CONCUSSION PROTOCOLS – “Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional.” The language above, which appears in all National Federation sports rule books, reflects a strengthening of rules regarding the safety of athletes suspected of having a concussion. This language reflects an increasing focus on safety and acknowledges that the vast majority of concussions do not involve a loss of consciousness. This protocol is intended to provide the mechanics to follow during the course of contests when an athlete sustains an apparent concussion.

1. The officials will have no role in determining concussion other than the obvious one where a player is either unconscious or apparently unconscious. Officials will merely point out to a coach that a player is apparently injured and advise that the player should be examined by a health care professional for an exact determination of the extent of injury.
2. If it is confirmed by the school’s designated health care professional that the student did not sustain a concussion, the head coach may so advise the officials during an appropriate stoppage of play and the athlete may reenter competition pursuant to the contest rules.
3. Otherwise, if competition continues while the athlete is withheld for an apparent concussion, that athlete may not be returned to competition that day but is subject to the return to play protocol.
 - a. The clearance may not be on the same date on which the athlete was removed from play.
 - b. Only an M.D., D.O., Physician’s Assistant or Nurse Practitioner may clear the individual to return to activity.

- c. The clearance must be in writing and must be unconditional. It is not sufficient that the M.D., D.O., Physician's Assistant or Nurse Practitioner has approved the student to begin a return-to-play progression. The medical examiner must approve the student's return to unrestricted activity.
- d. Individual school, districts and leagues may have more stringent requirements and protocols including but not limited to mandatory periods of inactivity, screening and post-concussion testing prior to the written clearance for return to activity.

4. Following the contest, an Officials Report shall be filed with a removed player's school and the MHSAA if the situation was brought to the officials' attention.

5. Member schools are required to complete and submit the forms designated by the MHSAA to record and track head injury events in all levels of all sports.

6. In cases where an assigned MHSAA tournament physician (MD/DO/PA/NP) is present, his or her decision to not allow an athlete to return to activity may not be overruled.

CONTESTANT SEATING - Contestants may be seated near the mat, either in the bleachers or parallel to the mat, but in either case, no closer than ten feet. Please give special attention to this issue.

ENTRY- OPT OUT DUE DATE - The deadline for opting-out and delivering materials to the District Tournament Manager is **January 30 by 4 p.m.** The school's Master Eligibility List and Alpha Master Roster are due to both the Team and Individual District manager by **January 30.**

Late Materials – For a school that fails to submit their materials by **January 30** a **\$50** fee must be paid before the contestant or team will be allowed to participate. Weigh-in is the first act of participation for Team tournaments and the entry and seeding meeting is the first act of participation in the Individual District tournament. The \$50 fee is to be retained by the host manager. There are to be no late entries after the entry and seeding meeting (Individual District) and weigh-in period ends (Team tournaments).

FORFEITURE POLICIES - Individuals or teams which are defeated by an ineligible opponent or teams which allowed one or more ineligible students to participate do not advance in MHSAA tournaments. If placements in MHSAA tournaments are vacated as a result of an individual being ineligible or a team allowing one or more ineligible students to participate, other individuals or teams neither advance to those placements nor receive awards for those places.

FINANCIAL REPORT – All Tournament Managers must complete the appropriate level Financial Report form within 30 days of the conclusion of the event. All revenue and expenses should be included in the report. Individual Managers shall receive the following honorariums - District \$175, Regional \$125. Team Managers Honorarium - District \$50; Regional \$50.

The MHSAA does not reimburse workers who are hired by the local tournament manager for any activity, which produces revenue for the local site. This includes concession workers, sellers of programs or merchandise, and parking attendants.

GRIEVANCE COMMITTEE - This committee of three consists of:

- Meet Manager or Designee
- Head Official (OIC at Final Tournament)
- Coaches Representative (one of three identified)

This committee may be convened to hear grievances based on tournament administration and MHSAA AND National Federation Wrestling rules application (not an official's judgment).

- Wrestling matches will not be interrupted to convene the Grievance Committee for grievances based on rule application. A coach must follow Rule 6-6-6.
- Decisions rendered by the Grievance Committee, based on rule application, will not change the outcome of matches already wrestled. The committee's decisions will apply to all future matches.
- The procedure for filing grievances must include a coach reporting the grievance in writing to the Tournament Manager. The Manager will then render a decision on the grievance, dismiss the grievance, or convene the Grievance Committee.
- If the committee is convened, the referees and coaches involved in the grievance will be excused from serving on the committee. The committee will then be secluded from the tournament; they will collect necessary information, and then render a decision. The Tournament Manager, or designee, will state the decision of the committee.

THIS DECISION IS FINAL AND MAY NOT BE REVERSED OR APPEALED!

HANDOUTS - Only information about MHSAA activities and competition may be distributed to the general public. Camp/Clinic materials may not be distributed without MHSAA approval.

HOST PACKET (COMPETING TEAMS AND OFFICIALS) - Managers shall supply each competing school and official with the following information (Regional and Final Managers must supply managers of qualifying tournaments with enough copies of this material to give to each qualifying team). Be brief and concise.

- Location of host school (Provide map).
- Location of dressing facilities.
- Locations of public restaurants.
- Locations and telephone numbers of hotels and motels.
- Host school building rules.
- List of tournament referees and their ID numbers.
- Team seating arrangement, if any.
- Parking arrangements for competing schools and referees.
- Send a copy to the MHSAA.

INJUNCTION/RESTRAINING ORDER - Managers are reminded of the following statement adopted by the Representative Council and which is in effect for all MHSAA tournaments: "In the interest of fairness to all participants, if an injunction or restraining order is served or presented at an MHSAA tournament site and such purports to require the eligibility of or participation by a student or team which a school and/or the MHSAA has ruled to be ineligible under MHSAA regulations, the on-site tournament manager is to suspend the entire competition (team competition) or events in which that student is intending to participate (individual competition). If the meet or game has begun, it shall be completed."

INSPECTION FOR COMMUNICABLE DISEASE - The MHSAA is keenly aware of the increase of various infections caused in part by impetigo or one of the many herpes virus strains which seem to thrive in the wrestling room or are carried by wrestlers.

In a responsible effort to control and reduce the chances of exposure of wrestlers to these infections, the MHSAA has adopted a procedure which shall be followed at all MHSAA Team and Individual Wrestling Tournaments. Prior to the weighing-in for each MHSAA tournament competition, each wrestler shall be inspected to evaluate whether there is evidence that a communicable disease or a condition which is suspiciously similar to a communicable disease is present or visible on any wrestler.

The person who inspects the wrestlers should be a meet appointed/approved physician (MD, DO, PA or NP) with experience in skin conditions (dermatology, for example) if at all possible. If no meet-appointed physician is available, the inspection of contestants is performed by the officials with assistance from athletic trainers, if needed and requested by the officials.

- No wrestler may weigh-in (step on the scales) until they have passed the communicable disease inspection and met the requirements of National Federation Rule 4-2-3.
- Coaches must be aware of their wrestlers' health conditions and are expected to advise the tournament manager, as outlined in the MHSAA Wrestling *PSTI* of any conditions which are suspicious.
- Physicians will be encouraged to participate with the inspection of wrestlers under the conditions of 1988 State of Michigan Public Act 30 which provides immunity for physicians who volunteer their services to schools.
- All skin inspections, whether done by a physician or official, must be done in the same manner for all wrestlers at a tournament site.

LOCKER ROOM PRIVACY POLICY - Using devices of any kind to capture or transmit images is strictly prohibited in locker rooms, dressing areas, training rooms, weigh-in rooms, showers, restrooms, or other areas where there is an expectation of privacy during MHSAA tournament events. Tournament managers or athletic directors that discover such use should move immediately to have the device removed and inform the head coach or athletic director of the identity and nature of the activity of the person involved.

MANAGERS REPORTS – District Managers must forward materials to the Regional Manager.

- Individual District Managers will transmit District results to the Individual Regional Manager prior to 4 p.m. **Monday, February 17**. Weigh-in cards need to be sent to the Regional Manager ASAP following the District. Each Regional Manager is to email a copy of the "Report of Qualifiers" to the MHSAA office prior to **noon February 24**.
- Individual and Team Regional Managers will forward materials to the MHSAA office.

MEDIA - Adequate arrangements should be made to take care of working press representatives at the tournaments.

MEDICAL EMERGENCY POLICY - Host school Tournament Managers should follow all local school district policies regarding medical emergencies for participating athletes, coaches, students and adult spectators for competition conducted in school facilities. It is advised that AED devices be readily available during tournament competition. In addition:

- Trainers are an allowed expense and encouraged but not required.
- All MHSAA concussion protocols will be followed.
- MHSAA tornado watches and warnings shall be followed.
- MHSAA policy on managing heat and humidity shall be followed.

When MHSAA tournament contests are conducted at non-school facilities, plans should be developed for the following needs and/or circumstances:

- Student, coach and spectator shelter for outdoor events.
- Host facility emergency equipment such as AED's, fire escape, etc.
- Emergency communications, i.e. phone numbers and school administration contact.
- Coordination with facility management regarding evacuation, first aid, on-site responsibilities.
- Medical transport or first responder contact procedures.
- Proximity/directions of nearest medical facility.

MATSIDE RESTRICTIONS - National Federation wrestling rules restrict team members, other team personnel (cheerleaders, mat maids), and spectators from being at mat side closer than ten (10) feet. Two coaches or non-participating contestants (rule: 2-2-2) may occupy chairs at one corner of a mat on which a team member is competing. By rule, these individuals must have completed the wrestling rules meeting for the current year. Tournament Managers shall enforce this rule to assure that there is compliance with this rule.

OFFICIALS ASSIGNMENTS - All District officials are hired by the District manager from the approved list of officials who complete a current rules meeting. All Regional and Final officials are assigned by the MHSAA.

OFFICIALS FEES – Tournament managers pay officials at the District and Regional Tournaments according to the following schedule:

Individual Tournament

District - \$175.00

Regional - \$153.00

The one assigned head official shall receive an additional \$15 for conducting inspection, observing the weigh-in and serving on the Grievance Committee.

Team Tournament

District - \$55.00 per Dual

Regional - \$60.00 per Dual

Mileage will be paid to officials at the rate of .20/per mile beginning with the 51st mile (50 mile deductible). Minimum mileage is no longer paid. Tournament Managers will prepare a check for each official including the fee and total round trip mileage and present that check to the official before competition begins. Figure mileage from home city to tournament city using a Michigan highway map.

MEDIA/MULTIMEDIA - Providing accommodations and services to the media covering MHSAA tournaments is the responsibility of the host tournament manager.

The tournament manager shall communicate the results of the draw and game results at the conclusion of each contest to the MHSAA and the local media outlets of the participating schools. Draw results shall include the dates, locations and starting times. Game results shall include the final score or team standings, team records (when applicable), individual event results (by weight, distance, discipline, etc.), who qualifies to further play and the upcoming schedule. Some media may be willing to receive such information via e-mail.

News media representatives are encouraged to call managers in advance of the events they desire to cover, but it is not unusual for a working member of the media to show up unannounced. Your gate attendants should be alert for MHSAA Tournament Media Pass holders, and admit those individuals – as long as they are attending the game in a working capacity. Managers are under no obligation to admit or provide press row/box accommodations for non-working companions of media members, or for individuals showing other forms of media identification. It is recommended that managers designate a specific door for media entrance.

Outlets broadcasting tournament games – audio or video – on over-the-air, cable or internet – live or delayed – must receive advance permission from the MHSAA to originate the event. Tournament managers will receive approval by e-mail for each outlet.

Press pass/seating arrangements should allow the media attending at your site to arrive on their timetable. Under no circumstances should a member of the media who makes advance arrangements for accommodations be required to arrive early to ensure seating or venue access. Press row/box seating should be not used to accommodate non-workers such as school administration, board members, booster clubs, etc. Radio stations are limited to 2 seats when originating broadcasts in all sports. Newspapers should be limited to 2 seats, unless its circulation (Daily newspapers only) exceeds 40,000, when a third seat may be granted on a space-available basis. Websites should be limited to 1 seat. Daily newspapers may receive a maximum of 2 photo passes, and weekly newspapers may receive 1 photo pass. The distribution of in-game scoring updates on any platform – including social media - does not meet the standard necessary for the granting of a seat.

A complete list of credentialing guidelines can be found in the MHSAA Multimedia Regulations, available on the Media page of the MHSAA Website.

Media should also be provided information about the participating teams (usually in the form of a program for team sports, or heat/flight sheets), and printed results as available (if you're providing printouts for participating schools, they should also be provided to the media).

Photographers – still and video – may be granted appropriate access to shoot (i.e. sidelines, baselines), if they are from an accredited media outlet, or an individual identified by a school administrator to the Tournament Manager who is authorized to capture such content exclusively for the school's publication, promotional, educational or public relations uses. For outdoor team events (baseball, football, lacrosse, soccer, softball), a school may have a maximum of two authorized representatives to capture still images, one to capture moving images. For indoor team events (basketball, competitive cheer, ice hockey, volleyball, team dual wrestling), a school may have a maximum of one authorized representative for still images, and one for moving images. Because of the large number of teams involved for individual events (bowling, cross country, golf, gymnastics, skiing, swimming & diving, tennis, track & field, individual wrestling), no passes and access will be authorized for schools.

Photographers **MAY** use electronic flash/strobe cameras during the progress of a sporting event as long as, in the opinion of the contest officials, the flash does not hinder the actions of or endanger the contestants. The final decision as it relates to electronic flash/strobe equipment rests with the judgment of the site management and contest officials when MHSAA staff is not present at an event. **IMPORTANT** -- When determining whether or not the use of electronic flash/strobe equipment represents a hindrance to an event, do not evaluate the situation while looking directly at the strobe, but rather by taking the view of the game participant or the official who is focusing on the action, not the strobe, and is not aware of when the strobe is about to go off. Strobes properly positioned **DO NOT** pose a threat to the conduct of most contests. If, after careful consideration, the strobe is determined to be a problem, game management should work with the photographer using the strobe to review the strobe's placement, flash strength and direction. Sometimes, adjusting a strobe so that the flash bounces off the walls or ceilings will correct any potential problems. The only sports in which the use of electronic flash/strobe equipment is prohibited are: competitive cheer, gymnastics and diving. Requests to use strobe lights mounted to fixed positions shall be made well in advance of the contest. As a courtesy, contest managers or the MHSAA should inform participating coaches and contest officials that photographers have been approved to use strobe lights in fixed positions. Strobes should be placed in corner or ceiling positions, and should never be placed in the direct line of a basket in basketball or focal point common to that sport. Camera-mounted strobes must always be positioned similarly as fixed strobes. A camera operator with an on-board strobe shall shoot outside the edges of the free throw lane in basketball, for example.

Photographers for other sports shall be placed in positions in accordance with National Federation of State High School Associations National Rules. In the sport of football, for example, photographers shall be positioned behind the restraining line, which is two or more yards from the sidelines and end zones. In addition, photographers shall not be positioned in the team boxes between the 25-yard lines. Also, in the sport of softball, photographers are prohibited from being in live ball areas. The allowance for a designated media area in softball has been discontinued by NFHS Rules. In baseball, if a designated media area is used, it shall be established before the game begins, shall be a lined area and shall be considered a dead ball area, even if unoccupied. In soccer, photographers should not be positioned within two yards of any sideline or endline. In basketball, rules prohibit anyone from being between the lines of the free throw lane behind the basket. Some venues and events will have designated areas where photographers may shoot from. Game officials and host management have the authority to remove any member of the media for not staying in their designated area in any sport. **Spectator** - Spectators must receive permission from the Tournament Manager for any live action taken of athletic events other than snapshots. If permission is granted for spectators to film the entire event or take clips, it is to be with the understanding the tape/film may not be sold, leased, borrowed, rented for commercial purposes or shown on television. The Tournament Manager should not permit spectators to interfere with the view of other spectators or news media personnel covering the activity; is not required to provide electrical hook-ups; or tripod space; may require spectator videotaping from a designated location(s); and if there is any questions as to the purposes of filming or taping, the request should be denied by the local tournament management.

OFFICIALS ACCOMMODATIONS – Managers should provide tournament officials with the following accommodations:

Host - An assigned person who will meet the official(s), escort the official to the dressing area, and assist the official as necessary.

Security - A person or persons identified to the officials who will assist in safe passage from the contest site to the dressing area. The security person will be able to unlock and lock the dressing

area when necessary. A security person can be assigned to the dressing area to assure that officials are not interrupted by the media, the fans, the players or the coaches.

Officials' room - The room for officials should be private and separate from the dressing area of any contestants and provide security for valuables belonging to officials. An adjacent office within a locker room is not desirable. The area should be absent of distractions to enable a proper pregame meeting. Separate facilities are expected for male and female officials. At no time is it reasonable to expect an official to use an area accessible to the public.

Showers/restrooms - Showers and restroom facilities should be available to officials for private use. It is unacceptable to place officials in a position which require them to share public facilities. In the event facilities must be shared with contestants, it is best that that use be separate and uninterrupted.

PARTICIPATING TEAM/SPECTATOR INTERNET STREAMING - The broadcast and streaming rights of MHSAA post-season tournament events belong exclusively to the NFHS Network, FOX Sports Detroit, the MHSAA, and those media outlets which have pre-arranged to secure those rights. **Managers:** Please post the sign (found at the end of these materials).

Teams participating in MHSAA Tournaments are prohibited from streaming live video of any portion of an event over the Internet - including using social media platforms like Periscope and Facebook – or any other method.

Likewise, individual spectators are also prohibited from streaming video through any means.

Participating schools are responsible for informing their students, parents and other fans of this policy and to assist the MHSAA upon request in enforcing it. Participating schools are asked to help promote where their particular game may be viewed when being streamed by the MHSAA, one of its television partners, or a media outlet which has pre-arranged to secure such rights.

POSTPONEMENT - If an emergency or Act of God prevents more than 40% of the contestants (not schools) from competing, the tournament is to be rescheduled for the next available day, and prior to next level. The same time schedule is to be used. Every effort should be made to conduct the tournament as scheduled.

PROGRAMS - District and Regional sites may create local programs for their tournaments. If the host school desires to earn the profit, the MHSAA cannot be charged for any expenses connected with the program. The MHSAA will provide souvenir programs for sale at the Final Tournament site.

SIGNAGE - The Tournament Manager should inspect all signs to be posted by competing schools in or near the cheering sections. Any sign that carries questionable implications or is degrading should not be allowed. Managers should restrict schools to one sign each if available space is not available for multiple signs.

SPORTSMANSHIP – MHSAA Regulation V, Section 3 applies in all tournament contests, including the following provisions:

Unsportsmanlike Conduct in Previous Contest - A player or coach who is ejected during a contest for sportsmanlike conduct shall be withheld by his/her school for at least the next day of competition for that team. In individual sports, a student or coach who is disqualified in the first round of a tournament which progresses over more than one day may not participate on any subsequent day in

that tournament because the student has not qualified for additional rounds. This includes MHSAA tournaments in tennis and individual wrestling. If a school fails to enforce the subsequent disqualification with respect to one of its students or coaches, the tournament managers or any registered official or representative of a member school who becomes aware of the violation shall report it to the MHSAA, which shall prohibit the school from the remainder of the current tournament.

Player Suspension - A suspended player is treated as an ineligible player, which means that student shall not participate. It is permissible, but is not recommended, that the player may sit with the team, even in uniform. The minimum requirement is that the suspended student shall not enter the contest as a participant. **Coach Suspension** - Suspension from coaching requires at least that the coach not be at or near the team bench before, during or after the contest, not be in or near the locker room before, during or after the contest, and not give instructions directly or indirectly to coaches or players from any position in or near the gymnasium or field of play.

Multiple Disqualifications/Abuse of Officials- Any coach who is disqualified for unsportsmanlike conduct two or more times during a season, any player who is disqualified for unsportsmanlike conduct three or more times during a season, and any coach or player who is ejected for spitting at, hitting, slapping, kicking, pushing or intentionally and aggressively physically contacting an official at any time during that season, is not eligible to participate in the MHSAA tournament for that sport that season. If the tournament disqualifying ejection for that individual occurs during the MHSAA tournament, that player or coach is ineligible for the remainder of that tournament.

The school of the disqualified coach or player must prohibit that person from being present on the property of the tournament venue for the remainder of the tournament series. If that school fails to enforce this, the tournament manager, any registered official or representative of a member school who becomes aware of the violation shall report it to the MHSAA, which shall prohibit the school from the remainder of the current tournament.

Post Contest Ejections – When a student or coach commits an ejectable offense against an official following the conclusion of the contest, but before the officials have left the facility and/or grounds, an official may disqualify the student or coach as though it had occurred during the contest.

Taunting - In all sports, officials are to consider taunting a flagrant unsportsmanlike foul that disqualifies the offending bench personnel or contestant from the contest/day of competition (and the next contest/day of competition). A warning may be given but is not required before ejection. Taunting includes any actions or comments by coaches, players or spectators which are intended to bait, anger, embarrass, ridicule or demean others, whether or not the deeds or words are vulgar or racist. Included is conduct that berates, needles, intimidates or threatens based on race, gender, ethnic origin or background, and conduct that attacks religious beliefs, size, economic status, speech, family, special needs or personal matters.

At all MHSAA tournament venues, tournament management may give spectators one warning for taunting. Thereafter, spectators who taunt others are to be ejected by security.

TROPHIES AND MEDALS – All trophies and medals for the MHSAA Individual District & Regional events and Team District and Regional events will be sent to tournament host managers by ESCO, Inc of Wisconsin, supplier for both trophies and medals. Please examine the medals and the trophy for damage and proper engraving, quantities, etc. Tournament Managers should call ESCO directly at 800-852-4266 with problems or questions.

Individual District

- Fifty-six (56) Medals will be awarded to the first four place winners in each weight class. Those place winners will qualify to the assigned Individual Regional Tournament.

Individual Regional

- Fifty-six (56) Medals will be awarded to the first four place winners in each weight class. The first four place winners at each Individual Regional will advance to the Individual Finals, to be held **March 6-7** at Ford Field. The four Individual Regional champions will be seeded, and the rest of the bracket will be completed based on formula.

Team District

- One team trophy will be awarded to the District championship team.
- Twenty eight (28) medals will be awarded to the District championship team.

Team Regional

- One team trophy will be awarded to the Regional championship team.
- Twenty eight (28) medals will be awarded to the Regional championship team.

VIDEO - The following videotaping and filming procedures have been set for managers of all MHSAA sponsored District, Regional and Final Tournaments:

Competing Schools - The film/tape is not to be used to second guess decisions made by game/meet officials. The film/tape may not be sold, rented, or loaned for commercial purposes.

TV/RADIO - No radio, television or cable origination (live or delayed) is permitted at any site until application has been made through the MHSAA, fee paid and authorization given by the MHSAA through the tournament manager.

TOBACCO AND ALCOHOL POLICY - Use of alcohol or tobacco, including e-cigarettes or other smoking devices, is prohibited at MHSAA tournament events by players, coaches and spectators. Managers should stress in coaches meetings that they are not to use tobacco at the tournament venue.

Tobacco - It is not intended that a violation of the tobacco policy should lead to immediate ejection of a coach. He or she should be reminded of the policy and reported to his or her school administration after the contest. Only if the coach is unwilling to comply promptly should he or she be disqualified from coaching at the event. Officials should be reminded of the tobacco policy and reported in writing by the tournament manager to the MHSAA.

Alcohol - Historically, officials promptly disqualified coaches, and tournament managers immediately replaced officials who were under the influence of alcohol; and no change in such procedures is intended by these policies.

TOURNAMENT WITHDRAWAL POLICY - Tournament management is to contact the MHSAA office if a school withdraws or fails to show for scheduled competition after the draw is completed for team sports or the pairings, heat assignments or flights are determined for individual sports of the first level of the MHSAA tournament in a sport. The MHSAA staff person responsible for the sport will request from the school principal a written explanation for the no-show/withdrawal. If the reason is

determined to be unacceptable by MHSAA staff, the MHSAA Executive Director will place the school on probation for the next two school years. A second offense within the two-year-probationary period will cause the school to be prohibited from tournament play in that sport for the two years following the second offense.

TOURNAMENT PROCEDURES – INDIVIDUAL DISTRICT

1. The Individual District Tournament will be held on **Saturday, February 15.**
2. The MHSAA will post the starting weight class for all Individual District sites on **Monday, February 10.** The weigh-in for the District tournament shall start with this same weight class.

If a wrestler competes at a weight class for the first time at the Individual District, the wrestler would be required to make scratch weight. Each school is allowed 14 entries with no more than two (2) wrestlers in any one weight class.
6. District Managers will hire officials for all District competition from the MHSAA approved list; the MHSAA will assign all officials for Regional competition.

Friday, February 14:

- You will have until **02/14/2020 at 11:59 a.m.** to enter your teams' lineup.
- On **02/14/2020 at 12:00 p.m.** the MHSAA will review each Individual District Tournament. Once all teams have submitted their lineups to a specific tournament, that tournament will be opened.
- Once your tournament is opened, you will have until **02/14/2020 at 05:59 p.m.** to enter seeding criteria (head-to-head) information for each of your wrestlers. If you miss this window of time, head-to-head information for your wrestlers may not be able to be factored in at the seeding meeting.

NOTE: Make sure you answer 'every' question on the seeding criteria form correctly. Don't assume the answer to one question carries over to the others.

- Coaches should still bring season summaries and seeding material to the seeding meeting.
- District Seed meeting: **7:00 p.m.** Friday (or may take place Saturday morning prior to the tournament). Review pre-seeds from TrackWrestling. Make adjustments where needed.
- Once a lineup is submitted, it may **ONLY** be changed by the tournament management (site host / event administration), and **ONLY** in the event of WITHDRAWAL (injury, illness, failed weight, failed inspection, discipline). Wrestlers may not be added or weight classes changed.

Saturday, February 15:

7:30 a.m. - Optional Inspection of Wrestlers
8:00 a.m. - Inspection / Weigh-In
8:30 a.m. - Coaches Meeting
9:00 a.m. - TrackWrestling released to the public
9:30 a.m. - Wrestling Begins

TBA - Consolation & Championship Finals (to start within 20 minutes after the last Semifinal match)

Note: All matches shall be wrestled before any awards are presented.

Weigh-In

A referee, and when possible a physician (MD, DO, PA or NP) with experience in skin conditions (dermatologist, for example), shall inspect contestants before they are allowed to weigh-in. After entering, wrestlers are to remain in the weigh-in area until they have completed the weigh-in. A minimum of two scales shall be used in the Individual District weigh-in. The weigh-in shall be up to one hour in length, and the actual weight of each contestant shall be recorded on the weigh-in card. The order of weight classes at weigh-in shall follow the order of weight classes to be wrestled at that tournament. All wrestlers weighing-in at the same weight class must use the same scale.

Seeding

Each school will submit entries and wrestler record data for each of their 14 wrestlers through TrackWrestling. The TrackWrestling system will “pre-seed” each bracket based on the data submitted and the MHSAA seeding criteria. The following criteria remains unchanged for past years:

These criteria shall be applied in the order listed:

1. Head-to-head competition; if tied, the most recent winner prevails.
2. Record against common opponents.
3. A wrestler with an exceptional record vs. acknowledged strong opposition.
4. Majority decision of the seeding committee group.
5. If agreement for seeding in each weight class cannot be reached within 20 minutes, the contestants not yet agreed upon shall be drawn in.

The number one and two seeds shall receive a bye if there are 14 or 15 entrants, respectively.

A maximum number of 10 wrestlers can be seeded in each weight class. Note that a wrestler need not have a winning record to receive seeding consideration.

The TrackWrestling system will “pre-seed” each bracket. Each District will hold a seed meeting Friday evening (or Saturday morning) prior to the Individual District. Coaches are encouraged to bring season summaries and seed material to this meeting. Following the weigh-in on Saturday morning, there will be a coaches meeting where the group (tournament manager plus ONE coach from each school) will approve each bracket after removing any wrestlers that failed to make weight or pass inspection. The group can tweak or change seeds at this point based on strength of schedule/record against strong opposition. Once brackets are approved by this group, wrestling will begin.

Note: Seeding meetings are not debates! The decision of the group is final except when the Tournament Manager is convinced that a wrestler with credentials may have been overlooked. In this case, the Tournament Manager will reconvene the group and direct it to reconsider the seeded wrestlers and the wrestler(s) considered to have been overlooked. If changes are made, they will stand.

If the wrestler not making weight was an unseeded wrestler, the unseeded wrestler’s opponent will simply be advanced the appropriate number of bracket lines.

Brackets & “Second Wrestlers”

- Brackets may not exceed 32 competitors. It is necessary that District places be determined by competition. Wrestlers are restricted to a maximum of five matches per day.
 - A wrestler may participate in a 6th match, as long as at least 1 of the 6 matches is a void or forfeit. (Case Manual - 1.4.3.)
- Each school is limited to 14 wrestlers, with no more than two wrestlers in any weight class.
- Coaches are urged to enter only “second wrestlers” who are legitimate contenders.
- When the number of entrants exceeds 32, the total number of entrants must be reduced to 32, or fewer, competitors.
- Initially, call for volunteers to withdraw “second wrestlers.”
- If the bracket continues to exceed 32, withdraw those second wrestlers with the most total varsity losses.
- If necessary, to break the tie, withdraw those second wrestlers with the fewest number of varsity wins.
- If necessary, place the names of all second wrestlers who remained tied in a container. Withdraw those wrestlers whose names are drawn from the container until the number of contestants is reduced to the allowable 32.

Draw Format - Use only when competitors exceed 16

- Determine the number of wrestlers in the bracket.
- Remove unnecessary letters beginning with "V", in reverse alphabetical order, until the number of wrestlers in the weight class equals the available lines.
(22 = A - V; 21 = A - U; 20 = A - T; 19 = A - S; 18 = A - R; 17 = A - Q; 16 = A - P).
Less than 16 wrestlers – see District Bracket Examples.
- The "Rattails" are placed and shall not be altered.
- As few as one wrestler may be seeded; however, no more than ten may be seeded.
(#1 - #10 indicate the seed placement)
- All unseeded wrestlers shall be placed in the open lines by computer program or blind draw.
- The seeding criteria listed in the Participating School Tournament Information shall be followed in the order listed without exception.
- Double elimination begins at the Quarterfinal bracket in the Individual District.
- When less than 16 wrestlers are entered, the BYES shall be **drawn** as prescribed by Rule 10-3-2.

Officiating System - Individual District - Four officials will work on three mats and five officials will work on four mats. The head official assigned by the Tournament Manager as prescribed by the MHSAA, shall inspect the wrestlers and observe the weigh-in. In addition, the head official shall serve on the tournament Grievance Committee. The Final matches in the championship and consolation round shall employ the two official system of officiating.
