## BOOKING YOUR HUNT

We require a deposit of \$300 for Antelope, \$500 Deer, \$750 Elk, and \$200 per person on fishing trips. Deposits are due at the time of booking, with a second deposit due August 1st of the year of your hunt. Personal checks are accepted for initial deposits. Balance of hunt is due upon arrival in camp. Final payment must be made with cash, travelers check or money order.

## REFUND POLICY

Your initial deposit will be returned in full for any of the following:

Unsuccessful license draw

Closing of a season by Wyoming Game & Fish

If requirements are met for Wyoming Game & Fish to refund license money after successful draw due to illness. (Proof by Game & Fish refund must be shown in this instance)

## GENERAL INFORMATION

\*\* Most of our hunts will take place from our hunting camp in Hiland, Wyoming (50 miles west of Casper). Some hunts will be out of spike camps consisting of campers and tents. All meals are furnished by our staff and included in the price of the hunt, unless otherwise noted.

\*\* Regular airline service is available in Casper, Wyoming. This is the closest airport to our main camp. Pickup and drop off at the airport is available to our hunters for a small charge.

\*\* The hunter is responsible for the cost of all meat processing. Travel to and from the meat processors is included in the cost of the hunt. Your guide will recommend a reputable meat locker in whichever area your hunt takes place.

CAMERA/FILM	BOOTS
MEDICINE	TOILETRIES

## OUR GUIDES

Whatever you choose to hunt with us, you can expect a quality hunt. Our guides include the owner and hand selected personnel with years of guiding experience.

## WEATHER

The Wyoming weather during September and October is usually mild and dry. Temperatures Range from 30 to 40 degrees at night and 50 to 80 degrees during the day. Late October will be colder with a good possibility of snow.

Remember: Elevations are much higher than most people are accustomed to. Take into consideration that breathing may be difficult during some hunting situations.

## SEASONS

Wyoming has various opening dates in different areas. Some antelope areas open in September while other areas don't open until October. Elk season opens in September for archery and in October for Rifle. Mule deer season opens the latest, in mid-October. Bow season opens in August/September depending on game animal.

## LICENSE DRAW

Hunting licenses in Wyoming are on a computer draw basis. Our outfit will assist you with the online application process. Elk license applications must be submitted by January 31st for non-residents. Antelope and mule deer license applications must be submitted by May 31st. License application payments must be made by credit or debit card. If you're unsuccessful in the license draw, all of your money will be refunded by Wyoming Game & Fish, minus a \$14 processing fee. Please do not apply for a license without discussing it with us first, as we will not necessarily hunt the same areas from year to year.

## AFTER OBTAINING LICENSE

1. Contact us as soon as possible to schedule dates for hunt.
2. DO NOT sign the carcass tag or landowner coupon attached to the tag.
3. You will need to get a Wyoming Conservation Stamp to complete your license.
4. If you were born on or after January 1, 1966, you will need to have a hunter's safety card.
