

Veritology: What Is Truth?

Introduction

What is truth? Why is it important? What role does it play in the biblical view of the world, God's purpose for the cosmos, His will for mankind, His plan of salvation, and the way we live our personal lives?

In this first tour, Dr. Del Tackett explains why every man and woman has to choose between God's truth claims and the opposing perspective of the world, the flesh, and the devil.

Notes or Questions

While watching the video, use these lines to record your thoughts, any facts you want to remember, questions that arise, etc.

“For this reason I was born, and for this I came into the world.”

John 18:37

Truth 1 | Why Jesus Came

Jesus said that He had entered the world “to testify to the truth” (John 18:37).

1. What did Jesus mean by this? Why is it important?

2. How does Jesus’ statement relate to other aspects of His mission? What does truth have to do with your salvation?

Truth 2 | World at War

A cosmic battle rages between the truth claims of God and the illusions of the world, the flesh, and the devil.

1. Identify some of the illusions about life that our culture tries to pass off as truth. What, for example, does the world say about the nature of man, or about our purpose for existence? How does our society say we can find happiness?

2. What happens when our fallen inner nature leads us to ignore a truth claim of God and instead believe in a lie? Pinpoint some illusions that have been the most deceptive or harmful in your own life.

3. How do you feel about living in the midst of a war? Do you see yourself as a soldier? Why or why not?

4. How should we relate to people who do not know the truth in Jesus Christ? If they are not our enemies, what are they?

Truth 3 | Truth = What Is

Truth is that which conforms to fact or reality.

1. What do people mean when they refer to “my truth” or “your truth”? How should we respond to them?

2. What is insanity? Have you ever been “insane”? Explain. In what sense is this world becoming more insane?

3. Do you *really* believe that what you believe is really real? What assumption lies behind this question? What is the clearest indicator of your core beliefs?

4. What does *faith* mean? Explain the difference between “faith in faith” and faith in the truth claims of God.

Wrap-Up

In almost every area of life, the perspective of contemporary culture stands in direct opposition to the worldview presented in the Bible. Hence our culture is not only filled with lies but is heading in the direction of social insanity.

The question that Pilate asked—“What is truth?”—is the most important issue facing our society today. Every one of us must examine our response to this challenge: “Do you *really* believe that what you believe is really real?”
