Unclaimed Property Report Form

**OFFICE OF THE MISSOURI
STATE TREASURER**

Dear Unclaimed Property Holder,

Unclaimed Property is one of the most important aspects of my job as State Treasurer. We currently hold more than \$600 million in more than 3.5 million accounts. The amount of property and the accounts held, fluctuate based on the amount of property turned over to my office. The information in this booklet and report form are to be utilized by holders when reporting abandoned property pursuant to the Missouri Disposition of Unclaimed Property Act.

All financial institutions, business associations, insurance companies, government agencies, utility companies, and entities as defined in RSMo 447.503 are required to file an annual Unclaimed Property Report. Since becoming Treasurer in January 2017, I have been dedicated to returning more property each year. In fact in fiscal year 2017, we set a record returning \$44.3 million in Unclaimed Property to 166,154 account owners.

In addition, I have implemented a paperless claims process that is allowing more than 50 percent of all claims to be made without paper, ink or stamps. My administration is the fifth in the nation to have a paperless process, and it is ensuring account owners get their money faster than ever before. Each year, I also publish the names of owners in newspapers throughout the state and send direct mail to the addresses provided by the holders. The single most effective tool for returning property is www.ShowMeMoney.com and I encourage you to search for yourself, friends, businesses and family regularly.

The information provided by holders is an essential part of my effort to locate property owners and reunite them with their lost and Unclaimed Property. Our success in returning property to its owners is heavily dependent upon your timely filing and the accuracy of the information you submit.

All Unclaimed Property reports are due on November 1, except for life insurance company reports, which are due on May 1.

Anyone requiring assistance in completing this form or who has questions relating to the Unclaimed Property Act or the filing of the Unclaimed Property report, please do not hesitate to contact my staff at the address below:

Instructions for Preparing Report of Unclaimed Property

If you have any questions, call or email: (573) 751-0123 or ucp@treasurer.mo.gov

REPORTING METHODS

Reporting Manually

The following form is provided for manual reporting of Unclaimed Property, accompanied by detailed step-by-step instructions on proper completion of the paper reporting form. All information recorded must be typed or printed clearly and legibly.

If additional forms are needed, you may photocopy the blank forms or request additional forms by contacting Unclaimed Property. An alternative customized reporting format (eg., a spreadsheet) is acceptable as long as all required information is included.

Electronic Reporting

Any holder submitting a report concerning the property of fifty (50) or more owners shall do so electronically. The standard NAUPA (National Association of Unclaimed Property Administrators) diskette-reporting format is also accepted. For more information on electronic reporting, visit www.treasurer.mo.gov.

WHO MUST REPORT

The State of Missouri Uniform Disposition of Unclaimed Property Act (RSMo 447.500-595) requires that all financial institutions, business associations, insurance companies, governmental units, utility companies, nonprofit organizations and persons as further defined in the statute, report assets that have been presumed abandoned for five years (15 years in the case of travelers checks, seven years for money orders) to the Missouri State Treasurer's office.

All Holders are responsible for filing reports on behalf of their branches, divisions, or affiliated entities as applicable.

Holders may be allowed to report and remit property prior to the expiration of the applicable abandonment period. Please contact Unclaimed Property prior to submitting an early remittance.

WHEN TO REPORT

The Report of Unclaimed Property must be completed annually and must be postmarked no later than November 1 for period ending June 30 preceding. Life insurers shall file by May 1 for preceding period ending December 31. A Holder may send a written request for an extension of 30 days in exceptional circumstances. The State Treasurer's office must approve all extensions.

Payment must accompany the report. Checks should be made payable to the Missouri State Treasurer's Office. If securities are reported, the underlying shares must be delivered via mail or DTC transfer to the Missouri State Treasurer's office at the time of remittance. Contact the Missouri State Treasurer's office for information on DTC transfers. Certificates should be registered as follows:

Missouri State Treasurer's Office
Unclaimed Property
PO Box 1272
Jefferson City MO 65102-1272

Federal ID: 43-1645862

WHAT TO REPORT

Any debt or obligation which has gone unpaid or security that has remained undelivered for the aforementioned abandonment period must be reported and remitted. Please refer to Property Type Codes for examples of reportable property types.

All such property that is held for a Missouri resident or business entity must be reported. If your organization is registered in Missouri, you must also report owners for which you have no last known address or the last known address is in a foreign country. Property for owners with a last known address in a state other than Missouri must be reported to Unclaimed Property of the state of last known address.

Reciprocity Agreements

In an effort to make the reporting process less burdensome for their Holders, some states have entered into mutual agreements for the acceptance of property belonging to owners in other states. Please contact the Missouri State Treasurer's office for a current list of states that have entered into reciprocity agreements with us.

Negative Reports are not required. Please do not submit if you do not have any Unclaimed Property to report.

Due Diligence

Holders are required to exercise such reasonable and necessary diligence as is consistent with good business practice to locate owners of property valued at \$50 or more within one year prior to reporting the property to the Missouri State Treasurer's office.

The Holder shall retain such records as necessary to verify the relationship of the owner to the Holder for a period of not less than five years subsequent to reporting the property. The Missouri State Treasurer's office may contact the Holder to verify previously reported information or to ask for any additional information that is available regarding the property.

If no owner name is available, report the property as "Unknown" (include any other identifying information that may be available in the respective columns). However, since our goal is to return as much property as possible to the rightful owners, we encourage the reporting of detailed owner information whenever it is available.
- **OWNER RELATIONSHIP** - Relationship of each owner listed (e.g. OWNER, JT TEN, CUSTODIAN, MINOR, PAYEE, REMITTER). Refer to Owner Relationship Codes table.

be itemized (expense description and amount). All expenses must be approved by the Missouri State Treasurer’s office. If expenses are reported, deduct the expense total from the Grand Total to obtain the total amount of remittance. Please contact the Missouri State Treasurer’s office for an explanation of allowable expense deductions.

HOLDER REIMBURSEMENTS AND REFUNDS

Periodically an owner will contact the Holder after their property has already been reported and remitted to the Missouri State Treasurer’s office. If the owner is then paid or the account reinstated by the Holder, the Holder may submit a request for reimbursement to the Missouri State Treasurer’s office. Proof of payment or account reinstatement is required for reimbursement.

Refunds will be issued to Holders who have overpaid their unclaimed property report because of an accounting error or other mistake made during the preparation of the report. To request a refund, make a written request to the Missouri State Treasurer’s office and explain the nature of the mistake. Include documentation with your request that supports your explanation of the error.

If the amount remitted is less than the amount reported and no explanation is provided, a request for additional remittance will be submitted by the Missouri State Treasurer’s office to the holder. The additional payment must be remitted to the Missouri State Treasurer’s office within 30 days of the request to the Missouri State Treasurer’s office and explain the nature of the mistake. Include documentation with your request that supports your explanation of the error.
