

Incoming Student Website Overview

| Platform | Description | Use it to... |
|--|---|--|
| Career Management Center (Fuqua GTS) | Fuqua GTS is your online connection to the CMC | Access job postings and company information, CMC announcements, document library, and walk-up coaching calendar |
| Duke Hub | Student self-service application providing students with class registration information | Manage your academics: register for courses, view your academic history, monitor bursar account activity, request a transcript and make address updates |
| Duke Visa Services | Information on Visa Services at Duke | View rules and regulations around your visa class while on exchange |
| ePrint | The ePrint system enables you to print from your own computer to print stations distributed throughout Fuqua | Print on campus |
| Facebook | There is a private Facebook group specifically for your class | Be social: this page tends to be focused on social events that are not MBAA/Club sponsored as well as a way to stay connected to your peers at Fuqua |
| Fuqua World | A secured intranet for Fuqua students, staff & faculty | Connect to Fuqua: utilize Team Tools, review course evaluations and schedules, access other Fuqua key links and resources |
| International House | Provides educational programs, services and advocacy to Duke global community on campus as well as outreach to the greater Durham area. | Connect across Duke's international population: language clubs, global café, family resources, trips to Social Security Office, DMV, Target – join their listserv to stay up to date on current events |

Incoming Student Website Overview

| Platform | Description | Use it to... |
|--|---|--|
| Incoming Exchange Student Website | Your one-stop shop for all items related to your exchange at Fuqua | Stay Connected – Stay Informed: Everything from opening a bank account in the US and how to tip in restaurants, to the Fuqua Honor Code and setting up your computer |
| Information Technology | Dedicated to providing the best technology tools and services to the students, faculty and staff of the Fuqua School of Business in order for them to pursue their academic goals as efficiently as possible. | Access various tech platforms you have while at Fuqua: Network Storage, Printing, Remote Desktop, Wireless Networks, etc. |
| OrgSync | Houses events and information for Fuqua's Clubs, Organizations, and select Administrative Offices. The system facilitates event registration, provides a calendar of events and club websites, and gives methods for communicating from the Clubs. Information is maintained by group officers. | Stay in the loop: your first stop for learning what events are happening at Fuqua and joining clubs, etc. Find a complete listing of groups, the Fuqua events calendar, club specific pages and specific event information and registrations |
| Parking & Transportation | Duke department for commuting around campus, buses, maps, etc. | View commuting options on and around campus, campus parking permits, maps, and more! |
| Qualtrics | Provides flexible, robust survey software designed to balance simplicity and professionalism | Make & distribute surveys: all Fuqua students have access to Qualtrics via their Net ID |
| Student Health Center and Health Insurance | The Duke Student Health Center is the primary source for a wide range of healthcare services. Health Insurance (BCBS) covers you in the event that you need medical care outside of the Student Health Center. | Visit Student Health if you are feeling ill or need routine services. Visit a Duke medical office using your BCBS insurance if you are in need of immediate/emergency medical care |
