>Welcome FIRST Teams!

Fired up? Ready to go? Autodesk is helping you succeed. [Join the Education Community.](#)

Free Software for FIRST Teams! | Training Resources | Awards

Design your robot with your own copy of the same design software used by cutting-edge professionals all over the world.

Download and learn to use the latest versions of Autodesk Inventor Professional and Autodesk SOLIDWORKS. Explore Autodesk SketchBook Pro for brainstorming the design of your robot and incorporating your animation. Use Autodesk Maya for 3D modeling and simulation.

How to download now:

1. Join the Education Community
2. Visit the Download Center
3. Select your product and go!

Push the boundaries of your design with Autodesk software. Download the same, full version software that over 9 million designers, engineers and digital artists are using at 100 percent of Fortune 100 companies in over 150 countries around the world.

Welcome FIRST Teams!

You are only three quick steps away from completing our registration process.

Step One: Enter your team number, team name, and email address below.
Step Two: Select your region.
Step Three: Complete the registration form.
