FROM THE DESK OF **MARCUS LAMB**

Dear Partners & Friends,

When I was praying about this letter, the Lord spoke to me and said, **“Tell my people to finish the year strong! Tell them that how they finish the year will determine how they start the new year.”**

All you need to do is just end the year in faith & obedience.

Because of your faithfulness in the past, I know that you are a **kind** and **caring person!**

So I am asking you to **pray about** what God wants you to do to **“finish the year strong.”**

Here are some things you could do:

- 1) **Pay your one-time gift pledge**
- 2) **Pay on your monthly pledge**
- 3) **Give an extra one-time gift for Israel**
- 4) **Give a non-cash gift like: stocks, bonds, land, a building, jewelry, or a vehicle**
- 5) **Inquire about investing with Daystar in a Charitable Gift Annuity**
- 6) **Contact our Estate Planning Department about including Daystar in your Will**

I believe you will **pray** and ask the Lord what you should do! (So thank you in advance.)

Joni & I just came back from ministering internationally for **Pastor Brian Houston at Hillsong Church in Sydney, Australia, Pastor Joseph Prince at New Creation Church in Singapore and Pastor Kong Hee at City Harvest Church in Singapore.**

We will be showing the tapes of these services in a few weeks as specials on Daystar.

Joni & I, and the entire Lamb Family of: **Jonathan, Suzy & little Israel, and Rachel & Rebecca** love and appreciate you very much! We ask you to pray daily for our family and for Daystar.

P.S. Be sure and send in your **Prayer Requests!**

Yours For Christian Television,

Marcus D. Lamb

He had some before but nothing this time. He has a few stitches but is healing well. He is 85 years young! Praise God!”

From Joni's
Heart...

I just love the Christmas season – especially here at Daystar! One of our favorite Christmas traditions here at our headquarters in Dallas, Texas is putting up a beautiful display of sparkling white Christmas lights all around the property. Visible from the highway outside our building, these lights remind all those who pass by of the joy that is Christmas and the good news that is the birth of Jesus Christ.

Our culture works hard to take Christ out of Christmas, which means that we, as Christians, need to work even harder to share the real reason for the season – Jesus' birth! This year, we are excited to be able to do this in a tangible way here on property through a life-size nativity scene display –

Daystar's Life-Sized Nativity Scene

complete with angels, shepherds, wise men, animals, and of course, Mary, Joseph and the baby Jesus. If you live in the Dallas/Fort Worth area, be sure to drive past Daystar in the coming weeks to see the display – it is beautiful!

But wherever you are and whatever you may be doing this Christmas season, remember to take the time to share the love and joy of Christ with all those you meet. Because of His birth, we have the promise of everlasting life with Him one day – and that truly is a reason to celebrate!

SPOTLIGHT
devotional

by Alan Bullock

I celebrate Christmas because it's the beginning and end of all Christian belief. Your life, my life, every Christian's life is founded in the birth of Christ.

If Christ had not been born, then any road, any religion would get us there. Because of His birth, life, death and resurrection – ALL men have hope (1 Peter 1:3). They have a Way, a Truth and a Life to follow (John 14:6). God the Creator did his most extraordinary work in the creation of a baby born of

a virgin. No other birth in all creation has ever rivaled the birth of God's Son Jesus. Out of Mary's womb he exploded – transforming all that came in contact with Him. Jesus – the Word made flesh – was God's full and complete revelation of the Father himself (John 14). Out of the ordinary the Father birthed the extraordinary.

This "very God and very man" came into a world filled with sin and lack; yet, the baby, the Christ, possessed undiluted divinity and unadulterated

humanity to change the unchangeable in man (John 1:1; Luke 19:10). This "I AM (Gr-ego eimi)" came to bring joy through salvation to the "I am nothings" of this world. After 2,000 years, Jesus is still inviting the hungry, hurting, and helpless to join him at the banqueting table of life (Matthew 11:28-30). His glorious life-filling spirit (Shekinah) is still spilling out extravagantly upon – and indwelling – all who truly seek him.

WHAT DOES THE FUTURE HOLD IN STORE? WHAT WILL THIS YEAR BRING?

I'm asked these questions continuously - all the more so now with the release of *The Mystery of the Shemitah*. The Shemitah is the biblical seventh year. It holds a mystery that goes back to ancient times, and is affecting your life, your economic and financial well-being, the future of America, and the world. This now is the year of the Shemitah. The word shemitah can mean "the fall," "the shaking," even "the collapse." And the amazing thing is that in past shemitah years, there has been one collapse after the other, from the crashing of Wall Street, to global cataclysm. One of the reasons I wrote the book is so that God's people would be ready.

I was led in the book to reveal dates. But should we be focused on dates? No. Nothing has to happen on any date this year or even in this year itself. On the other hand, the mystery could manifest during this time. But whether it takes place during the Shemitah or beyond it, I believe a great shaking is coming to America and the world, and that our nation is heading towards judgment. Is it wise to prepare for times of calamity? Yes. At the same time, there is only one safe place to be - in the will of God. The word "safety" in Hebrew is "Yeshua." And "Yeshua" is Jesus. The safest thing you can do is to get every part of your life into Jesus and God's perfect will.

Remember, too, Shemitah means "release." The Shemitah was appointed to be a year of Sabbath - to release and be released - to put aside other pursuits, worldly pursuits, lesser pursuits, distractions, and entanglements, to seek the Lord, and to draw near to Him as never before. Make that your goal for this year - and your commitment.

If you do this, then no matter what else may come, it will be for you a year of release, breakthrough, and victory.

May God greatly bless you!
