PROCEDURES FOR ADMISSION OF OUT OF DISTRICT STUDENTS

- A student who resides outside the city limits of Scottsboro, but in Jackson County, is considered an out of district student and is subject to these procedures. Proof of residence must be provided to show Jackson County residency. Students of an employee are not subject to the provision that requires residency in Jackson County. Any student not residing in Jackson County may be eligible for enrollment as deemed appropriate by the Superintendent subject to the established procedures.
- **All** out of district students **must** submit an application each year they are in school.
- Students who move from the city limits during the school year will immediately be considered out of district and are subject to these procedures.
- Out of district applications may be obtained at the central office, local school, or online. However, they can **only** be submitted to the Central Office in the Page Administration Building to Mrs. Angela Guinn. For 2020-2021, the window for application **is April 6 through May 15** for both returning and new Out of District students. Tuition **is due** at the time of application for **returning students**. Tuition **is due** for **new students** upon acceptance to the Scottsboro City Schools from June 1-4 and June 8-11. Applications and tuition for returning and new Out of District students may be accepted after the May 15 deadline if deemed appropriate by the Superintendent and will incur a \$50 late fee per student. All past due required student fees must be paid current.
- Admission of out of district students will be based on availability and other factors as determined by the Superintendent.
- Priority factors for enrollment include but are not limited to the following: (1) children of employees; (2) students enrolled the previous year; and (3) siblings of students enrolled the previous year.
- Applications may be denied if certain services are not provided at a given school.
- Along with and at the time of the Out of District application being submitted, **first time** student applications **must submit** attendance and behavior records from the previous school as well transcripts (high school) or report card and standardized test scores (elementary) from the former school. Out of District applications **will not** be considered for acceptance without all of the aforementioned documents. Once accepted, an out of district student's eligibility **may be immediately** withdrawn during the 2020-21 school year based on the previously mentioned reasons or other reasons deemed appropriate by the Superintendent.
- Before final acceptance, the school principal may require an interview with the parent and student.

- Transportation services are **not** provided. Therefore, the parent or guardian is responsible for transportation to and from the assigned school. Any efforts to supersede this requirement will result in dismissal.
- Admission as a student does **not** guarantee athletic eligibility.
- After acceptance, parent/legal guardian will be expected to provide necessary documentation for enrollment to the assigned school. **ONLY PROOF OF ALABAMA COURT APPOINTED GUARDIANSHIP OR AN ORDER OF CUSTODY GRANTED BY A COURT OF COMPETENT JURISDICTION WILL BE ACCEPTED AS DOCUMENTATION OF LEGAL GUARDIANSHIP.** Due to the unique nature of circumstances, documentation requirements may vary as determined by the Superintendent.
- Beginning with the 2005-06 school year, students residing outside the Scottsboro City limits but within Jackson County shall be charged tuition. Tuition will **not** be prorated and is non-refundable. Any student enrolled as an out of district student prior to the 2005-06 school year or siblings of those students will not be charged tuition provided there is **no break** in enrollment. **Any** break in enrollment after the 2005-2006 year will negate the grandfathered status.
- The cost of tuition will be \$400 per year for the first student enrolled and \$200 per year for each additional student enrolled. Tuition may be increased at any time for the upcoming school year.
- Tuition payment can **only** be submitted to the Central Office to Mrs. Angela Guinn. Children of employees will not be assessed tuition.
