TEALITY

REDEFINING THE MEANING OF TEASPOON

To redefine is to define something again or differently. Traditionally, tea is known as a soothing hot beverage or a refreshing iced drink. But Teality, PreGel's new line of tea-flavored Super Sprint powdered flavor mixes, is the representation of tradition modernized. Chai, Earl Grey, Green, and Peach tea can now be savored on a spoon, redefining the definition of teaspoon. Create a different kind of vibe for tea time. Forget about having a spot of tea, and instead, invite your customers to a spoon of tea.
