THE 2017 VIKING & VIKING VI REAL WORLD TOUGH REAL WORLD COMFORT

READY FOR ANYTHING. JUST LIKE YOU.

Built Real World Tough™ for America's hardest workers, the Yamaha Viking and Viking VI are engineered to tackle the toughest tasks, day after day, year after year. For 2017, all Viking and Viking VI models feature multiple enhancements, including a smoother, quieter cabin, additional rider conveniences and a reinforced chassis – resulting in the smoothest-running, strongest Vikings ever. All Viking SE and Ranch Edition models feature high-quality metallic painted bodywork, aluminum wheels, overfenders, underseat storage, and more.

Shown with Genuine Yamaha Parts and Accessories.

REAL WORLD WORK

You work hard for a living with no time for breakdowns or excuses. Yamaha Vikings work just as hard and are built to tackle the toughest chores, terrain and conditions, 24/7.

REINFORCED CARGO BOX WITH INTEGRATED ACCESSORY MOUNT

New cargo box further reduces noise and vibration inside the cabin, while the cargo bed rails now incorporate multiple mounting points to make adding genuine Yamaha accessories that much easier. A rubber cargo bed mat is included to enhance cargo carrying capability.

ULTRAMATIC® TRANSMISSION

**REAL
WORLD
TOUGH.™**

Shown with Genuine Yamaha Parts and Accessories.

QUIETER, SMOOTHER CABIN

A more rigid chassis, additional sound-damping material and revised cylinder head mount reduce vibration and quiet the cabin for a more relaxing, yet still supremely off-road capable ride at all engine speeds.

ULTRAMATIC® AUTOMATIC TRANSMISSION

The world's most advanced and durable drive system features dual-range (Hi/Lo) and reverse, plus all-wheel downhill engine braking.

ENGINE PERFORMANCE

Our 700-class fuel-injected engine provides plenty of power and torque to get you to the most remote spots – and back.

**VIKING EPS
SPECIAL EDITION**

CLASS-LEADING FEATURES

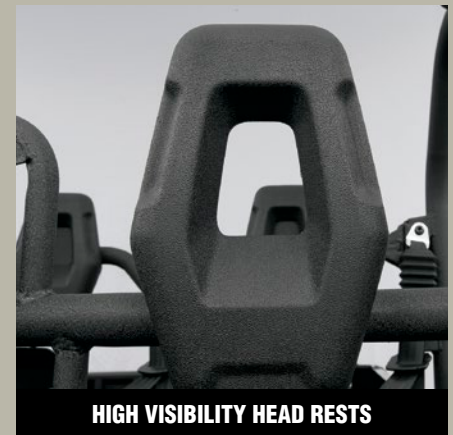

FEATURES

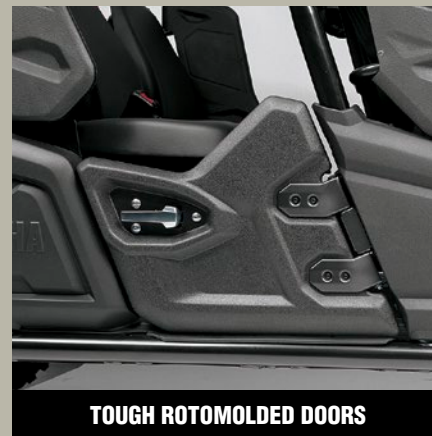

1. World's only true 3- and 6-seat Side-by-Side vehicles
2. Real steel 600 lb. capacity dump bed
3. Middle seats set back for comfort
4. Bucket seats w/ 3-point seat belts for all
5. Powerful 700-class FI engine
6. Available electric power steering
7. Underseat storage

600 LB. CAPACITY TILTING STEEL BED

HIGH VISIBILITY HEAD RESTS

TOUGH ROTOMOLDED DOORS

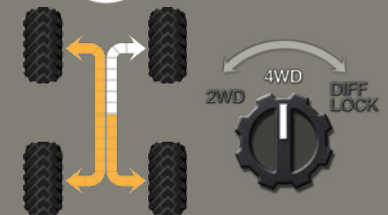

EASY-ACCESS AIR CLEANER

ON-COMMAND 4WD

All Vikings feature front differentials with On-Command® 2WD/4WD that lets you adjust for changing riding conditions. Unlike automatic on-demand type shifting differentials, On-Command lets the driver select the mode at will based on actual terrain.

2017 WOLVERINE R-SPEC FEATURES

THE SPORT ADVENTURE SPECIALIST

LEARN MORE ABOUT THE WOLVERINE R-SPEC

1. Digital display shows speedometer, odometer, dual trip meters, hour meter, clock, fuel gauge, gear position indicator and 4WD setting.
2. Durable cargo bed includes six steel tie-down points with removable tailgate.
3. Electric power steering reduces steering effort for a more comfortable ride.
4. Torquey 708cc engine is designed for smooth power delivery to tackle the most challenging terrain.
5. Center console incorporates two large storage areas and is removable for easy access to a no-tools air filter for easy maintenance.
6. ROPS-compliant roof support and standard sun top.
7. Contoured high-back seats provide a secure and comfortable ride.

Industry-Leading Ultramatic Transmission

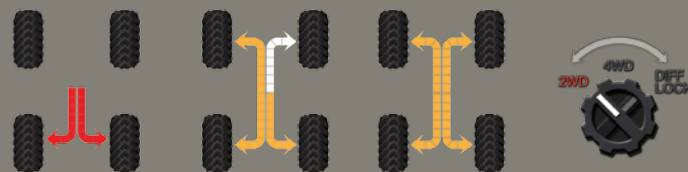

Adjustable Suspension

26" Maxxis® Bighorn 2.0 Tires

ON-COMMAND 4WD SYSTEM

The Wolverine and Wolverine R-Spec feature Yamaha's exclusive On-Command 4WD system that allows the driver to select between 2WD, 4WD limited slip and fully locked 4WD. This provides maximum traction, even on down hills with all-wheel engine braking, making Wolverine the most off-road capable Side-by-Side in its class.

On-Command® 4WD System

2017 WOLVERINE & WOLVERINE EPS

NOW AVAILABLE WITH YAMAHA ELECTRIC POWER STEERING.

The 2017 Wolverine offers the perfect combination of superior off-road capability with Yamaha's legendary durability and reliability. It's equipped with all the terrain-conquering Yamaha exclusive features that make the Wolverine R-Spec so great – like On-Command 4WD and Ultramatic transmission, but in a more value-oriented machine. And now, for 2017, the Wolverine is available with Yamaha Electric Power Steering. Prepare to take sport adventure exploration to a whole new level.

Yamaha's Proven On-Command 4WD

THE YXZ1000R – THE WORLD'S FIRST PURE SPORT SIDE-BY-SIDE

THE 2017 YXZ1000R.

The YXZ1000R has redefined the entire sport Side-by-Side category. It features the industry's first 3-cylinder, 12-valve, DOHC, liquid-cooled, 998cc engine with sequential 5-speed manual transmission for a stratospheric level of pure sport excitement, plus class-leading, fully adjustable long-travel Yamaha-Spec FOX 2.5 Podium front and rear shocks – for unmatched performance, confidence and comfort through tough terrain and over deep whoops. The 2017 YXZ1000R. The ultimate pure sport Side-by-Side.

CLICK HERE TO LEARN MORE

1. Yamaha-exclusive 27-inch Maxxis Bighorn 2.0 tires with standard 14-inch cast aluminum wheels. 2. LED headlights give the best possible illumination with low power consumption and long service life. 3. Yamaha's proven electric power steering (EPS) provides the best balance of assist and positive feedback, providing maximum comfort and confidence. 4. Four-wheel disc brakes with twin piston calipers for superior power and feel. 5. Plush contoured high-back, cut-and-stitch seats with 8-position adjustable driver's seat, 3-point seat belt, soft-grip tilt-adjustable steering wheel, and a full-function digital meter with tachometer and shift light. 6. The cargo bed provides the best combination of functionality and durability and is rated to carry up to 300 pounds.

TRIPLE THE PERFORMANCE.

The YXZ1000R and YXZ1000R SS are the world's first pure sport Side-by-Sides to feature a 3-cylinder engine, which is strategically mounted low in the vehicle to provide a low CG feeling. The compact 998cc, 12-valve, DOHC, liquid-cooled engine features quick acceleration up to its indicated 10,500 rpm redline. High-performance cams help the engine produce broad, linear torque while triple throttle bodies ensure quick and efficient throttle response.

Yamaha-spec FOX 2.5 Podium Front Shocks

Yamaha-spec FOX 2.5 Podium Rear Shocks

YAMAHA-SPEC FOX 2.5 PODIUM SHOCKS

The YXZ1000R and YXZ1000R SS are equipped with Yamaha-spec FOX 2.5 Podium front and rear shocks tuned specifically to provide class-leading handling. The highly adjustable shocks feature adjustable Hi- and Low-speed compression, adjustable rebound and adjustable preload settings. The rear shocks utilize a bottom-out cup (BOC) that helps maintain ongoing comfort while reducing the chance for bottoming out in extreme conditions.

TEAM YAMAHA BLUE

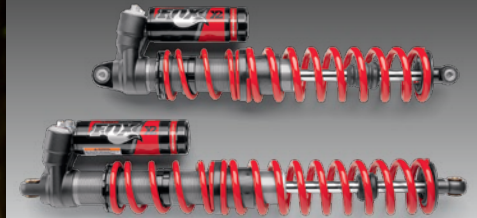

YXZ1000R SE AND YXZ1000R SS SE FOX X2 SUSPENSION

CLASS-LEADING SHOCKS OFFER CLASS-DEFINING PERFORMANCE.

In addition to coming with color-matched bead-lock wheels and stylish matte black paint, the YXZ1000R Special Edition and YXZ1000R SS Special Edition come with FOX 2.5 Podium X2 suspension. This all-new suspension was designed exclusively to provide superior high-speed handling and a comfortable, confidence-inspiring ride across a wide variety of terrain and during all-day off-road punishment.

Professional drivers on closed course.

INDUSTRY-FIRST TWIN-WALL SHOCKS.

The new FOX 2.5 Podium X2 suspension was developed with Yamaha exclusively for the new 2017 Special Edition YXZ models. The piggyback reservoir shock bodies feature an industry-first, twin-wall design with position sensitive damping (internal bypass). This design helps decrease shock cavitation, providing a higher-quality damping feeling.

ULTIMATE COMFORT AND PERFORMANCE.

The FOX 2.5 Podium X2 suspension features a dual-spring design with crossover adjustment, allowing the driver to tune the engagement point of the second spring rate. Independently adjustable High- and Low-speed compression and rebound damping provides a wider range of adjustment for ultimate slow-speed comfort without sacrificing performance during aggressive driving situations.

6555 Katella Avenue, Cypress, CA 90630

Whether it's ATVs, Side-by-Sides, motorcycles, snowmobiles, outboard motors, watercraft or generators, one fact remains the same: Yamaha continues to be the leader in offering the world's most complete—and most diverse—lineup of motorsports products. At Yamaha, we've been building the industry's finest-engineered ATVs for more than 25 years. And now, as always, with forward thinking our number-one priority, we're still striving to bring you the most innovative and best-performing machines in the world. Because we know there's only one place Yamaha owners want to be. Out front, leading the pack.

Always protect the environment and wear your seat belt, helmet, eye protection and protective clothing. Read the owner's manual and the product warning labels before operation. Some vehicles shown with optional accessories. There are few joys in life equal to the free-spirited thrill and experience of Side-by-Side riding. And that's why it's important for all of us to do our part as responsible riders. By following logical, commonsense rules, we can maintain season after season of unparalleled enjoyment of our sport. •Please remember to "Tread Lightly." Always ride in a responsible manner, respecting the environment as well as all state and local laws. The riders in this brochure are professionals; don't attempt to emulate them. Specifications subject to change without notice. Some models shown with optional accessories. *Wet weight includes the vehicle with all standard equipment and all fluids, including oil, coolant (as applicable) and a full tank of fuel. It does not include the weight of options or accessories. Wet weight is useful in making real-world comparisons with other models. All Side-by-Sides come with a six-month Limited Factory Warranty. See your dealer for details. ©2016 Yamaha Motor Corp. U.S.A. All rights reserved.

Y.E.S. provides complete peace of mind, with nationwide coverage at any Yamaha dealer that protects you from expensive repair bills by extending your warranty. Plus, there's no deductible, and Y.E.S. is fully transferable. For more information and a rate quote, see your dealer or visit yamhamotorsports.com

IN THE FIELD - Yamaha is proud to be associated with Ducks Unlimited®, Buckmasters®, Safari Club International and Rocky Mountain Elk Foundation—organizations that share our belief that education, careful stewardship and conscientious use of the earth's resources are the future for all outdoor enthusiasts. When it comes to sustainable enjoyment of the outdoor pursuits we all have in common, it's imperative that we work together toward our common goal of leaving the world a better place for our children to enjoy.
