

## Marijuana Retail Stores with Medical Endorsement List – Updated February 2021

The list below contains the name, location and phone number of marijuana retail stores that have a medical endorsement and have a certified Medical Marijuana Consultant on staff. A certified consultant may register a patient into the authorization database and create and issue a medical recognition card. It is advised patients or designated providers contact the store before visiting to see if an appointment is required.

| Retail Store Name                             | Street Address               | City         | County   | Zip Code | Phone        |
