Dear Tenant/Applicant:

The purpose of this form is to help you get the medical proof needed to show that you or a family member has a disability and needs a reasonable accommodation from NYCHA. If more than one person in the household has a disability and is requesting a reasonable accommodation, a different form should be completed for each person.

This form must be signed by an adult requesting a reasonable accommodation, or parent or guardian of the child with a disability for whom the accommodation is requested. NYCHA residents must write-in their development management office address on the back of this form. Please complete this form and bring it to your doctor or other health care provider. The New York City Housing Authority will only use this information to decide if a member of your household needs a reasonable accommodation for a disability, and the type of accommodation needed. NYCHA will keep the information, and any doctor's letters, confidential as required by law. If you choose not to authorize the release of this medical information to NYCHA, we will not be able to grant your accommodation request.
