

University of Dubai is a fast growing institution of higher education with a wide range of academic, research and training programs in Business and Information Technology. The University of Dubai is part of the Dubai Chamber of Commerce and Industry and its academic degree programs are accredited by the United Arab Emirates Ministry of Higher Education and Scientific Research domestically. Internationally the programs at the DBS were recently re-accredited by AACSB.

The DBS is looking for Assistant, Associate and Full Professors, and invites interested applicants for commencement of employment in Summer/Fall 2017. A candidate must possess a Ph.D. degree from AACSB/EFMD accredited universities in the following areas:

Supply Chain and Operations Management

A significant record that combines teaching experience with a research and scholarship record that warrants appointment as an Assistant, Associate or Full Professor are required. Experience of 5 + years in managerial capacity in relevant industry is also preferred.

A candidate must also have at least 3-4 publications in appropriate refereed international journals in English in the last five years.

Candidates are also expected to have effective oral and written communication skills, effective interpersonal skills and the ability to work in an interdisciplinary collegial environment. Application review will begin immediately. Distinguished Professors from AACSB/EQUIS accredited universities can also apply for 1 year stint at UD if they are planning sabbatical.

UD offers a very competitive package for successful candidates, including housing and education allowances, end-of-service benefits, annual tickets for self and family, and private medical health and life insurance. Candidates must send an up-to-date CV in the attached template and the names and addresses and three letters of recommendation to the following address. Only eligible candidates will be contacted
