No out of pocket expense with insurance (call insurance to find out if COVID-19 test is covered)

Who qualifies?

Anyone age 10 or older can get tested. Minors under 16 must be accompanied by an adult.

How it works:

1. Answer a few questions to see if you qualify for COVID-19 testing.
2. Select a test site and available time. Fill out the registration form.
3. Insurance card and proof of identity are required, as well as test confirmation email or text message. Be sure to have your mobile phone in case we need to reach you.

4. Upon arrival, follow instructions posted at the site. For rapid testing, results are delivered same day. Otherwise, your sample is sent to one of our lab partners. Average turnaround time for receiving results from lab tests is 3-4 days.
5. We'll email you a link to activate your MyChart account. When your results are ready, we'll email you a link to view them in MyChart. You may also receive a text message with a secure link to view results.
