

Doha Pearl Football Academy

"A football journey the way it's meant to be"

Doha Pearl Academy is unique in Doha, the syllabus and pathway formed take it's players into the QFA through the established and successful Pearl FC who have recently been crowned 2019 Champions of the QAL and gives them automatic promotion to the Qatar Stars League 2.

Our Academy's essential football learning and holistic development syllabus for youth development will guide your child through discipline, learning, problem solving, fitness, vision, focus, awareness and teamwork to ensure in repeated football scenarios your child's talent potential is pushed through our bespoke player pathway.

Player Pathways are so important because it gives you short term and long term goals in development of individuals, units and teams technically, tactically, physically, mentally and socially.
