"We have just completed our 7th Annual Family and Friends Reunion at Smugglers' Notch, our second consecutive year at this wonderful resort.

We initiated this event eight years ago with 11 family members and friends of similar interests and levels of fitness. As our group grew to 48 including infants and seniors, we were faced with the challenge of finding a venue suitable for all participants. After spending a week at Smugglers' one Christmas, we were so impressed with the family atmosphere that we decided to hold our reunion at Smugglers' the following summer.

There was an abundance of activities for people of all ages in our group. Smugglers' facilities accommodates people with a wide range of interests, for group games or individual activities. The staff, from the sales department, to the reception desk, to the restaurant and banquet personnel, helped to create an atmosphere of warmth and congeniality. Everyone seemed sensitive to our needs.

Smugglers' has unequivocally become our unanimous choice for all our future reunions."

– Family Reunion Guest , Raymond and Telio Cie, Toronto, Ontario

"Once again we had a fabulous event at Smuggs. You are a Top Notch facility... Truly, you and all of the staff at Smugglers' Notch are what make the experience so perfect. You all clearly make the customer's needs your number one priority. People could not be more helpful. It's why the event is a success year after year. Thank you to you and your staff for another perfect year."

– Group Conference Guest, Nancy B. Hirshberg, Vice President of Natural Resources, Stoneyfield Farm, Inc., Londonderry, New Hampshire

reunion planning made

easy

“Just wanted to say a profound thank you to you, and all of the support persons at Smuggs. Our family vacation met and exceeded all of our expectations. We were so impressed with the quality and variety of events available to our family group which included persons from age one through senior. The setting is vacation enough but when you add the Smuggs dedication to detail, the package is over the top. But I must say that the vacation started when we were paired with your gentle yet expert hand in guiding and supporting us through the entire process. Thanks again, John. It was wonderful.

– Family Reunion Guest, Judy Waugh, Rochester Hills, Michigan
