# Introduction to **Method 453**

## **Win the Pick 3 Game...Guaranteed!**

At the end of this book I have something very special. I will introduce you to my brand NEW system; **Method 453**. This is a very different system than all my previous systems. Actually, this is the **ONLY** system in my 20 plus years of studying the game that I can truly say **GUARANTEES** that you will get hits in the Pick 3 game on a **regular** basis!

Now let me clear things up before I go any further because I have had other systems in the past that required you to play outrageous amounts of numbers to win. The **Basic Box** system, for example, was a great system, but it required you to play **85** numbers per draw. This system gave you great coverage, obviously, but if the numbers went cold (and they did occasionally) or if several doubles hit back to back, you would lose any money you won **fast**. That is the risk you take when you play many numbers; a losing streak can wipe out your winnings in a hurry.

One of the great things about **Method 453** is that it only requires (on average) that you play 5 to **15** numbers per draw. There will be a learning and training period in the beginning when you play on paper and track the numbers on a special Excel tracking sheet that I will email you. There is also a paper and pen version of this tracking system. I provide more details on all of this at the end of this book.

After this training period, you should average **1 to 3 hits per week!** I don't think I have to tell you how much money this will put in your pocket! These numbers are box, but you can play the straight version of them if you can afford it; this will make the payout much larger!

Again, **Method 453** is the only system I have put out that **guarantees** regular hits in the Pick 3 game!

## Method 453 is My Ultimate System

Before getting into this book, I just want to point something out: **Method 453** is BEST system I have come up with in my 20 plus years of studying the Pick 3 game. That is saying a lot because I have come up with MANY systems over the years. For me to say that this is the BEST system must make this a very special system; and it is.

How did I come up with it?

I am currently writing **SECRETS-2** so I am obviously deeply focused on the material. In this book I explain a special Reference Box that can be used as a FIXED reference point in the game. This means that this Reference Box is always the same; it never changes. Therefore, it can be used to track and classify every number in the game.

It can also be used for something else: I can use it to **predict numbers**.

And while using this “super” Reference Box to predict numbers, I made an interesting discovery that makes it possible for me to: (1) make super accurate predictions and (2) keep my playlist around 15 numbers or less for every drawing. This discovery is the foundation of Method 453.

See the last few chapters of this book for more details!

## **Method 453** Replaces My Top System

I am always improving my systems – and I just did.

**Method 453** has now replaced the system I explained in the My Top System Kindle book. **Method 453** is now my #1 System.

My Top System is still valid - but **Method 453** is better.

## **Method 453: Winning is Guaranteed!**

I have been a bit quiet lately; I have not been putting up a lot of posts or sending out daily emails. However, I have been VERY BUSY with VIP members. I have been teaching VIP members some INCREDIBLE stuff lately.

So let me say a few things about VIP membership. VIP membership is \$60 a month and gives you access to several programs that regular members don't have access to. Here are the programs that VIP members have access to as of November 22, 2015 (notice the brand new section at the bottom: **VIP Reports**; these PDF reports contain my **most advanced** Pick 3 strategies):

### **VIP PROGRAMS**

- > MASTER NUMBERS-8
- > **2ND TRACK CONTROL LIST**
- > 2ND TRACK (FULL LIST)
- > NEW CONTROL LIST (80)
- > DR20 SYSTEM
- > REFERENCE BOX 10
- > REVELATION 20-40-60
- > CHEAT SHEET REPORT 300
- > PICK 4 LINEUP-10
- > NY FOLLOWERS
- > PAIR FREQUENCY FINDER 40
- > **VIP REPORTS**

## Join for ONE Month

Not everybody can afford paying \$60 every month. However, you can join for just ONE month to test out the benefits of membership.

And if you pay for just one month (\$60), I will immediately email you my Excel tracking sheet that tracks numbers using a brand NEW system which you will NOT find in any of my Kindle books or posts on my blog. This tracking sheet is based on the system that I describe in **SECRETS-2**. I will also send you a brand NEW PDF report:

### **Method 453: A Guaranteed Winning System**

I am not going to describe this system here, but I will say this: this is the BEST system I have come up with in my 20 years of studying the Pick 3 game (yea, **Method 453** is THAT good!). You will also have access to the VIP Programs I listed earlier (along with all the **VIP Reports** with my most advanced material).

If you join the VIP program for a month, I will throw in a few extra Bonuses as well:

## 4 Bonuses

You will get the following Bonuses when you join my VIP program for just a month:

**Bonus #1:** I will email you the **Method 453** report. **The information on this report is the most advanced material I have ever come up with in my 20+ years of studying the game.**

**Bonus #2:** I will email you my Excel Tracking Sheet. I will make a prediction right now about what your reaction will be when you see this tracking sheet. Your reaction will be: **“WOW!! This is incredible!”**

**Bonus #3:** You will get the PDF edition of **SECRETS-2** before it goes up on Amazon. No need for you to buy it on Amazon (it will be priced at **\$9.99**); you will get it before everybody else.

**Bonus #4:** You will automatically be a **7 Day Club** member; so I will email you the latest book in the series on Sunday morning.

# ONE TIME Payment of \$60

If you join my VIP program for a month, you will be making a **ONE TIME payment of \$60**. You will have access to both the regular and VIP programs for 30 days. And just to be clear: **you will NOT be billed again**. If you want to join again after the 30 days, you will have to contact me to **renew** your membership.

If you want to join my VIP program for a month, email me with: **“VIP for 30 Days \$60”** on the subject line and I will send you a Papay invoice for \$60 right away. For faster service, you can send me \$60 via my Paypal email: aa2newyork@aol.com. Write “VIP for 30 days” on the Notes section.

After you join, this is what will happen:

**1-I will give your account VIP access** so you can see the VIP programs when you log in. If you don't have an account, I will set up an account for you with VIP access. **You will be using the same login information you are using now; I will just give your account access to the VIP programs.**

**2-I will email you the Method 453 report.**

**3-I will email you my updated Excel tracking sheet.** This spreadsheet has the New York numbers, but once you understand what I am doing, you can copy it, and put in the numbers from your state. Then you will be able to track the numbers from your state on a **draw to draw** basis.

4-I will email you the PDF version of **SECRET-2** when it's ready. This book will go into more detail on my Excel tracking system and explain in great detail what I call the **Master Reference Box**. Everything I am doing now (including Method 453) is based on this “super” Reference Box.

## ACT NOW!

Email me at [aa2newyork@aol.com](mailto:aa2newyork@aol.com) with “VIP for 30 Days \$60” on the subject line and I will send you a Papay invoice for \$60 right away.

After I get payment, I will immediately email you the **Method 453** report and my **Excel tracking sheet!**
