

This list shows savings for the most common prescriptions in the Kroger Rx Savings Club.

You can save up to 85% off of thousands of additional brand-name and generic medications. Find prices for your prescriptions by using the Drug Lookup tool at [KrogerSC.com/Drugs](https://www.krogersc.com/Drugs).

Prices listed are for the most commonly dispensed versions of these prescriptions. Please note that prices may vary for certain forms, dosages, or day supplies. Stated prices are not guaranteed. Valid prescription is required for all listed drugs, including for the Kroger Healthpro Monitoring System and Kroger Healthpro Test Strips. See the full list of covered drugs, forms, dosages and prices at [KrogerSC.com](https://www.krogersc.com).
