AFTER DEGREE**

## **EDUCATION AFTER DEGREE**

This is where it starts—the beginning of your big future. With each step you take on this exhilarating journey, you shape your tomorrow. And there's no finer place to do that than right here at Concordia University of Edmonton.

Nestled on the riverfront in Alberta's capital city, we offer over 45 majors and minors in the fields of arts, science, and management. We also have two After Degree programs, three master's degrees, as well as several graduate certificates and diplomas. No matter your path, we will work with you to successfully launch your career. This is where you can become an innovative trailblazer and effective leader.

## Learning is a lifelong journey. Where will it take you?

Recognized by Alberta Education and the Alberta Teachers' Association, our two-year elementary education program gives you the opportunity to gain the necessary knowledge, skills and attributes for certification as a teacher in Alberta. What could be more rewarding than making a clear, tangible difference in the lives of others? With our After Degree program, you are mentored by faculty, staff, and accomplished teachers in the field. You'll also benefit from field experiences and learn about program planning, teaching strategies, classroom management skills, comprehensive school health, including diverse learners, and how to integrate technology into teaching.

## DEGREE OPTIONS

Our Bachelor of Education (After Degree) program offers unique opportunities to help you in your transition to employment as teachers, as well as supporting volunteer time in the classroom following the completion of the degree. Ask us about the Employment Processes program and the Bridges Bursary program. Space in this After Degree program is limited, so we encourage you to apply early.

**Ready? Let's get started.**

## ADMISSION REQUIREMENTS

Admissions each year are based on the number of applications received, the academic qualifications of the applicants, and the number of spaces available. Enrolling an academically qualified, diverse student body is at the centre of the university's mission.

Interested? You'll need to present the following criteria:

- Completion of a three or four-year degree from a recognized college or university
- A minimum admission grade point average (AGPA) of 2.3 (on Concordia University of Edmonton's 4-point scale) or equivalent on the most recently attempted 30 credits
- Completion of 3 credits in English language/literature
- Completion of 9 credits from at least two of the following areas of study: archaeology, anthropology, classics,

computing science, economics, fine arts, history, languages other than English, mathematics, philosophy, physical education and sport studies, political science, psychology, religious studies, sciences, sociology

- A volunteer/work experience record
- Two confidential assessment forms
- A philosophy of teaching statement
- Evidence of proficiency in computer knowledge and use

---

Please refer to the [Academic Calendar](#) for a complete listing of admission requirements and acceptable courses.

## A REWARDING CAREER

Our Bachelor of Education (After Degree) is an innovative program designed to prepare teachers for a challenging and rewarding career in Alberta's elementary schools.

Explore education because you want to:

- Make a difference in the lives of children and youth
- Participate in hands-on learning and connect theory to practice
- Benefit from a comprehensive employment processes program

The Faculty of Education invites students to consider a minor within their undergraduate arts or science studies.

Education minors include:

- Education
- Early Childhood Education
- Physical Education and Sport Studies
