simple past expresses facts and actions that happened before another action in the past. It's common to tell stories. Example:ich lerneteich sah We use the perfect past to express something that happened before another action in the past. It's common to tell stories. Example:ch hate gelerntich hate seen We use the future time to express an intention or assumption for the present or the future. Example:ch werden lernemich wird sehen The perfect future expresses the hypothesis that for the moment of speaking, or at a later moment, an action will have been completed. Example:ch I will have learned I will have seen Index of content Video: verbi inglesi tenses Metta le parole tra parentesi nelle lacune. Use verbs in the perfect past. Show example:Alex could not take a walk because © His leg. Answer: Alex could not take a walk because © he had broken his Video Content Index: English Tenses Hello everyone! I am the simple girl of the present. I like habits and routines. I always do the same things and at the same time. For example, I always drink two glasses of milk in the morning and usually arrives at school at twenty-five and eight. I often wear jeans and t-shirts. I love pop music. I also love animals and plants. I have a beautiful garden. I live with my parents and my brother, the continuous man present. He is very different from me. It never comes in time for lunch. He likes new clothes and fashion, and don't listen to pop music. He plays hard rock in a group called Á «Metal Bananas.» We are in an English club called The Happy Verby Gang. Let's go to the club on Saturday.
