

# RESTAURANT AND FOOD GUIDE FOR THE 2019 PARADE AT BOCA RATON.

By Alan Krenzer, Space Coast Region

The Boca Raton area has a multitude of restaurants with a large diversity in both pricing and the different types of food offered. Most are covered in this guide however there are just too many to cover them all. The restaurants in this guide are in a five-mile radius of the Resort or less. The ones noting "Close to Resort" are less than two miles and many less than a mile. Consider walking to these as it is a downtown area and you may have to park on the street or parking garage.

The Boca Raton area has many upscale restaurants. This however is a large range when it comes to pricing, from moderate to extremely expensive. Check out the web site links provided for more on the menu and pricing for each restaurant.

The Attendants out in front of the Resort entrance can also be helpful as many of them know about restaurants in the area and can make recommendations and answer questions.

There is a separate dining guide available for the Boca Raton Resort and Club restaurants.

There are over 90 restaurants included in the guide so enjoy the food in Boca.
