Age Requirements

Campers must be the required age by the start of the program.

Extended Hours

Extended hours have a separate barcode for registration. Refer to the camp program charts for times, fees and locations. Extended hours are only for children registered in a City of Toronto Parks, Forestry and Recreation camp.

Inclusion and Support

We welcome and include children and youth with special needs/disabilities to explore our camp opportunities at a level of participation suitable to their ability, program choice and facility access.

Note: If your child/youth requires additional support/facilitation to be included at camp, you must register using the inclusive/integration request codes. In order to provide support to as many children as possible, with the resources available, a maximum of two weeks of inclusive/integration services may be provided per child. Register early, as space is limited.

Lunch and Snacks

A supervised lunch period is offered at each location. Children must bring their own snacks and lunch each day (full-day programs only). If a child forgets their lunch, we will request a lunch be dropped off. In order to reduce the risk of exposure to nut allergens, we recommend participants bring nut-free lunches to camps. Participants should also bring a refillable, non-breakable, clearly labelled water bottle with them to avoid sharing of water bottles and the spread of germs. More information will be provided at camp locations.

Supervision

It is important that you know your child is in a safe and caring environment. We implement a standard staff to child ratio at all camps.

Staff

Our program staff have been carefully selected for their enthusiasm, experience and background in working with children. Staff participate in extensive training which includes child management, appropriate program planning, risk management, policies and procedures, customer service, inclusion and support and much more. All staff are certified in First Aid and HIGH FIVE® Principles of Healthy Child Development.

Staff qualifications are monitored on an ongoing basis to ensure they are current and in compliance with standards and legislation.

Daily Programming – Old Favourites and New Experiences

For over 60 years, Camp Naorca staff have strived to pass down all of our best-loved camp traditions. In addition, campers can expect a fun-filled time, enjoying our environmentally friendly programming. Camp Naorca staff allow campers to gain a greater awareness of, and appreciation for nature and the environment through:

- Hiking Trails
- Arts and crafts
- Drama and cooperative games
- Special events
- Active games and sports
- Music and song
- Nature lore and storytelling
- Archery
- Nature and ecology projects
- Campfires and outdoor cooking
- Swimming and waterplay activities are held at a nearby community centre pool.

Note: Camp Naorca operates rain or shine. In extreme weather, we have emergency indoor facilities.

Integration and Support for Campers with Special Needs

We welcome and include children and youth with special needs/disabilities to explore our summer camp opportunities at a level of participation suitable to their ability. Once camp commences, your camper will be integrated with other campers in their age group. Note: the additional staff support you are requesting, will only be available during camp program hours; not present at the bus stop or during bus travel.

If your child requires a staff to support their special need:

- Do not register campers with special needs, in the mainstream barcodes (Bluejays, Falcons, Skyhawks, T-birds, Eagles, or Pathfinders), they will not be honoured.
- Register campers with special needs in a Camp Naorca “special needs” program barcode only. If barcodes are full, you can place camper on the waitlist. In an attempt to accommodate as many campers as possible, we will follow up with all registered and waitlisted campers. See the Naorca program chart on the next page.

- All registered and waitlisted campers, will be contacted by Camp Naorca staff in early spring, to arrange an assessment meeting. An assessment meeting is a requirement before camp starts, in order to gauge the compatibility of Camp Naorca with the dynamics of each child who has special needs. (Please note, if you had an assessment meeting already with a City of Toronto staff in the fall or winter, you may still need to conduct one again with Camp Naorca staff, due to the unique nature of our facility setting and program)
- Due to the high demand for support staff, a maximum of 2 weeks of support may be provided by City of Toronto staff. If you would like to register for more than 2 weeks of camp, call the Camp Naorca office at 416-395-0150.

Pathfinder Camping Trip (12-14 years)

In addition to registering for the Pathfinder program barcode, Pathfinder campers have the option of registering for a two night/three day camping trip to a nearby provincial park. These camping trips are designed to help foster independence and develop camping skills. Under the supervision of staff, campers will enjoy playing an active role in the set-up of a campsite and preparation of campfire meals. They will also help plan and engage in daily physical activities and specialized evening programming around the campfire.

Note: there is an additional fee to register for this camping trip. A separate off-location trip permission form and information package will be sent home the first day of each session.

Counsellor-In-Training Program (C.I.T.'S)

Camp Naorca offers an exceptional quality leadership program for youth 15 years+. C.I.T.'S attend on-site theory workshops with their peers, to learn about such topics as: communication, conflict resolution, child development and leadership. The remainder of the time, C.I.T.'s are assigned a supervised job shadowing placement within the camp. Our program provides an opportunity to gain valuable experience in assisting our counsellors with daily camp activities. Youth with special needs/disabilities are welcome to register and must be able to participate independently in the C.I.T. program. Participants may register for either our July session or our August session; not both. Registered participants will be contacted prior to the commencement of this program, in order to attend a mandatory orientation/one-on-one meeting.

Camps at Historic Sites

Looking for an amazing day camp for your child over the school break? City of Toronto Museums offer high-quality, fun, specialty camps at museums across Toronto, staffed by skilled and experienced counsellors!

Things to know

Age Requirements – Campers must be the required age by the start of the program.

Extended Hours – Extended Hours have a separate barcode for registration. Refer to the camp program charts for times, fees and locations. Extended Hours are only for children registered in a City of Toronto camp.

Lunches and Snacks – A supervised lunch period is offered at each location. Children must bring their own snacks and lunch each day (full-day programs only). If a child forgets their lunch, we will request a lunch be dropped off. In order to reduce the risk of exposure to nut allergens, we recommend participants bring nut-free lunches to camps. Participants should also bring a refillable, non-breakable, clearly labelled water bottle with them to avoid sharing of water bottles and the spread of germs. More information will be provided at camp locations.

Staff – Our program staff have been carefully selected for their enthusiasm, experience and background in working with children. Staff participate in extensive training which includes child management, appropriate program planning, risk management, policies and procedures, customer service, inclusion and support and much more. All staff are certified in First Aid and HIGH FIVE® Principles of Healthy Child Development.

Staff qualifications are monitored on an ongoing basis to ensure they are current and in compliance with standards and legislation.

Supervision – It is important that you know your child is in a safe and caring environment. We implement a standard staff to child ratio at all camps.

Inclusion and Support – If participants require 1:1 support for behavioural, personal or medical care, they will be requested to provide their own support worker/family member/ volunteer. Contact the individual location for more information.

Other Information

- Campers are required to have an information form filled out prior to attending camp. Call the museum location for your copy.
- Participants are expected to be picked up at the end of program. Participants who are picked up late will have a fee of \$1 for each minute late applied to their program registration account.

Trips – We follow trip and transportation procedures that put safety first and ensure parents/caregivers are notified in advance and provided the necessary authorization forms.

How to register – Register online at toronto.ca/funguide or call 416-396-7378.

Withdrawals and Refunds – See page 94 for the complete withdrawals and refunds policy. **Heritage facilities are excluded from Parks, Forestry and Recreation Welcome Policy/procedures.**
