Cummins Repower™

With a factory-built and factory-backed engineered crate engine package from Cummins Repower, continuous improvement and support is what sets us apart from the used junkyard engines. Trust the heart of your build to the company who has a 24/7 support network and 99 years of unrivaled reputation as an independent diesel engine manufacturer. When reliability and efficiency matter most for your repower project, **depend on a factory-built, genuine crate engine from Cummins.**
