MY DRIVING CONDITIONS

Please select all of the customer's typical driving conditions:

- Repeated short-distance driving (less than 5-10 miles).
- Extended periods of idling or low-speed operation.
- Extensive use of brakes.
- Driving on unpaved, gravel, muddy, rough, dusty or sandy roadways.
- Driving in areas where salt or other corrosive materials are used.
- Driving with heavy load or workload on the vehicle such as towing, mountain roads, or commercial use.
- Driving for a prolonged period in cold temperatures and/or extremely humid climates.
- More than 50% driving in heavy city traffic, during hot weather above 90°F (32°C).
- None of the above.

Based on your selections above it looks like you experience **Normal** driving conditions. Refer to our user's manual for appropriate maintenance schedule.
