

Sudbrook Magnet Middle School: Assessment Day

Thank you for your interest in Sudbrook Magnet Middle School.

Assessment Day for Sudbrook Magnet Middle School is **Saturday, January 23, 2016**, with an inclement weather date of Saturday, January 30, 2016, at the same scheduled appointment time.

Inclement Weather Information: Baltimore County Public Schools determines school closings. All emergency closing and cancellation information will be posted on the BCPS automated information line, (410) 887-5555. Closings and cancellation announcements may also be made available through local media and social media (e.g. BCPS website, BCPS Now, etc.). In the event that school activities are cancelled Saturday due to inclement weather, magnet assessments will be postponed to the inclement weather date.

Please be on time. Verify your appointment time before Saturday. Failure to be on time or attend an assessment will result in disqualification. All parents/guardians must remain on-site during the assessment.

Please review the audition/assessment guidelines so your child comes prepared for his/her audition or assessment. Guidelines may be obtained at www.bcps.org/offices/omp/. Additionally, your child will be required to write an untimed essay (at Sudbrook) in response to a writing prompt.

If you should have any questions, please call 410-887-1254 or 6720. If you decide not to have your child assessed at Sudbrook, please call us as soon as possible.
