For gatherings large and small, we'll help you prepare a meal guests will look forward to, giving you more time to enjoy what matters most: them.

# Planning a party?

*We can help!*

Whether you're hosting a casual dinner with friends or putting on an elegant holiday party, serving for a celebration has never been easier. With our selection of party trays, fully prepared dinners, desserts, and more, your guests will be feasting fabulously—and we can all toast to that.

Wondering where to start? Simply follow these tips for an effortless get-together:

## **Plan ahead.**

Date set? Check. Guest list complete? Check. Next, be sure to note any food allergies or dietary restrictions your guests may have to help ensure stress-free dining.

## **Set the scene.**

Pretty up your dinner party with a colorful floral arrangement or deck out the day with fun and festive balloons.

## **Get the party started.**

Serve some savory starters—we're talking a variety of appetizers, such as fresh vegetable and assorted cheese trays.

***Handy tip:** plan on 2 ounces of cheese and 4 ounces of veggies per guest. Serving other starters? Estimate 6 hors d'oeuvres per guest, per hour.*

## **Dig in to the main dish.**

Want to spend more time with guests than in the kitchen? Try our sandwich trays or heat-and-eat entrées. And avoid pesky kitchen traffic jams with a buffet-style set up.

## **End on a sweet note.**

Hit everyone's sweet spot by offering up tasty pastries or our custom decorated cakes. After all, we all know there's always room for dessert!

*Before placing your order, please inform us if you or someone in your party has a food allergy.*
