

Online Summer School 2018

Summer School on Connexus V2

Give your students summer freedom and online flexibility.

Your district can offer an innovative summer school option this year that allows your students to stay engaged academically while still enjoying the freedom of summer. Pearson Online and Blended Learning helps schools and districts offer **online summer school programs** that address students' needs and adapt to family vacation schedules.

Online summer school allows your students to stay engaged academically while still enjoying the freedom of summer.

Students can explore new interests and build new skills

With more than 100 different online courses to choose from, a Pearson Online and Blended Learning online summer school solution can suit every student's needs. Whether you have high school seniors needing math credits for graduation or parents seeking a summer enrichment activity for their kindergartner, our summer programs can help:

- **Original Credit Courses** help students satisfy graduation requirements, explore their interests, or accelerate their academic progress in courses ranging from digital photography to computer technology to math.
- **High School Credit Recovery Courses** ensure students earn the credits to move forward and acquire the skills to succeed.
- **High School Honors Courses** in Grades 9–12 provide students with rigorous assignments for enrichment and honors credits. Teachers engage students in discussion and facilitate independent exploratory projects.
- **Career and Technical Education (CTE) Courses** help your high school students explore and further develop interests and earn credits at the same time. From Business to Criminal Justice to Psychology, our CTE courses can help turn curiosities into careers.
- **Elementary and Middle School Courses** for students in grades K–8 who are interested in reviewing English or Math core concepts, learning a new language, enriching their musical concepts, or combining essential reading and math skills with technology instruction.

“Rolling” Start and End Dates

Pearson Online and Blended Learning's online summer school courses have great flexibility to fit your district's or school's summer schedule.

- Choose your start date (June 5, June 12, June 19, June 26, July 3, and July 10)
- Last day is August 7th

Elementary and Middle Spanish

Your elementary or middle school students can be introduced to Spanish through our online World Language courses. These innovative courses feature flexibly-paced online instruction combined with live practice with language fluent speakers.

Languages

Elementary Spanish I
Elementary Spanish II
Middle Spanish I
Middle Spanish II

Educational Technology Courses

These programs offer students in grades K-8 essential technology skills for their age. While focusing on technology skills in which all students are required to possess by the end of the 8th grade, these programs reinforce reading, language arts, and math skills. If you wish to accelerate your student's current technology knowledge, it is suggested to place him or her in an advanced grade level program.

Courses

Educational Technology – Kindergarten
Educational Technology – 1st Grade
Educational Technology – 2nd Grade
Educational Technology – 3rd Grade
Educational Technology – 4th Grade

Educational Technology – 5th Grade
Educational Technology – 6th Grade
Educational Technology – 7th Grade
Educational Technology – 8th Grade

Music Education

Children from Kindergarten through 8th grade can gain a greater understanding of music through hands-on music activities and study of music repertoire. These music courses can serve as a primary introduction to music concepts or can supplement your student's current music education for a richer experience.

Courses

Experiencing Music I (K-2)
Discovering Music I (3-5)
Exploring Music I (6-8)

Course lists subject to change.

We cannot guarantee specific state certified teachers or curriculum during summer session.

Please discuss state specific needs with your sales representative or program manager.
