The undersigned requests Clear Lake Independent Telephone Company to furnish the exchange telephone service and facilities indicated above. For such service and facilities furnished upon this request and for any toll service furnished at applicant's telephone number or numbers, the undersigned agrees to pay the rate lawfully in effect. This is subject at all times to the general "Rules and Regulations" applying to telephone service on file in the local office of the Telephone Company. The undersigned has been informed of the lowest rate available* and the ability to block 900 number dialing. In the event this number becomes delinquent, all other numbers for which the applicant is responsible could also be disconnected.
