What's new in 2020?

- Over the next year we encourage residents to have all containers that the City services to be lifter compatible. This will ensure for more efficient service and safer handling for our wonderful men and women collecting waste.
- Bags of trash, beyond what fits inside the trash container (*with the lid closed*) may be subjected to bulk pick up fees.
- OOPS, our staff is noticing that recycling and trash is getting mixed in with yard waste. The landfill cannot continue to accept our trucks if waste is mixed. Stick to the new color code and only use containers for designated uses.

Toter Color	Waste Type
Black or Green	Household Trash
Blue	Recyclables
Brown *	Yard Waste

* Black and Green Containers are acceptable, but must be clearly labeled as "Yard Waste".

**Did you know about our CHIPPER service?
 We will bring our chipper truck to you.**

- A free service offered year round every Tuesday.
- Call the DPW Shop before noon on Mondays to schedule. (410) 272-1414
- Place brush and limbs neatly cut side facing the road.
- No limbs, branches or stumps over 6 inches in diameter.
- Do not bundle with twine, rope or place in a container.

SCARY Facts:

- Landfill space continues to rapidly deplete.
- In 2019 Aberdeen disposed of almost 3,800 tons of trash.
- It takes 500 years for an average size water bottle to fully decompose. Glass bottles take 4,000 years.
- The average American produces 4.4 pounds of trash every day.

Consider home composting

- Adds essential nutrients to soil.
- Healthier plants.
- Reduce landfill space.

Recycling Services

The City collects recycling weekly. All recycling must be placed in a designated Toter for collection. Exceptions that may be left next to the recycling Toter for pick up are large pails, buckets, lawn furniture, toys, coolers and items that are acceptable but are too large to fit in the container.

For a complete list of recyclable items visit, www.aberdeenmd.gov/edocs

The Single-Stream Recycling Program

To minimize health & safety risk please rinse all recycling containers.
