CORE VALUES

These core values represent the most important underlying principles and beliefs that are the basis for the vision, strategies, plans, policies, and actions of Baltimore City Community College.

Integrity – Unwavering adherence to a strict moral and ethical standard.

Respect – Showing genuine concern and regard for the dignity of others while practicing civility, accepting, appreciating, and supporting individual differences.

Diversity – Recognizing, accepting, appreciating and supporting individual differences.

Teaching – Imparting knowledge, skills and values essential to the success of the individual and growth of the community.

Learning – Gaining knowledge, skills and understanding that are useful to the individual and college community by promoting intellectual curiosity.

Excellence – Providing excellent teaching, student services, customer services and community engagement.

Leadership – Empowering, inspiring and nurturing individuals to be leaders in their own sphere.

Professionalism – Adhering to the highest standard of customer service.

COLLEGE VISION

Baltimore City Community College is an innovator in providing quality education for a diverse population of students to meet the challenges in an ever-changing, competitive workforce and environment.

COLLEGE MISSION

Baltimore City Community College provides quality, affordable, and accessible educational opportunities with comprehensive programs that meet the professional and personal goals of students while improving communities in the Baltimore area

ACCREDITATIONS AND MEMBERSHIPS

Baltimore City Community College is regionally accredited by the Middle States Commission on Higher Education an institutional accrediting agency recognized by the U.S. Secretary of Education and the Council for Higher Education Accreditation.

Middle States Commission on Higher Education
3624 Market Street,
Philadelphia, PA 19104

BCCC is nationally accredited by the Association of Collegiate Business Schools and Programs (ACBSP) for offering the following degree programs: **Accounting, Business Administration Transfer, Business Management, Business Marketing, and Computer Information Systems.**

The Dental Hygiene Program is accredited by the American Dental Association Commission on Dental Accreditation.

The Health Information Technology Program is accredited by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM).

The Nursing Programs are on the list of approved schools of nursing published by the Maryland Board of Nursing. The Associate Degree (RN) Nursing Program is accredited by The Accreditation Commission for the Education in Nursing.

The Paramedicine Program is an EMS Education Program approved by the Maryland Institute for Emergency Medical Services Systems as required by the Code of Maryland Regulations (COMAR). Baltimore City Community College has been issued a Letter of Review by the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP). This letter is not a CAAHEP accreditation status, it is a status signifying that a program seeking initial accreditation has demonstrated sufficient compliance with the accreditation standards through the Letter of Review Self Study Report (LSSR) and other documentation. A Letter of Review is recognized by the National Registry of Emergency Medical Technicians (NREMT) for eligibility to take the NREMT's Paramedic credentialing examinations. However, it is not a guarantee of eventual accreditation.

The Physical Therapist Assistant Program is approved by the Commission on Accreditation in Physical Therapy Education/American Physical Therapy Association (CAPTE/ APTA).

The Respiratory Care Program is accredited by the Committee of Accreditation for Respiratory Care (CoARC).

The Surgical Technology Program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) in cooperation with the Accreditation Review Council on Education in Surgical Technology and Surgical Assisting.

The National Association of Radio and Telecommunication Engineers (NARTE) recognizes BCCC as an "Electronics and Telecommunications Technology Institution." Graduates of the Associate degree programs in Electronics Technology and in Telecommunications Technology are eligible without testing for Technician Class III Certification.

APPLY FOR ADMISSIONS

To be admitted to BCCC the following steps must be completed prior to acceptance to the College:

1. Submit an Admissions Application;
2. Submit a Maryland Residency Verification form with appropriate proof of residency;
3. Submit appropriate academic credentials:
 - An official high school transcript indicating date of graduation or;
 - General Equivalency Diploma GED® indicating scores and date of completion;
 - An official college transcript from each college attended (if applicable);
 - ACT and SAT scores (may exempt students from ACCUPLACER Placement Test);

Degree-seeking students must be age 16 or older. Students under the age of 16 must contact the Director of Admissions for special admissions requirements. The admissions application and residency verification forms are available in the Admissions Office on each campus or at www.bccc.edu/admissions.

PLACEMENT TESTING

Students intending to enroll in a degree or certificate program must take the College's ACCUPLACER skills assessment test before being advised by an academic adviser and registering for classes. Preparing for the ACCUPLACER test is one of the most important things you can do to ensure success in college. Your score on this test of reading, sentence skills, and mathematics skills determines your college readiness. Students who prepare/study for the ACCUPLACER test tend to score higher than those who do not.

Information for ACCUPLACER review is available online at www.bccc.edu/testcenter. To schedule an appointment for the ACCUPLACER test, visit www.bccc.edu/testcenter.

The following students may be exempt from taking the ACCUPLACER: The following students are exempt from taking the ACCUPLACER:

1. Students who score a minimum of 480 in Writing 480 in Verbal and 530 in Math on the SAT or at minimum composite score of 21 in Math and 21 in English;
2. Students transferring credits in English and mathematics from other colleges, after their transcripts have been received and evaluated by BCCC's Office of Admissions;
3. Students not seeking an Associate degree or certificate and have not accumulated 15 or more credits;
4. Students who are seeking a certificate program that does not require English and mathematics as a prerequisite;
5. Students who have a degree (Associate of Arts, Associate of Science, Bachelor of Arts, Bachelor of Science or higher) from an Accredited higher educational institution;

REGISTRATION GUIDELINES

Students may register for credit classes during any regularly scheduled registration period. Registration dates and times are listed on the BCCC website under the academic calendar or by calling the Registrar's Office at 410-462-7777.

Students may also register for non-credit courses during

normal hours of operation. Note: payment is due at the time of registration.

First time students must complete a mandatory new student orientation session prior to enrolling for classes. Students can complete the orientation online via the College's LMS or in person. Please contact the First Year Experience Office for more information.

REGISTER IN PERSON

Students may come to campus to register for courses. First, students must meet with their assigned academic advisor or with an advisor at the Student Success Center. Students must complete a registration form with the guidance of their academic advisor. The registration form must be signed by the advisor and brought to Rm 8 in the Main Building to be processed. Afterwards, the student will receive a schedule and bill.

REGISTER ONLINE

New and continuing BCCC students who have completed new student orientation, are in good academic standing, and have satisfied all pre-requisites (including developmental courses) can register online:

1. Access the BCCC student portal: portal.bccc.edu/regent/
2. It is best to have course(s) and index numbers ready. Conduct a course search by clicking credit course search on the left side of the student portal website, enter the corresponding semester information (session, department, course ID), and click submit;
3. At the student information portal, select registration and enter a social security number and pin (this is a 4 digit number consisting of your birth month and last two digits of the year). Click submit information;
4. Next click continue, select appropriate semester/ session and click submit information;
5. After reading the top of the page, scroll down to the worksheet and add course index numbers and click on update worksheet to show course schedule. Repeat as necessary to add/drop courses;
6. On the college student registration worksheet, click post registration to finalize registration and generate registration/ confirmation which includes tuition and fees;
7. Print a copy for your records;

BCCC is in full compliance with the provisions of the Family Educational Rights and Privacy Act of 1974, Public Law 90-247, as amended. Transcripts are available upon submission of a Transcript Request.

Transcripts will not be released if there is an outstanding financial obligation to the College.

Students have the right to inspect and review education record under the Family Educational Rights and Privacy Act (FERPA).

FOR WINTER & SPRING 2020 SEMESTERS

Maryland Residents.....\$110/credit hour

Out-of-State and Foreign
Non-Immigrant Residents.....\$280/credit hour

**Students from foreign countries who enter the College with a student or non-immigrant visa are classified as Out-of-State regardless of age or length of time residing in Maryland.*

FEES

The following fees are non-refundable:

Commencement Fee..... \$25
(paid by applicants who wish to participate in the graduation ceremony)

Registration Fee \$26
(one-time fee per semester for students who register for classes)

All replacement ID's and parking Permits..... \$5

PARKING FEES:

Spring and Fall full-time students: \$25

Spring and Fall part-time students:..... \$15

Summer (New Students Only): \$15

The following fees are refundable prior to the start of each semester's session:

Consolidated Fee Per Credit \$15

Technology Fee Per Credit \$10

Facilities Capital Fee Per Semester \$11

OTHER FEES

In House Deferred Payment Fee \$20
(a one-time fee per semester to defer payment)

Proctoring Fee
(TEAS for BCCC Students ONLY)\$25

Proctoring Fee
(All other exams; Accuplacer Remote, CLEP, ParaPro, Examinations for students from other colleges, etc.)\$35

ACADEMIC EXAMS

BCCC Students:

Credit by Examination (Science, Nursing and Writing courses). \$35

Credit by Examination (All other courses) \$25

Non-BCCC Students:

Credit by Examination (Science, Nursing and Writing courses)..... \$45

Credit by Examination (All other courses) \$35

After 90 days, uncollected debts are sent to the State's Central Collection Unit. Costs incurred in collecting delinquent accounts will be charged to the student. The collection fee is 17% of the unpaid balance plus any attorney and court costs. The College will not write off a student's bankruptcy until the discharge has been approved by the State Attorney General's Office.

NOTE: Maryland residents age 60 and over

Credit courses: no tuition, \$20 administrative fee, and other mandatory fees per course.

Non-credit courses: \$10 fee plus other mandatory fees per course.

NOTE: The College reserves the right to change tuition and fees, revise course content, cancel classes, and change instructor assignments without prior notice. Enrollment is not official until payment has been made.

STUDENT REFUNDS

Non-financial aid refunds are processed at the end of the final add/drop period for each semester as dictated by the Academic Calendar. All refund checks are submitted through the State of Maryland and processed by Annapolis at this time. Refunds are based on the College's refund policy. Students who have debts owed to the State of Maryland are subject to garnishment.

Financial aid refunds are processed by a third-party Heartland/ECSI. Heartland/ECSI will send an email to eligible students to choose their method of refund (i.e. direct deposit or paper check).

WITHDRAWAL AND REFUND POLICIES

Credit Courses

Students dropping or withdrawing from a credit course may be eligible for a tuition refund. Refund information appears on students' bills. The amount of refund is determined by the date on which the Add/Drop/Withdrawal form is received in the Registrar's Office, according to the following schedule for 16-week Fall and Spring regular semesters:

First week of the semester.....	100% refund
Second week.....	50% refund
Third week.....	25% refund

No refunds are made after the third week of the semester.

The refund schedule for sessions shorter than the regular 16-week semester is as follows:

Second day.....	100% refund
Third day.....	50% refund
Fourth day.....	25% refund

No refunds are made after the fourth day.

The complete refund policy is available in the Student Accounting Office.

NOTE: The above refund policy does not apply to students who are receiving federal or state financial aid. Financial Aid recipients are subject to the Federal Return to Title IV (R2T4) refund calculation and will have different withdrawal percentages. Details are available in the Financial Aid Office.

STUDENT DEBTS TO THE COLLEGE

Debts incurred during any semester must be paid before a student can register for a subsequent semester. If the student's balance is greater than \$250 a student can pay the difference including collection cost.

The student will need to setup a payment plan for the remaining \$250. Students with Financial Aid can ask the Financial Aid Office if they can use \$200 of their future aid to cover a past due balance.

This must be approved by the Financial Aid Office, and the student must pay the difference. BCCC will deny requests for academic transcripts or diplomas until all debts are cleared.

Outstanding debts will be deducted from any refund due to the student. After 90 days, uncollected debts will be charged to the student. The collection fee is 17% of the unpaid balance plus any attorney and court costs.

The College will not write off a student's bankruptcy until the discharge has been approved by the State Attorney General's Office for Chapter 7 bankruptcy.

BAD CHECK POLICY

Any person writing a bad check will not be allowed to write checks to satisfy debts or make purchases; a certified check, money order, or cash must be used. Any person writing a second bad check will not be allowed to write checks to BCCC. After 90 days without payment, the debt will be referred to the State of Maryland's Central Collection Unit and a 17% collection fee will be added plus any attorney and court costs.

DEFERRED PAYMENT PLAN (Heartland)

Baltimore City Community College uses Heartland/ECSI to process the College's Deferred Payment plans for the students taking credit courses. The Deferred payment plan allows students to defer their tuition, fees and textbooks for the Spring, Summer and Fall semesters only. The payment plan does not have any credit (course) restrictions. Students can also setup a deferred payment plan for just their textbooks if needed. Payments will be due on the 10th of each month.

Once the student has added textbooks to their deferred payment plan, the student needs to contact the AR Clerk or the Bursar to setup their bookstore account. The bookstore account will be setup for the

total amount that the student applied to the deferred payment plan. Once textbooks are added to the Tuition Payment Plan, the student needs to contact the Student Accounting Office to setup a Bookstore account. Contact Student Accounting at 410-462-8333, or send an email to: studentaccounting@bccc.edu.

For questions call Heartland at 866-927-1438.

Heartland/ECSI will charge students a \$50 application fee each semester.

Deferred Payment Plan: Heartland is an option to consider, enrolling in a plan early will result in more payment options. The payment plan is offered for the Fall, Spring and Summer semesters. There are no course restrictions. Students can also include textbooks in their payment plan. Visit <https://www.bccc.edu/Page/2424> for more information

GRADUATION REQUIREMENTS

Degrees and certificates are awarded in August, December and May of each academic year. Commencement is held once a year following the Spring semester.

Associate degrees are awarded to students who meet all of the following requirements:

- A minimum of 60 academic credits effective Spring 2019 Any student who re-entered the College in Spring 1988 or later may not include credits earned in ENG 80, ENG 81, RDG 80, and/or RDG 81 as part of the required 60 academic credits;
- A GPA of at least 2.0 (equivalent to a C average);
- Completion of the General Education requirements in addition to Instructional Program requirements;
- Demonstration of computer literacy by successful completion of approved computer literacy course or passing the computer literacy test administered by the Test Center;
- Completion of PRE 100 by students who enter as first semester degree-seeking candidates;
- Meeting all requirements within 10 years of initial enrollment; re-entering students who have been away for two or more semesters (excluding summers) must meet any new program requirements;

No simultaneous certificates and degrees are awarded in the same specialization. A second Associate degree can

be awarded if the student completes a minimum of 15 credits beyond the requirements for the first degree, and completes all requirements in the second specialization. Students majoring in the General Studies Transfer Program may not apply for a second Associate degree. Certificates are awarded to students who meet all of the following requirements:

No simultaneous certificates and degrees are awarded in the same specialization. A second Associate degree can be awarded if the student completes a minimum of 15 credits beyond the requirements for the first degree, and completes all requirements in the second specialization. Students majoring in the General Studies Transfer Program may not apply for a second Associate degree. Certificates are awarded to students who meet all of the following requirements:

- 2.0 or better cumulative Grade Point Average (GPA);
- Completion of all College, program, and course requirements;
- Completion of PRE 100 by students who enter as first semester certificate-seeking students;
- Demonstration of computer literacy by successful completion of approved computer literacy courses or passing the computer literacy test administered by the Test Center

At orientation, students are instructed to keep their login private and to comply with BCCC's Code of Conduct, which addresses issues of academic honesty.

BCCC GRADING SYSTEM

The grading system is based on the "grade point" of each letter grade; the student's GPA is then calculated:

Letter	GP	Value
A	4	Excellent
B	3	Above Average
C	2	Average
D	1	Below Average but Passing
F	0	Failing

The following grades indicate non-completion of courses with a grade value of 0, but only F is counted in the GPA.

- AP** Advanced Placement Exam Credit
- AR** Articulated Credit (Tech Prep)
- AU** Audit
- CL** Credit earned through the College-Level Examination Program (CLEP).
- EX** Exemption granted.
- FX** Never Attended. Faculty will use to report for students never attending class.
- I** Incomplete. By written agreement with the instructor, the student may have an additional six weeks to finish classwork or receive an F grade.
- S** Satisfactory (used for non-credit courses only).
- U** Unsatisfactory (used for non-credit courses only).
- W** Withdrawal. Failure to withdraw officially may result in an F grade. See Add/Drop/Withdrawal Policy.
- W3** Withdrawal due to Medical/Extenuating Circumstances.

Documentation of illness or job change must be submitted to the Registrar's Office.

Students will not receive transcripts until all financial obligations are met.

DISABILITY SUPPORT SERVICES

The Disability Support Services Center (DSSC) provides students and faculty with assistance and information for meeting the requirements of Section 504 of the Rehabilitation Act of 1973 and integrating students with disabilities into Baltimore City Community College. The DSSC facilitates the implementation of reasonable accommodations and services for students who self-identify as having a documented disability. Documentation of a disability is required to determine the need for and what type of special aids or adaptations may be helpful on campus.

Accommodations and services are rendered based on the students documented needs and are determined through an interactive process. Prospective students with disabilities are advised to contact the DSSC as early as possible to ensure timely provision of reasonable accommodations, which might include alternative testing arrangements, tape recording lectures, adaptive equipment, note-takers, interpreters, or specialized computer hardware and software. Services offered by the DSSC are academic advising, registration assistance, diagnostic testing, and instructor consultation.

EMERGENCY TEXT MESSAGING ALERT

Baltimore City Community College announces Omnilert. BCCC has an emergency text messaging service and it's free to register. Get added security and notification by registering through: <https://www.bccc.edu/omnilert>.

Messages will also be posted on the College's website at www.bccc.edu; on the information line at 410-462-8300; and delivered by Omnilert for registered users. Announcements for evening classes will start as soon as possible or by 3 p.m.

INCLEMENT WEATHER POLICY

Closing and delay information will be made available to the media no later than 5 a.m. (EST) for weather events affecting day operations and as soon as possible for weather events that arise during the course of daily operations. The following media will be notified:

WMAR TV 2	WBFF TV 45	WBAL TV 11
WJLA TV 7	WJZ TV 13	WBAL 1090
WBJC 91.5	WSMJ 104.3	WTOP 1500
WGMS 103.5	WTOP 107.7	
baltimoresun.com		wbal.com

PUBLIC SAFETY

The Public Safety Office is responsible for maintaining a safe and secure environment for the College community. The Public Safety Offices at both campuses are Staffed 24 hours a day, seven days a week.

ID Booth Hours of Operation:

Monday, Tuesday, Thursday, Friday 8:30 a.m. - 5 p.m.

Wednesday 11 a.m. - 7:30 p.m.

Every BCCC student must have a valid College ID and present the ID to any College official upon request. ID services are available during Arena Registration at the Public Safety Office at the Liberty Campus, Monday through Thursday; 8:30 a.m. to 8 p.m., Friday; 8:30 a.m. to 4 p.m., and Registration Saturday; 8:30 a.m. to noon. At all other times, ID services are available from Monday; Tuesday; Thursday and Friday, 8:30 a.m. to 5 p.m., and Wednesday, 10:30 a.m. to 7 p.m. A copy of the student's paid bill and personal identification is required for a new ID or the validation of a returning student's ID.

The Public Safety Office also issues college IDs and parking hangtags for the College community.

Emergency telephones are placed in strategic locations around the Liberty and Harbor Campuses. All emergency phones direct-dial to the Department of Public Safety Office. Gray emergency phones are located in the lobbies of buildings at the Liberty and Harbor campuses. Emergency phones are located near parking and the outside of several building on the Liberty Campus.

The Public Safety Office maintains an escort service upon request.

Personal property found on campus is turned over to the Public Safety Office, where it can be claimed with proper identification

You could already be enrolled in a **Z-Course** and save money for future tuition!

**FREE
TEXTBOOKS
FOR MOST
Z-COURSES**

**What is a Z-Course?
Here's what you need to know!**
A Z-course could be a face-to-face, online, or hybrid course.

What are Z-courses?
Z-courses don't require students to buy expensive course materials. Your Z-course costs could be zero to nominal.

Can I still buy textbooks?
Yes. You can order a print copy of e-books at nominal cost. You can also copy course materials at WEPA printing stations in the Library and around campus.

How do I access Z-courses?
Access Z-courses through Canvas. Download the free Canvas app on your phone or tablet.

How do I know if my course is a Z-course?
Do a credit course search at www.bccc.edu. You will see a Z designator next to Z-courses.

Where can I get more information about Z-courses?
Ask your instructor or contact the E-Learning Department: online@bccc.edu 410-462-7625.

To the best of my knowledge, every statement I have made on this Form is correct. By my signature, I acknowledge my responsibility for payment of tuition and fees generated by this registration. I understand that I must make arrangements to pay my bill by the due date and that I am responsible for all charges unless I drop my classes by the end of the Add/Drop period for this semester/session. Failure to attend classes or submit registration changes in writing with the Registrar's Office does not relieve me of my financial obligations to Baltimore City Community College. I realize that deliberately falsifying or omitting information could be grounds for dismissal from the college. I understand that it is my responsibility to notify the Records and Registration Office of any changes in this information. I accept and agree to abide by all policies and regulations of Baltimore City Community College including those concerning drug and alcohol abuse. I understand that the unlawful use of drugs or alcohol will subject me to the penalties contained in those policies and regulations.

RECORDS AND REGISTRATION OFFICE SENIOR CITIZEN REGISTRATION PROCEDURES AND DATES

Students should follow these procedures for registration:

1. Refer to the chart below for registration dates. Senior citizens can register two days prior to the start of the semester/session. See an advisor to approve and check availability of courses.
2. The Senior Citizen Payment Agreement Form is available at the Records and Registration Office.
3. After seeing an advisor, students can take the registration form to one of the following offices:
 - Records and Registration Office, Liberty Campus, Main Building 08
 - WDCE Registration Office, Room 4, 710 E. Lombard St.

Payment can be made to the Cashier at the Liberty Campus or at the Business and Continuing Education location.
