

2005 Missouri School District Numbers by County

Your Missouri school district number **must be entered on your income tax return**. This information is supplied to the State Department of Elementary and Secondary Education and is used in determining the amount of state aid to your school district.

Enter the number of the public school district where your residence is located.

The Missouri public school district names and numbers are listed alphabetically by school district name. Generally, the name of your public school district is also the name of the city, town, or village where your public school is located.

Do not write the name of the school district on the return. Enter only the number of the district in the following list. For example:

- All public schools located in the City of Springfield are in "Springfield R-XII" School District, and number "475" should be entered in the space provided.

- All public schools located in the City of Columbia are in "Columbia 93" School District, and number "098" should be entered in the spaces provided.

The following should be considered in determining your public school district number:

- Determine your public school district at the time of completing your return.
- If you live in one school district and work or have a permanent or temporary mailing address in another, enter the district number where you live.
- If you are in military service or a student temporarily living and working away from your permanent residence, enter the district number of your permanent residence.
- If you were a part-year resident of Missouri, enter the school district number of your residence while living in Missouri.
- If you are a "nonresident" of Missouri, your school district number is "347".

If you are unable to determine your school district number from these instructions, call the public elementary or public high school of your school district.
