### **\* University Breadth Requirements**

All students must fulfill the University Breadth Requirements in the four areas of Creative Arts and Humanities; History and Cultural Change; Social and Behavioral Sciences; and Mathematics, Natural Sciences and Technology. ETE students take courses that automatically satisfy all of the categories except Creative Arts and Humanities. **Please note that Creative Arts and Humanities is different from the Fine Arts requirement for the ETE program.** Students can satisfy the Creative Arts and Humanities category by taking a course that counts toward their program and the Creative Arts and Humanities category simultaneously (e.g., MUED391, THEA 104, ENGL 280, GEOG 203); they do not need to take an extra course beyond the ETE program requirements to fulfill this University Breadth Requirement. The courses that satisfy the University Breadth Requirements are listed online at [http://AcademicCatalog.udel.edu/Pub\\_ShowCatalogPage.aspx?CATKEY=CATKEY\\_21\\_10&ACYEAR=2015-2016](http://AcademicCatalog.udel.edu/Pub_ShowCatalogPage.aspx?CATKEY=CATKEY_21_10&ACYEAR=2015-2016)
