

WELCOME TO TROP ADVANTAGE®.
WELCOME TO MORE BENEFITS.

HOW DO I USE MY TROP ADVANTAGE® CARD?

Your TROP ADVANTAGE® Card is your key to many rewards, so be sure to use it when playing slots & table games.

SLOT PLAYERS: You must have your TROP ADVANTAGE® Card properly inserted into a slot machine in order to earn tier points and Trop Cash.

TABLE PLAYERS: Play will be rated at a table game by presenting your TROP ADVANTAGE® Card to a table supervisor. You'll earn tier points based on the game played, average bet and time played.

WHAT ARE TIER POINTS?

Tier points are utilized to determine card level. They are earned based on your gaming activity between January 1 through December 31 each year, and are reset to zero every year. Tier points will help you move to a higher card tier. The more you play, the higher your status, the better your rewards!

HOW DO I EARN TIER POINTS?

SLOTS: \$3 coin-in = 1 tier point

VIDEO POKER: \$6 coin-in = 1 tier point

LIVE POKER GAMES: 1 hour played = 30 tier points

TABLE GAMES: Tier points are awarded at the discretion of Lumière Place staff based on the game being played, the average bet and the amount of time played.

WHAT IS TROP CASH?

Trop Cash is promotional value that may be awarded to players who participate in gaming activity at Lumière Place and who are members of TROP ADVANTAGE®. Trop Cash can be used by players for slot play, approved dining outlets, retail shopping at one of Lumière Place's on-site outlets, hotel stays or even cash back in accordance with the following:

SLOT PLAY: 1:1

MORTON'S THE STEAKHOUSE: 1:1

SELECT DINING, SHOPPING AND HOTEL COMPS: 1:2

CASH BACK: 2:1

EXAMPLE: \$10 Trop Cash = \$10 Bonus Slot Dollars OR \$20 for dining, shopping and hotel stays OR \$5 cash back.

HOW DO I EARN TROP CASH?

Trop Cash is awarded through the Lumière Place slot management system based on predetermined formulas regardless of the outcome of the gaming activity. These formulas award Trop Cash based on the type of game played, average bet and tier point level of the player (among other factors).

The Lumière Place slot management system is complicated and subject to change. Depending on the type of game played, average bet and tier point level of the player (among other factors), there may be instances in which Trop Cash is earned in such a nominal amount that game play by a patron may result in no Trop Cash dollars being awarded for a particular gaming session. All questions with respect to Trop Cash awards should be directed to the TROP ADVANTAGE® CENTER at Lumière Place.

WHEN DOES TROP CASH EXPIRE?

After 6 months.
