LUNCH SPECIALS THAT ARE TWICE AS NICE **7.79**

Who our coffee comes from is just as important as where it comes from. Our journey to source the best possible coffee led us to the Huila (“Wee-luh”) region of Colombia where the soil, altitude and climate are ideal for growing coffee with a flavor profile that is complex, consistent and pairs well with our menu. Along the way, we met local groups of proud female coffee growers that handpick their beans from small three- and four-acre plots. These “Mujeres en Café” are dedicated not only to growing great coffee, but supporting and uplifting their families and communities. We like that. To support their efforts and ensure they thrive for many more generations to come, First Watch made a long-term commitment to buy the beans we harvest at a premium price. Since we serve an endless cup of coffee, we think a cup should be as full as your heart.
