HELOCK ⁷ (Home Equity Line of Credit): <i>LTV up to 90%</i>	5, 7, 10 & 15 years available	3.60 - 13.55%

- Length of term available is determined by the loan amount, the value of the collateral and the credit worthiness of the borrower(s). Some restrictions apply.
- APR = Annual Percentage Rate. Tiered Rates, range of rates that are offered, based upon credit worthiness of the borrowers.
- On your fourth product, take advantage of a .15% rate increase on Share Certificates or .25% decrease on fixed rate and term loans. Required products include: a savings account, a checking account, and one additional deposit or loan product.
- Loan approval subject to minimum qualifications. No previous charge-offs, no negative shares, and 10 or less NSF's. Membership must be open for a minimum of two months. No more than three (3) Payday Alternative Loans per membership will be allowed within any rolling six-month period.
- Variable Rates features. The ANNUAL PERCENTAGE RATE (APR) is based on the value of an index, which is the Prime Rate published in the Money Rates column of the Wall Street Journal. When a range of rates has been published, the highest rate will be used. The APR can change on the first day of each month following the index change. To determine the APR that will apply to your account, we add a margin to the value of the index. The margin that will apply to your plan will be based on your credit worthiness and will be disclosed on your Disbursal Receipt. The maximum APR that can apply is 18.00% or the maximum permitted by law, whichever is less. The minimum APR that can apply to your loan account will be based on your credit worthiness and be disclosed on your Disbursal Receipt. Please contact us for details regarding how your margin and minimum APR are determined.
- For loans secured by specific funds in a savings account, the Annual Percentage Rate (APR) is determined by the current dividend rate being paid on the share accounts offered as security plus 3.00%. The APR on your loan will adjust when the dividend rate on your share account pledged as security changes. An increase in the APR will result in more payments in the same amount.
- HELOCK. You have the ability to convert portions of your Home Equity Line of Credit into a fixed rate balance.
- Emergency Relief Loan. Loan amount and rate may vary based on the credit worthiness of the borrower(s) and other criteria. Member must show proof of unemployment. Membership must have been opened before February 15th, 2020. Must be current on all loans. No prior losses with Clackamas. Only one (1) relief loan per member. Offer subject to end as determined by credit union management.
