

The WJCC Scholarship Fund of the Williamsburg Community Foundation provides scholarships for students graduating from Jamestown, Lafayette, and Warhill High Schools. The Fund is a community-wide effort to recognize the accomplishments of our students as they graduate from high school and support their further educational achievements. Scholarships are awarded, without discrimination, in consideration of these factors: curriculum difficulty, class rank, extra-curricular activities, application essay, and financial need. It is not necessary for a student to show financial need in order to be eligible for a WJCC Scholarship Fund scholarship.
