Visa for Non-local Students (Taught Programmes)

The Immigration Ordinance of Hong Kong stipulates that non-local students must obtain a valid visa to study in Hong Kong. Part-time students who are in possession of other valid visa are advised to consult the Immigration Department of the HKSAR on whether or not they are required to apply for student visa for studying in Hong Kong. Please refer to <http://www.immd.gov.hk/eng/contactus/index.html> for contacts of the Immigration Department. Non-local students who cannot present a valid visa at the time of registration will not be allowed to register. As it may take months to obtain the visa, please start your application immediately.

Important note on collection and dispatch of visa label

As stipulated by the Immigration Department of the HKSAR, a visa label will normally valid for **three months** upon collection and students are required to enter Hong Kong with the visa label within the three-month period. In view of the above policy of the Immigration Department of HKSAR, the University will collect visa labels and dispatch them to non-local students around six weeks prior to their admission date, even though the Immigration Department of HKSAR may have approved the visa application before that.
