

# API Access Form

Complete the required fields in the form and save it locally before emailing it to [GlobalAPIOps@bofa.com](mailto:GlobalAPIOps@bofa.com). You will receive confirmation once your submission was received. Once your setup is complete you will receive your Client ID and Secret, via a secure mail which allows you to register for Secure Messaging.

All PSD2 TPPs requesting Setups will be validated as Authorised with the National Competent Authorities. You will be notified when setup is complete.

- If you are a Bank of America CashPro Client interested in our APIs, please complete sections: 1, 2, 3, 5, 6, 7.
- If you are a TPP (Third Party Provider), an AISP (Account Information Service Provider), a CBPII (Card Based Provider), or a PISP (Payment Initiation Service Provider) please complete sections: 1, 2, 4, 5, 6, 7.
- If you are a Bank of America CashPro Client interested in our Global Digital Disbursement Statuses API, or the U.S. Real Time Notifications API, please complete sections: 1, 2, 3, 5, 7.
