4. Dr. Ashish Dutta

Profile – Dr. Ashish Dutta is one of the most well-known and respected Cosmetic Surgeons in the UK. He established his first clinic in Sunderland in the year 2000 under the name of Aesthetic Beauty Centre and started to focus his practise on non-surgical and laser procedures. Aesthetic Beauty Centre expanded as a brand and opened its second clinic in Newcastle in 2004.

Simultaneously in 2000 Dr. Dutta also obtained admitting rights at South Tyneside NHS Trust to do cosmetic procedures. He undertook a fellowship in Cosmetic Surgery and subsequently sat for the board certification exam of the International Division of the American Board of Cosmetic Surgery (ID-ABCS) through the World Academy of Cosmetic Surgery (WAOCS). He was a founding member of the World Academy for Cosmetic Surgery and was the secretary of the organisation from 2010-2016.

His keen interest in aesthetics of the body and the science behind it led him to develop his professional skills in the Cosmetic Surgery domain. He was one of the first doctors to bring Fraxel Laser and Thermage Skin tightening treatments to the UK. He also holds the B-Tech in Advanced Skin Laser.

Dr. Ashish Dutta is a visionary and has always understood people's needs to be able to look physically youthful and he endeavours to meet his patient-client relationships with very realistic expectations by thorough one-to-one consultations with each and every one of them. He is one of the General Medical Council (GMC) Specialist Register for Plastic Surgery and a member of the British Medical Association. (B.M.A.) and Hospital Consultants and Specialists Association (H.C.S.A.).

Dr. Ashish Dutta says "In medicine, most people come to see us due to illness or a health matter; however in cosmetic medicine or surgery we try to look after the patient's aesthetic needs, improve their confidence and help them get on with their lives."

Specialisations – He is expert in almost all the surgical and non-surgical cosmetic surgeries. But some of the cosmetic surgeries in which he is gaining best reviews from his happy patients are :

- Breast Augmentation
- Blepharoplasty
- Abdominoplasty

- Vaser Liposuction
- Gynaecomastia surgery
- Hair Restoration

Work Experience – 17 years
