About the PUA Portal for Claimants

Pandemic Unemployment Assistance (PUA) is a federal program that provides payment to workers not traditionally eligible for unemployment benefits (self-employed, independent contractors, workers with limited work history, and others) who are unable to work as a direct result of the coronavirus public health emergency.

The steps you will take to file a PUA claim and receive weekly benefits are:

- 1 Register to create your account in the Pandemic Unemployment Assistance (PUA) Portal.
- 2 File your initial PUA claim.
- 3 As early as the coming Sunday, submit your weekly claim certification.

 *If you require assistance with registering, filing your claim, or doing weekly certifications, contact staff at the PUA call center at: 1-800-603-9681, as they are able to perform all these activities in the system on your behalf.*
