Continuing Education Course Approval Eligibility & Requirements

The State of Arizona Board of Chiropractic Examiners welcomes your interest in providing continuing education for Arizona licensees. Please read the following forms, laws and rules carefully before submitting your application, as the Board cannot refund application fees, even if you do not qualify for approval.

Not all continuing education courses require Board approval. The following providers and courses are predetermined to meet the continuing education requirements. They do not require, nor should they expect, Board approval. The Board will return all applications submitted for courses that meet the following criteria without review.

- In-person courses provided by accredited colleges and universities, with qualified instructors, on topics allowed by statute and rule. (This does not include sponsored or co-sponsored courses or those taught by an adjunct faculty member of an accredited college or university.)
- In-person courses provided by the American Chiropractic Association and the International Chiropractors Association, with qualified instructors, on topics allowed by statute and rule.
- In-person CPR training provided or sponsored by the American Heart Association (AHA), the American Red Cross or an entity that meets the equivalent standards of the AHA and the Red Cross as determined by the Board.
- Participation in the development or proctoring of the NBCE examinations.

Approval is required for providers not listed above and for all online courses.

Subject Eligibility:

To qualify for Board approval, a continuing education course must meet the subject requirements set forth in A.A.C. R4-7-801 (D), (J) or (K). Qualifying subjects include:

- Adjusting techniques
- Spinal analysis
- Physical medicine modalities and therapeutic procedures
- Record keeping and documentation
- Ethics
- CPR (via Red Cross or AHA)
- Public health
- Communicable diseases
- Sexual boundaries
- Emergency procedures
- Acupuncture
- Nutrition
- Examination
- Assessment and diagnostic procedures to include physical, orthopedic, and neurological procedures
- Radiographic technique
- Diagnostic imaging and interpretation
- Laser as permitted by law
- Clinical laboratory procedures limited to urine collection, fingerpicks and venipuncture (not to be confused with evaluation of lab reports)
- Anatomy
- Physiology

- Bacteriology
- Chiropractic orthopedics and neurology
- Chemistry
- Pathology
- Patient management
- Evidence-based clinical intervention models
- Symptomatology
- Arizona jurisprudence
- Billing & Coding
- Substance Abuse
- Percutaneous Therapy

In addition, courses provided for the purpose of recognizing, assessing and determining appropriate referral or collaborative treatment of complex conditions, including but not limited to cancer, autism, multiple sclerosis, diabetes, and developmental disorders qualify for continuing education credit.

Please note that the Board will NOT approve courses in which the primary focus is the promotion of a product or service or courses that require participants to purchase a product or service. The course must have a significant relationship to the assessment, diagnosis or treatment of patients within the scope of practice of chiropractic, as defined in A.R.S. § 32-925 and 32-922.02. Course subjects that do NOT qualify for continuing education credit are listed in A.A.C. R4-7-801 (L). Please read this list carefully before submitting your application.

Instructor Eligibility:

Instructors must be qualified by education and/or experience to provide instruction in the course subject matter.

Qualifying instructors must:

- Be faculty of an accredited college or university or demonstrate equivalent qualifications through postgraduate study and experience teaching postgraduate coursework.
- Hold an applicable license in good standing.

Qualifying instructors must not:

- Have had a license placed on probation for unprofessional conduct within the past 5 years.
- Have had a license suspended, surrendered or revoked.
- Have had an initial license or renewal application denied for unprofessional conduct.
- Have been convicted of a felony.

Online Courses:

To qualify for approval, an online course must be provided or sponsored by an accredited college or university that meets the requirements of A.R.S. § 32-931(B). Online courses that are sponsored by, but not provided directly through, an accredited college or university must complete the Online Continuing Education Addendum in addition to the Continuing Education Course Application.

Application Requirements:

- A completed Continuing Education Course Application. (You must complete one application for each course, whether individual or included in a program of multiple courses.)
- A check or money order for \$50.00 in payment of the initial course application fee. Please make the check or money order payable to the Arizona Chiropractic Board. (You must submit an application fee for each course application).
- A resume or curriculum vitae for each course instructor.
- One letter of reference for each course instructor from a person familiar with the instructor's qualifications as an instructor, his or her education or his or her experience in the course subject.
- Verification of licensure in good standing from each jurisdiction in which each instructor holds or has held a license sent directly from the issuing agency.
- A course description that includes the course content, explicit written objectives identifying expected learner outcomes for each section of the course and the teaching method employed.
- A detailed, hour-by-hour, syllabus identifying the subject of instruction and the instructor for each hour. If less than an hour is dedicated to a subject, the syllabus shall identify the number of minutes dedicated to instruction on that subject.

You must submit your complete application at least 75 days prior to the anticipated initial offering of the course if you submit the application by U.S. Mail. You must submit your complete application 60 days prior to the anticipated initial offering of the course if you submit the application by email. Email submissions should be sent to the attention of the CE Course Application Reviewer at CECourse@chiroboard.az.gov. Please indicate that you are submitting a continuing education application in the subject line. Please note that if you submit your application by email, the Board must receive a check or money order in payment of the application fees within 10 days of submission. Staff will discard your application should you fail to submit your payment.

Staff will review and respond to your submission in writing. If your application is deemed incomplete, you will have ten days to supply the missing information.

Compliance:

If the Board approves your course, you will receive a letter providing you with your approval code. To maintain your approval, you must reapply every two years, no later than the first day of the month in which the course was initially approved. You must also reapply every time the course subject or instructors change. Failure to reapply will result in the disqualification of your course.

After a licensee has completed your course, you must provide them with a certificate confirming course participation. The certificate must provide the name and license number of the attending chiropractor, the name of the course provider, the course approval code, the subject matter of the course, the course title (if different from the subject matter listed), the date and location of the course and the number of hours of continuing education the chiropractor completed.

As the provider of a Board-approved continuing education course, you are under continuing obligation to report to the Board. You must notify the Board immediately of concerns or problems that arise

regarding your course, including any disciplinary action imposed on the license of an instructor or an instructor being convicted of a criminal offense.

In accordance with A.A.C. R4-7-801 (H)(2) and (3), you must maintain a list of all course attendees for a minimum of five years after each date the course is held and provide a copy of the list to the Board within 10 days of a written request to do so. You must also maintain a copy of the course syllabus with stated learning objects, a list of instructors and documentation of the name, location and date of each course held for at least five years and shall provide a copy of these materials to the Board within 10 days of a written request to do so.

A Board representative may attend your continuing education course to verify its content and ensure its compliance with statute and rule at no charge. The Board may withdraw its approval if they find that the course provider is not compliant with statute or rule, has misrepresented the course content or has failed to obtain approval after a change to the course content or its instructors. By making application to the Board, you agree to comply with these provisions.

Board Approved Online Continuing Education Parameters

An online continuing education course must meet all of the parameters listed below.

A. Provider

The course must be provided directly through an accredited college or university or sponsored by an accredited college or university. If a college or university sponsors the course, the contract with the sponsor must be included with the application.

B. Security Parameters

1. All courses and users are ID and Password protected.
2. The provider utilizes firewalls and security systems in its management.
3. Every course establishes the ethical responsibility required from each learner when taking CE credit through an online resource.

C. Monitoring Mechanism

1. The course must have a mechanism by which the learner's time can be clocked by the minute.
2. The mechanism must be capable of confirming ongoing learner participation with an on-line timer and with completed work. The on-line monitoring tool must be able to track each learner's physical time within each unit of the course, in real time minutes/hours.
3. The course must include, at the least, rotating question and answer examinations for each course hour.
4. Assessments are a necessary component for completion and certificates are not issued until those elements are complete.

D. Examination questions

1. Examination questions are reviewed by educational instructors prior to upload.
2. A statistical analysis of questions must be performed on a reasonable schedule and frequently missed questions are analyzed against course content to improve the content or questions.

E. Instructor Interaction

1. Learners can readily interact with instructors via email or other communication resources.

2. Learners do not wait more than 48 hours for a response to a question or request for assistance.

F. Credit Approval

Learners can only earn CE credit for the time and work completed as supported by the monitoring mechanism. If a learner spends 2 hours on a 4-hour course, the learner is only awarded 2 hours of credit.

G. Course Certificates

1. A certificate of course completion is not issued until the provider checks the learner's work and verifies attendance.
2. The course certification provided to the learner must include all of the information required by A.A.C. R4-7-801(H)(1).
3. A certification for course completion is sent from the affiliated accredited college or university to the learner's physical address rather than issued electronically.

H. Board Access to On-Line Courses

Applicants for on-line courses are required to provide Board staff access to an on-line course for its review as part of the application process and will need to continue to provide the Board and its staff access to on-line courses for continued monitoring.
