notification may be given to the broker by 12 p.m. on the first business day the shipment is available for customs clearance in the destination country, and such notification constitutes timely delivery.
 10. For FedEx International Next Flight service, the quoted delivery time may be changed for many reasons, including, but not limited to, the following: flight delays or cancellations due to air traffic control, weather or mechanical problems. If the delivery commitment is changed, the money-back guarantee will only be applicable to the latest quoted delivery time.
- C. Exceptions.** FedEx will not be obligated to refund or credit your transportation charges if:
1. We provide you with proof of timely delivery, consisting of the date and time of delivery and, if applicable, the name of the person who signed for the shipment, or service-exception information reflecting that the failure to deliver timely resulted from circumstances described under the Liabilities Not Assumed section.
 2. The service failure resulted, in whole or in part, from any of the circumstances described under the Liabilities Not Assumed section.
 3. The payer's FedEx account number was not in good credit standing, or payment instructions were invalid, and delivery was delayed until payment arrangements were secured.
 4. The shipment was scheduled for delivery on the Wednesday immediately prior to Thanksgiving or during the seven calendar days before Christmas Day via any FedEx Express international or FedEx Express Freight international service, and was delivered within 90 minutes of the published delivery commitment time for the selected service and destination.
 5. The shipment was undeliverable or returned.
 6. The shipment contained dangerous goods or dry ice.
 7. The shipment was delayed due to an incorrect address or to the unavailability or refusal of an appropriate or eligible person to accept delivery or sign for the package.
 8. The shipment was delayed due to customs or regulatory delays, including, but not limited to, any delays resulting from compliance with advance notice or prior notice requirements.
 9. The delay in delivery was caused by adherence to FedEx policies regarding the payment of duties and taxes prior to customs clearance or at delivery.
 10. Incorrect FedEx tracking numbers were applied to the subject package or shipment by customers using FedEx electronic shipping devices.
 11. Complete recipient information was not provided at the time of tender to FedEx. Complete recipient information must be provided on either the air waybill or through any FedEx electronic shipping device.
 12. You did not book an international freight shipment as required.

D. Refund or Credit Requests. To qualify for a refund or credit due to a service failure, you must notify us of the service failure and request a refund or credit of your transportation charges in compliance with the conditions listed below. If you do not comply with these conditions, you are not entitled to receive a refund or credit and cannot recover compensation for a service failure in any lawsuit.

1. You may request a refund or credit of transportation charges due to a service failure in the following ways:
 - a. Use our Internet application FedEx Billing Online at fedex.com if you are a registered user; or
 - b. Submit your request through the invoice adjustment feature at fedex.com; or
 - c. Submit the request via our telephone invoice adjustment system at 1.800.GoFedEx 1.800.463.3339 (say "billing").
2. Your notification of a service failure must include your FedEx account number, if any; the FedEx tracking number; and the date of the shipment.
3. All requests for refund or credit of transportation charges must be received via one of the approved channels within 15 calendar days of the invoice date or within

15 calendar days from the ship date if you are paying by credit card or in advance by cash, check or money order.

4. A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request. A notification of the reason for an unpaid charge with your payment is not considered a request for an invoice adjustment or notice of a refund request if the reason relates to a service failure.

**Offer void where prohibited by law.*

Package Consolidators

FedEx cannot accept a consolidation under FedEx Express international services or FedEx International Broker Select from a forwarder, unless the shipper:

- a. Is a FedEx Authorized ShipCenter, or
- b. Ships using FedEx International Airport-to-Airport, or
- c. Ships using FedEx International Express Freight, or
- d. Ships using FedEx International Premium.

In addition, consolidators are responsible for complying with all applicable requirements including, but not limited to, requirements for shipping dangerous goods and complying with customs and other legal requirements applicable to packages tendered for international transportation.

If you tender packages to a consolidator instead of to us directly, the following limitations apply:

- A. Consolidators are not agents of FedEx, and we are not responsible for any errors or omissions made by them.
- B. Inquiries or claims regarding shipments tendered to a consolidator must be directed to the consolidator. We cannot assist the shipper, recipient or third party in these situations, nor do we have any liability for lost, damaged or delayed shipments. The consolidator is the shipper in such cases.
- C. Consolidators may submit claims for refunds or credits for shipping charges under the money-back guarantee policy. Neither the customer who tendered the package to the consolidator nor the recipient is eligible for refunds or credits under the money-back guarantee policy.
- D. In order for a consolidator to receive packaging from FedEx, the consolidator must first enter into a Packaging and Pricing Agreement or a FedEx Authorized ShipCenter Agreement with FedEx.
- E. Consolidators set their own rates for FedEx shipping. They may charge FedEx Retail Counter Rates for FedEx shipping services.
- F. Inquiries regarding shipments paid for at a FedEx Authorized ShipCenter (FASC) must be directed to the FASC.
- G. FASCs are independently owned and operated businesses. See the FASC representative for information regarding rates and services and the terms and conditions of carriage. FASCs are not agents of FedEx.

Package Tracking/Tracing

Tracing of international packages is available upon request. Call FedEx International Customer Service at 1.800.GoFedEx 1.800.463.3339 (say "international services") and a tracing specialist will assist you. To trace your package, you must have all of the following information when you call us:

- A. Air waybill number.
- B. Date of shipment.
- C. Recipient's name and address.
- D. Number of packages and total weight of shipment.
- E. Contents and value of shipment.
- F. Your name and phone number, so we can call you back.

Packaging and Marking

A. You must comply with all applicable laws (including, but not limited to, local, state, federal and international laws), including those governing packing, marking and labeling for all shipments.

B. It is the responsibility of the sender to properly complete the air waybill. The sender's address on an air waybill or electronic shipping device must show the country in which the shipment is tendered to FedEx.

C. All packages must be prepared and packed by the shipper for safe transportation with ordinary care in handling in an express-transportation environment. Any articles susceptible to damage as a result of conditions that may be encountered in transportation, such as changes in temperature or atmospheric pressure, must be adequately

protected by proper packaging. FedEx assumes no liability for perishables or commodities that could be damaged by exposure to heat or cold. Each shipment must be legibly and durably marked with the name, address and ZIP code/postal code of both the shipper and recipient. Packages cannot be wrapped in kraft paper. The FedEx Sleeve and FedEx Bag are overwraps only, and contents must also be packed in protective outer packaging and cushioning material as described in this section.

D. You must use FedEx packaging or new corrugated boxes in good, rigid condition of adequate size to allow a minimum of 2 to 3 inches of cushioning of contents on the top, bottom and sides. Items that cannot be packed into cartons (such as auto tail pipes, mufflers, tires and rims) must have all sharp edges and protrusions wrapped, and the address label must be secured using the tie-on tag or the tire/crate label provided by FedEx (or you may secure it by wrapping pressure-sensitive tape completely around the object). Briefcases, luggage, garment bags, aluminum cases, plastic cases, computer cartons or similar types of items whose outer finish might be damaged by adhesive labels, soiling, marking or other types of surface damage that is normal with ordinary care in handling should be placed in a protective container for shipment. Casters, wheels and rollers must be removed or packaged.

E. Expanded polystyrene foam coolers must be shipped and will only be accepted if shipped inside a sturdy outer container. Expanded polystyrene foam coolers containing blood, urine and other noninfectious liquid diagnostic specimens must be shipped inside a sturdy outer packaging. No exceptions.

F. FedEx does not recommend the use of wet ice (frozen water) as a refrigerant. If you believe wet ice is necessary, please call the FedEx Packaging Design and Development Department at 1.800.633.7019 for specific packaging requirements. Use of wet ice without preauthorization is prohibited.

G. If a shipment is refused by the recipient, leaks or is damaged due to inadequate packaging, the shipment will be returned to the shipper, if possible. If the shipper refuses to accept the returned shipment or it cannot be returned because of leakage or damage due to faulty packaging, the shipper is responsible for and will reimburse FedEx for all costs and fees of any type incurred in connection with the storage or disposal of the shipment or the cleanup of any spill or leakage from the shipment.

H. For information on how to submit your packaging for testing or evaluation, call 1.800.633.7019. Tips on packaging specific commodities (including automotive and mechanical parts, computers and perishables) are available at fedex.com/us/services/packageshipment/preparing.

I. For international freight shipments, freight must be on a skid, pallet or other fork-liftable base. Boxes should be stacked squarely on the skid without hanging over the edge, and the weight should be distributed evenly on the skid to avoid excess weight being placed on materials inside the cartons. Use 70-gauge stretchwrap and pass a minimum of two bands (tightly secured) through the skid voids and around all cartons.

J. FedEx account holders may order supplies via fedex.com or by calling 1.800.GoFedEx 1.800.463.3339 (say "order shipping supplies").

Pharmaceuticals

Shipments of pharmaceuticals will only be accepted when tendered in accordance with applicable local, state, federal and international laws. The shipper is responsible for compliance with all applicable laws. Controlled shipments moving under U.S. Drug Enforcement permits 36, 236 and 486 must be shipped using the FedEx International Controlled Export service option or FedEx air cargo services.

Pickup and Delivery

A. We provide delivery service at no additional charge to international destinations within primary service areas.

B. Agents are utilized for deliveries to points in extended service areas (ESAs). Depending on the final destination, an ESA surcharge per shipment may be applied for U.S. export shipments; see Rates in the FedEx Service Guide or online FedEx Retail Counter Rates Book for details. Please call FedEx International Customer Service to determine if your shipment will be subject to an ESA surcharge.

C. We do not offer a restricted-delivery service and may deliver to someone other than the person or entity named as the recipient. We also may make an indirect delivery. Indirect delivery is a completed delivery to an address or location other than the address on the air waybill. Package addresses must include the complete street address and telephone or telex number of the recipient.

D. Shipments to hotels, hospitals, government offices or installations, university campuses, or other facilities that utilize a mailroom or other central receiving area

will be delivered to the central receiving area, unless otherwise authorized and approved by FedEx.

E. Any person scheduling a pickup other than the sender must provide a FedEx account number in good credit standing, otherwise the pickup must be scheduled by the sender. We require a minimum of two hours from the time the shipment(s) will be ready to make the pickup. (Contact FedEx International Customer Service for the specific lead times required.) Repeated pickup attempts without packages being ready may result in the cancellation of pickup privileges.

F. If we inadvertently accept a shipment with a destination city not served in a country to which FedEx International Priority is provided, we may attempt to complete the delivery. However, certain limitations will apply. (See the Liabilities Not Assumed section.)

G. FedEx International Priority Freight or FedEx International Economy Freight shipments picked up or delivered to H3 areas will be picked up or delivered via cartage agents and a special handling fee will apply; see Rates in the FedEx Service Guide or online FedEx Retail Counter Rates Book. Freight pickup and delivery is not available on weekends (except in offshore locations where standard business days vary) for FedEx International Priority Freight and FedEx International Economy Freight.

H. Proof of pickup is available upon request. You must provide the pickup number or FedEx tracking number (also known as the air waybill number). We will not provide proof of pickup unless you provide this information.

I. At our sole discretion, we may refuse to pick up or deliver a shipment (package or freight), or use alternative pickup or delivery arrangements, to maintain the safety of our employees and in cases in which we believe that our services may be used in violation of local, state, federal or international laws.

J. Additional charges may apply for late-hours, weekend or holiday pickup and delivery.

K. The delivery commitment for FedEx International Next Flight service will be the delivery time quoted to each customer. The quoted delivery time will vary for each shipment and will depend on the availability of suitable commercial airline flights.

A quoted delivery time may be changed for a variety of reasons, including, but not limited to, flight delays or cancellations due to air traffic control, weather or mechanical problems. In the event of the occurrence of any of the foregoing, the FedEx International Next Flight Service Desk shall quote a new delivery time to the shipper and recipient (if requested by the shipper) by telephone or by customer-reasonably-requested method; this new delivery time shall then become the quoted delivery time. Two attempts will be made to reach the shipper and two attempts to reach the recipient (if requested by the shipper). Any such change in the quoted delivery time will be logged in to the tracking system.

Post Office Box Addresses

You may use post office box addresses for certain international locations, including shipments to Puerto Rico, but you must include a valid telephone, fax or telex number on the air waybill. FedEx cannot deliver to U.S. military post office box addresses such as APO and FPO.

Prohibited Items

The following items are not acceptable for carriage to any international destinations unless otherwise indicated. (Additional restrictions may apply depending on destination. Various regulatory clearances in addition to customs clearance may be required for certain commodities, thereby extending the transit time.)

2. C.O.D. shipments.
3. Human corpses, human organs or body parts, human and animal embryos, or cremated or disinterred human remains.

Proof of Performance (Verbal)

When requested by the sender or recipient, verbal confirmation of delivery (date, time and name of person who signed for the shipment) is available. For shipments to many countries that we serve, this information is usually available by 12 a.m. local time in the country of delivery on the day of scheduled delivery.

For FedEx International Next Flight service, a proof-of-delivery phone call to the shipper stating the date and time of delivery, and the name of the person who signed for the shipment will be performed for every shipment. Two attempts will be made to reach the shipper by telephone. A faxed proof of delivery will also be provided upon request by the shipper or the recipient.

Proof of Performance (Written)

When requested by the sender or recipient within one year of the shipping date, we will, at our option, furnish a photostatic copy of the destination delivery record or electronically captured delivery information for deliveries made to most points served. We assume no liability for our inability to provide a copy of the delivery record.

Signature proof of delivery showing an image of the recipient’s signature may be

available online at fedex.com for express deliveries made within the U.S., Canada and Puerto Rico.

Rate Quotations

Rates and service quotations by our employees and agents are estimates and will be based upon information provided by you, but final rates and service charges may vary from the quotes based upon the characteristics of the shipment actually tendered to us. We are not liable for, nor will any adjustment, refund or credit of any kind be made, as a result of any discrepancy in any rate or service quotation made prior to tender of the shipment and the rates, and other charges that we invoice to you. Any conflict or inconsistency between the FedEx Service Guide or online FedEx Retail Counter Rates Book and other written or oral statements or quotes (except those found in a FedEx Sales or FedEx Express Customer Automation agreement) concerning the rates, features of service, and terms and conditions applicable to FedEx Express service will be controlled by the FedEx Service Guide or online FedEx Retail Counter Rates Book, as modified, amended, changed or supplemented. FedEx only provides estimates of customs duties and taxes through the Estimate Duties and Taxes feature on FedEx Global Trade Manager at fedex.com.

Rates quoted will vary depending on whether (1) the shipper is a FedEx account holder, (2) the shipper has discounts applied to his or her account and (3) the shipment is being dropped off at a staffed FedEx location.

- Shippers will be quoted FedEx Standard List Rates if:
 - They are FedEx account holders and they do not have discounts applied to their account and they have a shipment picked up at their location or they drop off a shipment at a non-staffed FedEx drop-off location; or
 - They are non-FedEx account holders and they have a shipment picked up at their location or they drop off a shipment at a non-staffed FedEx drop-off location.
- Shippers will be quoted FedEx Retail Counter Rates if they ship at the counter in staffed FedEx locations in the U.S. and pay with cash, check, debit or credit card instead of shipping on their FedEx account.
- Shippers will be quoted Account-Specific Rates if they have a FedEx account, have discounts applied to their account and if they charge their shipping to their FedEx account.

Refusal or Rejection of Shipments

We reserve the right to refuse, hold or return any shipment and may do so at our sole discretion and without liability to us. We will execute that right when (but not limited to cases in which): (1) the shipment may cause damage or delay to other shipments, property or personnel; (2) the shipment is likely to sustain damage or loss in transit because of improper packaging or otherwise; (3) the shipment contains any prohibited items; (4) the account of the person or entity responsible for payment is not in good credit standing; or (5) when acceptance of the shipment may jeopardize our ability to provide service to other customers. We have no liability whatsoever for refusal or rejection of shipments.

Restrictions

- A. Size restrictions vary by country.
- B. Per-package weight limits may vary by country.
- C. There is no limit on the aggregate weight of a multiple-piece shipment (except to Argentina), provided each individual package does not exceed the per-package weight limit for the destination country. Shipments exceeding 500 lbs. require advance arrangements with us. You must call us to arrange for pickup commitments and delivery commitments. The money-back guarantee will apply only once a delivery commitment has been established by FedEx after pickup of your shipment.
- D. No more than one type of service may be indicated on a single air waybill and no more than one FedEx Envelope, FedEx 10kg Box or FedEx 25kg Box may be shipped on a single air waybill.
- E. You may ship up to 10 different commodities on a single air waybill.
- F. Blood, urine and other liquid specimens containing infectious substances are considered dangerous goods. (See the Dangerous Goods section.) IATA regulations apply. *Note:* Regulated infectious substances must not be shipped in a FedEx Clinical Pak. Instead, use the new FedEx UN 3373 Pak for Biological Substance, Category B (UN 3373) shipments. You may use the FedEx Clinical Pak as an overwrap only for noninfectious blood, urine and clinical samples packed to specific FedEx standards. For information on FedEx standards for specimens, go to fedex.com or request our brochures for clinical samples, environmental test samples and Biological Substance, UN 3373 specimens. (Also see the Packaging and Marking section.)
- G. Computers, or any components thereof, or any electronic equipment should not be

shipped in any packaging other than:

1. The manufacturer's original packaging, which is undamaged and has retained a good, rigid condition.
 2. Packaging that is in accordance with the FedEx packaging guidelines available online at fedex.com/us/services/packageshipment/preparing.
 3. FedEx laptop packaging, for shipments of laptop computers.
- H. The declared value for carriage cannot exceed the declared value for customs as indicated on the air waybill.

Routing and Rerouting

We will determine the routing of all shipments. Some shipments may be consolidated or forwarded by FedEx for transportation on foreign air carriers, or on either a charter or an interline basis as FedEx may determine. We reserve the right to divert any shipment (including use of other carriers) in order to facilitate its delivery.

FedEx assumes no obligation to reroute any shipment to a third country, to carry the goods by any specified aircraft or over any particular route or to make connection at any point according to any schedules. You agree that FedEx may, without notice, substitute alternative carrier or aircraft, deviate from the route or routes, or cause the goods to be transported by motor vehicle.

Dangerous goods may not be rerouted to an address other than the original intended recipient's address provided by the shipper. (*Note:* Shipments may be made available as hold for pickup or be returned to the sender.)

Any requested change to an address that is not a reroute or an address correction is a new shipment, and new shipping charges will apply.

THERE ARE NO STOPPING PLACES THAT ARE AGREED TO AT THE TIME OF THE TENDER OF THE SHIPMENT, AND WE RESERVE THE RIGHT TO ROUTE THE SHIPMENT IN ANY WAY WE DEEM APPROPRIATE.

Undeliverable Shipments

An undeliverable shipment is one that cannot be delivered for reasons that include, but are not limited to, any of the following:

- The recipient refuses to pay for a bill-recipient shipment.
- The recipient refuses to accept the shipment.
- The recipient's delivery address cannot be located.
- The shipment was addressed to an area not served by FedEx.
- The shipment's contents or packaging are damaged to the point that rewrapping is not possible.
- The shipment is unable to clear customs.
- The shipment would likely cause damage or delay to other shipments or property or injury to personnel.
- The shipment contains prohibited items.
- The recipient's place of business is closed.
- No appropriate person was available to accept the shipment at a delivery location on the initial delivery attempt or reattempts.
- The shipment was improperly packaged.
- The recipient of a Hold at FedEx Location shipment cannot be located.

Should a shipment be classified as undeliverable or unidentifiable, the following guidelines apply:

- A. If a shipment is undeliverable for any reason, we may attempt to notify the sender to

arrange for the return of the shipment if local customs regulations will allow. If the sender cannot be contacted within five business days, we may place the shipment in a general order warehouse or a customs-bonded warehouse or will dispose of the shipment. In any event, if a package cannot be delivered, cleared through customs or returned, the package may be transferred or disposed of by FedEx at its discretion and at any location. The shipper, if known, agrees to pay any costs incurred in returning, storing or disposing of an undeliverable shipment.

B. For shipments returned from international points to the U.S., return charges and fees will be assessed to the original shipper, along with the original charges and fees. Also included will be any other charges incurred by us, including, but not limited to, duties, taxes, ancillary clearance fees and storage fees, if applicable. For returned shipments containing dangerous goods, the shipper must supply a completed return air waybill and all other required documents.

C. Shipments that cannot be returned due to local regulatory constraints will either be placed in a general order warehouse or a customs-bonded warehouse or disposed of at our sole discretion and at any location. The shipper agrees to pay any costs incurred by FedEx in such placement or disposal.

If your account has been compromised or stolen, the account may be closed and you may be issued a new account. However, you will be responsible for all valid charges on the closed account. Any materials, rights or privileges that you acquire by holding a FedEx account

number may not be used for any purpose other than shipping with FedEx, and FedEx may seek damages against you for any improper, illegal or other misuse of your account. If your account is terminated, we reserve the right, at our sole discretion, to deny your application for new or additional FedEx account numbers at any time in the future. All charges will be billed and must be remitted in U.S. funds.

All requests for account numbers are subject to credit investigation and verification by our Credit Department and Customer Account Confirmation Department. FedEx utilizes business credit reporting agencies, audited financial statements, Standard & Poor's and Moody's bond ratings, and other sources as necessary, to determine eligibility for open credit terms. FedEx does not offer consumer credit privileges. Any individual shipping for personal use must prepay the shipment charges or establish a FedEx account for billing directly to a major credit card. Stored-value cards or gift cards cannot be used to open an account; however, such cards may be used for payment when tendering a package at staffed FedEx shipping locations, and in conjunction with our credit card acceptance policy.

The party to whom a FedEx account number is issued is liable for all charges to the account, including those resulting from unauthorized use. The account holder is responsible for the safekeeping of the account number. The account number should be released only to those authorized to ship on the account.

Failure to keep your FedEx account current may result in "termination" of your FedEx Ground service. If the account number to be billed is not valid, the shipment may be refused, delayed or returned until an alternative form of payment is secured. If a package is held, returned, or delivery is otherwise delayed because the account is not in good credit standing, you will not be entitled to a refund or credit of your transportation charges under the money-back guarantee policy.

You must use your FedEx account number to obtain any discount applicable to your account. Use of your account number constitutes your agreement that all packages shipped by us shall be subject to this tariff, as modified, amended or supplemented.

Services and rates for packages dropped off at FedEx Office Print & Ship Centers, FedEx World Service Center locations and FedEx Authorized ShipCenter locations using the shipper's FedEx Ground account number or bar code shall be as stated in the shipper's FedEx Ground Service Agreement or FedEx Ground Pricing Addendum, if any, and the incorporated documents. Not all delivery services are available at FedEx Office Print & Ship Centers and FedEx World Service Center locations.

FedEx may provide trade credit information on its account holders to credit bureaus.

Alcoholic Beverages

Only licensed entities may ship alcohol of any type with FedEx. For more information, go to fedex.com/us/wine. Consumers may not ship alcohol.

A. Licensee to Licensee. FedEx will accept alcohol shipments (beer, wine and spirits) when both the shipper and recipient are either licensed wholesalers, licensed dealers, licensed distributors, licensed manufacturers or licensed importers, subject to additional requirements and all applicable laws and regulations. Contact your FedEx account executive for complete details.

B. Licensee to Consumer. FedEx will accept wine shipments from licensed entities directly to consumers, subject to additional requirements and all applicable laws and regulations. Contact your FedEx account executive for complete details. Shipments of beer or spirits to consumers are prohibited.

Billing

A. "Bill Sender" means charges will be billed to the sender. Payment on the account must be current. The sender may request an initial rebilling to another party, but all subsequent rebills will be only to the sender.

B. "Bill Recipient's FedEx Account Number" means charges will be billed to the recipient (except for certain additional charges that are billed to the sender, including, but not limited to, pickup fees, address correction fees, and invalid or missing account number fees). "Bill Recipient" should not be confused with C.O.D. service. In order to choose this billing option, the recipient's FedEx account number must be inputted into the sender's electronic shipping system at the time the package is processed and payment on the account must be current. If the recipient is billed initially and refuses to make payment for the shipment, the charges may be rebilled to a third party. If not paid by the third party, any additional rebilling will be to the sender's account. (See section M, Billing Special Handling Fees.) The sender is liable for, and will be billed for, all charges and fees, plus all special handling fees in the event recipient or any third party does not pay. If due to the charges the recipient account exceeds credit limits with FedEx Ground, the sender will automatically be billed.

C. "Bill Third Party's FedEx Account Number" means charges will be billed to someone other than the sender or recipient (except for certain additional charges that are billed to the sender, including, but not limited to, pickup fees, address correction fees, invalid or missing account number fees, and fees associated with C.O.D. or electronic C.O.D. [E.C.O.D.]). In order to choose this billing option, the FedEx account number of the third party must be inputted into the sender's electronic shipping system at the time the package is processed and payment on the account must be current. If the third party is billed initially and refuses to make payment for the shipment, the charges may be rebilled to another party, but subsequent requests will only be rebilled to the sender. (See section M, Billing Special Handling Fees.) If the party that is rebilled refuses to pay, the sender is liable for and will be billed for all charges and fees, plus all special handling fees. If due to the charges the third-party account exceeds credit limits with FedEx Ground, the sender will automatically be billed.

D. "Bill FedEx Ground COLLECT" means transportation charges will be billed to the recipient and certain additional charges will be billed to the sender. The transportation charges billed to the recipient include, but are not limited to, fuel surcharges and out-of-area surcharges. The certain additional charges billed to the sender include, but are not limited to, pickup fees and address correction fees. In order to choose "Bill FedEx Ground COLLECT," the sender is responsible for shipping to consignees who are authorized COLLECT recipients. If the consignee is not authorized, the sender is liable for, and will be billed for, all charges and fees, plus all special handling fees in the event the recipient or any third party does not pay. If not paid by the third party, any additional rebilling will be to the sender's account (see section M, Billing Special Handling Fees). "Bill FedEx Ground COLLECT" should not be confused with C.O.D. service.

When shipping packages using the FedEx Ground COLLECT service option, the sender agrees to pay all additional charges and surcharges related to the shipment other than those billed to the recipient, as described above. The sender agrees to ship packages collect only to recipients authorized by FedEx Ground to receive collect shipments. The sender further agrees to pay all applicable transportation charges if a package is shipped to an unauthorized recipient or if an authorized recipient refuses to accept delivery of a collect shipment. An additional charge will be assessed on any package that is shipped collect to a recipient not authorized by FedEx Ground to receive collect packages.

E. For "Bill Recipient," "Bill Third Party" or "Bill FedEx Ground COLLECT" transactions, if the recipient or third party refuses to pay the charges, refuses delivery or cannot be contacted, the sender is responsible and will be billed for any and all charges. For "Bill Recipient," "Bill Third Party" or "Bill FedEx Ground COLLECT" transactions, FedEx Ground may verify the method of payment and reserves the right to not accept any "Bill Recipient," "Bill Third Party" or "Bill FedEx Ground COLLECT" shipment for which such verification cannot be established.

F. The sender's shipment may be delayed if FedEx Ground determines that it is billed to a FedEx account number that is not in good credit standing. The service failure money-back guarantee will not apply (see the Money-Back Guarantee Policy section for details and limitations).

G. C.O.D. shipments may not be shipped "Collect" or "Bill Recipient." Shipping charges for C.O.D. shipments must be billed to either a sender's or third party's FedEx account number; they may not be paid by cash, check or credit card.

H. NOTWITHSTANDING ANY PAYMENT INSTRUCTIONS THAT ARE GIVEN TO FEDEX GROUND, THE SENDER IS ULTIMATELY LIABLE FOR ALL CHARGES AND FEES.

I. A special handling fee will be applied for any check or electronic funds transfer (EFT) that is dishonored due to insufficient funds on deposit or incorrect or insufficient signature of the drawer.

J. You must furnish with your payment the invoice numbers to which your payment applies. Payment should be sent using your remittance advice to one of the following:

M. Billing Special Handling Fees. A special handling fee will be applied in the following situations:

1. Invoicing where an incomplete, inaccurate, invalid or deleted account number appears in the EDI transmission of shipping information.
 - a. For "Bill Sender" transactions, if the account number on the shipping bar code is incomplete, inaccurate, invalid or deleted, and FedEx Ground is able to determine the correct number from FedEx Ground records, all charges and fees, plus the special handling fee, will be billed to the sender, and any appropriate earned discount will apply. If the correct account number cannot be determined from FedEx Ground records, all charges and fees plus the special handling fee will be billed to the sender, and no discount will be allowed.
 - b. For "Bill Third Party" or "Bill Recipient" transactions, if the third party or recipient account number in the electronic data interchange (EDI) transmission is incomplete, inaccurate, invalid or deleted, all charges and fees, plus the special handling fee, will be billed to the sender. If FedEx Ground can determine the sender's correct account number from FedEx Ground records, it will be used for billing, and any appropriate earned discount will apply. If billed to sender and sender's correct account number cannot be determined from FedEx Ground records, no discount will be allowed.
 - c. The fee for an incomplete, inaccurate, invalid or deleted account number will be applied only once for each package with such an account number.
2. Payer Rebilling. A special handling fee will be charged to the sender for all requests to change a billing from the party billed or the bill-to party shown on the shipping transmission. If there are multiple requests, the fee may be applied for each invoice line item, which is rebilled. Requests for rebilling will be accepted up to 180 days from the invoice date, not counting the invoice date. Rebill requests will be accepted only for unpaid shipments. Requests should be sent to:

FedEx
Revenue Services
3965 Airways Blvd., Module G
Memphis, TN 38116

For information regarding EDI and EFT, contact a FedEx account executive.

N. Invoice Adjustments/Overcharges:

1. FedEx Ground reserves the right to audit shipments made via an electronic shipping device to verify service selection and package or shipment weight. If the service selected or weight entered is incorrect, FedEx Ground may make appropriate adjustments to the invoice at any time.
2. Default Billing. Senders are responsible for entry of accurate shipment information in any electronic shipping device. Because the number of packages and weight per package are critical to our ability to correctly invoice, any omission or incorrect entry or unavailable information will result in a billing based on our estimate of the number of packages transported and either the standard dimensional factor at the time of billing or a standard "default" weight-per-package estimate determined at our sole discretion.
3. You may request an invoice adjustment for reasons not related to a service failure in the following ways:
 - a. Use our Internet application FedEx Billing Online at fedex.com if you are a registered user; or
 - b. Submit your request through the invoice adjustment feature at fedex.com; or
 - c. Submit the request in writing using the invoice adjustment form on the back of your invoice. If your request exceeds the space available on the form, you may submit your request via e-mail using the formatted spreadsheet and e-mail address provided at fedex.com/us/account/inhome/other/eremit.html; or
 - d. Submit the request via our telephone invoice adjustment system at 1.800.GoFedEx 1.800.463.3339 (say "billing"). If you choose to submit your request via the telephone invoice adjustment system, the request must state the reason you believe an adjustment or refund is warranted and must provide the following: the FedEx account number (if any); the FedEx tracking number; and the date of shipment.

A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request.

4. Requests for invoice adjustment due to an overcharge must be received within 180 days after the date of shipment. For adjustments due to a service failure, see the Money-Back Guarantee Policy section.

If you choose to send the invoice adjustment request separately from the remittance statement, please send to:

FedEx
Revenue Services
3965 Airways Blvd., Module G
Memphis, TN 38116

For additional information or assistance regarding billing issues, please contact a FedEx account executive.

5. FedEx is not obligated to refund any overcharge or pay any other obligation owed when your FedEx account is, or has been in the past, more than 60 days past due.
 6. If your account is more than 60 days past due, FedEx may, at its sole discretion, apply any overcharge amounts or other overpayments it agrees are owed to you against the oldest invoices.
- O. Additional Taxes.** If a federal value-added, consumption or similar tax is applicable to your shipment, FedEx Ground reserves the right to add that amount to your shipment charges.
- P.** The sender is responsible for all reasonable costs incurred by FedEx Ground in attempting to obtain payment on any transaction. Such costs include, but are not limited to, attorneys' fees, collection agency fees, and interest and court costs.
- Q.** At our sole discretion, FedEx may transfer and assign ownership of, and any rights to collect, any and all charges due and payable to us.
- R. Missing or Invalid Account Number.** An account number is invalid if it is not the correct account number for the bill-to party, or it is the account number for a recipient or third party who fails to pay the shipping charges. An additional charge will be assessed for each missing or invalid account number.

FEDEX GROUND TARIFF

Claims

A. Filing of Claims:

1. All claims in connection with request for FedEx Ground C.O.D. service and all claims for loss of or damage to property tendered to FedEx Ground for transportation in interstate or intrastate commerce (U.S.) must be filed in writing; must include or refer to the Pick-Up Record or Customer Shipping Record, if applicable, tracking ID, and date or other facts sufficient to identify the package involved; and must be accompanied by documents that prove the value of the property and/or extent of the loss or damage. Such documents may include original manufacturer or purchase invoices, estimates or invoices for repair (repairs are not authorized under this provision and should not be made until FedEx Ground has inspected the damaged package or expressly waived its right to inspect the damaged package), expense statements, appraisal, final confirmation screen if online order with proof of purchase, or other certified documents; must assert our liability for the alleged loss or damage; and must make claim for the payment of a specified or determinable amount of money. A request for proof of delivery does not constitute the filing of a claim.

Notification. *In the case of a claim for concealed loss or damage that is not discovered at the time of delivery, the sender or recipient must notify FedEx Ground as promptly as possible after the discovery of the damage, and in any event no later than 21 days after the date of delivery. Notification should be made by calling 1.800.GoFedEx 1.800.463.3339 (say "claims") and the claimant shall be issued a Damaged Call Tag. At the time the Damaged Call Tag is issued, the call center agent will provide a confirmation number. This number should be recorded on the claim form along with the original tracking ID where indicated. Notification does not constitute filing of a claim as required in section C below.*

Except as provided in the paragraph above, receipt of the shipment by the recipient without written notice of damage on the delivery record is *prima facie* evidence that the shipment was delivered in good condition. As a condition to FedEx Ground considering a claim, all the original shipping cartons, packing (inner and outer) and contents must be made available for FedEx Ground inspections. Package and contents must be retained by the claimant until the claim is resolved.

2. You can file a claim in the following ways:
 - a. Submit claims online at fedex.com/us/claimsonline (excluding FedEx Ground C.O.D. claims) for U.S. shipments, U.S. export shipments to Canada and U.S.-inbound shipments from Canada.
 - b. Send written claims, including the completed claim form and supporting documentation, via the U.S. Postal Service or fax to:
FedEx Cargo Claims Department
P.O. Box 256
Pittsburgh, PA 15230
Fax: 1.877.229.4766
If you fax your completed claim form and supporting documentation, FedEx will send you a confirmation letter by return fax.
 - c. Call customer service at 1.800.GoFedEx 1.800.463.3339 (say "claims") to obtain a case number for your claim, then complete a print copy of the claim form. You may have to submit supporting documentation using FedEx Claims Online or the mailing address or fax number listed above.
3. FedEx Ground will not voluntarily pay a claim for an uncertain amount, such as "\$100 more or less." FedEx Ground is not obligated to act on any claim until all transportation charges are paid. The claim amount may not be deducted from these charges or any outstanding balance.
4. Bad order reports, appraisal reports of damage, notations of exceptions on delivery records or other documents, inspection reports issued by FedEx Ground inspectors or inspection agencies, requests for proof of delivery, and tracer or inspection requests standing alone are not sufficient to comply with these claim filing requirements.
5. FedEx Ground shipment-status information is not intended or permitted to be used by the shipper to file claims. (See Shipment-Status Information in the Proof of Delivery section.)
6. FAILURE TO COMPLY WITH ANY OF THE ABOVE CONDITIONS WILL RESULT IN THE DENIAL OF A CLAIM.
7. FedEx Ground reserves the option to pick up salvage on damaged claims when the claim is paid in full.

B. Acknowledgment of Claims. FedEx Ground will, upon receipt in writing of a proper claim filed in the manner and form described in these regulations and accompanied by the documents described, acknowledge the receipt of such claim in writing within 30 days

after the date of receipt by FedEx Ground unless FedEx Ground shall have paid or declined such claim in writing within 30 days of the receipt thereof. FedEx Ground will create either in writing or electronically a separate file for each claim received, assign each claim a successive claim file number, and note the claim number assigned on all documents filed in support of the claim and all records and correspondence relating to the claim, including the written acknowledgment of receipt and, if in its possession, the pickup and delivery records covering the package involved. FedEx Ground will record the date a claim is received on the face of the claim document. The date of receipt will also be noted on our written acknowledgment of receipt.

C. Time Limit for Filing Claims. Claims in connection with requests for FedEx Ground C.O.D. service and claims for loss, damage or delay must be filed in writing with FedEx Ground within nine months from the date of delivery, or, in the event that FedEx Ground failed to make delivery, within nine months after the package was tendered to FedEx Ground for shipment. Suits against FedEx Ground must be instituted within two years and one day from the date FedEx Ground gives written notice that FedEx Ground has disallowed any part of the claim specified in the notice. If claims are not filed or suits are not instituted in accordance with the foregoing provisions, FedEx Ground will not be liable and such claims will not be paid. A Claim Reporting Form can be requested from a FedEx account representative or by calling 1.800.GoFedEx 1.800.463.3339 (say "claims").

D. Investigation of Claims:

1. Each claim must be supported by the original Pick-Up Record or Customer Shipping Record (if applicable), evidence that applicable transportation charges have been paid, and documents that prove the value of the property, and/or extent of the loss or damage. Such documents may include original purchase invoices, estimates or invoices for repair, expense statements, appraisals, or other certified documents. The documents must be verifiable to our satisfaction. Where the property involved in a claim has not been invoiced to the recipient, or where an invoice does not show price or value, or where the property involved has not been sold, or where the property has been transferred at bookkeeping values only, FedEx Ground will, before voluntarily paying a claim thereon, require the claimant to establish the destination value of the quantity shipped, transported or involved, and to certify the correctness of the valuations in writing.
2. When a claim for loss of an entire package or an entire shipment cannot otherwise be authenticated upon investigation, FedEx Ground will obtain from the recipient of the shipment involved a certified statement in writing that the property for which the claim is filed has not been received from any other source.
3. In the event that the shipper and the recipient have refused a package, the property shall thereupon pass to FedEx Ground. FedEx Ground will not honor a claim for an abandoned package.

E. Disposition of Claims. FedEx Ground will, after receiving a written claim for loss or damage to the property transported, either pay actual or declared value for the property, whichever is lower; or decline, or make a firm compromise settlement offer in writing to the sender (unless special arrangements have been made) within 120 days after receipt of claim by FedEx Ground. If a claim cannot be processed and disposed of within 120 days after the receipt thereof, FedEx Ground will advise in writing of the status of the claim and the reason for the delay in making final disposition.

F. Damaged Property:

1. **FedEx Ground Discovered Damage.** Whenever property is damaged by FedEx Ground in the course of transportation and discovered by FedEx Ground prior to delivery, FedEx Ground will either (1) return the damaged property to the shipper or (2) remove any damaged property and ship the balance of undamaged merchandise. If determined to be liable and if damaged property is returned to the shipper, FedEx Ground may, at the shipper's request, pay the full actual or declared value of the property, whichever is lower, and title of the property shall thereupon pass to FedEx Ground. If the shipper makes such a request, the shipper must hold the damaged property until FedEx Ground has completed the processing of the shipper's claim. FedEx Ground shall not be liable for any special, incidental or consequential damages.
2. **Concealed Loss or Damage.** Whenever property is delivered by FedEx Ground and damage or loss is subsequently discovered by the recipient, inspection may be made by FedEx Ground as promptly as practicable after receipt of request from the recipient or shipper. The shipper or recipient must notify FedEx Ground as promptly as possible after discovery of the damage, and in any event no later than 21 days after the date of delivery. FedEx Ground reserves the right to inspect a damaged shipment on customer premises as well as the right to retrieve the damaged shipment for inspection at a local FedEx facility. All of the original shipping cartons, packing and contents must be available for our inspection and retained until the claim is concluded. Inspection

will include examination of the damaged property, the shipping container and its packing, and any other action necessary to establish all the facts. If a shortage is involved, the inspector will compare the contents of package with the invoice, weigh the shipping container and contents, or conduct any other type of investigation necessary to establish that a loss has occurred. In either case, the inspection will be limited to a factual report. The shipper and recipient must cooperate with FedEx Ground to assist in the inspection. A written record of our findings will be made and a copy given to the shipper for claim support upon request. Any inspection report issued will be incorporated into the claim file.

The terms and conditions of the FedEx Ground Tariff applicable to the original shipment (including, but not limited to, any declared value or limitation of liability) will govern the disposition of all claims in connection with said shipment, including any claim relative to the retrieval, inspection, call tag or return of said shipment.

3. In the event FedEx Ground does not make an inspection, the recipient must make the inspection and record all information pertinent to the cause. The recipient's inspection, in such case, may be considered as the FedEx Ground inspection and will not jeopardize any recovery due the shipper based on the facts contained in the report.

G. Spotted Trailers. The shipper agrees to load any trailers spotted at its facilities within 48 hours after being spotted with 225 or more packages per trailer. The shipper agrees not to file claims on any package shortages for spotted trailers. Upon written request from the shipper, FedEx Ground agrees to notify the shipper of any package shortages within 120 hours after the shipper's packages are transmitted to FedEx Ground. Notification to the shipper shall include date of pickup and the number of packages short of the total entered by the shipper on the FedEx Ground Pick-Up Record or provided by the shipper on a computer-generated manifest. The shipper agrees not to file claims in connection with any package shortages reported by FedEx Ground to the shipper.

Collect on Delivery (C.O.D.) Service

A. FedEx Ground C.O.D. Service:

1. To request FedEx Ground C.O.D. service, the shipper must prepare and attach to each C.O.D. package a C.O.D. label showing the amount to be collected and a C.O.D. bar-code label to designate the type of collection. The shipper must also enter the amount to be collected on the FedEx Ground Pick-Up Record in the space provided for the purpose. The entry of a C.O.D. amount on the FedEx Ground Pick-Up Record is not a declaration of value for the package. If the shipper does not also declare the value of the package, our liability for loss of or damage to the package shall be limited to the loss or damage actually sustained by the shipper or \$100, whichever is lower.
2. FedEx Ground will collect for each C.O.D. package the amount shown on the C.O.D. label attached to the package, not to exceed \$25,000 per package, including freight charges. If collection cannot be made, FedEx Ground will return the C.O.D. package to the shipper. The shipper must attach a C.O.D. bar-code label to each C.O.D. package to designate the type of collection:
 - A "Regular" C.O.D. bar-code label is used when the shipper does not designate the type of payment to be collected.
 - A "Guaranteed Funds" C.O.D. bar-code label is used when the shipper designates a money order, cashier's check, official check or certified check to be collected.
 - A "Currency" C.O.D. bar-code label is used when the shipper designates only currency to be collected. FedEx Ground will not accept currency in excess of \$750 in payment for the C.O.D. amount associated with any one package delivered in the U.S. Additional per-package charges for "Currency" C.O.D.-labeled packages delivered in the U.S. will apply. The additional per-package charges for "Currency" C.O.D.-labeled packages do not apply to shipments from the U.S. to Canada.
3. All checks (including cashier's checks, official checks and certified checks) and money orders tendered in payment of C.O.D. packages will be accepted by FedEx Ground at the shipper's risk, including, but not limited to, the risk of nonpayment and forgery, and FedEx Ground shall not be liable upon any such instrument.
4. An additional charge will be assessed for each request for C.O.D. service to be performed, whether or not FedEx Ground is able to collect as requested. If the recipient cannot be located or fails or refuses to pay the C.O.D. amount via the requested instrument, the shipment will be returned to the shipper, and no refund or credit of either the transportation charges or the C.O.D. charges will be given.
5. Remittance of C.O.D. Collections. FedEx Ground will remit C.O.D. collection to the shipper within 10 days from date of collection. The C.O.D. amount will be collected and remitted in the currency of the destination country. Our sole obligation shall be to

timely remit the C.O.D. collection through the U.S. Postal Service, and FedEx Ground shall not otherwise be liable for any loss or delay caused by the remittance of the C.O.D. collection.

6. Performance of the C.O.D. service will not constitute FedEx Ground as the shipper's agent for any purpose, including, but not limited to, completion of the sale of the goods by the shipper to the recipient.

B. FedEx Ground Electronic C.O.D. Service (E.C.O.D.) E.C.O.D. service requires the approval of FedEx Ground for enrollment. (This service is not available for U.S.-to-Canada shipments.) If the shipper is approved by FedEx Ground for enrollment, the following shall apply:

1. The shipper authorizes FedEx Ground to collect payments for the E.C.O.D. shipments provided that no such E.C.O.D. shipments shall be made except upon the collection of the full amount of all sums owed to the shipper, including the fees of FedEx Ground. FedEx Ground shall, in all instances, act in conformity with the instructions of the shipper as provided on the E.C.O.D. label for the amount to be collected and the E.C.O.D. bar-code label for the type of collection.
2. All checks received by FedEx Ground on behalf of the shipper shall be restrictively endorsed by FedEx Ground in substantially the following language and deposited into our terminal bank accounts ("FedEx Ground Bank"):
 - FOR DEPOSIT ONLY
 - FEDEX GROUND
 - AS AGENT FOR THE WITHIN NAMED PAYEE
 - LACK OF ENDORSEMENT GUARANTEED
3. All such checks shall be deposited into the FedEx Ground account before the close of books of our bank on the first business day following the date such check is daily accepted whenever FedEx Ground delivers an E.C.O.D. package and collects the C.O.D. amount.
4. If any check collected on behalf of the shipper is timely deposited by FedEx Ground but thereafter is dishonored and returned to our bank as non-negotiable, the risk of nonpayment shall lie with the shipper, and the shipper shall reimburse FedEx Ground for the face amount of such check and any bank charges associated with the return of the check by permitting FedEx Ground to reduce the next electronic funds transfer by a like amount, provided that such returned check is promptly forwarded to the shipper by FedEx Ground to the shipper's address.
5. All collections in the form of cash shall be deposited into the FedEx Ground account no later than the close of our bank's books on the first business day following FedEx Ground's receipt of such cash or currency.
6. Some banks will not allow a third-party endorsement of money orders or cashier's checks. If this occurs, the money order or cashier's check will be mailed back to the shipper, and the amount initially transferred electronically will be deducted from the shipper's next E.C.O.D. remittance.
7. In addition to the foregoing, on or before the end of each business day during participation in the E.C.O.D. program and thereafter so long as any funds belonging to the shipper remain in the possession or control of FedEx Ground, FedEx Ground shall transmit the details of all deposits at the shipper's designated bank and/or FedEx Ground's bank and/or checks returned for insufficient funds to the shipper.
8. An additional charge will be assessed for each E.C.O.D. package tendered to FedEx Ground by the shipper. An additional weekly service charge will be assessed for the E.C.O.D. service.
9. Performance of the C.O.D. service will not constitute FedEx Ground as the shipper's agent for any purpose, including, but not limited to, completion of the sale of goods by the shipper to the recipient.

Credit Terms

- A. FedEx Ground does not provide individual consumer credit privileges.
- B. FedEx Ground will extend credit to shippers who, in the sole judgment of FedEx Ground, are creditworthy.
- C. As a condition of extending credit privileges, FedEx Ground reserves the right to require business customers to provide current financial information, agree to bank draft arrangements for payment on account, provide a security deposit or provide a bank letter of credit.
 1. Deposit Plan. After depositing an amount equivalent to four weeks' transportation charges as estimated by FedEx Ground, payments are required within 15 days of invoice date. The deposit amount is subject to change to reflect revised estimates of the shipper's charges.
 2. Under the deposit plan, no interest will be paid by FedEx Ground, nor will

FEDEX GROUND TARIFF

(Credit Terms, cont.)

additional charges be rendered for their services. Net balances will be refunded at the request of the shipper.

D. The invoice date begins the credit term cycle, and payment is due within 15 days from the invoice date. Failure to keep your FedEx account current will result in "termination" of your ground service.

E. IF THE ACCOUNT NUMBER TO BE BILLED IS NOT IN GOOD CREDIT STANDING, THE PACKAGE MAY BE HELD OR STOPPED IN TRANSIT UNTIL YOU MAKE ALTERNATIVE PAYMENT ARRANGEMENTS. THE MONEY-BACK GUARANTEE POLICY WILL NOT APPLY IN SUCH CIRCUMSTANCES.

F. The shipper, and any other party who is liable for payment, is responsible for all reasonable costs incurred by FedEx Ground in obtaining or attempting to obtain payment for services rendered by FedEx Ground. Such costs include, but are not limited to, attorneys' fees, collection agency fees, interest and court costs.

G. Credit privileges will not be restored until you have paid all past-due balances in full and all costs, fees and expenses incurred by FedEx Ground in collecting or attempting to collect such balances. FedEx Ground may require establishment of electronic funds transfer as a prerequisite to credit restoration. FedEx Ground may decline to restore credit privileges even if all costs, fees and expenses are paid.

H. Customers requesting the reinstatement of their FedEx Ground service must contact the Recovery Collections department at 1.800.506.7580.

I. At our sole discretion, FedEx Ground may apply payments made on your account to any unpaid invoice issued on your account.

Declared Value and Limits of Liability (Not Insurance Coverage)

A. FedEx Ground liability with regard to any package is limited to the sum of \$100 unless a higher value is declared at time of tender and a greater charge paid as provided in the FedEx Service Guide or online FedEx Retail Counter Rates Book.

B. The declared value of any package represents our maximum liability in connection with a package, including, but not limited to, any loss, damage, delay, misdelivery, nondelivery, misinformation, any failure to provide information, or misdelivery of information. Exposure to and risk of any loss in excess of the declared value is either assumed by the shipper or transferred by the shipper to an insurance carrier through the purchase of an insurance policy. The shipper should contact an insurance agent or broker if insurance coverage is desired. FEDEX GROUND DOES NOT PROVIDE INSURANCE COVERAGE OF ANY KIND.

C. In cases where the shipper declares or agrees in writing that the property being shipped is released to a value exceeding \$100 per package or article not enclosed in a package, an additional charge for each \$100 or fraction thereof of total valuation will be assessed to which the base rate applies, up to a maximum declared value of \$50,000 per package.

D. Packages containing all or part of the following items are limited to a maximum declared value of \$100:

1. Artwork, including any work created or developed by the application of skill, taste or creative talent for sale, display or collection. This includes, but is not limited to, items (and their parts) such as paintings, drawings, vases, tapestries, limited-edition prints, fine art, statuary, sculpture and collector's items.
2. Film, photographic images (including photographic negatives), photographic chromes and photographic slides.
3. Any commodity that by its inherent nature is particularly susceptible to damage or the market value of which is particularly variable or difficult to ascertain.
4. Antiques, or any commodity that exhibits the style or fashion of a past era and whose history, age or rarity contributes to its value. These items include, but are not limited to, furniture, tableware, glassware, and collector's items such as sports cards, souvenirs and memorabilia. (Collector's coins and stamps may not be shipped. See the Prohibited Items section.)
5. Glassware, including, but not limited to, signs, mirrors, ceramics, porcelains, china, crystal, glass, framed glass and any other commodity with similarly fragile qualities.
6. Plasma screens.
7. Jewelry, including, but not limited to, costume jewelry, watches and their parts, mount gems or stones (precious or semiprecious), industrial diamonds, and jewelry made of precious metal.

8. Furs, including, but not limited to, fur clothing, fur-trimmed clothing and fur pelts.
9. Precious metals, including, but not limited to, gold and silver bullion or dust, precipitates or platinum (except as an integral part of electronic machinery).
10. Stocks, bonds, cash letters or cash equivalents, including, but not limited to, food stamps, postage stamps (not collectible), traveler's checks, lottery tickets, money orders, gift cards and gift certificates, prepaid calling cards (excluding those that require a code for activation), bond coupons, and bearer bonds.
11. Guitars and other musical instruments that are more than 20 years old, and customized or personalized musical instruments.

E. Our liability for loss or damage to used electronic or computer equipment shall be limited to \$100, unless a higher value is declared on the FedEx Ground Pick-Up Record and the applicable charges are paid. In those instances where the shipper declares a value in excess of \$100, our liability shall be determined by the most recent edition of the Orion Blue Book series applicable to the specific item lost or damaged or the declared value, whichever is lower, but in no event will liability exceed the declared value.

F. ANY EFFORT TO DECLARE A VALUE IN EXCESS OF THE MAXIMUMS ALLOWED IN THE FEDEX SERVICE GUIDE IS NULL AND VOID. OUR ACCEPTANCE FOR CARRIAGE OF ANY PACKAGE BEARING A DECLARED VALUE IN EXCESS OF THE ALLOWED MAXIMUMS DOES NOT CONSTITUTE A WAIVER OF ANY PROVISION OF THE FEDEX SERVICE GUIDE AS TO SUCH PACKAGE.

G. REGARDLESS OF THE DECLARED VALUE OF A PACKAGE, OUR LIABILITY FOR LOSS, DAMAGE, DELAY, MISDELIVERY, NONDELIVERY, MISINFORMATION, ANY FAILURE TO PROVIDE INFORMATION, OR MISDELIVERY OF INFORMATION, WILL NOT EXCEED ITS REPAIR COST, ITS DEPRECIATED VALUE OR ITS REPLACEMENT COST, WHICHEVER IS LESS.

Delivery Signature Options

FedEx offers three Delivery Signature Options for shippers:

A. **Indirect Signature Required.** FedEx will obtain a signature in one of three ways:

1. From any person at the delivery address; or
2. From a neighbor, building manager or other person at a neighboring address; or
3. The recipient can sign a FedEx door tag authorizing release of the package without anyone present.

B. **Direct Signature Required.** FedEx will obtain a signature from any person at the delivery address. If no one is at the address, FedEx will reattempt delivery.

C. **Adult Signature Required.** FedEx will obtain a signature from any person at least 21 years old (government-issued photo identification required) at the delivery address. If no eligible recipient is at the address, FedEx will reattempt delivery.

D. Shipments to residential addresses may be released without obtaining a signature. If you require a signature for a residential shipment, select one of the Delivery Signature Options.

E. **FedEx International Ground.** For FedEx International Ground shipments from the U.S. to residential addresses in Canada, FedEx may release the package without a signature. For FedEx International Ground shipments from the U.S. to nonresidential addresses in Canada, FedEx will attempt to obtain a signature.

F. Special handling fees apply. See Rates in the FedEx Service Guide or online FedEx Retail Counter Rates Book.

G. Indirect Signature Required is not available for shipments to nonresidential addresses.

H. FedEx Ground may accept requests for address corrections from a shipper or a recipient for shipments involving the Direct Signature Required or Indirect Signature Required options, alcohol shipments, and shipments where no signature is required.

I. Also see the Billing, Money-Back Guarantee, Liabilities Not Assumed, Pickup and Delivery, and Proof of Delivery sections.

Dimensional Weight (Volumetric Weight)

Transportation charges may be assessed based on dimensional weight, which is a volumetric standard. Dimensional-weight pricing is applicable on a per-package basis. Dimensional weight is calculated by multiplying length by width by height of each package (all in inches). If the total is 3 cubic feet (5,184 cubic inches) or larger, divide by 194 for shipments within the U.S. and to Puerto Rico or 166 for shipments to Canada. (If the total is less than 5,184 cubic inches, dimensional weight does not apply). See the Dimensional Weight description in the Rates section of this Service Guide for additional details. If the dimensional weight exceeds the actual weight, charges based on the dimensional weight will be assessed.

Customers who fail to apply the dimensional-weight calculation to a package may be assessed dimensional-weight charges from FedEx.

Any package shipped as a FedEx Home Delivery package that fails to comply with the terms and conditions of this service may be refused by FedEx Ground, or if initially accepted by FedEx Ground, may later be returned to the shipper. Noncompliance with the terms and conditions of FedEx Home Delivery may also result in additional charges upon written notice to the shipper.

Hazardous material shippers must be properly qualified through a FedEx sales representative before tendering hazardous material packages via FedEx Ground.
- A. All packages containing hazardous materials must be properly classified, described, packaged, marked, labeled and in proper condition for transportation according to applicable regulations and FedEx Ground requirements. FedEx Ground accepts only certain hazardous materials as listed in the current copy of the FedEx Ground Shipping Hazardous Materials Guide, which is incorporated herein by reference. FedEx Ground will accept authorized pails or drums as single packaging. Hazardous materials may not be shipped in any FedEx packaging.

21. If a shipment is refused by the recipient, leaks, or is damaged, the shipment will be returned to the sender, if possible. Limitations on Legal Actions

Any civil claim for overcharges must be brought within 18 months after the claim accrues.

Any civil claim for, including, but not limited to, any loss, damage, delay, misdelivery, nondelivery, misinformation, any failure to provide information, or misdelivery of information relating to the shipment, must be brought within two years and one day from the date FedEx Ground gives written notice that FedEx Ground has disallowed any part of the claim specified in the notice.

Any right you might have to damages, refunds, credits recovery of reliance interests, disgorgement, restitution, injunctive relief, declaratory relief or any other legal or equitable relief whatsoever against FedEx Ground under any cause of action arising from the transportation of any package pursuant to the FedEx Service Guide shall be extinguished unless you first comply with all applicable notice periods and requirements in this tariff including, but not limited to, the periods and requirements for providing notice under the

Billing, Claims and Money-Back Guarantee Policy sections. You and FedEx Ground understand that timely and complete compliance with such notice periods and requirements is a contractual condition precedent to your right to any relief whatsoever, and you must plead compliance with those conditions precedent on the face of any complaint that you file against FedEx Ground. You and FedEx Ground agree that FedEx Ground cannot be considered to have breached any obligation to you unless or until FedEx Ground wrongfully denies a claim submitted to FedEx Ground pursuant to the notice periods and requirements contained in this tariff. Finally, you and FedEx Ground agree that you will comply with applicable notice periods and requirements even if you believe that such compliance will not result in relief from FedEx Ground or if you lack knowledge regarding whether such compliance will result in relief from FedEx Ground.

You agree that you will not sue FedEx Ground as a class plaintiff or class representative, join as a class member, or participate as an adverse party in any way in a class-action lawsuit against FedEx Ground. Nothing in this paragraph, however, limits your rights to bring a lawsuit as an individual plaintiff.

To the extent that any court finds that state rather than federal law applies to any provision of this contract, the controlling law is the substantive law of the state in which you tendered your shipment to FedEx Ground.

The performance of any services does not make FedEx Ground an agent of the shipper or any third party for any purpose.

Money-Back Guarantee Policy

We offer a money-back guarantee for our services. This guarantee can be suspended, modified or revoked at our sole discretion without prior notice to you.

A. Money-Back Guarantee. The money-back guarantee is your exclusive remedy in the event of a service failure for the recovery of all or any portion of the FedEx charges for a shipment. If the money-back guarantee is suspended, there is no remedy or recovery of charges for a service failure. There are no delivery commitments for shipments on which the money-back guarantee is suspended.

- 1. FedEx Ground Money-Back Guarantee.** At our option, we will, upon request, either refund or credit your transportation charges in the event of a service failure (which means if FedEx does not deliver the shipper's standard ground and multi-weight ground package(s) by the end of the scheduled delivery day as published on fedex.com).
- 2. FedEx Home Delivery Money-Back Guarantee.** At our option, we will, upon request, either refund or credit your transportation charges and residential surcharge in the event of a service failure (which means if FedEx does not deliver the shipper's residential package(s) by the end of the scheduled delivery day as published on fedex.com). For shipments designated as FedEx Date Certain Home Delivery, FedEx Evening Home Delivery or FedEx Appointment Home Delivery, see the FedEx Home Delivery Premium Services Money-Back Guarantee section below.
- 3. FedEx Home Delivery Premium Services Money-Back Guarantee.** At our option, we will, upon request, either refund or credit your transportation charges, residential surcharge and the applicable premium service charge in the event of a service failure (which means if FedEx does not provide the FedEx Home Delivery premium service requested for the shipper's package(s), as described below).
 - a. FedEx Date Certain Home Delivery Money-Back Guarantee.** The FedEx Date Certain Home Delivery Money-Back Guarantee applies if the shipment is not delivered on the valid date requested. To be considered valid, the requested date must be no earlier than the scheduled delivery as published on fedex.com; cannot be a Sunday, a Monday or a FedEx holiday; and must be within 14 days from the pickup date. If the delivery date requested is invalid, the FedEx Date Certain Home Delivery Money-Back Guarantee will not apply.
 - b. FedEx Evening Home Delivery Money-Back Guarantee.** The FedEx Evening Home Delivery Money-Back Guarantee applies if the shipment is not delivered between 5 and 8 p.m. on or before the scheduled delivery date as published on fedex.com.

B. Limitations. The following limitations apply:

1. A credit or refund under the money-back guarantee will be applied only against charges for the shipment giving rise to the credit.
2. At the sole discretion of FedEx, the money-back guarantee may not be honored when the request is made by, or the information utilized to determine the status of the

package is determined by, a third party other than the payer of the charges.

3. The FedEx Ground Money-Back Guarantee applies to deliveries within the U.S. For shipments destined to Puerto Rico, the FedEx Money-Back Guarantee only applies to the U.S. gateway. For shipments destined to Canada, the FedEx Money-Back Guarantee only applies to transportation charges related to brokerage-inclusive service.

6. Packages tendered for delivery on holidays that are business days for FedEx Ground (for example, Good Friday and Presidents Day) will be scheduled for delivery on that day if the recipient business is open. However, if the recipient business is known by FedEx Ground to be closed due to the holiday, the packages will be scheduled for delivery on the next business day the recipient is open, but the money-back guarantee will not apply.
7. To be eligible for the FedEx Home Delivery Premium Services Money-Back Guarantee, the shipper must have fulfilled the following conditions:
 - a. Prepare and attach to each package a 128 bar-code label showing the premium service requested. The shipper must also provide FedEx Ground with the required electronic information for the service level selected.
 - b. Premium services are offered at the shipment level. To qualify as a shipment, one or more packages must have the following:
 - The same shipper number
 - The same origin location
 - The same ship date
 - The same recipient address
 - The same premium service selected
- C. Exceptions.** FedEx will not be obligated to refund or credit your transportation charges, residential surcharge or premium service charge if:
 1. We provide you with proof of timely delivery, consisting of the date and time of delivery and, if applicable, the name of the person who signed for the shipment, or service-exception information reflecting that the failure to deliver timely resulted from circumstances described under the Liabilities Not Assumed section.
 2. The service failure resulted, in whole or in part, from any of the circumstances described under the Liabilities Not Assumed section.
 3. The shipper did not properly label the package in accordance with the FedEx Service Guide, including, without limitation, affixing the correct business name and contact name (for FedEx Ground packages) or recipient name (for FedEx Home Delivery packages) and deliverable address (number, street, city, state, and a five-digit ZIP code) and correctly placing the customer-specific FedEx Ground or FedEx Home Delivery bar-code label on the package. For FedEx Ground packages, the shipper must correctly address the package to a business address and not to a residence. For FedEx Home Delivery packages, the shipper must print the letter "H" (Home) on the address label in accordance with the FedEx Home Delivery label specifications.
 4. The shipper did not timely and accurately transmit all electronic package-level data required, including, but not limited to, any electronic package-level data necessary for package sorting by FedEx Ground, to the extent required by the Shipper's Agreement with FedEx Ground. For FedEx Appointment Home Delivery shipments, a valid telephone number for the recipient must be included in the data-entry information when the shipment is processed.
 5. The package was not picked up by a FedEx Ground driver at the shipper's location or an alternate address location, at a FedEx Office Print & Ship Center, at a FedEx World Service Center, or at a FedEx Authorized ShipCenter prior to that location's regular scheduled pickup time. If a package is accepted by FedEx Ground after a location's regular scheduled pickup time, an additional transit day may be added to the scheduled delivery date.
 6. The package was tendered for transportation during the 14 calendar days before Christmas.
 7. The shipment contained special instructions, including, but not limited to, FedEx Ground Call Tag service and FedEx Delivery Signature Options.
 8. There was an unexpected large release of packages from your shipping location.

 11. The shipment was undeliverable or returned.
 12. Regulatory agency clearances were delayed due to errors or omissions in international documentation or agency inquiries (for shipments to Puerto Rico).
- D. Refund or Credit Requests.** To qualify for a refund or credit due to a service failure, you must notify us of the service failure and request a refund or credit in compliance with the conditions listed below. If you do not comply with these conditions, you are not entitled to receive a refund or credit and cannot recover compensation for a service failure in any lawsuit.
1. You may request a refund or credit due to a service failure in the following ways:
 - a. Use our Internet application FedEx Billing Online at fedex.com if you are a registered user; or

 2. Your notification of a service failure must include your FedEx tracking number and invoice number, if applicable.
 3. All requests for a refund or credit must be received via one of the approved channels within 15 calendar days of the invoice date or within 15 calendar days from the ship date if you are paying by credit card or in advance by cash, check or money order.
 4. A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request. Package Consolidators (Including FedEx Authorized ShipCenter Locations)

Consolidators are responsible for complying with all applicable requirements including, but not limited to, requirements for shipping hazardous materials and complying with customs and other legal requirements applicable to packages tendered for international transportation.

If you tender packages to a consolidator instead of to us directly, the following limitations apply:

- A.** Consolidators are not agents of FedEx, and we are not responsible for any errors or omissions made by them.
- B.** Inquiries or claims regarding shipments tendered to a consolidator must be directed to the consolidator. We cannot assist the shipper, recipient or third party in these situations, nor do we have any liability for lost, damaged or delayed shipments. The consolidator is the shipper in such cases.
- C.** Consolidators may submit claims for refunds or credits for shipping charges under the money-back guarantee policy. Neither the customer who tendered the package to the consolidator nor the recipient is eligible for refunds or credits under the money-back guarantee policy.
- D.** In order for a consolidator to receive packaging from FedEx, the consolidator must first enter into a Packaging and Pricing Agreement or a FedEx Authorized ShipCenter Agreement with FedEx.
- E.** Consolidators set their own rates for shipping. They may charge FedEx Retail Counter Rates for FedEx shipping services.
- F.** Inquiries regarding shipments paid for at a FedEx Authorized ShipCenter (FASC) must be directed to the FASC.
- G.** FedEx Ground assumes no liability, other than to the FASC, for lost, damaged or delayed shipments paid for at an FASC, as the FASC is the shipper of these packages. The FASC's bar code must appear as the shipper's bar code for all shipments paid for at an FASC. FASCs are independently owned and operated businesses. See the FASC representative for information regarding rates and services and the terms and conditions of carriage. FASCs are not agents of FedEx.

Package Restrictions (Size and Weight)

A. FedEx Ground will accept for transport packages that weigh up to the maximum package weight published in the FedEx Service Guide in effect at the time of shipment and that measure up to 165 inches in combined length and girth. FedEx reserves the right to assess additional handling, oversize package and unauthorized package surcharges on any package whose dimensions are altered during transit, causing it to meet the parameters for these charges.

MEASUREMENT OF LENGTH AND GIRTH:

- a. **Regular-Shaped Packages:** The length and girth of a package is length plus (two times the height) plus (two times the width). If the dimension includes a fraction, a fraction of one-half or greater will be rounded up to the next whole number; less than one-half will be rounded down to the next whole number.
- b. **Irregular-Shaped Packages and Regular-Shaped Articles With Hollow or Open Spaces:** To measure combined length and girth, assume the package or article to be enclosed in a six-sided, rectangular container, and then determine the combined length and girth as for regular-shaped packages.

B. Charge for Unauthorized Packages. In addition to the other rates and charges named in this tariff, a charge of \$50 per package will be assessed for the following conditions:

- Any package measuring more than 108 inches in length.¹
- Any package measuring more than 165 inches in length and girth combined.¹
- Any package weighing more than 150 lbs.¹

¹ Note: These packages are unauthorized, may be refused or returned to the shipper and will be delivered at the option of FedEx Ground.

Packaging and Marking

A. All packages must be prepared and packed by the sender for safe transportation with ordinary care in handling. Recipient address labels should be placed on both sides of each package with an additional label enclosed inside. Any articles susceptible to damage as a result of conditions that may be encountered in air ground transportation, such as changes in temperature, must be adequately protected by proper packaging. Each shipment must be legibly and durably marked with the name, address and ZIP code of both the shipper and recipient. The ZIP code is crucial to the efficient movement of the package through the FedEx Ground system.

New corrugated boxes in good, rigid condition large enough to allow cushioning of contents on the top, bottom and sides should be used. Items that cannot be packed into cartons (auto tail pipes, mufflers, tires, rims, and so on) must have all sharp edges and protrusions wrapped, and the address label must be secured using the tie-on tag or the tire/crate label provided by FedEx (or you may secure it by wrapping pressure-sensitive tape completely around the object). Briefcases, luggage, garment bags, aluminum cases, plastic cases, computer cartons or similar types of items whose outer finish might be damaged by adhesive labels, soiling, marking or other types of surface damage that is normal with ordinary care in handling should be placed in a protective container for shipment. Casters, wheels or rollers must be removed or packaged.

B. Fragile Articles/Orientation. Packaging for all fragile articles (including, but not limited to, electronic and electrical devices, scientific testing equipment, fragile glass, crystal, porcelain, or china) should be preapproved by FedEx Packaging Design and Development prior to shipping.

C. Package Inspection and Testing. FedEx Ground reserves the right to request a shipper to submit a representative sampling of the packaging for inspection and testing. If the shipper fails to comply with our request to inspect and test the packaging or the sampling fails FedEx testing, FedEx Ground will not be liable for any damages due to improper packaging.

D. Preshipment Inspection and Testing for Oversize Packages. At the sole discretion of FedEx Ground, FedEx Ground may require a shipper of packages classified as Oversize, as defined in the Rates section of the FedEx Service Guide, to submit a representative sampling of the oversize packaging for inspection and testing. If the shipper fails to comply with our request to inspect and test oversize packaging or the sampling fails FedEx testing, FedEx Ground will not be liable for any damage to shipper's oversize packages.

For general packaging assistance, contact FedEx Packaging Design and Development at 1.800.633.7019 or download packing, sealing and labeling tips at fedex.com/us/services/package/shipment/preparing. For information on how to submit your packaging for testing or evaluation, please call 1.800.633.7019.

Pharmaceuticals

You are responsible for complying with all applicable local, state and federal laws, regulations, ordinances and rules governing the shipment of pharmaceuticals. Packages containing pharmaceuticals must not have labels, markings or other written notice that a pharmaceutical is contained within. Select the Direct Signature Required Delivery Signature Option if you require FedEx to obtain a signature from someone at the delivery address, or the Adult Signature Required Delivery Signature Option if you require an adult signature for delivery. See the Delivery Signature Options section for details.

Pickup and Delivery

A. Pickup Service:

1. FedEx Ground may provide pickup service for a weekly pickup fee. An additional charge will apply to shippers who are invoiced for less than \$60 in weekly package charges. The weekly pickup fee applies to the shipping location associated with the FedEx Ground account number.
2. An alternate address pickup fee may apply to pickup service at shipping locations other than the location associated with the FedEx Ground account number.
3. Charges for pickup service shall apply in addition to the rates set forth in the FedEx Service Guide in effect at the time of shipment. Upon payment of the applicable pickup service charge, FedEx Ground will call at the shipper's premises once each business day, if required, to pick up packages for delivery to all points served by FedEx Ground.
4. The shipper agrees to declare all applicable additional charges on the Pick-Up Record or the Customer Shipping Record, if applicable. FedEx Ground reserves the right to assess additional charges on those packages that the shipper does not properly rate and to re-rate packages the shipper fails to rate properly.

B. Delivery. FedEx Ground does not offer a restricted-delivery service and may deliver to someone other than the person or entity named as the recipient. FedEx Ground may release the package with no signature at a residential address if none of the FedEx Delivery Signature Options are selected. FedEx will attempt to obtain a signature for shipments to nonresidential addresses. Where a signature is required, FedEx will make up to three attempts at delivery. A notice that delivery has been attempted will be left at the recipient's address after the first and second attempts. (See the Delivery Signature Options section.)

At our sole discretion, shipments having a declared value greater than US\$500 may not be released without a signature even where the release is otherwise authorized.

FedEx Ground may, at its sole discretion, utilize a postal service or an interline cartage agent for deliveries to remote rural areas. Packages tendered to a postal service or interline cartage agent may result in additional transit days. Contact a FedEx account executive for more information.

Shipments to hotels, hospitals, government offices or installations, university campuses, or other facilities that utilize a mailroom or other central receiving area will be delivered to the central receiving area, unless otherwise authorized and approved by FedEx Ground.

Plants and Plant Materials

Shipping of plants and plant materials is discouraged by FedEx Ground. FedEx Ground assumes no liabilities if such materials are damaged in transit or if damages result from delay of shipment.

Prohibited Items

You are prohibited from tendering the following items for shipment, and they will not be accepted:

1. Money, cash, currency, paper money and negotiable instruments equivalent to cash, such as endorsed stocks, bonds and cash letters.
2. Collectible coins and stamps.
3. All live animals. (Edible seafood, such as live lobsters, crabs or other types of fish and shellfish for human consumption, is acceptable, provided the shipper is in compliance with all local, state, and federal laws.)
4. Animal carcasses. (Animal heads and other parts for taxidermy may be accepted but must be properly packaged. This restriction does not apply to properly packaged meat or poultry products intended for human consumption.)
5. Human corpses, human body parts, human embryos, or cremated or disinterred human remains.
6. Shipments that require us to obtain a local, state or federal license for their transportation.
7. Shipments that may cause damage or delay to equipment, personnel or other shipments.
8. Lottery tickets and gambling devices where prohibited by local, state or federal law.
9. Hazardous waste, including, but not limited to, used hypodermic needles or syringes, or other medical waste.
10. Packages that are wet, leaking or emit an odor of any kind.
11. Live insects.
12. Shipments or commodities that are prohibited by applicable local, state or federal law.

13. Common fireworks.
14. Containers of liquids with a volume exceeding 8 gallons (32 liters) or 70 lbs. in weight.
15. Restriction for Service to Alaska and Hawaii. The following goods are prohibited: those of unusual value, hazardous materials (including ORM-D materials), household goods, commodities in bulk, commodities requiring special equipment or handling and those commodities injurious or contaminating to other lading, nondomesticated animal products, dangerous goods, firearms, foods, furs, hazardous substances or any materials regulated by the DOT or by the International Civil Aviation Organization (ICAO), jewelry, live animals, perishables, plants, seeds, and tobacco.
16. Handguns.

Notwithstanding any other provision of the FedEx Service Guide, FedEx Ground will not be liable for delay of, loss of, or damage to a shipment of any prohibited item. The shipper agrees to indemnify FedEx Ground for any and all costs, fees and expenses FedEx Ground incurs as a result of the shipper's violation of any local, state or federal laws or regulations or from tendering any prohibited item for shipment.

Proof of Delivery

A. Verification of Delivery. Shippers may obtain proof of package delivery, including delivery date, online at fedex.com or by calling FedEx Customer Service at 1.800.GoFedEx 1.800.463.3339. There is no additional charge for this service.

B. Shipment-Status Information. FedEx Ground may provide selected shippers a daily or weekly list generated from our shipment-status information. This list is provided so that shippers will have a quick, abbreviated record of packages shipped and received. Shipment-status files contain preliminary and incomplete delivery data. It is not intended or permitted to be used to file claims or to determine whether any individual shipment fails to meet FedEx Ground service commitments.

C. Automatic Proof of Delivery. With this option, FedEx Ground will send the shipper a signature obtained at time of delivery for those packages designated as Indirect Signature Required, Direct Signature Required or Adult Signature Required. Enrollment is required prior to participation in the Automatic Proof of Delivery program. If authorized by FedEx Ground to participate in this program, FedEx Ground will provide the shipper with their choice of letter of proofs of delivery, manifest proofs of delivery, or both, via any of the following media: fax, U.S. Postal Service, FTP (file transfer protocol) or CD-ROM. Contact a FedEx account executive for details.

D. P.O.D. Advantage. FedEx Ground may provide enrolled shippers weekly or monthly reports of delivery information. This data is provided so shippers will have easy accessibility to delivery information. P.O.D. Advantage reports contain preliminary and incomplete delivery data. It is not intended or permitted to be used to file claims or to determine whether any individual shipment fails to meet our service commitments. FedEx Ground will not be liable for its inability to provide P.O.D. information. An additional charge will be assessed.

Rate Quotations

Rates and service quotations by FedEx Ground employees and agents are estimates and will be based upon information the shipper provides, but final rates and service may vary based upon the shipment actually tendered and the application of this tariff. Rates quoted will vary depending on whether (1) the shipper is a FedEx account holder, (2) the shipper has discounts applied to his or her account and (3) the shipment is being dropped off at a staffed FedEx location.

- Shippers will be quoted FedEx Standard List Rates if:
 - They are FedEx account holders and they do not have discounts applied to their account and they have a shipment picked up at their location or they drop off a shipment at a non-staffed FedEx drop-off location; or
 - They are non-FedEx account holders and they have a shipment picked up at their location or they drop off a shipment at a non-staffed FedEx drop-off location.
- Shippers will be quoted FedEx Retail Counter Rates if they ship at the counter in staffed FedEx locations in the U.S. and pay with cash, check, debit or credit card instead of shipping on their FedEx account.
- Shippers will be quoted Account-Specific Rates if they have a FedEx account, have discounts applied to their account and if they charge their shipping to their FedEx account.

For the most current information regarding areas served and delivery commitments, check online at fedex.com or contact FedEx Customer Service at 1.800.GoFedEx 1.800.463.3339.

FEDEX GROUND TARIFF

Refusal or Rejection of Shipments

FedEx Ground reserves the right to refuse to transport any package that it, at its sole discretion, determines to be dangerous, hazardous or likely to soil, taint or otherwise damage other shippers' property or FedEx Ground equipment, personnel or contractors, or is improperly or insecurely packaged or wrapped, or is economically or operationally impracticable to transport. Packages must be packaged and wrapped so as to pass the procedures described in the Packaging and Marking section covering testing of the packaged products weighing under 150 lbs. (68 kg).

Return Options

A. FedEx Ground Return Options. FedEx Ground return options include FedEx Ground Package Returns Program (PRP), FedEx Ground Call Tag, FedEx Print Return Label and FedEx E-Mail Return Label. The FedEx Ground return options are subject to all other terms and conditions provided in the FedEx Ground claims regulations, and as a whole, the tariff. The contents of a return shipment are subject to the same restrictions and prohibited-item limitations as the original shipment.

B. FedEx Ground Call Tag and Electronically Transmitted Call Tag Service:

1. Shippers may request the recall of packages previously delivered either by:
 - a. Preparing a Call Tag Pickup List provided by FedEx Ground, or
 - b. Calling Customer Service at 1.800.GoFedEx 1.800.463.3339 and giving the locations of any packages to be recalled, or
 - c. Via electronic data transmission using the transmission means and data format specified by FedEx Ground.
2. The additional charge for FedEx Ground Call Tag or Electronically Transmitted Call Tag service is in addition to applicable transportation charges.
3. Service is unavailable for FedEx International Ground shipments to Canada and Puerto Rico.
4. FedEx Ground Call Tag and Electronically Transmitted Call Tag service are available for U.S. domestic shipments, including shipments to, from and within Hawaii and Alaska.
5. FedEx Ground Call Tag and Electronically Transmitted Call Tag packages are not eligible for incentives of any kind.

C. Written authorization from FedEx Ground is required to participate in the Package Returns Program (PRP). The maximum liability assumed by FedEx Ground for packages returned through PRP, FedEx Print Return Label or FedEx E-Mail Return Label shall be \$100. The shipper may declare a value up to \$25,000 for packages returned through the FedEx Ground Call Tag. The declared value of the FedEx Ground Call Tag may not exceed the value of the declared value on the original shipment. The shipper may not declare a value for a package returned to FedEx Ground through a damage call tag. FedEx Ground shall not be liable for any damage to a shipment or claim arising out of the use of a return option unless the package was lost during shipment or there was visible damage noted by the driver at time of delivery. FedEx Ground shall not be liable for any concealed damage for items returned by using PRP, FedEx Print Return Label or FedEx E-Mail Return Label. Receipt of a shipment without written notice of damage on the delivery record is *prima facie* evidence that the shipment was delivered in good condition. The FedEx Ground liability for any loss or damage arising out of an authorized return shipment shall never exceed the actual amount of damage or the declared amount, whichever is lower. All other terms and conditions related to FedEx Ground claims regulations and, as a whole, the tariff, shall apply for packages shipped through the use of a FedEx Ground return option.

Tobacco Products

Tobacco products will be accepted only when shipped from a licensed dealer or distributor to another licensed dealer or distributor. The shipper is solely responsible for compliance with any applicable regulations, which may vary from state to state.

Undeliverable Shipments

An undeliverable shipment is one that cannot be delivered for reasons that include, but are not limited to, any of the following:

- The recipient refuses to pay for a bill-recipient shipment.
- The recipient refuses to accept the shipment.
- The recipient's delivery address cannot be located.
- The shipment was addressed to an area not served by FedEx.
- The shipment's contents or packaging are damaged to the point that rewrapping is not possible.

- The shipment would likely cause damage or delay to other shipments or property or injury to personnel.
- The shipment contains prohibited items.
- The recipient's place of business is closed.
- No appropriate person was available to accept the shipment at a delivery location on the initial delivery attempt or reattempts.
- The shipment was improperly packaged.

A. Undeliverable shipments may be returned via FedEx Ground service at the payor's expense. Shipments will be returned via FedEx Ground service at no additional charge if the shipment is undeliverable because of damage to the shipment caused by FedEx. However, if the shipment is undeliverable for any other reason, FedEx Ground reserves the right to assess return transportation charges and fees to the original payor, along with the original transportation charges and fees.

B. Our money-back guarantee policy does not apply to undeliverable or returned shipments.

C. If a shipment cannot be delivered or returned or if the shipper or recipient cannot be contacted, the shipment may be transferred or disposed of by FedEx at its sole discretion, with or without notice, and the shipper, if known, agrees to pay any costs incurred in the disposal.

Warranties

FEDEX GROUND MAKES NO WARRANTIES, EXPRESS OR IMPLIED, AND EXPRESSLY DISCLAIMS ANY AND ALL WARRANTIES.

International Service Conditions

In addition to the preceding terms and conditions, the additional terms and conditions below apply exclusively to international shipments to Canada and Puerto Rico.

A. Billing:

1. Invoicing. Duties, taxes, clearance entry (brokerage) fees and ancillary clearance service fees may be assessed on the contents of shipments destined for Canada. These are payable by the importer of record (normally the consignee, unless otherwise indicated) in the first instance. For FedEx International Ground brokerage-inclusive shipments, duties and taxes may be billed to the shipper, recipient or third party. However, the payer of transportation charges will be billed for the clearance entry fee in all cases. Charges to the shipper's account in currencies other than U.S. dollars will be converted to U.S. dollars, using a weekly *Wall Street Journal* conversion rate corresponding to the pickup date of the shipment or, for FedEx International Ground Distribution, the date FedEx Ground takes possession of the shipment. A service fee may apply.

Regardless of any payment instructions to the contrary, the shipper is ultimately liable for all charges and fees relating to a shipment, including, but not limited to, any duties or taxes that FedEx Ground has advanced. Shippers are responsible for accurately completing all sections of the required export documentation and for the entry of accurate shipment information (including, but not limited to, commodity descriptions and values for duty) on the Commercial Invoice and in any electronic device or software program.

2. Responsibility for Payment. The shipper is responsible for all charges, including transportation charges, duties and clearance entry (brokerage) fees, ancillary clearance service fees, governmental penalties and fines, taxes, FedEx Ground attorney fees and legal costs related to this shipment, and charges related to broker unassigned shipments, or broker select shipments where the broker information provided is incorrect. The shipper will also be responsible for any cost FedEx Ground may incur in returning shipments to the shipper or warehousing them, pending disposition.

B. Customs Clearance. Brokerage-inclusive service is the automatic default for FedEx International Ground shipping on FedEx electronic shipping solutions. In some instances, at FedEx Ground's option, FedEx Ground may accept instructions from the importer of record to use a designated customs broker other than the broker arranged by FedEx Ground or the broker designated by the shipper. In this case, the shipment will no longer be considered a brokerage-inclusive shipment.

When FedEx Ground arranges clearance services, a clearance entry fee will be added as a surcharge to the transportation invoice to cover processes required to check the Commercial Invoice submitted with the shipment and to complete entry preparation procedures required by either U.S. Customs and Border Protection or the Canada Border Services Agency, including calculation of applicable duties and taxes for each type of commodity included in the shipment.

1. **U.S. Export Shipments.** You are responsible for and warrant your compliance with all applicable laws, rules and regulations, including, but not limited to, the export laws and government regulations of any country to, from, through or over which your shipment may be carried. You agree to furnish such information and complete and attach to the shipment such documents as necessary to comply with such laws, rules and regulations.

In addition, you specifically warrant that you will not tender any shipments to us if you are listed on the Denied Persons List maintained by the U.S. Department of Commerce. You also warrant that you will not attempt to ship to persons or entities listed as Specially Designated Nationals or Blocked Persons by the U.S. Treasury Department and that you will not ship items requiring a State Department license. FedEx Ground will not carry shipments that violate any U.S. export laws. We assume no liability to you or any other person for any loss or expense — including, but not limited to, fines and penalties — if you fail to comply with any export laws, rules or regulations.

Shipments crossing international borders must be cleared through customs in the destination country before being delivered to the consignee. You are responsible for providing FedEx with the importer of record's customs broker. This can be done by entering broker information on the Commercial Invoice or by selecting the broker select option and entering broker information in the automation device. If the importer of record is self-clearing the shipment through customs, you must specifically indicate that on the shipment documentation or clearance fees may apply.

The shipper agrees to provide all required documentation for the customs clearance and certifies that all statements and information on said documentation, including documentation submitted electronically, are true and correct. The shipper authorizes FedEx Ground to forward all information of any nature regarding shipments to any and all governmental or regulatory agencies that request or require such information. The shipper understands that making false declarations or statements may result in civil and criminal penalties, including forfeiture and sale.

If the shipper does not complete all documents required for carriage, or if the documents submitted are not appropriate for the services or destinations specified, the shipper hereby authorizes FedEx Ground, where permitted by law, to complete, correct or replace the documents for the shipper at the shipper's expense. However, FedEx Ground is not obligated to do so.

If a substitute form of Commercial Invoice is needed to complete delivery of the shipment, and FedEx Ground completes such a document, the terms of this tariff will continue to govern.

When shipments are held by customs or other agencies because of incorrect or missing documentation, FedEx Ground may attempt to notify the consignee or shipper, as determined by local law. If the consignee or shipper fails to supply the required information or documentation, the shipment may be determined to be undeliverable. FedEx Ground assumes no responsibility for the inability to complete a delivery due to incorrect or missing documentation. Shipments held by customs or other agencies because of incorrect or missing documentation will require additional transit time.

2. **U.S. Import Shipments.** Shipments originating outside the U.S. for delivery in the U.S. are subject to local tariffs and the service conditions of FedEx Ground. These service conditions include terms regarding the importation and customs clearance of shipments into the U.S. from Canada.

U.S. Customs regulations require the Social Security Number (SSN) of an individual and the Internal Revenue Service Employer Identification Number (EIN) of the U.S. consignee for certain shipments being imported into the U.S. This information must be included on the Commercial Invoice for all U.S. import shipments. The EIN or SSN must be on file with the U.S. Customs Service. Any changes to a company address, or the EIN or SSN, should be provided to FedEx Ground for system updating. Shipments that arrive in the U.S. that do not have the correct EIN or SSN may be detained until that information can be obtained from the consignee or determined otherwise. This requirement applies to shipments imported to the U.S. requiring a formal entry.

C. Duties and Taxes. In order to expedite customs clearance, FedEx Ground may elect to disburse duties and taxes on the importer's behalf. A FedEx Ground agent or employee may contact the importer to confirm arrangements for reimbursement of amounts to be disbursed. For brokerage-inclusive shipments, duties and taxes may generally be billed to the shipper, consignee or third party as designated on the Commercial Invoice or entered in an automation device.

If a consignee from whom reimbursement is requested refuses to pay assessed duties and taxes, FedEx Ground may bill the shipper. If the shipper refuses to make satisfactory arrangements for reimbursement, the shipment may be placed into a general order or customs-bonded warehouse. The shipper remains liable for all amounts advanced by FedEx Ground.

D. Inspection of Shipments. FedEx Ground, or its agents or brokers, may open and inspect any or all packages in a shipment at any time. This action may be initiated by FedEx Ground or at the request of government authorities.

E. Postal Codes and Telephone Numbers. The consignee's postal code, telephone number and contact name are critical information and should be included on both the Commercial Invoice and address label.

F. Prohibited Items. Subject to the terms and conditions of the FedEx Ground Tariff, FedEx Ground will not ship the following prohibited goods to Canada and Puerto Rico. This list is not all-inclusive and is subject to modification without notice. FedEx Ground reserves the right to open and inspect any package tendered for delivery. FedEx Ground will refuse and may return any shipment that is considered unsafe, unlawful, or violates the terms and conditions of the FedEx Ground Tariff.

1. Alcoholic beverages.
2. Ammunition of any kind.
3. All live animals, dead animals and animals that have been mounted.
4. Money, cash, currency, paper money and negotiable instruments equivalent to cash, such as endorsed stocks, bonds and cash letters.
5. Collectible coins and stamps.
6. Dangerous goods.
7. Firearms, weaponry and their parts (and replicas thereof to Canada).
8. Explosives, fireworks, flares, matches.
9. Furs.
10. Hazardous materials and hazardous waste, including, but not limited to, used hypodermic needles, syringes or other medical waste (shipments to Canada classified as "Other Regulated Materials — Domestic" [ORM-D] are allowed if they contain consumer commodities only and are properly labeled).
11. Human or animal remains, corpses, organs, embryos, body parts, or cremated or disinterred human remains.
12. Perishables (including, but not limited to, perishable food/foodstuffs/beverages, perishable pharmaceuticals, and any other items requiring refrigeration or other environmental controls).
13. Plants, plant materials and seeds, including cut flowers.
14. Pornographic and/or obscene material.
15. Tobacco, cigarettes and tobacco products.
16. Unaccompanied baggage.
17. Lottery tickets and gambling devices where prohibited by national, provincial, state or local law.
18. Shipments being processed under:
 - a. Duty drawback claims unless advance arrangements are made
 - b. Temporary Import Bonds
 - c. U.S. State Department licenses
 - d. Carnets
 - e. U.S. Drug Enforcement Administration export permit
 - f. Letters of credit
 - g. Certificate of Registration
 - h. Shipments moving into or out of United States Foreign Trade Zones or bonded warehouses.
19. Shipments that may cause damage to, or delay of, equipment, personnel or other shipments.
20. Shipments that require FedEx Ground to obtain any special license or permit for transportation, importation or exportation.
21. Shipments whose carriage, importation or exportation is prohibited by any law, statute or regulation.
22. Packages that are wet, leaking or emit an odor of any kind.
23. Improperly packaged shipments.
24. For shipments to Puerto Rico, any commodity that requires an export license or permit or other prior written authorization from the U.S. government under the U.S. export control laws, any package moving under an A.T.A. carnet.
25. For shipments to Canada, any commodity that requires a Shipper's Export Declaration (SED).

FEDEX GROUND TARIFF

(International Service Conditions, cont.)

G. Rural Surcharges. Canada packages destined to the Yukon, Northwest Territories and Labrador are restricted to a maximum 70-lb. weight limit and will incur an additional charge. The additional charge is in addition to applicable transportation charges. FedEx Ground will not accept shipments addressed to Puerto Rican highway contract route addresses or P.O. boxes.

H. Shipper Warranty. The shipper warrants that each article in each shipment will possess the required paperwork to export, will be properly described on the Commercial Invoice, will be acceptable for transport by FedEx Ground, and will be properly marked, addressed and packaged to ensure safe transportation with ordinary care in handling.

I. Undeliverable Shipments. The shipper may elect to have a shipment returned if the shipment is refused by the consignee or for any other reason cannot be delivered. If a shipment is returned to the shipper, the shipper is responsible for payment of both the original transportation charges and the return charges. All duties and taxes, assessed in the destination country as well as the origin country upon return, are also the responsibility of the shipper. All return charges are payable immediately upon request.

A shipper may elect to "abandon" the shipment in the destination country. If a shipment is abandoned, FedEx Ground, at its discretion, reserves the right to dispose of the merchandise. The shipper will be responsible for any charges associated with disposal.
