

# Who is eligible for AutoCheque?

AutoCheque is available to all Lexus Financial Services (LFS) retail finance plan or lease customers. Your account must be current to qualify for AutoCheque.

### Is there a fee for AutoCheque?

As an added service to our customers, LFS does not charge a fee for the convenience of AutoCheque. However, your financial institution may charge a fee for electronic funds transfers so be sure to ask about any applicable fees.

# How do I sign-up for AutoCheque?

Enrolling in AutoCheque is simple with the attached enrollment form. All you need to do is complete the form, attach a voided check or savings deposit slip (depending on the source account that you choose), and submit them to your LFS Customer Service Center.

### How will I know that AutoCheque is activated and my first payment has been electronically debited?

After your enrollment is processed, you will receive a letter notifying you of the date your electronic payments will begin. Continue to make payments until you receive this confirmation letter.

Be sure to monitor your checking or savings account to ensure that withdrawals are made each month, especially the first month. In the unlikely event that an electronic payment is not automatically made, you will need to write a check for payment since AutoCheque cannot initiate payments after your due date.

### What if I change banks?

If you change financial institutions, contact your LFS Customer Service Center at 1-800-874-7050 to obtain a new AutoCheque enrollment form. Complete the form and submit it along with a voided check or savings deposit slip from your new account. Be sure to allow at least 14 days prior to your next payment due date for the change to be effective.

### When will the electronic withdrawal occur?

Each month your payment amount will be automatically debited from your checking or savings account on your payment due date. If the date falls on a weekend or holiday, the withdrawal will occur on either the holiday or the next business day, depending on your financial institution's schedule.

### What happens in the event of a rejected payment request?

Electronic withdrawals may be rejected by your financial institution due to reasons such as insufficient funds or closed accounts. Should this occur, you must write a check and remit your payment. Once current, your next month's payment will be electronically debited as scheduled.

### What if I chose to discontinue AutoCheque?

You are free to discontinue AutoCheque at any time. All you need to do is send a signed letter to your LFS Customer Service Center. AutoCheque will be discontinued in approximately 5–7 working days after receipt of your request.

# What if I chose to pay off my account balance early, or trade or sell the car prior to maturity date?

This process is the same as if you chose to discontinue AutoCheque. By sending a signed letter to your LFS Customer Service Center, AutoCheque will be discontinued in approximately 5–7 working days after receipt of your request.

There is no need to discontinue AutoCheque when your account pays out as scheduled in your contract since the withdrawals will discontinue automatically.
