

Save time and money on your bachelor's degree at the University of Phoenix

Position yourself for success at an accredited university where you can work toward your future one course at a time.

University of Phoenix has completed hundreds of agreements with two-year institutions to help students transition from an associate degree to a bachelor's degree. Transfer previous credits you earned with your associate degree at another institution and apply them toward your lower division coursework requirements at University of Phoenix.

 **Transfer hassle-free and maximize your credits with our transfer pathway.**
We've worked with your community college to ensure your credits will transfer. Spend more time at community college, and less money on your bachelor's. Get a head start with college transfer credits.

 **Ways your transfer credits count:**
Associate degree | College credits | Military training | International credits

 **You've earned it. A special tuition rate on any bachelor's degree of your choice.**
Because you've worked hard and now you're ready to take that next step. The best part? You'll save \$144 on every three-credit course on your degree with this special rate.

 BACHELOR'S	STANDARD COST PER CREDIT	YOUR COST PER CREDIT	TOTAL SAVINGS PER THREE-CREDIT COURSE
Lock in your tuition at our special rate until you earn your degree.	\$398	\$350	\$144
